**INTERNATIONAL ORDER OF RAINBOW FOR GIRLS**

*Meredith Doughty, Grand Worthy Advisor*

*(Introduction by Anne P. Dukes, Supreme Inspector)*

Most Worshipful Grand Master, Mr. Chris Stout, Distinguished Guests, and Friends  
It is a pleasure and honor to come to you today to talk about my Organization, the

International Order of the Rainbow for Girls. My name is Meredith Doughty and I am the Grand Worthy Advisor for the 2013-2014 term. Though my time in the Grand East has been short, I have come to know many of the members of the Masonic Bodies. They have taught me so much about myself and my Order and I know that I could never repay them for all their generosity and support through the seven years I have been a member. Even though I was surrounded by so many men and women, something always stood out to me: the lambskin apron. Why? Because in Rainbow we are taught about the meaning of the lambskin apron and even get one of our very own. For this occasion, I am even wearing mine. Our ritual says this:

“Last but by no means least, we find this miniature lambskin apron. In center of which is a star. I give it to you as your own. It is the sacred symbol that binds. To your father, if he were a Mason, the lambskin apron is sacred. And though you may never fully know its meaning, it will be dear to you, because he loved it and to him it was priceless. Keep it always.”

When I first heard this during my Initiation, I was confused. My dad wasn't a Mason, so how could I even understand and admire something that has no meaning to me. Keep in mind, I was only 11 years old. I have grown a lot since then and I am here today to tell you what the lambskin apron means to me. Over the years, I have come to find that my dad didn't have to be a Mason for me to understand the lambskin apron, because, as the ritual says, it is the sacred symbol that binds. I have met so many amazing people and I am bonded to them for life. But why was this so important to me? Many of these men and women have inspired me to be a better person and to always strive for something exceptional. That's why I am where I am today.

You can't even imagine how much impact you have on these Youth Organizations and their leaders. And all you really have to do is believe in us. We couldn't thank you enough for that. I know for some of my sisters, you have given them the fatherly figure that they weren't fortunate enough in this life to have. Through you they understand the meaning of their lambskin apron. I believe that if I wasn't fortunate enough in this life to have my mother, Valerie Halcomb Lyons, involved in Rainbow and Eastern Star and my grandfather, Dexter Halcomb, who has been involved with Bowling Green Lodge for 35 years, I would still have an understanding of what it means to be bound to an amazing Fraternity. That's all because of the men in this room. You have impacted me, but most importantly my life and my Organization.

In the past year, I have met so many outstanding men who have stories to tell and advice to give. And always in that order. Most of you I met, because my grandfather introduced me as “this is my granddaughter and she is going to be Grand Worthy Advisor.” You never hesitated to extend a hand and offer you help in anything I needed to get done. So thank you, from myself, my family, my Assembly, and my Organization.

As I leave here today, I am asking you to reach out to these Youth Organizations. Let them know that you are here for them and you support them in all their endeavors. Gentlemen, you never really know what young man or woman you will inspire next. That's why my term is themed as Let's Celebrate Rainbow, so we can all celebrate the gifts we have been given and the people we have met. Thank you so much for allowing me to be here and to share what this Fraternity truly means to me. I wish you all a wonderful Grand Session and I can't wait to see who you will inspire next.

## **ORDER OF DeMOLAY KENTUCKY**

*Brandon Crisp, State Master Councilor*

*(Introduction by Danny K. Coffey, Executive Officer)*

I am here today to talk to you about how you as a member of the masons have a great influence over the members of the youth organizations. You as adults set an example for all of the youth to follow and live their lives by. That example that you set makes us understand even more why we have joined this great order and why we try and follow in the footsteps of you. As adult leaders you show us how we as young men and women should live and how we should treat others. You may not know that the way you act or the way you treat others has that much influence on the members of our organizations, but many of them take a lot of their ideals not only from the teachings of our orders but from the leadership that they follow.

As members of the Masonic body you have already set a bigger example than you could ever imagine. The reason for this is because the members of the youth organizations already know some of the ideals that you have pledged to base your life and they then believe that if you as their leaders build your whole life around these ideals then they as the youth should follow that example and build their lives to follow the people that have made such a huge impact on their lives.

As one of my own personal example of this when I first joined the order of DeMolay I had no idea I would ever reach the position that I am today but because of the leadership of the man who was chapter dad of my chapter at the time I was able to set a goal for myself that was higher than I could have ever imagined and I was able to reach to new heights in DeMolay because he showed me how important everything I was doing really was not only by what he told me but by the way he acted around the young men and how he showed us the way to grow into great leaders.

As the leaders of the youth you always say that you are building the future for your organizations but I can tell you that you are building so much more than that you are building the future for a world that will have leaders that may have come through these organizations and have had an example set before them that was worthy of their emulation. I think that Eleanor Roosevelt said it best about influence when she said "You can never really live anyone else's life, not even your child's. The influence you exert is through your own life, and what you've become yourself." Whenever you attend an event that the DeMolay, Rainbows, Jobs daughters, or builders are putting on remember that those young men and women look up to as leaders and as their example for their future life. So I hope that you leave today with a new sense that you as leaders

## **GRAND CHAPTER OF KENTUCKY ORDER OF THE EASTERN STAR**

*Melva Dukes, Worthy Grand Matron*

*Grand Chapter of Kentucky*

Most Worshipful Grand Master, Chris Stout, Distinguished Masons and Guests  
I wish to thank you for asking me to speak at this session of the Grand Lodge of Kentucky.

Recently I have heard your Grand Master speak on two different occasions. Both times he talked about our state motto "United We Stand, Divided We Fall" and how it

related to Masonry in Kentucky. My motto for this year is “Kentucky OES United We Stand, Divided We Fall.” In selecting this as our motto I wanted our members to realize we have to work together to build our membership, be known in our communities, and make contributions to help those in need.

As Masons and Eastern Star members we can use this motto to work together and create a positive influence in our communities. We can use our meeting places to provide services to our towns. We can help in local drives to collect food and clothing. In time of disaster we can offer our services to those who need help rebuilding their lives. We not only benefit the places where we live but we will present an image that will make our fraternities more appealing to new members. People will want to join our ranks because of who we are and what we do.

We can no longer sit back and hope we will increase our membership. We must through our actions show that being a Mason or Eastern Star member will not only improve our lives but those in need all over the world.

I hope each of you through your Masonic affiliations will present an image in your communities that will help the growth of both of our fraternities not only this year but for all future generations.

## **GRAND CHAPTER & CENTRAL COUNCIL ORDER OF THE BUILDERS**

*Dakota Harrison, Deputy Master Builder*

Most Worthy Grand Master, Grand Line, Dignitaries, Distinguished and All

I am Dakota Harrison the Deputy Master Builder of the Order of the Builders.

It gives me great pleasure to bring you greetings on behalf of our Master Builder, Lucas Upchurch, who regrets that he could not be here this evening due to family situations beyond his control.

I have been a Builder since 2008 and have been fortunate to have moved steadily up the officer line. I am very much looking forward to serving as Master Builder next year if elected.

Our organization is founded on the principles of Patriotism and the love of God and family. We have also learned that several of our founding fathers of this country were celebrated Freemasons.

We are taught how to be charitable, to keep our minds and bodies clean and respect for our elder brothers, to whom we look for guidance.

As for myself the Builders means to me I like helping other and in the builders we help the community such as our largest philanthropy which is Big Brothers/Big Sisters to whom we have donated several thousand dollars in the past ten years. We have also donated to several other charities, namely Ronald McDonald House, Center for Courageous Kids and Backpack for Kids.

I would like to thank you for inviting us to be a small part of your Grand Lodge Assembly.

## **KNIGHTS TEMPLAR OF KENTUCKY**

*William F. Lile, Right Eminent Grand Commander*

Most worshipful Grand Master, Right Worshipful Grand Lodge Officers, Most Worshipful Past Grand Masters, and delegates to the 2013 Grand Communication it is a Honor that I never expected for me to be invited to speak at a Grand Session. I am Grand

Commander of the Knights Templar of Kentucky which is an appendant body of York Rite Masonry.

During the past year I have traveled across the state attending Lodge Meetings, Scottish Rite, York Rite, Shrine, Eastern Star, and Youth Groups and at these meetings there has been a good representation of Grand Lodge Officers promoting the ideals and values of Masonry. Grand Master Chris Stout Richard Nation Wilson Wilder and other Officers join in the fellowship and have filled in positions to open and confer Degrees. These actions have spread to all the Lodge members and has influenced them to join and want positions in the appendant bodies.

On behalf of the York Rite of Kentucky I would like to “thank you all” for making Masonry enjoyable and interesting enough that all members go to the history books to find out more about how to be better Brothers and improve our lives through the Ideals contained in Masonry and the belief in God. Keep up the good work and thank you.

## **ROYAL ARCH MASONS OF KENTUCKY**

*Thomas E. Bustle, Grand High Priest*

To: Most Worshipful Grand Master, Worshipful Grand Line Officers, and Most Worshipful Past Grand Masters, Distinguished Guests, and Brothers all

I bring you greetings from the Grand Chapter of Royal Arch Masons of Kentucky and I hope you have a wonderful Grand Session.

I was talking to a friend about Masonry. One of the questions I was asked was, “Does Masonry have a place in today’s fast paced society, or is it an organization that has out lived it’s usage and belongs in the past?” I answered him in this manner. I told him the lessons we learn in our Masonic journey still have as much value today as they did in the past. When we take our first step as an Entered Apprentice Mason we begin a journey that takes a life time. And on this journey we are seeking knowledge and understanding that not only help us grow as masons, but knowledge and understanding that helps us grow in our many different walks in life.

I then asked a few questions of my own. Should values such as faith, honor, integrity, compassion, and charity be something of the past? Or do we still need these values in today’s fast paced world? These values are something that takes a life time to learn. These values are just a few of the lessons we learn in this journey we call masonry. I believe we need these positive values today, more than ever.

I ask each of us to reflect, on where we are, in our Masonic journey. We need to help keep masonry strong and alive in our communities, by living and teaching others the lessons that we learn on our journey. One of the best ways we can do this is by staying involved and coming out to support our local lodges. By helping others to begin their own Masonic journey, we can still make a difference. This is what masonry means to me.

## **ROYAL AND SELECT MASTERS OF KENTUCKY**

*Raleigh C. Foster, Most Illustrious Grand Master  
Grand Council of Kentucky, Royal and Select Masters*

Most Worshipful Grand Master, Grand Lodge Officers, and Brethren of the Grand Lodge of Kentucky, Free and Accepted Masons, thank you for allowing me the oppor-

tunity to bring Fraternal Greetings from the Companions of the Grand Council of Kentucky, Royal and Select Masters.

Brethren, Ancient Craft Masonry centers around the story of the preservation, loss and recovery of the Master Masons Word. The Word represents man's search for life's purpose and the nature of our Creator. Symbolic Masonry, as in our Lodge, teaches of the loss of the Word and hope for its recovery. Royal Arch Masonry, as in a Chapter of Royal Arch Masons, teaches of the Words recovery. Cryptic Masonry, as in a Council of Royal and Select Masters, completes this story by teaching of the Words initial preservation.

The Word, as I understand it, is broken down into five different categories: Learning, Social Interaction, Esoteric Pursuits, Social Involvement and Charitable Activities.

It would be easy to say that there is room for all five of these traditions in Masonry, and we should continue each of them to make the Craft a well-rounded institution. That is true, to an extent, and none of us have the right to say authoritatively that someone who believes Masonry is about anyone of these traditions is wrong, since there is no official definition of what Freemasonry is.

But we can try to form a consensus among some of us about which traditions are most useful to Freemasonry now, and which teach us what we should be doing now and in the next few years if we want Freemasonry to become as important an organization as we all believe it to be. One hundred years from now, what do we want people to remember about Freemasonry? What do we think about our forebears of a hundred years ago?

As much as I support such things as learning, improving Masonry's image and standing in society, I seriously wonder if these traditions would, if continued and emphasized, lead to success for Freemasonry. They are useful, and to some of our brethren they are exciting and even critical to their lives, but are they the things that we really think will cause people to become excited again and beat down our doors to join us?

Rather than say all these traditions are equally important, I would like to suggest that there is one thing that Freemasonry is uniquely equipped to do, that it can do, and for which it would be viewed by the vast majority of the population as a leader, and important part of our world.

Throughout the history of Freemasonry, even when we don't always prove it by our actions, the tradition of tolerance has been a constant. Anderson in the 1700s said Freemasonry brings men together who would otherwise remain at a perpetual distance. Joseph Fort Newton and his generation of Masons in the 1900s said Freemasonry could promote world peace through human understanding if applied equally and fairly.

Isn't this the fundamental problem throughout the world today? The United States, our beloved Nation, has been plagued with bouts of injustice and problems with different groups living together since our earliest colonial days, and this is not unique to our country. The experience of people, including Freemasons, in places such as Ireland, Cyprus, Africa, the Middle East, Cambodia, Germany, and even England and France, shows that humanity needs to learn how to deal with differences in race, color, religion, nationality, language, ethnic backgrounds, lifestyle, gender, and political differences if we are going to survive and progress as God intends for us to do.

Freemasonry could be, and could have been in the past, the only institution in the world that at all times in every way promotes tolerance and meeting on the level. We could be the leaders in seeking racial harmony, religious understanding, cooperation among men and women, civility between people who believe in different political phi-

losophies, and friendliness among those who choose to live their lives differently from others. We could be better than the United Nations, Amnesty International, and all other interfaith organizations because we could be the prime organization supporting tolerance for all, everywhere, in all circumstances. This would be a unique role for Freemasonry.

But let us be honest with ourselves. If Freemasonry is going to be defined as the greatest institution for tolerance, it will not be easy. Intolerance must be ended in Freemasonry, immediately and without waiting for anyone to change, or die. It must be ended completely, and right away. We need to say this clearly in our Codes, and demonstrate it in all our actions in Lodges -- recognitions, balloting, and friendship with all people regardless of race, color, religion, gender, politics, choices in life, or anything else other than the content of their character.

