OPENING PRAYER

Let us pray. Our most gracious and loving Lord God, we come to you this morning to give you thanks for this day. Lord we ask that with the faith we have in you that you give us the vision and the wisdom to make the decisions in our Grand Communication. Lord we ask you to be with Brother Pat, our Grand Master, as he leads our legislation. And we ask that you be with the Brothers, the delegates of this Grand Lodge, as they vote on the decision making process that will lead our Fraternity into the future. Lord we ask a special blessing upon those who are the Veterans of our Great Fraternity and of our American freedoms that we have and ask that you be with those who are still fighting for those freedoms that we have. Wrap your ever loving arms about them and bring them home safely. Lord, as we go into this meeting grant us that wisdom and we give you the praise and the glory forever. Amen

GREETING FROM
THE HONORABLE STEPHEN PENCE LT. GOVERNOR
COMMONWEALTH OF KENTUCKY

Thank you very much, on behalf of Governor Fletcher and the Commonwealth of Kentucky and as a citizen and resident here of Louisville thank you for allowing me to be here. It is an honor for me to be here, especially with Ms. Henry here. I never presume that anyone really knows, nor should they really know, who the Lt. Governor is. I have been misidentified so many times, I tell the story often, of a talk I was giving at a small Rotary club in Eastern Kentucky- in a small small city. I was running late and it was lunch

time. I had the driver park the car and I walked in to this little Shoney's restaurant. As I walked in two elderly women were standing there. And they said come on in, we're so glad you're here, it's an honor. We are going to have a great day here at the Rotary. We have already started the buffet, so go on and get in line and take a seat, the Lt. Governor is going to be here soon. So I was in therapy for that for about a month. Just a few months ago I was in Muhlenberg County and I went into a small country store. There was a young lady behind the cash register. I was in my suit and I had a couple of other people with me who were in suits. We walked up to the cash register and I could tell she was looking at me as if she recognized me. She looked at me and she smiled a nice smile and she said aren't you the Lt Governor? And after being in therapy from the last time I kind of puffed up and said why thank you young lady, thank you for noticing. She said I want you to come with me, my boss is going to want to meet you. So she goes around and she yells into the back room, Martha come out here, Steve Henry's in the store. So I'm back in therapy.

I am going to be very brief. I am honored to be a brother with you. One of the things I say often is the proverb of: *As iron sharpens iron; So men sharpen men*. That is one of the reasons that I was honored to be a part of the Fraternity, because I believe this is a group where men sharpen men. Where we can look as a group, knowing none of us are saints but realizing we are all pilgrims, that larger body of people and believers who are trying to move forward to know the will of their Creator and ask what can we do to make our lives better and more meaningful for Him. Where we meet with people and talk about so much other than the size of our house, the clubs we might belong to, the type of car we drive but that we ask ourselves what can we do to know His will better, to serve Him better and to do better for our community. I want to thank you for doing that. I want to thank you for allowing me to be a part of that group; that pilgrimage that we are all on. And I welcome you here and hope that you have a very successful meeting and God speed be with you. Thank you brethren.

TRIBUTE TO VETERANS AND MILITARY PERSONNEL

Heather French Henry, Former Miss America

Well, I sung two songs and you are about ready to hear me speak- I tell you what some of you heard me speak and sing last night- wow. It's funny because I met two gentleman on the way up, I have never parked so low, in the Galt House parking garage before that I was actually a little winded when I got up here- I think the gentlemen were a little too. But that is evident of the wonderful crowd you have here this week who are at this wonderful convention that all the parking garages are full. So that is excellent. It's great to talk with so many of you last night. I was proud to see so many veterans who stood in the audience and I want to thank you in advance for attending last night. We had a wonderful presentation to honor your Grand Master Pat Hart. He and I go back so far, we even pre-date my husband Steve Henry. And it was wonderful to see the Lt. Governor here today. It is sort of a known thing that they do get sort of confused with each other. People call my husband Steve Pence and they call him Steve Henry. You know I even get called Miss USA, so it just kind of goes all around. I understand.