This Masonic tradition or ideal -- tolerance, bringing all people together in unity, promoting equality of all, and supporting individual rights -- could be what Freemasons and all people look back on when they think of Masons of 2013, and say that we Masons of our day made Freemasonry something to cheer about, something that made a tremendous difference in world history. Now wouldn't that be a great tradition?

Brethren, the word "Cryptic" in York Rite Masonry, according to Coils Masonic Encyclopedia comes from the Greek language meaning something hidden, concealed or secretive. The secrets of Freemasonry, if there are truly secrets, lies in the heart of each man who knocks upon the door seeking admission. So, if Freemasonry seeks to improve the community of man by improving the individual, then surely we can begin today by promoting it as a way of life because then, and only then will our best days are ahead of us. Thank You.

### **KEYNOTE SPEAKER**

*Jorge Aladro, Past Grand Master  
Grand Lodge of Florida*

Most Worshipful Grand Master, Most Worshipful Past Grand Masters, Right Worshipful Grand Lodge Officers, Distinguish Guests, and My Brothers all. Good Morning. What a great honor and pleasure it is to be here with my Brothers from the Blue Grass

State. Over the years I have made friendships with Brothers and Grand Lodge Officers, past and present, from the great Commonwealth of Kentucky, and I treasure every single one of them.

Most Worshipful Grand Master, I want to thank you so very much for the opportunity you have given me to be the keynote speaker at this Annual Communication and share with our Brothers my thoughts and experiences as a Grand Lodge Officer and servant of our Craft in Florida. My Brothers, if you notice a slight accent I want to let you know that it is a southern accent I mean way south of the border, across the strait of Florida, as they say in my country have inner tube and you will travel. Speaking of which, if you see an inner tube in valet please don't let the air out of it, I always bring an alternate method of travel, I never leave home without it.

My Brothers, in the past six years I have traveled the breadth and length of the State of Florida and across this great land of ours, laboring in the quarries of Freemasonry. Attended many conferences, break-out sessions, read many books, and spoke with many leaders and there is no doubt in my mind that we have two schools of thought regarding the state of the Craft.

One School believes that we are in the membership business and therefore we have a crisis with a need for aggressive recruitment of members at whatever cost. The other believes that we are in the fellowship business and we need to be very careful who we let in our midst and we have the responsibility of making good men better, through the lessons inculcated in our Degrees, our principles and tenets comprising of a well-rounded Masonic Education and Leadership studies. This is nothing new. These competing thoughts have been with us since time immemorial and the reason why the Mother Grand Lodge of the World was created three centuries ago.

One of the most prolific Masonic writers of his time Reverend and Brother George Oliver, D.D., said it best when writing this charge to the Craft and I quote, "Be very cautious whom you recommend as a Candidate for Initiation: one false step on this part may be fatal. If you introduce a disputatious (argumentative) person, confusion will be produced, which may end in the dissolution of the Lodge, you have a good Lodge, keep it select. Great Numbers are not always beneficial" end quote.

As you have heard, this speaks volumes of the type of business in which we are engaged. When you and I look to our circle of friends we look to them for loyalty, honesty, integrity, a sense of justice, individuals with high moral standards and of faith. Individuals we can trust with our greatest possessions "our loved ones" and know they will be as safe with them as they would be with us, and have no hesitations.

We are looking for men we can trust and depend on. We are looking for a few good men that will carry our banner of Brotherhood to the next generation true and unimpaired. My Brothers, only people you can trust and depend on completely need apply.

Interestingly enough nearly three centuries ago a group of Masons and Lodges from the London area seeing the decline in the quality of the membership representing the different Lodges, the actions of some of the Lodges, and seeing the need for uniformity together with high standards, decided to band together and create a central entity that would oversee the implementations of their wishes and set the requirements that would apply to all the Constituent Lodges; thus, the birth of the Modern Grand Lodge of England in 1717.

Not selecting the right men has brought our Fraternity great pains and unnecessary exodus as demonstrated by the Morgan Affair and the Great Depression. Just before these two periods in our history we were Initiating Masons indiscriminately which at the very

first signs of trouble left our Fraternity in great numbers.

During the Morgan Affair some Grand Lodges lost more than two thirds of their memberships and some went dormant for some time after; while others took thirty years before they would get back to their original numbers. During the Great Depression curiosity seekers that had joined during the roaring 20's, a few years earlier, left us as times got hard. All jurisdictions across the nation lost large number of members. In Florida we lost 47% of our Membership in 10 years, but the remaining 53% of the true Masons stayed the course whether they could afford to pay or not. That, my Brothers, is the difference between membership and what I call Masonship.

In four years we will be celebrating the birth of our Fraternity three centuries ago, and once again we find ourselves in the same situation as they did three hundred years ago, with indiscriminate Initiations; poor investigations, if any; and recommenders that do not even know the individual petitioning the Lodge. They say that history repeats itself and we are living proof of it. The one thing we have going for ourselves is that we already have a mechanism in place. All we need to do is follow our own Rules and Regulations and not cut any corner.

We have been losing members since the 1950's for some jurisdictions, for others it wasn't until 20 to 30 years later before they started on the decline; however, not much attention was paid to this situation as a whole and certainly the symptoms weren't studied. It wasn't until the early nineties that the leadership as a whole focused on something to turn the loss of membership around. However, once again the condition of the fellowship or the fraternal side was not looked at as if somehow membership numbers would improve the fraternal side of "Making Good Men Better." By dropping time tested requirements that built this great Brotherhood, once again we concentrate on making members instead of Masons.

This is what we have been doing since the early nineties in many states, including mine although I'm happy to say that we have not had a Masonic wholesale event in the last five years and we have promises for three more.

The nineties solution to the membership problem as one school of thought sees it, was to bring a great numbers of men, at great speed into the Fraternity; thus, the "One Day Class". This, to me, was a great misconception and here is the reason why. If we need members, we need active members. If we need revenue then we need to increase Dues and Per Capita. The One Day Class was brought to us as a way to make wholesale Masons that were too busy in their lives to do it the traditional way; who would be too busy to learn any catechism, to stand any proficiency, and to attend a Lodge he really didn't know anyway because he has only attended it once or twice during the Degree if any, and has no bonds with any member. In other words, to resolve our membership problem we are bringing in men that have no time to become Masons or practice Masonry. How is this going to resolve the membership problem? Hello!!! Am I the only one that sees this as an oxymoron?

All the while we have changed Freemasonry more since the early 1990's than in the previous 270 plus years and have not achieved the goal of turning the declining membership around.

I know of no "One Day Class" or "Masonic Giveaway" that has turned around the loss of membership anywhere nor improved the quality of the membership. However, it has brought down the standings of Freemasonry to the point where historians have questioned whether Masonry has any relevancy in the 21st Century.

My Brothers, Albert Einstein described the definition of insanity as doing the same thing over and over again expecting different results. It is time we stop this madness and we concentrate on fellowship and self-improvement, which is what this Fraternity is all about; improving the inner and outer man, a metamorphosis if you will, from a rough ashlar to a perfect ashlar, building the cornerstone of that physical and spiritual edifice. We can do it. We have all the tools in place to make it happen and it starts with each and everyone one of us.

It all starts with the individual Brother Master Mason who recommends material that he does not know well enough, if at all, with Lodges willing to accept candidates with a shady past; to the point where they have received felons knowingly and unknowingly because they continually fail to do the proper investigation of their candidates. I suggest to you that the investigation should start with the recommenders and find out how well they truly know the proposed candidate. I guarantee you it will be an eye opener.

My Brothers, we are not in the rehabilitation business; we leave that to the civil authorities. What we are is the premier self-improvement society in the world dedicated to "Making Good Men Better" by inspiring them to practice our moral lessons as well as following our principles and precepts; not only demonstrated in our ritual and tenets, but those in our Constitutions, Rules, and Regulations.

We find ourselves in the same situation in many places across this great land of ours. Where we have adopted this sense of urgency to bring in men who may not be worthy of being a Mason for the mere few shekels they can possibly reap. Yet most of the Lodges give Masonry away too cheap, with all Three Degrees being \$100.00 or less, and a dues structure that defies logic; however, that is another subject.

The Fraternity has nothing to gain; however, there is a great reputation to ruin in the community in which we reside. I have personally dealt with and read about these cases more than I care to admit. The sad situation is that at the end of the day we cannot show any gains of any significance in membership.

When you enter a great number of men of a certain age at one point, there will be a great number of men exiting at the other end. Coupled with the fact that a great number of these people were disengaged by their own making, in most cases, and others by Lodges that were too busy to pay attention to their membership as they were coming in by the truck load; which have caused our two major losses to death and NPD's. This is not new, it has happened before and it will happen again.

This One Day Class idea has eroded the very thing that helps maintain the member active and engaged with the Lodge, which is by practicing Fellowship, Brotherly Love, and Affection. This can only be built when you spend time together with your Brothers. To allow men to join that have no time to practice Masonry for the sake of their Dues is diametrically opposed to what Masonry is supposed to be; which is Brothers working together and building bonds that will last a life time.

The One Day Class has not helped turn the tide of the exodus and probably nothing we do will. But the one thing we must never do is diminish our values and who we are for the sake of a supposed membership that will not practice the Mystic Art. There is no sense in making our Fraternity like those that imitated ours, as they too are suffering great loss of membership as well for pretty much the same reasons. They have never reached the height of prestige that Freemasonry has been known for, nor have they been adorned with men of such high moral character as have adorned the portals of this Fra-

ternity. Simply this is another cycle like those we have had over the nearly 300 years of existence. Our Fraternity has value to offer this wayward society and if we do not deviate from it they will come to us as no one else offers what we do. We are a beacon of hope for mankind; we must stay the course.

So what must we do? First and foremost get back to the basics as our ancestors did nearly 300 years ago and make the hard decisions. Not because they are popular but because they are the right things to do at this critical point in the existence of the Fraternity. However, we have an advantage. We have their examples. It has been done many times before; and we do not have to create a system from scratch like they did. We already have that system in place.

We need leaders that will guide us through this period of time with strict enforcement of the Constitution, Rules and Regulations we currently have in place and eliminate anything that makes us a different organization than we presently are and were intended to be. We do not need to imitate the imitators we need to lead.

First and foremost, we need to clarify once and for all that we do not have a membership problem we have a quality problem. So we start with being more careful with the material we recommend to be a Mason. If we don't know them we don't sign the petitions, period. Second, if the individual is not known by any

Brother; invite him to the Lodge events, including pre-meeting dinners and fellowship, to get to know him before you sign his petition.

Make sure that the individuals assigned to the investigation conduct such investigation in a professional manner following your Grand Lodge guidelines and making sure they dot every i and cross every t. Also make sure they visit the candidate individually and check all his references, including work. Now is the time to investigate; not sell the Fraternity, be vigilant. If your Grand Lodge has a mandatory background investigation, this is an excellent tool to check the candidates. Make sure the family is present when visiting his home and inquire of them, especially the spouse, how she feels about him joining the Fraternity and the time away from home during Degrees and the regular Lodge meetings; together with the monetary obligations required to join and annual dues.

Next we need to deliver the very best Masonic Experience that we can possibly deliver, and if that means you need to get help from neighboring Lodges, ask for assistance, at the same time start honing in with ritual practices, opening and closing, Degree, Lectures and Charges. You need to be self-sufficient; however, until that time comes reach out for help when needed. Remember we are a Band of Brothers ready, willing, and able to assist when asked.

Now we need to provide a Mentor and a Catechism Instructor and these should be different Brothers. Remember you can pool your resources with your Sister Lodges. Make sure the Mentor is someone that keeps track of the progress and keeps the candidate informed of all events and teaches him about Masonic Education, Lodge customs and practices, and encourages the individual to dress and act the part of a Mason, while the Catechism Instructor teaches him the ritual and catechism. This duo can build ties with the new Mason that will last a life time but make sure that Lodge politics are kept out of the process, this can sour the candidate.

My experiences in tracking Lodges that practically gave everything away with no minimum requirements, and Lodges that charged for everything and had more stringent

requirements of all its candidates and members, is that the Lodges with higher expectations of its members Initiated more Candidates, Passed more Brothers, and Raised more Masons than two or three of the other Lodges combined. This indicates to me that when men perceive value, feel wanted and appreciated, when people invest time in them, when they build friendships, they will stick around and have time to absorb the lessons, tenets, and principles of our Fraternity when taught properly.

This simple basic plan can be achieved by every Lodge if the Brothers are willing to fulfill their Obligations as Lodge Officers according to their installation oath, and the Constitutional Rules and Regulations of any jurisdiction. This is NOT rocket science. It is simply applying common sense practices and following simple steps we have gotten away from and must return to in order to be successful. In other words, follow your By-Laws and Constitution.

My Brothers, our Fraternity like our American way of life is always a generation away from extinction and we are the custodians of it and while we are at watch we don't want to be the ones to be known as the last true Masons. We need to preserve our Fraternity for our posterity. That is our obligation and we must never change what Freemasonry has been for nearly 300 years. We have been great, not because of our numbers, we have been great because we were the premier self-improvement society where men from all stations of life were equal, equal my Brothers, Kings and serfs, high and low, rich and poor. No other organization had done that before us. We have been great because our values have attracted great men from all professions and vocations, and lastly because we have acknowledged from day one that Freemasonry is not for everyone. We are selective on who we allow to enter and what we are interested in is the character of the man.

I have never read anything about Freemasonry where it said that we were great because of our numbers. I have always read that we were great because of our values and the character of the men that were part of the organization.

My Brothers, last but not least, you need to be aware and engaged in your Lodge and Grand Lodge and support them equally. This is not us versus them. This is "we are all in it together." When the Lodge fails the Grand Lodge fails. When we fail to operate the Lodge properly the Grand Lodge fails. When we do not investigate the candidates properly the Grand Lodge fails. My Brothers, you are Grand Lodge, the Officers you have elected to run the day to day business of the Grand Lodge march to your orders because in this Annual Communication, like in the ones past and those to come, you will tell them what to do and how you want it achieved.

You are fortunate to have good leaders. It is up to you to follow and support them at the Lodge and Grand Lodge level. If you don't, you have delayed and worsened the situation. They have given you the tools to solve problems; they have offered you assistance; don't hold it against them if you have not taken them on their offers and you continue to fail. We need to look at the man in the mirror and if individually we are not giving 100% then individually we can only blame ourselves.

My Brothers, history is replete with incidents where a few men have done extraordinary things that a large number of men could not have performed. Numbers are not always what you need when you are looking at quality; and although we are a Nation, where as a society we are always looking to super-size; from the fast food we consume to the vehicles we drive and although that may be a great sign of abundance it does not apply to us since our requirements and beliefs are different. Masonry was never intended for the masses but for the few, for good men aspiring to be better.

Through Masonic Education and Ritual instilling in Brothers these moral and life lessons is that we make good men better and fulfill our promises. We hope that along the way we have sparked in him a hunger for learning that he may expand his horizons and continue to read, research, and practice those moral lessons inculcated in the study of Masonry. Masonry, like life itself, is ever evolving and the more we learn of it, the greater the meaning we receive as we travel from light, to more light, to further light in Masonry.

Masonry is a never ending school from where there is no graduate and only on our way to Thy Lodge on High is that we lay our books and tools down here on earth to hear the words from the Great Architect of the Universe who will judge our knowledge and what we accomplished with that gift, and say unto us. "Well done good and faithful servant."

My Brothers, we have a bright future ahead of us. There are plenty of good men out there that want to retreat from a dysfunctional society and are looking for what Masonry stands for and has to offer. We are blessed to have time proven principles and tenets. Let's stick by them. Let us continue to be the vanguard of moral rectitude in our society. If we get back to basics and tighten our belts and do the right thing, this too shall pass and what a bright shining future it will bring us with truly committed Masons to open a new century; hopefully, never to forget the lessons learned that we are at our best with quality membership. Together we can do it. You are the masters of your future. Take charge, be a leader, make it happen. God Bless our Armed Forces wheresoever dispersed, God Bless all of you, God Bless the Grand Lodge of Kentucky and God Bless the United States of America.

## INITIAL REPORT OF THE COMMITTEE ON CREDENTIALS

*Donald Hendrick (563), Chairman*

Most Worshipful Grand Master, Right Worshipful Elected Grand Lodge Officers, Most Worshipful Past Grand Masters, Distinguished Guest and my Brethren:

The Committee on Credentials respectfully submits the following report:

It is recommended that the 376 registered representatives of the subordinate Lodges of the Grand Jurisdiction, who have paid in full, be recognized as the representatives of their Lodges to this Grand Communication and that they be paid mileage and per diem.

The majority of the accredited representatives of the various Lodges in attendance of this Grand Communication serve in one of the principal offices of the Lodge, but certain of the accredited representatives come as duly elected representatives of their respective Lodges.

According to our records, 376 Lodges have qualified representatives, whose votes, together with 21 Past Grand Masters, 6 Elected Grand Lodge Officers and a collective vote of the Past Masters, totals 404 votes that may be cast in any election.

Past Grand Masters of the Grand Lodge of Kentucky in attendance 21; Committee Members in attendance 36; District Deputy Grand Masters in attendance 22; Past Masters in attendance 265; and Master Masons in attendance 136.

We thank Pat Richardson, Vi Sigler, and Lois Hasewell from the Convention Bureau for their assistance.

## WELCOME ADDRESS

*M. W. Carroll M. Curtis (291), Senior Past Grand Master (present)*

Most Worshipful Grand Master, other Grand Lodge officers, distinguished Past Grand Masters of Kentucky, visiting brethren, and all of my brother Masons here assembled:

Another Masonic year has passed and it is again my honor and pleasant duty to extend a welcome to the annual communication of our Grand Lodge. It is a joy to again see brethren of long acquaintance and meet brethren of later date who are carrying out the good works of Freemasonry.

Each of us should be living examples of our Masonic obligations and teachings. By doing so, we will convince the world of the good effects of Freemasonry. Our Masonic

brotherhood will be strengthened and we will be an uplifting, moral force in our respective communities. We should not consider our cable-tows to be short and narrowly limited, but look for, and make, opportunities to practice Masonry in our conduct and actions.

### **THE CABLE-TOW**

*What is the length of my cable-tow?  
A Fellow-Craft Mason wanted to know.  
An aged Mason, with snowy white hair,  
Pointed and said, "From there to there.  
From the first bright rays of the rising sun,  
'Til the last rays signaled that day is done.  
Your cable-tow reaches from morn 'til night,  
And from night until morn, if I've learned it right.  
A time for refreshment and a time for sleep,  
A time for God and a man's service to keep.  
And the one you can help along the way,  
Sets the cable-tow's length and the hour of day.  
If you can reach him without damage to you,  
Your length is: just how much good can I do?  
Those that depend upon you always come first,  
And neglect of them your cable will burst.  
If you remember this, and adjust it so,  
You will soon learn the length of your cable-tow".*

### **GRAND MASTER ADDRESS**

RIGHT WORSHIPFUL GRAND LODGE OFFICERS, MOST WORSHIPFUL PAST GRAND MASTERS, WORSHIPFUL GRAND LODGE OFFICERS, OUR DISTINGUISHED GUESTS, DELEGATES AND BRETHREN OF THIS 214TH ANNUAL COMMUNICATION OF THE MOST WORSHIPFUL GRAND LODGE OF KENTUCKY FREE AND ACCEPTED MASONS.

It is my pleasure and privilege to welcome each and every one of you here today to say thank you for your presence at the 214th Annual Communication of the Grand Lodge of Kentucky F. & A. M. It has been my honor to serve the craft of the Commonwealth of Kentucky this year as your Grand Master. I pray that in some way I have made a difference and that I have lived up to your expectations as Grand Master. To our distinguished out of state guests visiting with us from other Grand Jurisdictions, we extend to you our Kentucky hospitality and we hope that your visit will be most enjoyable during the time you spend with us and that you return to see us in the future. If you need anything during your time here, please let us know and we will do our best accommodate you.

### **STATE OF THE CRAFT**

I feel that this year we have increased the communication between the Grand Lodge Officers and the Craft of Kentucky. We have assisted the Lodges in any way that we could to increase Masonic Education and Leadership. The mutual respect that I have seen all

year does my heart good to know that we are all brothers and that we are all on the same level. Education is what all Masons are searching for and we will be until we are in that place not made with hands eternal in the heavens. The craft of Kentucky are in good hands as we move forward to the future with our Leadership and I charge each member to be a better mentor, educator and leader. It makes me proud to be a Kentucky Mason and to be a member of the greatest Fraternity in the world.

### **ACTIONS TAKEN DURING THE INTERIM**

On October 23, 2012 having received reliable information confirming the charge filed against Fred Watts of Ensor Lodge # 729 has been dismissed, I am hereby restoring your Masonic rights and privileges which were suspended on May 24, 2012, with no loss of time on your record as a result of the suspension.

As Grand Master, I issued a directive for Dress Protocol for Masonic Funeral Service after it was brought to my attention that brothers showed up to a Masonic Funeral service wearing Regalia and Aprons of an Appendant Body. No Collars, Jewels, Masonic Medals, name badges, patches etc... The purpose of the Masonic Funeral is to show reverence and respect for the departed Brother, and to express our love and esteem for him to the family left to mourn him; not to draw attention to our personal achievements.

October 26, 2012, I as Grand Master of Masons in Kentucky called and emergent communication and made brother Hobert Ashlock a member of Harry R. Kendall No. 750 a Master Mason at site due to him having brain cancer and not having long to live. His 50 year service award was presented to him.

December 2012, I as Grand Master restricted Brother Ray Anthony Hall's Masonic rights and privileges within the Grand Jurisdiction of Kentucky. This restriction also applies to any Masonic Appendant and/or concordant body in said jurisdiction, including the Eastern Star and Shrine.

December 19, 2012, I as Grand Master restricted Brother Dan Gibson's Masonic rights and privileges within the Grand Jurisdiction of Kentucky. This restriction also applies to any Masonic Appendant and/or concordant body in said jurisdiction, including the Eastern Star and Shrine. This was due to a continuation of a recent disturbance that happened at Burnside Lodge two week prior to this complaint.

February 27, 2013, I as Grand Master lifted the restriction on Brother Dan Gibson, after the investigating committee found no probable cause for a trial on Brother Gibson and considered this matter closed.

March 2, 2013, I as Grand Master of Masons in Kentucky authorized an emergent communication. Right Worshipful DGM, Rick Nation as my proxy along with Right Worshipful GSW, Wilson Wilder and made brother Roger Kersey a member of Smith Lodge No. 775 in Flatwoods, Kentucky a Master Mason at site due to him having not long to live. Brother Kersey has since passed away.

March 30, 2013 having reviewed the attendance that the Masonic Education Conferences for 2012 and 2013. I as Grand Master summoned 8 subordinate lodges to the Grand Lodge Office and placed Beaver Creek No. 335, Hope No. 246, Liberty No. 580, Friedland No. 863, Robert Clark No. 646, Russell Springs No. 941, and Crittenden Dry Ridge No. 694 on Probation until the 214th Annual Communication. These seven Lodges had no one to represent their lodge at these conferences for the last two consecutive years. Glencoe No. 498 showed the initiative to have the Education Conference presented at their Lodge prior to coming to the Grand Lodge Office and I verbally reprimanded them for missing the last two years and also commended them for showing the initiative to

complete the program. I placed Poole Lodge No. 604 and Centertown Lodge No. 714 on probation as a result of not attending the Masonic Educational Program or their own District Meetings. Additionally, Mountain Lodge No. 187 was also placed on probation.

June 25, I as Grand Master, put Leitchfield Lodge No. 236 on Probation, removed the Secretary of Leitchfield Lodge No. 236, appointed a Secretary Pro-Tem, Aaron Haycraft, stated that all minutes be sent to me for review. An Election will be held on July 22nd and that any Brother that had previously been Secretary at Leitchfield Lodge is declared ineligible for this Election. The Grand Lodge Office will notify all members of Leitchfield Lodge No. 236 and the cost of doing this will be billed to Leitchfield Lodge No. 236. Also, that on September 11, 2013, if the Lodge is not any better and Peace and Harmony does not prevail, the Charter will be arrested on this date. September 11, 2013 – Leitchfield Lodge No. 236 has improved somewhat and it seems that Peace and Harmony is prevailing. However, I recommend that the New Grand Master keep them on Probation until he is satisfied with their performance.

August 16, 2013, Ray Anthony Hall – Restriction and Suspension - Court documentation has been forwarded to the Grand Lodge Office indicating the civil charge filed against you, which led to a subsequent Masonic charge being filed, has been dismissed. Therefore, in keeping with the verdict rendered by the Masonic Trial Committee of “suspension until such time as there is a final adjudication of criminal charges”, the verdict of the Masonic Trial Committee is hereby set aside and removed from the record, and you are restored to membership in the Fraternity as of April 6, 2013. By copy of this correspondence, the Secretaries of both lodges to which you now belong (Joppa Lodge No. 167 and Dycusburg Lodge No. 232) are hereby directed to restore you to membership as of April 6, 2013 and adjust their records accordingly. Since the fact Suwanee Lodge No. 190 has, during the course of the trial proceedings, consolidated with Joppa Lodge No. 167, the demit you requested from Suwanee Lodge No. 190 on September, 2012, may now be granted through Joppa Lodge No. 167, if that is still your wish and all other issues regarding the issuance of a demit are fully satisfied.

August 27, 2013 – Following two complaints of alleged unmasonic conduct on the part of Dale Eugene Clemens, and for what I, Rick Nation, Deputy Grand Master, determined to be reasonable grounds, acting as Grand Master in absence of the Grand Master, Christopher L. Stout, removed Brother Dale Eugene Clemens from the office of Master of Pewee Valley Lodge No. 829. The matter was referred to the Committee on Appeals per Section 8 of the Trial Code and Discipline.

September 7, 2013 – I as Grand Master, I issued a reprimand to Brother Kermit Vermillion in open Lodge at a stated meeting at Augusta Lodge No. 80. This reprimand was the sentence of the Trial Panel for Brother Vermillion violating the Book of Constitution section 128 – Ballot secret.

September 14, 2013 – I as Grand Master made the Most Worshipful Grand Master of Hawaii, Brother Frank Condello II, Brother Diamond M. Robinson, Senior Grand Deacon and Brother Stephen D. Carroll, Grand Historian of the Most Worshipful Grand Lodge of Hawaii Honorary Members of the Most Worshipful Grand Lodge of Kentucky F. & A.M.

September 2013 – I as Grand Master issued a written reprimand to Brother Mason Tackett, a member of John W. Hall Lodge No. 950. This reprimand was the consensus of the Trial Panel for this Brother having posted obscene pictures on face book.

September 26, 2013 - as Grand Master, I removed the Secretary of Owensboro Lodge No. 130 for failure to perform his duties as Lodge Secretary and appointed a Secretary Pro-Tem.

## DISTRICT MEETINGS

It was my pleasure to attend all thirty district meetings this year as your Grand Master. I would like to take this opportunity to express my sincere thanks to all thirty District Deputy Grand Masters; you brothers did a great job in your respective Districts. The guest speakers that presented a topic on “Blue Lodge” did an outstanding job and are to be commended. ### **ELECTED GRAND LODGE OFFICERS**

I am so thankful for the opportunity to serve the craft of Kentucky with each and every

one of you. The dedication, commitment, and support that you each serve with are truly an inspiration to me as your brother and I know that we are in good hands as you lead and move our craft to the future.