You know the importance of Veterans is something a lot of people have known since I was Miss America that it was my platform issue. People say "oh it was your pet cause". Well, veterans to me are more like a life's mission. Having been the daughter of a disabled Viet Nam Veteran, a Marine, who served in 1967-1968, who was wounded, who came back from Viet Nam mentally, tragically, his mental state was gone- he was not coming home mentally. It took about 28 years for him to actually come home mentally- having dealt with Post Traumatic Stress Disorder as well as a prescription drug addiction to Darvon. You know when you are four years old and you go into the VA Hospital with your father and a lot of four year olds, they think that the world is just in front of their face - that's all- it's just their immediate surroundings. But because my father was smart enough to take me to the VA Hospital with him, I got a chance to know that Veterans, like my father, were everywhere- that there were a lot of Veterans hurting. But the one important thing that I learned was that there were a lot of programs out there for Veterans to help Veterans. Now it did take me about 20 years after that to become Kentucky's first Miss America, so far, that got to travel 20,000 miles a month, 300,000 miles in a year. And every single day- I mean I was in a different city every 18 to 20 hours- what I believe that God meant- that whole year for me- was that he wanted to show me how much is out there, to heal those men and women who have served in the Military. Because there are so many of you out there who don't know what you are entitled to. You have people in your communities, all across, not only in Kentucky but the United States that don't know what benefits they are entitled to, that don't know that in certain states children of disabled Veterans can get a full tuition waiver to any college or University that is state funded. Kentucky has it; Ohio has it and a number of states have it. We find that here in Kentucky we fall very short in letting our Veterans know what they are entitled to and what they are able to receive, not only for themselves but for their family. And so as I traveled around the country I got to see programs in Oregon, in Tacoma Washington, in Orange County California; all the way over to Pennsylvania and up in Maine- it was amazing the type of education that I received. And I thought I was going to be going on this tour to encourage all of those Veterans, to show that they had not been forgotten. But really what happen was I was educated about what this country has to offer, and what this country has fallen short of, in offering you better service for your quality of life. And now as a mom and a wife one of the most important things that I can do is go into the schools to talk to young people about Veterans and Patriotism. I have written and illustrated a series of Veterans books that benefit the Heather French Henry for Veterans Foundation. And what's interesting is that every elementary school that we go into, without fail, when I talk in front of a school, I always ask them what is a Veteran and of course a third of the kids raise their hands, they don't even know why they raise their hand. Then you always get one or two who are brave who come up to the front and without fail one of those children will say a Veteran is a doctor who takes care of animals. And so with that- we realize the importance of early childhood education when it comes to Veterans and patriotism. What are we doing? It is one of my missions in Kentucky to make sure that we see that every school that may be in session on Veterans day, because there are still a number of schools that are still in session, it is mandatory that they have a Veterans program. Because I would rather them be in school having a Veterans program than at home sleeping and playing Nintendo all day long on November 11- correct? So I want to make sure that our children are being edu-

cated early, because in all of the schools, when we Pledge Allegiance to the Flag and sing the Star Spangled Banner, it is still amazing to me the amount of people, adults, grown ups that don't know to put their right hands over their hearts. They don't know to stand still when the color guard approaches or when the color guard leaves. To me if we teach our children early that means for the rest of their lives they will know how to properly respect the flag and they will not forget the words to the Pledge of Allegiance or the Star Spangled Banner- it is something that we will have instilled in them early on in grades K-5. As a mother of a 3 and 5 year old I am trying desperately to do that to my children. I must say they do hear me sing the National Anthem a lot and whenever they do hear it sung by somebody else they do refer to it as- they say- Mommy there's your song- they're singing your song. I say it's not my song it's all of our songs- because these men and women have fought, many have died, to make sure we have the freedom to sing that song- that it is a privilege and not a right. And when they see the American flag they say oh mommy look, it's your flag. I say no it's not my flag it is all of our flag- so at least they know what it is. Community in Webster's dictionary means joint ownership and I asked a second grader not too long ago at an elementary school what that meant. And she said, well I think that means that we are all responsible for each other. And you know for a second grader to understand that definition- means that we have hope for the future. But it is probably the best definition of community that I have ever read or ever heard- that we are responsible for each other. You, being Masons, certainly know of that responsibility. But how many of us go outside of our comfort circles and get outside of what we are normally doing and go into schools, or go to VA Hospital, or go to a VA nursing home and get to know who a veteran is in their community? Of the 26 million Veterans out there in this country only 7 million use VA care facilities- so we have 19 million Veterans out there who are just wandering around in our communities and we don't even know that our next door neighbor could have been a retired general. So who is reaching out to them and who is going into the schools to teach? Well I know that there are a number of Veterans here in the audience today and I would like for all the Veterans who served in the Military to please stand so that you can be recognized among your peers for your efforts for our Country.

All of these heroes among us are the reason I am speaking here today. Miss America was a wonderful title, it will always be - you know my kids don't realize there is a new Miss America every year. I say that's very nice of you honey to think that I am the only one. But the most precious title I have is being a daughter of a Veteran. Every day I remember why I get up worried and concerned about disability claims and benefits, why we do studies like here in Kentucky- where in Eastern Kentucky alone we lose 43 million unclaimed disability and benefits because we don't have enough proper representation going out into those counties to make sure Veterans come in contact with someone who can tell them - hey you're a Veteran - have you signed up for your disability, do you know you have benefits? I was in the airport just the other day, here in Louisville, and a Veteran came up to me and said thank you for the work that you do for Veterans, and I said oh, did you serve in the Military? That's a very common question that I ask anyone. And he said well, no, not really. Well with the response of not really- it kind of raises my eyebrows- so I said what you mean not really? He said I only served for 13 years so I don't think I qualify as a Veteran. Ladies and Gentlemen that is a Veteran- and if I had to educate someone who served in the Military for 13 years- imagine what we have to do all across this

country to men and women who have only served 2 to 4 years or who are in the guard, who are in the reserves that we have to make sure we take care of our men and women because we are drastically falling short. And right now the National Coalition for Homeless Veterans has identified 67 Iraqi Veterans who are homeless. Sixty seven Iraqi Veterans who are homeless- those men and women who are coming home. We can no longer leave it up to government to provide all of the safety nets which is why I left government to partner with community based organizations to help be that safety net. And where we can when we can try to facilitate any Veterans need. What's interesting, I have even gone so far as to go up to congress and senate to lobby for more Veterans benefits and service connected disability for hepatitis C and still continue to struggle with agent orange issues from Viet Nam. And we've got kids coming home still from the Gulf War syndrome - dealing with that. And now we've got kids coming home who have nerve damage- and we don't know what that's suppose to be called in this war. So trying to anticipate and be proactive as walking on the grounds of congress- the grounds of the senate - trying to make sure that prostate cancer for you Viet Nam Veterans still doesn't go under funded. I know that every time I talk about men's prostate their eyebrows sort of go up and they think- what in the world is she talking about? Well because not only do we deal with prostate cancer as it is with agent orange- service disconnected disability- many of you may not know that my husband was diagnosed with Prostate cancer about three years ago. And when you are that intimately connected with an issue like that- I would like to take this opportunity to encourage you all to take care of yourself. I mean women for years have been going to the doctor religiously because we don't want to leave our children to you guys - we want to make sure that our future generations are taken care of. And so we realize that women really become the health care provider in the home. And we find that women all across Kentucky are making health care appointments for you all. Well we want to put the health care information in your hands. You know what was interesting was when Steven was diagnosed with the prostate cancer- according to the Kentucky Prostate Coalition - Kentucky was number 49th in the United States on screening for Prostate Cancer. Thank God for Mississippi- because someone has to be last- and thank God it wasn't us. But that is nothing to be proud of. We were only screening less than 1000 men a year and we needed to be screening at least 10,000. And so I thought, of course you're a woman, you're always thinking creatively - right ladies- and so I was thinking how could we better reach every demographic of our Kentuckians- and I thought- you know at the Kentucky State Fair- they have a health horizons in the South Wing- and people do regular exams for breast cancer, for diabetes, for skin cancer- and I said you know- its right next door to where you can get a funnel cake so why not get a digital rectal examination and a funnel cake at the same time. Well, almost at the same time! Now I don't want to discourage any of you from coming to the state fair- it's not mandatory- but it is certainly a way for us to provide free health screenings to men from all over- whether it is Indiana or Kentucky- every walk of life. And what we have seen in our third year is that it is no longer the women who are bringing the men - that you men are coming out yourselves and making sure that your health is taken care of- because we want healthy fathers for our families don't we? We want each one of you taken care of. And I know that you aren't use to talking about intimate issues which is why we got Miss America to talk about men's prostates and it's very interesting when I walk around the state here and I say - have