To our Deputy Grand Master Brother Richard T. Nation the gavel will soon be passed to your hands to lead our craft. We served together as District Deputies, as appointed Grand Lodge Officers and as brothers for many years. We have traveled many miles together, we have laughed, argued, and been sad together, but you have been there for me every time that I have needed you. Your vision, dedication and commitment to the craft of Kentucky and Freemasonry in general will guide you during the upcoming year. As you drop the gavel on Tuesday afternoon, just know that I wish you the best for the upcoming year and that I pledge to you my brother and friend my support. May GOD continue to bless you, Karen and your family on this journey.

Brother Wilson Wilder, Grand Senior Warden, we have traveled many miles together. I know your passion for our great fraternity. Your loyalty, dedication and leadership will be a great asset to our Brotherhood in the future years to come. I will always be thankful for our friendship and it has been an honor to serve with you in the Grand Lodge Line. May your vision for Kentucky Freemasonry be a success and I pledge my support to you in your endeavors as you advance on your journey to the Grand East. I extend my best wishes to you and Sally and may the Great Architect of the Universe watch over you and keep you safe.

Grand Junior Warden, Brother Cloyd Bumgardner, the keeper of the Golden bucket this year. Brother Cloyd, you have done a great job this year as our Grand Junior Warden and it has been a pleasure to serve with you this year as a part of the leadership team. I thank you for all of your efforts this year and your dedication to Freemasonry. As your journey progresses, to the Grand East may it be fulfilling as you prepare to lead Kentucky Freemasonry in the near future. It is my hope that GOD will continue to guide, guard and protect you on this endeavor.

Brother Tom Larimore, Grand Treasurer, I want to say Thank You for your dedication and passion to our great Fraternity. You have done an excellent job as our Grand Treasurer over the years and this year is no exception. I appreciate all your efforts and council over the last several years serving in this Grand Line with you. My best wishes for you, Pat and your family for the future.

Grand Secretary, Brother Joe Conway, P.G.M. I hardly know where to start Brother Joe. This Grand Master is extremely grateful for all of your great council, leadership, dedication and passion for our great Brotherhood. I can't say thank you enough for all the things that you do for Kentucky Freemasonry and Freemasonry in general. I know that I probably drove you crazy at times this year with all the questions that I had, but you made me a better Grand Master and for that I grateful. Serving in this Grand Lodge line the past four years with you has been an honor and pleasure and I feel has made me a better man, husband, grandfather and Mason. I wish for you, Peg and your family nothing but the best and if I can ever be of assistance to you in anyway, please let me know.

To all newly elected Grand Lodge Officers, as you assume your leadership roles for the ensuing year. May the vision you have continue to move the Craft of Kentucky forward to accomplish your goals. I know that we the Craft are in good hands and I extend to you my support and best wishes as you make those hard decisions for the future of Kentucky Freemasonry and our Fraternity in general. Remember my brothers, we all came into this fraternity with white aprons and we will all leave it with white aprons. May GOD continue his blessings on each and every one of you.

## **PAST GRAND MASTERS**

I would like to express my appreciation the Past Grand Masters of the Most Worshipful Grand Lodge of Kentucky F. & A.M. The support and council that you have given me over the last several years has truly been a blessing to me as I progressed through the Grand Lodge Elected line. Your leadership and support of our craft over the years will never be forgotten. As I join you in these ranks, I will endeavor to labor in the quarries of Freemasonry, trying to provide good and wholesome instruction, council and support for the future of our great brotherhood. Thank you again for all you do for the Craft of Kentucky.

## **APPOINTED GRAND LODGE OFFICERS**

Where do I start, your friendships, integrity, morals, dedication and your love for Freemasonry is why I choose to appoint each of you to the respective office. We have traveled across this Commonwealth together and I hope that you remember the fun times that we have had and also some of the challenges. Each of you have given it your all and served the Grand Lodge of Kentucky with decorum and respect. All that is left to say is well done thy good and faithful servants. May the Great Architect of the Universe continue to bless you and wrap his loving arms around you and your families.

## **DISTRICT DEPUTY GRAND MASTERS**

First, I would like to say thank you for accepting the position of District Deputy Grand Master in your respective Districts. I am grateful for the way that you have represented me this year in your districts and across our great Commonwealth of Kentucky and even outside of our Jurisdiction. I know that each of you encountered challenges this year. However, most of the situations were addressed with respect and decorum and peace and harmony prevailed. I hope that this year has been a fun year as you traveled across your respective districts and across the Commonwealth and hopefully you have increased your Masonic Light not only in your district but in Masonry in general. Brethren, your time in the quarries of Freemasonry this year are noticed and I thank you for supporting my programs this year and the many sacrifices that you have made for our great Fraternity.

## **COMMITTEEMEN**

I am very grateful to each and every one of you for accepting to serve the craft of Kentucky on your respective Committee. I would like to personally thank the Committee on Masonic Education. This committee did an outstanding job this year with communicating the program to the craft of Kentucky. I can truly say that I feel that we have laid a great foundation to build upon. Thank you for traveling across the Commonwealth from one end to the other. The By-Laws committee has sacrificed a lot of their time for the craft this year with Lodges submitting by-law revisions. Thank you for your dedication and commitment to the craft and this committee. To the committee on Masonic Archives, I know that this moved slowly this year, but we now have a good start on a new Grand Lodge Library and Museum and I know it will progress this year. Lastly, thank you to the brothers that served on the Trial Oversight Committees this year. I know that you traveled many miles to serve the craft of Kentucky and for that I am eternally grateful. My brethren,

thank each and every one of you for your dedication and commitment this year for serving as a Committeemen for the craft of Kentucky. Well done thy good and faithful servants.

### **WORSHIPFUL MASTERS**

The members of your Lodges elected you for a reason. I want to thank you for your vision and leadership to your respective Lodges. Sometimes it is not popular to be the Master of your Lodge. However, we must all take our obligations seriously and do the right thing, even if it is not popular. Change is very hard in anything you do, because someone will always say “that is how we have always done it” remember my brethren if you expect different results you must not continue to do what you have always done. I encourage you to continue to support the officers and members of your lodge when your term is over. Be present at your stated meetings and as you become a past master of your lodge continue to come, support and be a mentor and educator to those who aspire to take the journey that you just completed, because you must help mold the future leaders of your lodges.

### **GRAND LODGE OFFICE STAFF**

To Mary, Jamie, Christy and Stephanie we appreciate all of the hard work that you ladies do for the craft of Kentucky. I know that I caused you some misery this year with the changes that were and will be implemented. Thank you for taking care of this Grand Master this year and making sure that I got all the eye’s dotted and the T’s crossed. Thank you again for all you do for Kentucky Freemasonry.

### **MASONIC HOMES OF KENTUCKY, INC**

It has been a pleasure to serve as a member of the Board of Directors during my tenure of service as an elected Grand Lodge Officer of the Grand Lodge of Kentucky Free and Accepted Masons. Over the last four years several changes have taken place, the new Sam Swope Care Center was erected, Sproutlings Pediatric Day Care Center was built, bringing children back on the Louisville campus and the Mireala community was constructed and we have a waiting list for people wanting to live there. I am certainly proud to be a part of the Masonic Homes of Kentucky. Cindy and I wanted to something in order to give back to the Homes this year. Therefore, we instituted the “Renewing your Obligation” Program for the Masonicare Residents in the homes. These residents are OUR responsibility brethren, please help, aid and assist them as it is OUR duty. We also, wanted to have a program that would assist children. Therefore, the First Lady’s program this year was “Every Child Every Day” to raise money for the new Sproutlings Pediatric Day Care Center. Our goal was to be able to afford two children scholarships at this Center for one year. The cost to attend is approximately \$13,000.00 each. We want to extend our gratitude to all involved that supported this cause as we raised over \$35,000.00 for this program. Special thanks to Ms. Phyllis O’Daniel for her tireless efforts, dedication and commitment to our programs without her we could not have achieved what we did. Also, to Bruce Lott and the rest of the Masonic Homes of Kentucky staff for their efforts in supporting this Grand Master and First Lady during this Masonic Year. Thanks to the lodges, members, and sponsors that responded to support these programs. We are truly blessed to have such great facilities, leadership team, employees and volunteers for the Masonic Homes of Kentucky. GOD Bless each and every one of you.

### **INTERNATIONAL ORDER OF DEMOLAY**

It was my honor and pleasure to be able to attend the Annual DeMolay Conclave in Jabez, KY on July 12th and 13th. Their membership continues to increase and these young men are truly an inspiration. They are the future of our Masonic Fraternity. I would like to thank all of the advisors and Chapter Dads that lead these young men and that have mentored them to where they are today. You are doing a fantastic job and please keep up the great work. We were honored to present three scholarships to three deserving young men on behalf of the Grand Lodge of Kentucky, Masonic Homes of Kentucky and the DeMolay Foundation.

### **ORDER OF THE BUILDERS**

This youth group is holding its own and I am very proud of them and especially all of the advisors that give their time to assist them. Some of these young men are already a member of our fraternity and others will be a part of the future of our great Brotherhood someday.

### **INTERNATIONAL ORDER OF THE RAINBOW FOR GIRLS**

I was not able to attend the Annual Session of the Grand Assembly of Kentucky Rainbow for Girls this year due to scheduling conflicts. However, the Grand Junior Warden, Cloyd J. Bumgardner attended the Session and brought greetings on my behalf and the Grand Lodge of Kentucky F. & A.M. I am very pleased and proud of these young ladies in their efforts. The dedication of Mom Anne Payne Dukes and all of the advisors of this youth group are doing a fantastic job, keep up the good work.

### **JOBS DAUGHTERS**

We have one Bethel in the Commonwealth of Kentucky and they are holding their own and growing. I am very proud of the advisors and that give their time to this youth group. These young ladies will grow up knowing that Freemasonry has been a part of their lives and hopefully it will continue to be as they look to the future.

### **GRAND YORK RITE SESSION**

I had the pleasure to attend the annual session of the Kentucky York Rite bodies this year in September. I am proud to be a member of the York Rite Bodies here in Kentucky and thank you for allowing me that opportunity. Thank you to the York Rite Masons for your leadership, dedication and service to these bodies. May the leaders of the Grand Chapter, Grand Council and Grand Commandry always look to the future for the York Rite Bodies in Kentucky.

### **SCOTTISH RITE SUPREME COUNCIL**

Cindy and I were afforded the honor and pleasure to attend the Supreme Council of the Scottish Rite in August this year in Washington D.C. Thank you to Ill. Brother Roger D. Barnett, PGM 33rd degree SGIG of Kentucky and his lady Alice for all the hospitality and the experience during our visit to the Bi-Annual Session of the Supreme Council.

### **ORDER OF THE EASTERN STAR**

This Grand Master has had the pleasure and honor serving this Masonic year with

Sister Linda Stepp, Worthy Grand Matron and Brother Michael Martin Worthy Grand Patron. We have had an open dialogue this year with each other and their support of this Grand Lodge has been great. As Grand Master, I had the pleasure of attending the Annual Golf outing in LaGrange, Kentucky. First Lady Cindy and I along with our son Logan attended the Rob Morris Pilgrimage in August. I thank you for the honor to address all in attendance and I am very grateful that we have worked closely as a Masonic Family this year for the craft of Kentucky. On September 8, 2013 – Cindy and I attended the Grand Worthy Matron's and Patron's banquet at the Galt House. I was pleased and honored to bring fraternal greetings during the annual session at the Grand Chapter of Kentucky, Order of the Eastern Star in September and I thank you for such an honor, may GOD continue to bless OUR Order and Leadership.

### **CONFERENCE OF GRAND MASTERS OF NORTH AMERICA**

In February the elected Grand Lodge officers and their ladies attended this conference in Kansas City, Missouri. The breakout sessions that were available were very beneficial and informative. This conference is a great venue to meet other Grand Lodge Officers across the United States to share ideas and to brainstorm with one another. I am pleased to say that Brother Rick Nation, Deputy Grand Master of Kentucky is serving on the Planning Committee for the Conference in 2014 in Baltimore, MD. Good luck to him and the committee on planning a successful Conference for 2014.

### **SOUTHEASTERN MASONIC CONFERENCE**

The Southeastern Masonic Conference was held in Montgomery, AL on August 1-3, 2013. The Grand Lodge of Alabama lost a fine man, brother and my friend this year. Charles A. Booker, Grand Master of Masons in Alabama passed away in February while serving as Grand Master. The brethren dedicated this Conference to him in his memory. They were great hosts and the hospitality that was extended to us was outstanding in every way. The format was changed this year to provide breakout sessions on important topics. One topic was the Imperial Shrine decision removing the prerequisite of being a Master Mason for Shrine membership. Currently in the state of Arkansas, you can now petition the Shrine and NOT be a Master Mason. However, you MUST be a Master Mason in good standing to attend a "Tiled" meeting in Arkansas. The Southeastern Conference voted to write a letter to the Imperial Shrine voicing their negative opinion on this issue. The conference also voted to write a letter to the Conference of Grand Masters of North America asking that the Shrine issue be a topic of discussion at the Conference in February 2014. The second topic was Membership, Long Range and Strategic Planning and Background checks of new members into our Fraternity. Lastly, we voted into the Southeastern Masonic Conference the Grand Jurisdiction of West Virginia as this year's conference. Now the conference consists of ten (10) Grand Jurisdictions.

### **LANDMARK LODGE No. 41**

To the Master, Wardens and Brethren of Landmark Lodge No. 41, I thank you for allowing me to be a member of this lodge. I want to extend my thanks for all of your support and encouragement during the last several years and especially this year while serving the craft of Kentucky as Grand Master. We are a strong lodge with great brotherly love and friendship and I know that the FUTURE of our Lodge will be bright. I look forward

to attending more and having fellowship with one and all.