you had your prostrate examined today? - And the look that they give me. And NO I will not be looking at the prostrate today- we do have doctors on hand that can do that for me- I am not qualified. But creative solutions and that is something I want to encourage you all to do when you go back to your community- if you see a need you fill a need. And if you see a need in the Veterans community fill it. You know whether its getting a high school group who can write valentines to the soldiers or getting a high school group to write valentines to the men and women who are in the VA hospital that are in your community- or making sure that on Veterans Day your community has a proper Veterans Day ceremony. Or on Memorial Day you are setting flags on graves of those honored soldiers who fell. It's time that this issue doesn't just belong on the floor of the senate and congress as a political issue- but it's an American issue that each one of us are responsible for. So I want to encourage you today to do all of our parts - to do your part to do my part- in helping to educate the rest of Kentucky and the rest of your community about the honor of these men and women. Because certainly we want to honor those who died by serving those who are continuing to live. And with that I want to thank you all so much for embracing Steven and myself in your family- throughout all of these years, rollercoasters, the ups and the downs- your prayers have been so wonderfully accepted. And we certainly appreciate everything that you all do for us and we are just so happy to be a part of your family. If we can ever do anything for you- I know I said last night I couldn't tap dance- though I certainly would try if you ask me to Pat. Pat, I owe you a lot for where I am in my life today as Miss America; so if we can ever be of service to you we want to be there for you. Thank you all so much.

**REMARKS BY
NATIONAL MASONIC FOUNDATION FOR CHILDREN
MODEL STUDENT ASSISTANCE PROGRAM**

W. Don Baugher, PGM (Michigan)

MOST WORSHIPFUL GRAND MASTER:

I bring you greetings on behalf of the National Masonic Foundation for Children and our President PGM Carl Smith.

This year we are celebrating our 20th year of training educators how to identify and intervene in the lives of at-risk children. And it is being done all across this great country in the name of Freemasonry.

Also this year, thanks to the leadership and dedication of your Grand Master, not only to our Masonic Youth but to all the children of this great state, the Grand Lodge of Kentucky took a giant leap forward and became the 22 nd Grand Jurisdiction to sponsor the Masonic Model Student Assistant Program training for your schools. The first training was held at your Masonic Home this past June and some 45 educators were sent back into their schools with a skill they didn't have before that will help them identify and intervene in the lives of children in pain.

Some of you may be thinking "Why should Masons be doing this"? Isn't that someone else's job? I for one believe that it is our job if we truly care about our children and the future of our country.

Children make up only 25% of our population but they are 100% of our future. I've heard it said that we should be able to freeze our children when they are 12 and thaw them out when they are 21. I don't think we can legally do that so we do the next best thing -- we send them to school for the teachers to take care of and that is where the Masonic Model SAP comes in. We need to make sure that the teachers who are in the class rooms teaching our children have all the skills necessary to successfully educate our children no matter how much baggage they bring to school with them from home.

Let me read you something that was written by a teacher that will give you an idea of just how a teacher can impact the well being of our children.

It goes like this:

TEACHERS

*I've come to the frightening conclusion
that I am the decisive element
in the classroom.*

It's my personal approach that creates the climate.

It's my daily mood that makes the weather.

As a teacher,

*I possess a tremendous power
to make a child's life miserable or joyous.*

I can be a tool of torture, or an instrument of inspiration.

I can humiliate or humor, hurt or heal.

*In all situations, it is my response that decides
whether a crisis will be
escalated or de-escalated,*

And a child humanized or dehumanized.

If that is the power a teacher has over the children in his or her charge wouldn't you want to make sure they had all the skill necessary to make a positive rather than a negative impact if your child or grandchild was in their class.

It will cost your Grand Lodge about \$25,000 to conduct two MMSAP training sessions. For that you will train approximately 130 educators. Our research shows that each of those educators will have a positive impact on the lives of at least 8 children annually. That means that 1040 children will get the help they need to succeed in school and in life because you cared enough to make a difference.

And the beautiful part is, if every Kentuckian contributed to this project it would only cost each of you 48 cents a year. I've heard it said that it cost \$160,140 to raise a child from birth to age 18 and that doesn't even start to pay for college. Don't you think it is worth 48 cents a year to make sure we have a sound investment?

Grand Master, we have been working for several years to get MMSAP into Kentucky. You were the spark that got the fire going. You had several people working with you but without your leadership I doubt that we would be this far along.

A few years ago my daughter, who is a Past Grand Worthy Advisor of Michigan Rainbow, was trying to reactivate a Rainbow Assembly in our community. She was not

having much success until a lady who had been active in Rainbow in another part of the state moved to our community and just started making things happen. The Assembly was reactivated and is still going today; I commented to my daughter that we had the fuel to run an assembly but what we needed was the spark to get it going. My daughter said "I think I've just been called a tank of gas".

Grand Master, you are the spark your Grand Lodge needed. They had a lot of energy but you were the spark that ignited it and we at the NMFC thank you for that from the bottom of our hearts.

I would like to recognize several of the people who made up that tank of gas you ignited and who have been working very hard to make MMSAP training available to the schools of Kentucky. They are Dr. Dwaine Riddell, your State Coordinator, Gary Mozinger, W.J. DeWitt, PGM Roger Barnett and Gary Marsh and the entire staff of the Masonic Home of Kentucky. If any of these brothers are in the room would you please stand up and be recognized. Dwaine not only chaired the program he met with the Kentucky Department of Education and arranged for the educators attending MMSAP training to be granted 21 hours of either professional development or administrative leadership credits.

If you are an educator or know an educator or have children or grandchildren in a Kentucky school, please contact Dwaine or the Grand Secretary to find out more about this program. Every school in Kentucky should have a Core Team of educators who have been trained in the Masonic Model SAP.

Grand Master will you please join me up here.

I would like to present to you on behalf of the National Masonic Foundation for Children a certificate of appreciation and it says: this certificate of appreciation is granted to Patton R. Hart, Grand Master, Grand Lodge F&AM of Kentucky, for making a positive difference in children's lives by supporting the National Masonic Model Student Assistance Program awarded this 30th Day of October, 2006. And we really appreciate all that you have done Grand Master. Thank you very much. And thank you brothers for all you are doing for our children.

Thank you Grand Master for your hospitality. I don't think I have ever had the chance to meet a Miss America before so I'm looking forward to the rest of your session to see what other surprises you have in store for us.

ASHLEY DAWN ROSE

(Daughter of Denver Rose, PDDGM (255-328)

MEMBER OF UNITED STATES JUNIOR

OLYMPIC DREAM TEAM FOR ARCHERY

MOST WORSHIPFUL GRAND MASTER OF MASONS IN KENTUCKY PATTON HART, RIGHT WORSHIPFUL GRAND LODGE OFFICERS, VISITORS, GUESTS AND FREEMASONS ASSEMBLED HERE TODAY:

My names is Ashley Dawn Rose and I am honored to address you at this annual communication of the Grand Lodge of Kentucky. My father is Denver Rose, Past District Deputy Grand Master of District 21, and my mother is Elizabeth Rose, member of the Order of the Eastern Star at Waynesburg, Kentucky. I am 17 years old and a junior at Pulaski County High School in Somerset, Kentucky.

This year at the District 22 meeting in Jamestown, Kentucky I was recognized by Grand Master Hart and District Deputy Grand Master James Cooper as the outstanding youth of the year for District 22. For this recognition I am now saying thank you to the Masonic Fraternity.

Since receiving this Masonic award I have been able to make progress on goals I have set for myself in the sport of competitive air rifle and Archery marksmanship at both the state and national levels. I am a member of the Texas Community shooting club in Pulaski County Kentucky and I have brought 2 medals with me today. This medal represents 1st place in the National Guard Bureau competition which was held in July at Bowling Green, Kentucky. This medal represents 1st place at Nationals which was held in June at Ft. Benning Georgia.

Also, in July I was notified that I have been selected a member of the United States Olympic Dream Team for Archery. I have already attended the Olympic training Center in Chula Vista, California and as part of this team I will represent the United States of America in future Olympic Competitions. My goal is to represent my family, community, state, nation and, through my parents, the entire Masonic family in Beijing, China in 2008.

I can only hope that the lives of the other Junior Olympic team members have been impacted by the tenets of Freemasonry as I have been. Truth, charity and love of your fellow man are characteristics that have been instilled in me by my parents and are ties that bind me to the Masonic family. It is only in America that a farm girl from Kentucky could aspire to an Olympic dream. Since as Masons you invoke the aid of Deity before beginning any great task, I ask your support in my undertaking.

Most Worshipful Grand Master Partton Hart, thank you for this opportunity to speak to the craft of the Commonwealth of Kentucky at this annual communication.