### **FAMILY AND MY WIFE**

I want to thank my family for all of their love, support, understanding and encouragement this year as I served the craft of Kentucky as Grand Master. I want to take this opportunity to express my sincere gratitude to my parents Joyce C and the late Edgar L. Stout for all of their love and support. To my mother, thank you for all of the love and encouragement that you have given me this year. Thank you for watching Logan all those times when Cindy and I had to attend a meeting or conference. I feel that my father has been with me over the last several years as I have served the craft and especially this year. I know that he has been there beside me traveling up and down I-65, the Western, Kentucky Parkway, up and down I-75 and across the Mountain Parkway and everywhere else across the Commonwealth during those late nights. My sincere thanks to both of you for teaching me to do the right thing by doing what I say I will do and allowing me to look myself in the mirror every day. My respect for you will always be safely deposited in my heart and I love you. To my Mother-in-law, Patricia Morrison Pigg and Don Pigg thank you for all of the love and support that you have blessed me with, I have the greatest Mother-in-law and step father-in law that a man could ever ask for or be blessed with, I love you both. Congratulations to my Daughter Kacey, she has blessed me with not one but now two grandsons, Kaden and Jackson Eli. Kaden just turned 6 on September 11, and we were blessed this year with Jackson Eli who was born on April 7th 2013. I love all of you and look forward to spending more time with you in the near future. To my son Logan, since you have been born, you have been in several Masonic Lodges across this Commonwealth. When you were three (3) weeks old you attended your first Grand Lodge Annual Communication. It is my wish that you attend several more Masonic Lodges in your lifetime as you grow older. I will have more time to spend with you now and in the future and I look forward to going to your ballgames, golf matches and anything else that you come up with. What a blessing you are to me and your mother and I love you with all my heart.

Finally, to my beautiful and lovely wife, Cindy, Masonry brought us together back in 2005 in the small town of Aurora, KY during a lodge installation and I have been blessed ever since. This year before being elected as Grand Master we got the news. The big "C" word, yes cancer, we found out about the breast cancer in September of 2012. We prayed about what our course of action would be and after seeking council, and guidance from your doctors, we decided together you had to have double Mastectomy surgery, which was done in November 2012. Thankfully, I believe through our faith in our LORD and Savior Jesus Christ and the power of prayer you and our family has overcome this disease and you are now a Breast Cancer Survivor and Cancer Free. I Thank You for all of your love, patience, support and understanding over this past year as I served the craft of Kentucky. Cindy is my rock and I have tried to be hers as we have had a challenging year with this deadly disease. She is a GREAT mother to our son Logan and without her support and sacrifices over these past few years I could not have served in this Grand Lodge Line as an elected officer much less as Grand Master. Cindy I love you with all my heart and I am forever grateful to you for your love, encouragement and the sacrifices you have made for me and our family.

### **CONCLUSION**

To the brethren of the Commonwealth of Kentucky, it has been an honor and pleasure

to serve as your Grand Master this year. As you heard me state, if you were in attendance in the Masonic Educational and District Meetings, I am just a brother like each of you. As Grand Master, I knew that this was not going to be a popularity contest; Being popular was not my aim or goal. I had to do what I had to do by order of you the CRAFT, under the Book of Constitution. My vision when I started this journey was to find a way that WE could better Communicate, Assist, Respect and Educate one another within our great Fraternity or C.A.R.E. To display the Morals, Honor and Integrity and work with that Peace and Harmony that should at ALL times characterize us as Freemasons. So that we the CRAFT, as Freemasons, United, Together, Under, Ritual, Ethics, or FUTURE

### **C.A.R.E. NOW FOR OUR F.U.T.U.R.E.**

It has been said that the youth is our future. I believe this, however, I also believe that we are the FUTURE of the youth. The Current Past Masters, Masters, Wardens and Brethren in our lodges are the future of this fraternity. In my opinion, WE have to be a mentor and teach the lessons of this great fraternity to those already within the walls of our lodges and those yet to come. It is up to us to LEAD, FOLLOW or GET OUT OF THE WAY.

I respectfully, thank you for serving in the quarries of Freemasonry and allowing me to serve along side of you as Grand Master and may we all be able to look ourselves in the mirror and say well done thy good and faithful servants. May the blessings of heaven rest upon us and all Masons wherever dispersed upon the face of this earth, May brotherly love prevail and our Morals unite and cement us. May GOD guide our thoughts, protect our Widows and direct our Military and may he continue to bless our great fraternity and the United States of America.

So Mote it Be.

Fraternally thine,

Chris L. Stout

**CONCLUSION**

The Market has been somewhat better for us this year with some turn around in invest-

ments. While the market has shown some improvement, it continues to be very unstable. As I reported last year, fixed instruments (CD's) that once returned double digits to the left of the decimal are still as before doing double digits, but to the right of the decimal point.

Revenues are smaller due to fewer numbers than we once had and life expectancy has increased, producing more Senior, (50 year and over) members than at any time in our history. This is placing increased pressure on both the individual Lodges and Grand Lodge. Many of our Lodges are experiencing the imbalance of dues paying members.

I encourage each Lodge to respond positively to your lodge budgets and to keep your Lodge dues up to date. It is still the best membership **Bargain** around.

I would like to express my appreciation to Mary, Jamie, Stephanie and Christie for their efforts in the Grand Lodge Reporting. The electronic Reporting of our Grand Lodge Activity has made the task of the Lodge Secretary much easier; however the activity still needs to be addressed timely.

The electronic Masonic Home Journal and the Annual Proceedings on CD has helped to reduce two of the largest printing expense items. The number of electronic subscriptions is still low in comparison to the total membership.

Brother Joe, as always, thanks for your help and Friendship as we have tried to keep the reporting together. The reporting system has probably undergone its most drastic changeover in record keeping in its history and I am sure that it has tested Mary's and Jamie's sanity.

The Grand Lodge officers continue to look for ways to make the "electronic age" apply itself to our way of business. Sometimes I have to consult my Grandson in order to keep up! Brother MW Chris you have taken every opportunity to keep us up to speed and I thank you. Brother Joe and the other line officers have tried to keep up.

Once again, I take this opportunity to say thanks to our membership for your understanding, support and encouragement. While we may not all do things the same way, you can rest assured that I have given every effort to make sure that the funds that you have entrusted me with are accounted for in the way that I think gives us the best result.

Over the years, you have made my wife, Pat and me a part of your family as we have traveled with you and for that we are extremely grateful. Our Daughter that traveled with us in the 80's now has her own "little ones" of ages of 7 and 13. She recalls being the star!

**Thanks and God Bless!**

### INDEPENDENT AUDITORS' REPORT

The Grand Lodge of Kentucky, Free  
and Accepted Masons  
Masonic Home, Kentucky

We have audited the accompanying financial statements of The Grand Lodge of Kentucky, Free and Accepted Masons ("Grand Lodge," a not-for-profit organization), which comprise the statements of financial position as of July 31, 2013 and 2012, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

#### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Grand Lodge as of July 31, 2013 and 2012, and the changes in its net assets and cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

**NOTES TO FINANCIAL STATEMENTS**

**Note 1. Description of Activities and Summary of Significant Accounting Policies**

**Description of activities:**

The Grand Lodge of Kentucky, Free and Accepted Masons ("Grand Lodge") is the legislative body of the Masonic Lodges in Kentucky. The primary source of revenue and support is from assessments from the Lodges located in Kentucky.

**Summary of significant accounting policies:**

This summary of significant accounting policies of The Grand Lodge of Kentucky, Free and Accepted Masons is presented to assist in understanding the Grand Lodge's financial statements. The financial statements are representations of the Grand Lodge's management who is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

**Estimates:**

Financial statements prepared in conformity with accounting principles generally accepted in the United States of America require management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements, and the reported amounts of revenues and expenses during the reported periods. Actual results could differ from these estimates.

**Investments:**

Investments are stated at fair value.

## NOTES TO FINANCIAL STATEMENTS

### **Furniture, equipment and leasehold improvements:**

Furniture, equipment and leasehold improvements with a cost of \$500 or more having a useful life of more than one year are capitalized and are stated at cost if purchased or fair value if donated. Depreciation and amortization are determined using the straight-line method over the estimated useful lives of the related assets or, in the case of leasehold improvements, the shorter of the estimated useful life or the lease term. Depreciation and amortization expense was \$60,975 and \$60,447 for the years ended July 31, 2013 and 2012, respectively.

### **Receivables:**

Receivables are stated at the amount management expects to collect from outstanding balances. As of July 31, 2013 and 2012, all accounts and assessments receivable are due from member lodges. No provision for doubtful accounts has been recorded as management considers the amounts fully collectible. If amounts become uncollectible, they are charged to operations when that determination is made.

### **Compensated absences:**

Employees of the Grand Lodge are entitled to paid vacation and sick time. It is impracticable to estimate the amount of compensation for future sick absences, and accordingly, no liability has been recorded in the accompanying financial statements. The Grand Lodge's policy is to recognize the costs of these compensated absences when actually paid to employees.

### **Revenue recognition:**

Assessments revenue represents annual dues and is recognized in the year it is earned.

### **Cash and cash equivalents:**

For purposes of the statement of cash flows, the Grand Lodge considers undesignated cash and investments with the original maturities of three months or less, to be cash and cash equivalents, excluding those amounts held as part of the investment portfolio.

**NOTES TO FINANCIAL STATEMENTS****Income taxes:**

The Grand Lodge is exempt from federal, Kentucky and local income taxes as a not-for profit organization as described under Internal Revenue Code Section 501(c)(10). The Grand Lodge files an informational tax return in the U.S. federal jurisdiction and with the Kentucky Office of the Attorney General. However, income from certain activities not directly related to the Grand Lodge's tax-exempt purpose may be subject to taxation as unrelated business income.

As of July 31, 2013 and 2012, the Grand Lodge did not have any accrued interest or penalties related to income tax liabilities, and no interest or penalties have been charged to operations for the years then ended. The federal income tax returns for the years ended July 31, 2010, 2011, 2012, and 2013 are subject to examination by the IRS, generally for three years after they were filed.

**Functional classification:**

Total expenses reported on the statements of activities by functional classification are as follows:

	<u>2013</u>	<u>2012</u>
Program services	\$ 829,035	\$ 812,656
Management and general	<u>288,992</u>	<u>292,626</u>
	<u>\$1,118,027</u>	<u>\$1,105,282</u>

**Subsequent events:**

Subsequent events have been evaluated through November 26, 2013, which is the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

**Note 2. Investments**

Investments are carried at fair market value as determined by quoted prices in active markets. Investments held in trust funds by PNC Institutional Investments at July 31, 2013 and 2012 consisted of the following:

	<u>2013</u>	<u>2012</u>
Corporate bond funds	\$1,864,893	\$1,920,882
Equity funds	2,870,342	2,784,137
Cash equivalents	<u>524,691</u>	<u>291,189</u>
Total	<u>\$5,259,926</u>	<u>\$4,996,208</u>

**Note 3. Fair Value Measurements**

Accounting principles generally accepted in the United States of America establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that Grand Lodge has the ability to access.
- Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active or inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

## NOTES TO FINANCIAL STATEMENTS

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

All assets have been valued using a market approach, except certain Level 3 assets. Fair values for assets in Level 1 are calculated using the net asset value of shares held by Grand Lodge at year end. Certain Level 3 assets have been valued using the income approach. Level 2 assets have been valued based on quoted market prices from observable pricing sources of similar assets. Level 3 assets have been valued based on quoted market prices of the underlying assets, assumptions about discounted cash flow and other present value techniques. There have been no changes in methodologies used as of July 31, 2013 and 2012.

The common trust fund seeks to provide a competitive yield with minimal market-related risk through investing in a variety of guaranteed investment contracts, security-backed investment contracts, and money market instruments. It has no unfunded commitments and can be redeemed daily, with no redemption notice period, without specific terms or conditions at the underlying investments' net asset value (NAV). The NAV is updated daily.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Fund believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Funds held in trust by others are recognized at the estimated fair value of the assets or the present value of the future cash flows when the irrevocable trust is established or the Grand Lodge is notified of its existence. The net income from the beneficial interest is distributed to the Grand Lodge quarterly. The Grand Lodge received \$6,225 and \$4,619 in distributions from these trust funds during the years ended July 31, 2013 and 2012, respectively.

NOTES TO FINANCIAL STATEMENTS

**Note 5.    Endowment Funds**

The Grand Lodge’s donor-restricted endowment funds consist of land, certificates of deposit and a beneficial interest in assets held by others. The Grand Lodge’s Board of Directors does not have input or authority over the nature and type of investments held in the beneficial interest held by others. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The endowment net asset composition by type of fund as of July 31, 2013 and 2012 is as follows:

	<u>Permanently Restricted</u>	
	<u>2013</u>	<u>2012</u>

## NOTES TO FINANCIAL STATEMENTS

### Interpretation of relevant law:

The Grand Lodge's Board of Directors has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Grand Lodge classifies as permanently restricted net assets (a) the original value of gifts donated to fund a permanent endowment, (b) the original value of any subsequent gifts to a permanent endowment, and (c) accumulations to a permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of any donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Grand Lodge in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Grand Lodge considers the following factors in making a determination to appropriate or accumulate any donor-restricted endowment funds.

- (1) The duration and preservation of the fund
- (2) The purposes of the Grand Lodge and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the Grand Lodge
- (7) The investment policies of the Grand Lodge

### Return objectives and risk parameters:

The Grand Lodge has adopted investment and spending policies for its endowment assets (including restricted, unrestricted and board designated assets) that are intended to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Total endowment assets include those assets of donor-restricted funds that the Grand Lodge must hold in perpetuity or for a donor-specified period in addition to funds for donor specified purposes.

NOTES TO FINANCIAL STATEMENTS

The Board of Directors has the responsibility for development of the investment objectives and guidelines, the selection of the investment managers (Managers), and the regular monitoring of the Managers' performance to help assure the effectiveness of the objectives and to initiate modification or changes, as needed.

Strategies employed for achieving objectives:

To satisfy its long-term rate-of-return objectives, the Grand Lodge relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends).

Spending policy and how the investment objectives relate to spending policy:

The Grand Lodge has a policy of appropriating for distribution from its investments in certificates of deposit an amount each year as deemed necessary to support an annual event of the Grand Lodge and also to support the Masonic Homes of Kentucky. The investments in certificates of deposit provide for a fixed rate of return and also serve to minimize investment risk.