ORDER OF THE EASTERN STAR

Debbie Ballinger, Associate Grand Matron

MOST WORSHIPFUL GRAND MASTER, RIGHT WORSHIPFUL ELECTED GRAND LODGE OFFICERS, PAST MOST WORSHIPFUL GRAND MASTERS, WORSHIPFUL GRAND LODGE OFFICERS, MY EASTERN STAR BROTHERS, AND FRIENDS:

I bring you greetings from The Order of the Eastern Star in Kentucky. I wish to thank Sister Marsha K. Porter, Worthy Grand Matron, for allowing me to speak on her behalf, since she is represent Kentucky Grand Chapter in Minnespolis at the Triennial General Grand Chapter Session.

As the wife and daughter of a Master Mason, I am fully aware that if it were not for the Masonic Fraternity, I would not have the opportunity to be a member of this wonderful fraternal family, nor would I know many of you here; yet, as a member, I know that anyplace that I go in this great Commonwealth, I will find members of what I refer to as my "extended family".

One of Brother Pat's objectives was to bring this fraternal family closer together. To help achieve this, he had periodic meetings of all of the fraternal bodies. In these meetings we not only got to know each other a little better, but we shared our ideas and our calendars. Brother Pat, I want you to thank you for involving me in thse meetings and to let you know how much I appreciated this opportunity and how much I appreciate you.

Brother Pat, as a Past Grand Patron and Genral Grand Chapter Committee Member on Vision in Eastern Star, not to mention my very own Worthy Grand Patron in 1999-2000, you have had the love of your Sisters and Brothers following you where ever you traveled. Even though we tease you unmercifully, each one of us love you and are so very proud of you.

Greg, we wish you the very best as you work for the good of the Masonic Order this next year and pray that you have safe travels.

Brother Keith, what can we say? I know that this Order is your passion and you want the very best for the Order and its members. You, and your beautiful, loving wife, Sister Debbie, are my very dear friends. I am so excited and proud to be serving with you in 2007-2008.

Herman, I met you and your family last year when you were seeking this office. The members of this Order selected well and I know that it will prosper under your direction.

In closing, I told Brother Pat that while I did not have my greeting written yet, I knew that was one thing that I needed to say to him; after all, I have known him for many, many

years. I believe Brother Pat's response was, "Oh, my!" and he was a little worried. Brother Pat, what I wanted to tell you is this, I have been proud to share custody of Rick as he served as your Grand Marshal. Tomorrow, in time for him to make his flight to join me in Minneapolis, full custody reverts back to me.

Thank you again for extending this courtesy to bring you greetings from the Grand Chapter of Kentucky, Order of the Eastern Star.

Fraternally,
Debbie Ballinger
Associate Grand Matron

RECOGNITION OF THE MASONIC YOUTH GROUPS OF KENTUCKY JOB'S DAUGHTERS, INTERNATIONAL

Cherie Blackburn, PGG of Kentucky

MOST WORSHIPFUL GRAND MASTER, GRAND LINE OFFICERS, DISTINGUISHED GUESTS, AND MEMBERS OF KENTUCKY MASONRY:

It is my pleasure on behalf of Job's Daughters International and the Supreme Guardian Council to bring greetings and wishes for a most productive session.

To this most august of bodies we also wish to thank you for the support that you have given to our Order, the support that we know you will continue to show the youth and since the holidays are fast approaching, the present, the best gift of all you our heritage.

It is with great honor that I introduce to you Miss Tara Paris, Honored Queen of Bethel 18, Louisville, Member of Loraine Assembly, Order of Rainbow for Girls. DeMolay State Sweetheart and Past Jr. Miss Kentucky.

Respectfully Submitted,
Cherie Blackburn, PGG of KY
Job's Daughters International

MISS TARA PARIS, PHQ

Job's Daughters, International

MOST WORSHIPFUL GRAND MASTER, GRAND OFFICERS, MASTER MASONS OF KENTUCKY AND GUESTS:

I bring to you a warm and heartfelt welcome and a wish for a prosperous and suc-

cessful session from the Job's Daughters of Kentucky. It is here that your work will affect the lives of many in the Masonic Family, especially the Masonic Youth. It is my sincere prayer that this next year will see as much support from the Grand Lodge as we the youth have received during this past year.

The members of Job's Daughters International of Kentucky have been taught through our association with the Masonic Lodge; that it is you who represent the strong values of loving one another and helping one another. These tenets of Masonry are shared by the Job's Daughters. The basis of our order is found in the Book of Job 42nd Chapter 15th verse: "*And in all the land were no women found so fair as the daughters of Job and their father gave them inheritance among their brethren.*" I would like to address the second half of this verse, ". . .*and their father gave them inheritance among their brethren.*" To become a Job's Daughters a young girl must be related to a Master Mason; **and that is the inheritance we receive from you.** We understand that this kinship is very special. Therefore, we share not only a commitment to a common set of values, but also a common heritage.

The Daughters of Kentucky thank you for your support and kindness you have extended to us. And we continue to invite you to our Bethel meetings. Should you attend during an initiation of a new daughter, you will discover how very much we are related. Just as each Worshipful Master's duty is to teach morality, the members of Job's Daughters are committed to live a virtuous life as stated in our motto, "*Virtue is quality which highly adorns woman.*" At each meeting we honor your influence by asking in prayer, "*bless and protect the Master Mason who gives us our heritage.*"

Kentucky Job's Daughters is growing and it is our dream that as our membership grows and matures; we become majority members, complete college. Then we can either marry a Master Mason or so encourage our husbands to become ~ worthy member of the Masonic Lodge. It is the Masonic youth that will carry forth the principles of the Masonic Family. I can't be a Master Mason, but I can influence those males in my life to choose your noble cause. And I will choose to raise my children within the organizations of the Masonic Youth; Job's Daughters, Rainbow Girls, DeMolay or the Builders.

Personally without you the Master Masons my life would be that of an ordinary teenager. But thanks to my heritage and involvement in Job's Daughters I have begun my journey through life learning those virtues that our One Living God gives us to survive this life on earth. How can I go wrong with the values of the Masonic Family? The tools to love my God, Love my Country, Cherish my parents and guardians, respect my elders and always care for my fellow man kind. Oh and don't forget the opportunity to be with the best young people in America, the Masonic Youth.

Thank you for this opportunity to bring greetings; and a sincere thank you, to you, the Grand Lodge of Kentucky.

INTERNATIONAL ORDER OF RAINBOW FOR GIRLS

ANNE PAYNE DUKES

Supreme Inspector & Supreme Parliamentarian Anne Payne Dukes:
MOST WORSHIPFUL GRAND MASTER PAT, GRAND LODGE OFFICERS, AND

MEMBERS OF THIS GRAND LODGE:

Again I am here to welcome you and bring to you our Grand Worthy Advisor. She's a lovely lady and she goes to Murray State University. And she is a typical example of a Rainbow Girl. My thrill today was having the International State Master Councilor to escort me- and his thrill is to be sitting by Ms. America. So without any more to say it is my pleasure to present to you Amanda Morris, Grand Worthy Advisor of Kentucky.

MISS AMANDA MORRIS

Grand Worthy Advisor

MOST WORSHIPFUL GRAND MASTER, GRAND OFFICERS, MASONS OF KENTUCKY, AND FRIENDS:

I want to start by telling you my story.

See my family is full of masons. My grandpa, who my year is dedicated to, was a 45 year member of Jerusalem Lodge No. 9 and a charter member of Henderson Lodge No. 958. My dad is a past master of Jerusalem Lodge No. 9 a member of the Scottish Right and Rispah Shrine. My uncles, even those who married into the family, are Masons. So there was no doubt I was meant to be a Rainbow girl I started at the age of 9, when I would tag along with my older sister. Two days after my 11th birthday I officially become a Rainbow girl.

Now to tell you about myself, when I was 11, I was very shy, I would talk to people one on one, but never in a group or in front of anyone. Spending the night with someone other than my parents, well that wasn't going to happen, memorizing a part took time, practice and often I still couldn't get it, I wasn't the best listener, I didn't do well in school and I didn't have much self confidence.

I tell you all of this because 9 years later I am able to stand here in front of you, even though my leg is shaking, and speak, I spent my first night away from my parents on a Rainbow trip and now I even go to school away from home. I know more of when to be serious and when to act goofy; I have learned how to memorize which has not only helped my ritual work but my schoolwork also. I have learned what it feels like to give to the less fortunate but most importantly I have self-confidence. I believe I can do anything I put my mind to.