Note 6. Related Party Transactions

The Grand Lodge pays monthly operating lease payments of \$3,626 to Masonic Homes of Kentucky, Inc. for the building located at 300 Masonic Home Drive. The lease expires in December 2014 but the Grand Lodge has an option to extend the lease for successive terms of five years each. Total lease expense was \$43,512 for each of the years ended July 30, 2013 and 2012. The following is a schedule of future minimum payments:

NOTES TO FINANCIAL STATEMENTS

On January 1, 2008, the Grand Lodge leased property adjacent to the Sandman Drive property to Masonic Homes of Kentucky, Inc. under an addendum to the above lease. The addendum requires total lease payments of \$230,000 to be amortized monthly based upon a twenty year amortization schedule at 6% for five years or the completion of the development project, with a balloon payment for the balance then outstanding. Monthly lease payments of \$1,648, including interest, began on January 1, 2008. Upon completion of a Masonic Homes of Kentucky, Inc. development project or expiration of the addendum, monthly payments of \$2,000 are required under the terms of the original lease. The lease was extended for an additional five years on January 1, 2013. The rent income is being recognized using the straight-line method in the statement of activities. Combined lease and interest income for the year ended July 31, 2013 and 2012 was \$44,013 and \$44,488, respectively. The following is a schedule of future cash payments to be received under the terms of the lease:

Discount rate	3.75%	5.25%

All plan assets are Level 1 investments and are based on quoted market prices in active markets for identical assets. All assets have been valued using a market approach. There have been no changes in valuation techniques during the current year.

The investment objective is to ensure, over the long-term life of the plan, that an adequate level of assets is available to support the benefit obligations to participants and retirees. The Organization seeks to achieve a high level of investment return consistent with a prudent level of portfolio risk.

The Grand Lodge's investment strategy is based on utilizing equity and fixed income securities to achieve a mix of capital preservation along with growth and income.

NOTES TO FINANCIAL STATEMENTS

Cash flows:

The Grand Lodge will make a \$20,000 contribution to the plan during the year ended July 31, 2014.

Note 8. Concentration of Cash and Credit Risk

The Grand Lodge maintains cash in one bank in Kentucky. Accounts at the bank are guaranteed by the Federal Deposit Insurance Corporation up to \$250,000 per bank. At July 31, 2013, the Grand Lodge’s uninsured cash balances were approximately \$1,619,000.

The carrying amounts of financial instruments approximate fair value based on quoted market prices. The Grand Lodge has significant investments in corporate obligations, government securities, bond and equity mutual funds held by various investment managers engaged by the Grand Lodge and is, therefore, subject to concentrations of credit risk. Investments are made by the investment managers and the investments are monitored by management and the Board of Directors. Though the market value of investments is subject to fluctuations on a year-to-year basis, management believes the investment policy is prudent for the long-term welfare of the Grand Lodge.

## GRAND SECRETARY

OCTOBER 2013

MOST WORSHIPFUL GRAND MASTER, RIGHT WORSHIPFUL GRAND LODGE OFFICERS, MOST WORSHIPFUL PAST GRAND MASTERS, MOST WORSHIPFUL AND RIGHT WORSHIPFUL DISTINGUISHED GUEST, DELEGATES, AND BRETHREN ALL:

It is, again, my distinct pleasure to submit for your review and approval this report covering the business affairs and activities of the Grand Lodge Office for the period of August 1, 2012 through July 31, 2013, as supported by the records on file in the Grand Lodge Office. The fiscal status is verified by the auditors of the firm of the Deming, Malone, Livesay & Ostroff Accounting Firm, and is explained fully in the reports of the auditors and the Grand Lodge Treasurer, both printed elsewhere in these Advanced Proceedings.

### BUDGET MEETING

In conformance with Section 14 of the Book of Constitutions of the Grand Lodge of Kentucky, F. &A.M., the members of the Committee on Finance and the elected Grand Lodge Officers met in the Conference Room of the Grand Lodge on Thursday, July 18, 2013, to review the proposed budget prepared earlier by the Grand Lodge Officers. Following this review, a final budget proposal for presentation to the Delegates assembled at this Two Hundred-Fourteenth Annual Communication was agreed upon by the Committee on Finance and the Grand Lodge Officers. Present at this meeting were the following:

Christopher L. Stout, Grand Master  
Richard T. Nation, Deputy Grand Master  
Wilson K. Wilder, Grand Senior Warden  
Cloyd J. Bumgardner, Grand Junior Warden  
Virgil T. Larimore, Jr., Grand Treasurer  
Joseph R. Conway, P.G.M., Grand Secretary

Committee on Finance  
F. Keith Dreier, P.G.M., Chairman  
David E. Carter, P.G.M.  
Roger D. Barnett, P.G.M.

The proposal budget recommended by the above was printed in the 214th Annual Communication Pamphlet mailed to each Lodge Secretary in early September of this year as required by Section 14 of the Book of Constitutions. A copy of the same has also been placed in the packet of each delegate registered at this Communication.

## **HIGHLIGHTS, CONSTITUTION REVISION AND PROCEEDINGS**

The Highlights of the 213th Annual Grand Lodge Communication, including the legislation adopted at the Annual Communication, were mailed to each Lodge Secretary and others entitled to receive them as soon as possible following the close of the Annual Communication. A copy was also posted on the Grand Lodge web site.

The Proceedings of the 2012 Annual Communication of the Grand Lodge of Kentucky, F. & A.M. were prepared on CDs and mailed to each lodge and others entitled to receive them as soon as they were delivered to the Grand Lodge Office...

## **THE MASONIC DIRECTORY**

One copy of the 2013 Masonic Directory was mailed to each lodge Secretary as soon as they were received from the printer. Again, several lodges were not included in the Directory since they failed to get their information to the Grand Lodge Office by the deadline. A number of pre-paid orders for the Directory were taken from subordinate lodges; appendant Masonic Bodies, and individuals. A few additional Directories were printed and made available for purchase at various District Meetings and Leadership Programs throughout the state this past year.

## **MONTHLY REPORTS AND ANNUAL RETURNS**

The electronic reporting by the lodge Secretaries of the Monthly Reports and Annual Returns, for the second year following the requirement all reports be submitted on line, is going very well. Most all lodge Secretaries appear to be pleased with the system and for all the option available to them on the system. There may still be a few bugs show up from time to time; however none have occurred so far which were not fixed in short order.

The payment of Grand Lodge assessments by most of the constituent lodges were received timely; however, at the time this report was written (September 3, 2013), there were still 120 lodges that have yet to pay the Grand Lodge assessments and are subject to a late penalty being added to the payment.

## **CONFERENCES OF GRAND SECRETARIES IN NORTH AMERICA**

The 2013 Conference of Grand Secretaries in North America was held, at the Westin Hotel & Resort in Kansas City, Missouri February 17-19, 2013. I attended the Grand Secretaries Conference while the other elected Grand Lodge Officers attended the Conference of Grand Masters. The theme for the Conference was "Learning, Sharing and Doing—Keys for Masonic Greatness" Besides routine business of the Conference, some of the papers presented included "Mentoring Portal" (Robert Conley, PGM, Michigan); "Treasurer Issues (Michael Jungel, PGM, Michigan)"; "Social Media (Eric Smith,

Indiana)”; and “The IRS”(James. D. Cole, PGM, Virginia. All of the presentations were valuable and interesting, especially the up-date by Brother Cole on the new and changing IRS regulations applying to non-profit organization. Much is gained by sharing the methods and experiences of the members of the Conference with each other, and for that reason I recommend the Grand Lodge of Kentucky remain a member of both the Conference of Grand Masters and Grand Secretaries.

### **SOUTHEASTERN MASONIC CONFERENCE**

The Fifty-Third Southeastern Masonic Conference was held at the Embassy Suites Hotel in Montgomery, Alabama, August 1-2, 2013. All the elected Grand Lodge Officers of the Grand Lodge of Kentucky, as well as several Past Grand Masters other Masons from the Commonwealth, attended the Conference.

Interesting presentations were made by George D. Seghers, Executive Director of the George Washington Masonic National Memorial, and Earl J. Washburn, PGM, Executive Director of the National Foundation for Children, Conference of Grand Masters of Masons in North America. There were two break-out sessions conducted, one regarding “Membership, Long Range Strategic Planning” and “The Imperial Shrine Conflict” within the Grand Lodge of Arkansas. A resolution was adopted, and a committee appointed, to draft a response to the Imperial Shine expressing the displeasure of the conference with the Imperial Code which permits a suspended Mason—under certain conditions—to remain a member of the Shine.

The Grand Lodge of West Virginia petitioned the conference for membership and was unanimously accepted. There are now ten Southern Masonic Jurisdictions that makes up this Conference which meets yearly between these ten Grand Jurisdictions on a rotating schedule. The next Conference will convene in Baton Rouge, Louisiana, July31-August 1, 2014 1-3, at the Crown Plaza Hotel.

### **MAYTOWN LODGE No. 656, F. & A. M.**

As was reported in previous Proceedings of the Grand Lodge (2010, 2011 and 2012), the Charter of Maytown Lodge No. 656 was arrested on July 23, 2010, and an inventory taken of the furnishings of the lodge. The aforementioned furnishing were collected and delivered to the Grand Lodge Office. The only remaining item to close the matter was the selling of the building and lot on which the lodge building sets. A price was agreed upon and the potential buyer made a deposit on the property. The title to the property and real estate has been cleared, a cashier’s check for \$15,000.00 received for sale of the property, which funds have been placed in the general fund, and the deed transferred to the buyer. This last action finalizes the arrest of the Charter of Maytown Lodge No. 656, pending ratification of my actions by this assembly.

Thanks to Brothers Gary C. Rose, PM (509-464), and Wendell M. Littlefield, PM (774-8), for their assistance in bring this matter to a close.

### **McAFEE LODGE No. 229, F. & A. M.**

The Charter of McAfee Lodge No. 229, F. & A. M. was arrested on April 3, 2012 by order of then Grand Master, Terry L. Bowman. The Charter, lodge seal, bank statements, minute book, and several and various service award pins were delivered to the Grand Lodge Office by then Deputy Grand Master, Christopher L. Stout. A letter was sent to each member of the lodge from the Grand Secretary's advising of their status and how they could affect affiliation with another lodge should they wished to do so.

On August 19, 2013, I met with Brother Dudley D. Huffman, Jr. a former member and Treasurer of McAfee Lodge, to close out the bank and savings accounts. Certified checks were written at both banking institutions—Community Trust Bank (\$727.52) and MainSource Bank (\$1,301.70), both located in Harrodsburg, Kentucky. The funds were deposited in the Grand Lodge general fund. On the same date, several more items were retrieved from the lodge; i.e. more lodge records, Steward and Deacon staffs, an old bible and some lodge paraphernalia not in very good shape and is being stored in the Grand lodge Office. The next step is to retrieve--or dispose of--the remaining items in the building, and get the building and grounds in shape to list the property for sale. As soon as the sale is complete, a final report will be submitted for ratification at the next Annual Communication following.

Thank to Brothers Dudley D. Huffman, Jr., PM (125) and Wendell M. Littlefield, PM (774-8) for their assistance in bringing the matter along to this point.

## GRAND MASTER, CHRISTOPHER L. STOUT AND GRAND LODGE OFFICERS

Most Worshipful Christopher L. Stout, along with the able assistance of his line officers, Deputy Grand Master, Richard T. Nation; Grand Senior Warden Wilson K. Wilder; and Grand Junior Warden, Cloyd J. Bumgardner, have led the Craft through another year of Masonic history in the Grand Jurisdiction of Kentucky in a commendable manner, each

adding their special talents to the end result. Grand Master, Stout and his Line Officers have always kept the best interest of the Craft and the Grand Lodge in mind while dealing with the many issues and problems coming before the Grand Lodge during the year. All were addressed and resolved in a Masonic manner. Brother Chris, congratulations on a job well done, and best wishes to you as you join the ranks of Past Grand Masters, where I am sure you will continue to be of service to the Grand Lodge of Kentucky.

As for the Grand Treasurer, Virgil T. (Tom) Larimore, Jr, I can only say, as I have so many times before, is a very valuable asset to the Grand Lodge of Kentucky. Without any reminder from me, it is very apparent to the Craft of Kentucky that Tom is very conscientious of his responsibilities, and makes the very best effort to see the Grand Lodge funds entrusted to his care are properly accounted for, and that the best return is realized on our invested funds. It's a pleasure working with you, Tom.

### **ASSISTANT GRAND SECRETARIES**

Once again, I extend my sincere thanks to Brothers Bobby L. Baker and Stephen W. Russell for their willingness to continue serving the Grand Lodge of Kentucky as Assistant Grand Secretaries. They continue to be a dedicated and reliable source of assistance to the Office of Grand Secretary and to the Grand Lodge Office Staff, not only at the Annual Communication—but throughout the year.

Thanks, Bobby and Steve, not only for all the services you provide for the Grand Lodge of Kentucky, but also your friendship.

### **GRAND LODGE OFFICE STAFF**

My deepest thanks and appreciation to the Grand Lodge Office Staff, Mary A Justice, Christy L. Ward, Jamie L. Paulley and Stephanie A. Dorton; Each of them takes their duty seriously and is always willing to make the extra effort to accommodate a request from the Craft when asked to do so. They always attempt to respond to inquiries from the Craft promptly, courteously and professionally. I know my appreciation for the Office Staff is shared by the Craft of Kentucky—and the other Grand Jurisdiction with which they are in contact from time to time—by the many compliments I am asked to rely to them.

Thanks Mary, Christy, Jamie and Stephanie for your dedication and faithful service to the Grand Lodge of Kentucky, and more especially, the Office of the Grand Secretary.

### **CONCLUSION**

A review of the Annual Returns received from the constituent lodges so far indicates the rate of decline in membership continues at about the same pace as it has experienced over the past several years. The three central elements controlling membership numbers are initiations, suspensions and deaths. Obviously, the only two elements of the equation we can deal with are the initiations and suspensions. With that in mind, we may ask ourselves two questions:

1. Are we, as individual Freemasons, living by the obligations and the tenets of the Fraternity within the influence of our local communities, serving as an example to

attract those members of the community whom would be a credit to our Order? If a lodge and its members are not actively engaged in community affairs, where are your members to come from?

2. What are we doing within the lodge to keep the members interested and actively engaged in lodge affairs? How fully and impressive are the Degrees being conferred? What is the lodge doing in the way of having social activities for the members and their families?

If we can give a positive answer to both questions, we are living our Freemasonry and demonstrating a positive influence in our community, and we are truly “making Masons”: Just some of my thoughts!

As another Masonic year comes to a close, once again, I thank the Craft of Kentucky for your continued confidence, and for the opportunity and pleasure of serving the Freemasons of Kentucky and this Gentle Fraternity. Kentucky Freemasonry is the greatest!

Fraternally submitted,

A handwritten signature in cursive script, reading "Joseph R. Conway".

Joseph R. Conway, P.G.M.  
Grand Secretary

## **REPORT FROM THE MASONIC HOMES OF KENTUCKY**

*To the Most Worshipful Grand Master, Most Worshipful Past Grand Masters, Elected and Appointed Grand Lodge Officers, Delegates and Brethren of the Grand Lodge of Kentucky, Free and Accepted Masons:*

### **Masonic Homes of Kentucky respectfully submits the following report:**

The 12 months since the 213th Annual Communication have been remarkable as your Homes continued progressing toward our vision of providing the highest quality and most sought after services.

Last November, the first life care community in Kentucky opened on our Louisville campus. Miralea Active Lifestyle Community provides five-star amenities and services in exceptionally designed structures that our new residents could hardly wait to begin experiencing. By July, 101 of the 102 residences were occupied by people who are thrilled to be part of the Masonic Homes family. Their rave reviews of the community's features, the security that life care offers, and the attentive service provided by our staff have resulted in a waiting list of more than 40 individuals and couples.

We are proud that Miralea's architectural design and quality construction were recognized with top honors by the Associated General Contractors of Kentucky at the 23rd annual Build Kentucky Awards ceremony in February.

### ***Among the Nation's Best***

This year, Masonic Home of Shelbyville earned the 2013 Silver National Quality Award from the American Health Care Association and the National Center for Assisted Living. Masonic Home is the only Kentucky community and among only 59 facilities nationwide to receive the Silver-level award this year. The competitive award program highlights communities that serve as models of excellence in providing high-quality long term care. Also, for the fourth consecutive year, U.S. News & World Report recognized Masonic Home of Shelbyville as one of America's best nursing homes. To gain this level of recognition on a national level is a testament to the commitment and professionalism of Executive Director/Administrator Nick Cooper and the Shelbyville management team.

### ***A League of Our Own***

2012 marked the 125th anniversary of the St. John's Day League, whose members and volunteers have funded Masonic Homes programs and services since 1887. Interest in the League is on the upswing, with strong increases in financial support and sales of League collectibles. We invite you to visit the League's exhibit at the 214th Annual Communication.

### ***Legacy Garden Dedicated***

In June, more than 100 friends joined the Homes as the Legacy Garden at Sam Swope Care Center was formally dedicated.

The Legacy Garden was part of the Legacy of Caring capital campaign, which raised more than \$4 million to build the Sam Swope Care Center at Masonic Home of Louisville. More than 330 bricks, tiles and pavers are featured, along with the donor plaques from the old infirmary that served the Louisville campus since 1927.

The Legacy Garden is more than a place where loved ones are honored and remembered; it is a lasting monument to the legacy of caring at Masonic Homes that could not have endured without the support of brother Masons from across the Commonwealth.

***The Power of People***

At Masonic Homes, our people make our organization the provider of choice. Their commitment to providing remarkable care is not only recognized by the people we serve, it earned the notice of three state trade organizations this past year.

The Kentucky Association of Health Care Facilities (KAHCF) honored Masonic Homes with the state's two top nursing awards. Masonic Home of Shelbyville's Director of Nursing Sally Jo Magness received the 2012 Statewide Director of Nursing Award and Masonic Home of Louisville's The Pillars Assisted Care Center Director Kim Sublett was named 2012 Statewide Personal Care Home Caregiver. Nine other Homes' employees earned individual 2012 Central District Awards from KAHCF, recognizing outstanding individual achievement.

Masonic Home of Louisville C N A Theodora Lowe received the Caring Hands Outstanding Service award at the 2012 LeadingAge Kentucky annual awards luncheon, recognizing her work in the dementia and palliative care households.

Masonic Home of Shelbyville's Donna Farmer was presented the Kentucky Assisted Living Facilities Association's (KALFA) 2013 Leadership Award and Anna Gordon received the Outstanding Caregiver Award at the association's annual meeting in May.

***Growing at Sproutlings***

Our pediatric day care and preschool on the Louisville campus got a boost from First Lady Cindy Stout who led the Every Child Every Day campaign this year. Thanks to the First Lady's efforts, broader interest in Sproutlings was generated and nearly \$35,000 was raised to fund scholarships so more medically fragile children can benefit from the inclusive learning environment Sproutlings offers.

On behalf of the Board of Directors and staff of Masonic Homes of Kentucky, as well as the people we serve, thank you for your ongoing support. Best wishes for a successful 214th Grand Lodge Communication.

*Fraternally,*

*Gary R. Marsh*

President & Chief Executive Officer  
Masonic Homes of Kentucky, Inc.

## **COMMITTEE REPORTS PRINTED IN THE ADVANCED REPORT**

### **STANDING COMMITTEES**

#### **COMMITTEE ON APPEALS**

TO THE MOST WORSHIPFUL GRAND MASTER CHRIS STOUT, MOST WORSHIPFUL PAST GRAND MASTERS, RIGHT WORSHIPFUL GRAND LODGE OFFICERS, DISTINGUISHED GUESTS, AND BRETHREN ALL;

During the preceding year, your Committee on Appeals stood ready to perform its duties and to assist its Grand Lodge and Brethren as requested. During the 2012- 2013 year, your Committee on Appeals investigated one (1) matter referred by the Deputy Grand Master.

The case concerned the removal of the Master of Pewee Valley Lodge #829 based upon allegation of un-Masonic conduct. The Committee was charged with first determining if the initial action of the Deputy Grand Master was supported by probable cause; and should probable cause be found, the Committee was charged with performing a full investigation to determine if the evidence warranted removal.

After a lengthy investigation, the Committee first found that the Deputy Grand Master clearly had probable cause to make the initial removal. However based upon the totality of the facts as presented by the various witnesses, the Committee found that there was insufficient evidence to support a permanent removal of the Master of Pewee Valley Lodge #829. Therefore, in adherence with the authority, as granted by the Deputy Grand Master's charge to the Committee, your Committee on Appeals found that the removal of Brother Clemons should be set aside, and held for naught; and that Brother Dale E. Clemons be immediately and fully restored as Master of Pewee Valley Lodge #829.

The investigation and all submitted documents are filed with the report of the committee herein.

On behalf of Brother Marc Rosen, Brother Rodney Burress and myself, I wish to express our sincere appreciation to Grand Master and our brethren for allowing us to serve our Grand Lodge this past year.

*Fraternally submitted,  
Jimmy C. Webb (273) Chairman  
Marc Rosen (325)  
Rodney Burress (180)*

### **ACTIONS TAKEN BY THE GRAND MASTER**

#### **Item No. 1- Restoration of Brother Fred Watts**

On October 23, 2012- Having received reliable information confirming the charge filed against Fred Watts of Ensor Lodge # 729 has been dismissed, I am hereby restoring your Masonic rights and privileges which were suspended on May 24, 2012, with no loss of time on your record as a result of the suspension

We recommend the approval of the Grand Master's action on item No. 1

**Item No. 2- Directive for Dress Protocol for Masonic Funerals**

As Grand Master I issued a directive for Dress Protocol for Masonic Funeral Services after it was brought to my attention that brothers showed up to a Masonic Funeral service wearing Regalia and Aprons of an Appendant Body. No Collars, Jewels, Masonic Medals, name badges, patches etc, shall be allowed. The purpose of the Masonic Funeral is to show reverence and respect for the departed Brother, and to express our love and esteem for him to the family left to mourn him; not to draw attention to our personal achievements.

We recommend the approval of the Grand Master's action on item No. 2

**Item No. 3- Mason at Sight**

October 26, 2012- I as Grand Master of Masons in Kentucky called an emergent communication and made brother Hobert Ashlock, a member of Harry R. Kendall No. 750, a Master Mason at site due to him having brain cancer and not having long to live. His 50 year service award was presented to him.

We recommend the approval of the Grand Master's action on item No. 3

**Item No. 4- Restriction of Masonic Rights on Brother Ray Anthony Hall**

We recommend the approval of the Grand Master's action on item No. 4

**Item No. 5- Restriction of Masonic Rights on Brother Dan Gibson**

December 19, 2012- I as Grand Master restricted Brother Dan Gibson's Masonic rights and privileges within the Grand Jurisdiction of Kentucky. This restriction also applies to any Masonic Appendant and/or concordant body in said jurisdiction, including the Eastern Star and Shrine. This was due to a continuation of a recent disturbance that happened at Burnside Lodge two week prior to this complaint.

We recommend the approval of the Grand Master's action on item No. 5

**Item No. 6- Lifting of Restrictions of Brother Dan Gibson**

Rationale - Camp Knox Lodge No. 919, at a stated Convocation on June 3, 2013, adopted the resolution for Grand Lodge to change the Constitution to add wording to the time between degrees recognizing the heroic contribution and sacrifices our service men make to our freedoms and that due not to their own choosing they are deployed to areas of hazard duty, the following change to Section 142 is proposed.

A petition for initiation or for affiliation shall be recommended by two Master Masons who are members of the lodge petitioned, and be referred to a committee of three other

members for inquiry into the character and qualifications of the petitioner. Such petition must be received at a stated communication and one lunar month must intervene between its reception and the balloting thereon. But no ballot shall be taken on a petition until said committee shall have made its report thereon. If, however, the petitioner shall have been rejected by another lodge in this Grand Jurisdiction, a copy of the petition shall be forwarded to the lodge which last rejected him and be referred by it to a committee of three members for inquiry into the character and qualifications of the petitioner, and the report of the committee shall be forwarded under the seal of the lodge to the lodge petitioned and no ballot shall be taken until its receipt of such a report. If said report is not made to the lodge making the request within ninety days, said lodge making the request has full power and authority to proceed to act on the petition and elect or reject the applicant. A ballot must be taken upon a petition for initiation or affiliation, whether the report of the Committee on Investigation be favorable or unfavorable, unless the petition be withdrawn, as permitted in Section 125 of the Constitution. A member whose name appears upon a petition as recommending the petitioner shall not be put upon the Committee on Investigation. The report of a majority of an Investigating Committee is the report of the committee, but if there be a minority report, the fact should be a part of his record. If the committee has taken no action for one or more months after their appointment, the Master may treat their places vacant and appoint others to be the Investigating Committee. A committee to whom a petition for affiliation is referred should take into consideration not only the moral character and fitness of the applicant, but also the authenticity of his demit or current status if for dual membership.

A brother suspended for non-payment of dues shall rest under suspension until he has submitted a petition for reinstatement to the lodge from which he was first suspended, which petition must be referred to and be reported on by committee the same as any other petition for membership, paid the amount owing up to the time of suspension, and re-elected to membership by unanimous ballot of the membership present. MOST WORSHIPFUL GRAND MASTER, RIGHT WORSHIPFUL GRAND LODGE OFFICERS, MOST WORSHIPFUL PAST GRAND MASTERS, APPOINTED GRAND LODGE OFFICERS, WORSHIPFUL MASTERS AND BRETHREN OF GRAND LODGE OF KENTUCKY FREE AND ACCEPTED MASONS.

Brethren, the pale horse and his rider continue to knock at our Lodge door. We gathered to honor departed Brothers. "May GOD grant us that we may find comfort in sorrow, hope in death and resurrection."

Prayer by Brother A. Scott Lockard (507), Grand Chaplain

### *The Memorial Prayer*

Almighty and Heavenly Father! Infinite in wisdom, mercy, and goodness, extend to us the blessings of Thy everlasting grace. Thou alone art a refuge and help in trouble and affliction. In this bereavement, we look to Thee for support and consolation.

Strengthen our belief that Death hath no power over a faithful and righteous soul! Though the dust returneth to the dust as it was, the spirit returneth unto Thee.

As we mourn the departure of a brother beloved from the circle of our Fraternity, may we trust that he hath entered into a higher brotherhood, to engage in nobler duties and in heavenly work, to find rest from earthly labor, and refreshment from earthly care.

May Thy peace abide within us, to keep us from all evil! Make us grateful for present benefits, and crown us with immortal life and honor. And to Thy name shall be all the glory forever.

Amen.

 And graces where thy body lies!

 To call the grateful Builders near!

### **COMMITTEE ON TRIAL OVERSIGHT - AREA 2**

To the Most Worshipful Grand Master, Most Worshipful Past Grand Masters, Right Worshipful Grand Lodge Officers, and Worshipful Masters and Brethren of the Grand Lodge of Kentucky

During the past Masonic year, the Committee on Trial Oversight - Area 2 has conducted those trials scheduled by the Grand Master for trial in Area 2. All trials were successfully concluded with the assistance of the officers and brethren of the host Lodges. The cooperation and assistance of these brethren were of great help to the Committee and resulted in the prompt disposition of the issues at hand.

Also, the Committee wishes to thank those brethren who served so willingly and efficiently on the Trial Panels, and also those who served as witnesses in these trials. These brethren showed their dedication to ideals of Masonry and to the needs of the Grand Lodge with the occasion required.

It has been the pleasure of the Committee members to serve the Grand Master and this Grand Lodge during the past year.

*Respectfully submitted,

### **COMMITTEE ON BLUEGRASS RITUALIST**

Most Worshipful Grand Master, Right Worshipful Elected Grand Lodge Officers, Most Worshipful Past Grand Masters, Distinguished guests and my Brethren:

Most Worshipful Grand Master, the Bluegrass Ritualist Committee thanks you for the confidence you have placed in its members by selecting us to serve the Grand Lodge of Kentucky during this past Masonic year.

#### **Bluegrass Ritualist Award**

The ritualist award program has been fairly effective, somewhat popular, and has the potential to be a useful tool in developing ritualists within our Grand Jurisdiction.

Although the program has enjoyed a level of success it is not without problems.

#### **Your chairman recommends the following:**

1. Point assignments, regarding the various lectures, should be revisited and modified as the current point assignments seem to be inconsistent in regard to the work required per point.
2. Reconsider the requirements regarding lecture delivery and consider requiring ritualist award candidates to perform all qualifying work during actual degrees.

3. Recommit to ritual uniformity within this jurisdiction. Consider requiring all work toward the awards be done according to the Kentucky Ritual.
4. Ensure that the committee is a standalone committee with a budget.
5. Take steps to ensure that the awardees of the program do not have to pay for their award.
6. Ensure that the Grand Secretary’s office maintains a stock of each pin and mails the awards to the District Deputy of the recipient so that the award may be given in due solemnity within the recipients home lodge.
7. Charge the committee chair with maintenance of the records and communication regarding awards while leaving the mailing and financial burdens in the hands of the Grand Secretary’s office.

Note: The majority of the recommendations have been submitted by previous chairmen yet have not been addressed. In particular, the financial strain of mailing awards and related material to recipients and those who submit performance records is currently placed upon the chairman. The Grand Lodge should assume the responsibility of mailing the awards or provide a budget for the chairman to send the material as required. (see 6 & 7)

**Status of the Ritualist Awards as of 1 September, 2013**

Senior Ritualists	73

### COMMITTEE ON PUBLICITY

Most Worshipful Grand Master, Most Worshipful Past Grand Masters, Right Worshipful Elected Grand Lodge Officers, Worshipful District Deputy Grand Masters, Worshipful Appointed Grand Lodge Officers, Grand Lodge Committeemen, Worshipful Masters, Wardens and Brothers all:

I would like to thank Most Worshipful Grand Master Christopher L. Stout for appointing and honoring me as chairman of this committee. I appreciate the brothers that he appointed on this Committee, that will forever capture historical Masonic events in and around the state. Brothers Edward Anderson, Derek Phelps, Neil Wright and Terry McFarland were very helpful in recording Events and showing hospitality to all Masonic brothers. Many miles and hours were spent by this committee to put the good works of masonry in the eyes of the public.

From installations, degree work, school functions, cookouts, picnics, district meetings, educational meetings, service award presentations and cornerstone/dedications these were covered As well as possible by the Publicity Committee. I again want to Thank the craft of Kentucky for their support this year and only Wish for bigger and better events for the future of our Masonic heritage.

*Fraternally thine,  
Donnie Brake, (634-643) Chairman  
Publicity Committee*

### COMMITTEE ON YOUTH

This year it was suggested to me as Chairman to have the YouthCommittee to work with the Order of Eastern Star's Youth Committee on some sort of fundraising event for the Masonic youth groups. Robin Crisp, a member of the OES Youth Committee had contacted me about the OES Wings of Support Motorcycle Run which was to happen on August 10th of 20 13. I asked what was needed on behalf of the Youth Committee and was asked if we could make a donation in bottled water and assistance with clean up and serving the riders at the end of the run at Bullitt Lodge.

I requested a donation in bottled water which was graciously donated by Most Worshipful Master Chris Stout and Draven Sims, Alex Senig, Daniel Shumate and Tallon Spell from Lincoln Chapter Order of DeMolay at my request, came to Bullitt Lodge to assist in serving and cleanup. In attendance also were several Rainbow Girls from various assemblies and Justin Crisp from Cherokee Chapter Order of DeMolay.

The weather for the day was rainy and attendance was not as good as anticipated, but a good time was had by all and the money raised was donated to the Masonic Youth Groups.

It is my recommendation that the new Youth Committee continue working with the OES Youth Committee as I feel together we could make a joint event a great success in raising additional funds that would greatly support our youth organizations and better insure the stewardship of our Masonic Family.

I want to thank Most Worshipful Grand Master Chris Stout for giving me this opportunity to work for our youth, and to serve Kentucky Masonry.

## GRAND MASTERS ADDRESS

*Richard T. Nation*

Thank you Most Worshipful Brothers Keith, Dave/Chris, Herman, Todd, and Don/ Joe for installing us this year.

Brothers Wilson, Cloyd, Todd, Tom, and Joe, we are in for a wild ride this year. But as a team, as six Masons united in one goal, we can achieve anything.

To my appointed officers, District Deputies, and committeemen, you were each selected for very specific reasons. I know you to be men of integrity and Masons of the highest order. I look forward to working with you and thank you.

Nearly fifty years ago, I was introduced to this Fraternity. I was shown how Masons should act. I saw Masonry in action on a cold December day in 1963. Some of you have heard the story, but for those who haven't let me just briefly fill you in. Our house burned December 21, 1963. We lost everything except the clothes on our backs. Before the ruins were finished smoldering, Brother Bill Mobley, a Past Master of Phillip Swigert No. 218 was handing my Dad a cigar box containing over \$300. He and Brother Tom Bishop, a Past Master of Taylorsville No. 210 had collected it that day from the Masons in the tiny town of Taylorsville. Of course there were many Masons there. The Sheriff, the County Judge, both doctors, the County Attorney, the insurance man, the grocer... they gave unconditionally. They only knew a Brother was in need, so they did what Masons do. The next day Brother Mobley showed up with a pickup load of toys. We never found out where they came from but I suspect the Masons had something to do with that too. They didn't know it, but they planted a seed. A seed which germinated on my 21st birthday when I asked Dad for a petition. They never dreamed that the 5 year old kid they helped that day would someday stand before you as your Grand Master. I owe them a debt of gratitude I can never, never repay.

Brothers, I don't think you can truly understand who I am and what my vision for this Fraternity is unless you witnessed the miracles this Fraternity has afforded me. Until you've seen the sun rise at 3 a.m. over the North Atlantic on your way to England to help confer the Master Mason Degree, until you've watched the Master pass the hat to help a young widow and her two orphans, raise \$2000 from about 50 Brothers and then have the Lodge match it, unless you've seen the Grand Master of Alabama stop his Grand Session, raise a thousand men to their feet for prayer for a woman 500 miles away who the vast majority never heard of or will never meet, until you pay attention to the countless small miracles that happen every day in our Lodges and our communities, you cannot understand. My vision for this Fraternity is that these types of things will be everyday occurrences. That we will become the kind of men to whom miracles and small kindnesses are second nature. That this Fraternity can show the world who we really are, the kind of men we are. Men who can be counted on, men who help the suffering and the oppressed, men who stand by their beliefs, men who practice honor and virtue, morality, brotherly love, relief, and truth, men who are men.

I have a dream for this Fraternity. One where God fearing, patriotic, virtuous men relieve suffering in this world, one community at a time. A dream where the workmen toil without jealousy or discord. A dream where we truly do put a Brother's welfare ahead of our own. You know, we changed the world once. I have a dream that if called upon, we will be the kind of men who could do it again. And Brothers, I have a plan of action. A little program that we've been promoting for the last several years could accomplish all of

that. "Masonry Matters" is the vehicle. If we relieve the suffering and want in our school systems, we can raise up a new generation that will have experienced what Masonry can do. And I predict that a significant number of that generation will want to unite with us in our great works. But to attract great men, we must be great men. Above reproach. The cream of the crop. The best of the best. Are we? Probably not. Can we be? Absolutely yes. To paraphrase President Kennedy, "Brothers, ask not what Freemasonry can do for you, ask what you can do for Freemasonry." Demand the best of yourself and demand the best of your Brothers.

Brothers, I feel very strongly that our charging dues to Entered Apprentices and Fellow Crafts without allowing them a voice in how those funds are spent is inherently wrong. I feel that it is reprehensible to take their money and give them absolutely no say in how it is spent. It amounts to taxation without representation. Our Masonic forefathers fought a war against the most powerful nation on earth over that very issue. I cannot in good conscience allow this to continue. In an effort to allow Lodges to return to the traditional way of doing things I am issuing an edict that Lodges may conduct routine business in the Entered Apprentice Degree. Only Master Masons will be allowed to vote, hold office, or serve on committees. Any Lodge wishing to do business in the Entered Apprentice Degree must notify the Grand Secretary and me in writing, as well as notifying the members of the Lodge agreeable to Section 108 of the Book of Constitutions. This edict will expire at the end of my term as Grand Master.

I believe that I am standing here for a reason. I'm not sure what that is, but there is a reason I didn't stand here a couple of years ago or twenty years ago. God has something for me to do at this place and time. I can only pray that I'm man enough and Mason enough to fulfill His purpose. By now, some of you have seen my Grand Master's pins. They are a little different. I had one Past Grand Master tell me "Nice pin but you forgot to put your name on it." My name is on the back and in small letters. Why? Because Brothers, it's not about me. It's about God, Country, and Fraternity. The very things that are depicted on the front of the pin. What's on the front is important, what's on the back is trivial.

When I was a candidate for Grand Junior Warden, I told you about my pet projects. I told you that I believed that Masons should be among the most patriotic people on the face of this planet. I told you that I would demand that we take pride in ourselves, our buildings, our dress, our demeanor, and our work. I told you that I believed in education. We need to be educated on the tenets, traditions, philosophy, history, and teachings of our Fraternity. I told you there was a reason we say we are at labor on a degree. Masonry is not meant to be easy. It takes effort. I told you I would ask more of you than any Grand Master had in the past. But I also told you that I would never ask more of you than I would give myself. I told you we needed more training of our officers, members, and candidates. I wish we had the money to do that at the Grand Lodge level, but Brothers, all Masonry, like politics, is local. Most, if not all, of this teaching, training, and education should come from the local level, just as it did when our Society was being formed. And Brothers, we absolutely have to embrace technology if we are to survive. Our ancient operative Brothers were at the forefront of developing and using new technologies. Should we be any different? At a time of declining membership and revenues and constantly increasing expenses, we have to work smarter. I believe we can. I have faith in you my Brothers. Maybe more faith than you have in yourselves. I know you are good and true men. I know

you want what's best for this Fraternity. We may disagree about how to get there, but we all agree on the destination. And this Grand Master needs your support, encouragement, and prayers.

And finally, in conclusion, I'd like to thank some people for enabling me to be in the position I am. I'd like to thank Brothers Bill Mobley, Tom Bishop, Denton Thompson, Edwin McNeil, Pete Johnson, Buck Neal, Orva Langford, Harold Downard, John B. Clark, Sr., Frank Nation, Sheldon Nation, and, my dad, Ray W. Nation, all of whom are in the Celestial Lodge above. I want to thank Brothers like Joe Conway, Tom Larimore, Roger Moore, Charlie Jewell, Curtis Johnston, Dave Carter, Pat Hart, Keith Dreier, Cecil Goodlett, Herman Forrester, Todd Eastham, Don Yankey, Terry Bowman, and my Brother from another mother, Chris Stout, and the, literally, thousands of you throughout this state and other states. I want to thank all the members of Shelby No. 662, past, present, and future. What can I say about the best Momma in the world? Thanks Mom seems so inadequate. I love you, thanks for supporting me. I want to send my love to my grandchildren, Sophia, Lily, Aiden, and Ella and their mothers Katie, Jessie, Nicole, and Stacy. I've lived for my sons, Brian, Richard, and Quinton. I love you. And finally, Karen, honey, I could not have done this without you. I waited until you said yes before I would run and when I lost in 2008, you took it much harder than I and urged me to try again. You are truly my better half, the ying to my yang, the salt to my pepper, the north to my south, my lover. My everything. I know you would have beaten me in 2010 if Henry had been allowed to nominate you, heck, I would have voted for you. You are my wife, the mother of my children, and my best friend, and I love you.

Brothers, thank you for sticking around today. I love you! May God bless you, may God bless the United States and her military forces, and may God bless this great Fraternity.

Most Worshipful Brother Floyd Henry Booth was a staunch and dedicated member and supporter of Freemasonry in general, and of his lodge in particular, as the record of his fifty-eight plus years in the Fraternity clearly shows. His many years spent serving his lodge as Secretary—even after having served the Grand Lodge as Grand Master—and the Grand Craft of Kentucky in the several offices and positions he held is testimony to his love and devotion to the principles and tenets of the Order, and will be an inspiration to those whom will follow in his footsteps. These richly deserved words regarding Brother Booth were expressed in the report of Brother Acie D. Milner P.M. (Plumb Lodge No. 862), Chairman of the Committee on Biography as printed in the 1990 *Proceedings of the Grand Lodge of Kentucky*:

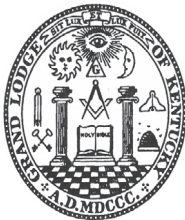

“Brother Booth has brought wisdom, dignity, truth, honor and fortitude to the office of Grand Master.”

A fitting tribute to a deserving Brother!

*The clock of life is wound but once,  
And no man has the power,  
To tell just when the hands will stop,  
At late or early hour,  
Now is the only time you own,  
Live, love, toil with a will,  
Place no faith in tomorrow,  
For the clock may then be still*

As a tribute of love and respect for the memory of our departed Brother Floyd Henry Booth, PGM, it is hereby ordered that this memorial be read in each Lodge in this Jurisdiction at the next Stated Communication following its reception, and that it be made a part of the records of the Lodge.

Given under my hand and under the seal of the Grand Lodge of Kentucky, F. & A. M. this day and year first written.