As you can see there have been lots of changes in me, which I accredit to Rainbow and our adult support. Many adults in Rainbow have been like second mom and dads to me.

I'm not a unique case though. I don't think there is a girl involved in Rainbow who has not grown as an individual because of this organization. 'But it doesn't stop there. Kentucky Rainbow also offers one of the greatest opportunities of all, which is to help the girls improve their world through acts of service. From visiting nursing homes, to helping make Christmas a better time of year for a family, Rainbow girls not only help around their town and community but across the state. This year my statewide project is the Ronald McDonald House, a charity that provides housing, dinner each night and support for families whose children are at local hospitals. Families are able to stay at a room in the house for a minimal 10 dollars a day, but no one is turned down if they are unable to pay. This year I have asked every assembly in Kentucky to collect coke tabs, as well as

various household items to help this organization. In September at our annual Leadership Conference the assemblies wowed me as they raised almost 9,000 oz. of Laundry Detergent. Currently we are collecting Antibacterial Bathroom Cleaner. The assemblies have also been asked to visit the house to help out with needed chores or cook a meal. This year is another growing year for Kentucky as we try to spark the interest of young girls with the theme "flipping over Rainbow." I must brag for a minute as I tell you that this past June we opened a new assembly called Cumberland Falls and are anticipating opening up more before the end of this year. Also there is about to be a district initiation in Western Kentucky along with several other assemblies bringing in new girls.

But without adult support from people like you, our organization would not be possible. It would be impossible for us to help so many charities or even girls in our assemblies. So for those not involved in Rainbow I encourage you to get involved. Go to a regular meeting or help at a fundraiser you never know how much it could help. For our order would not exist without your generous and unwavering support, so we thank you. I have one last challenge for you. It is to take your granddaughters, daughters, or nieces to a Rainbow event and get them involved. You never know how much it could help her. And of course it is our future husbands who make future Masons.

I have felt so welcome here. Your hospitality has been amazing. I hope our organizations can continue to work together to improve our homes, our society and our world. Thank you.

ORDER OF THE BUILDERS DON RING

Supreme Master Builder

MOST WORSHIPFUL GRAND MASTER, MOST WORSHIPFUL PAST GRAND MASTERS, RIGHT WORSHIPFUL ELECTED GRAND LODGE OFFICERS, APPOINTED GRAND LODGE OFFICERS, DISTINGUISHED GUEST, AND BROTHERS ONE AND ALL:

Good Morning. My name is Don Ring, a member of Swanton Lodge No. 555 in Swanton, Ohio and Supreme Master Builder of the Grand Chapter of Kentucky, Order of the Builders.

On behalf of the Supreme Council of The Order of The Builders, I would like to introduce to you a 16-year-old Junior at Allen County - Scottsville High School. He is a member of the school's Spanish Club, Pep Club, Fellowship of Christian Athletes, the varsity track team, varsity basketball team, and captain of the varsity football team. Our Grand Master Builder of the Grand Chapter of Kentucky, Order of The Builders for the year 2006-2007, Taylor Alan Berry.

MR. TAYLOR ALLEN BERRY
Grand Master Builder

Thank you Brother Don,

MOST WORSHIPFUL GRAND MASTER, MOST WORSHIPFUL PAST GRAND MASTERS, RIGHT WORSHIPFUL ELECTED GRAND LODGE OFFICERS, APPOINTED GRAND LODGE OFFICERS, AND DISTINGUISHED GUEST:

Good Morning!

I would like to thank the Grand Lodge of Kentucky on giving the Order of The Builders the opportunity to address their members this morning.

I joined the Builders at the age of eleven and have enjoyed the fellowship with my brothers in various activities such as campouts, pool parties, a trip to Holiday World, and attending a dance with the Jobs' Daughters.

But our Brothers that are Masons have also taught us what it means to be a member of the Masonic family. We support our local Big Brothers & Big Sisters by holding an annual car wash and helping them at their annual Christmas fund raiser. We also have held benefits for families in distress in the community. This past summer we participated in the Masonic Great Day of Service where we made a flower bed, planted trees and spread mulch in existing flower beds in front of the nursing home.

These experiences in the Builders have helped me, and the other members, grow so that some day we may become Masons. After all, isn't that one of the purposes of the Masonic Youth Groups?

For more information on the Builders you can visit the Grand Chapter's web-site at www.kybuilders.org.

We are still growing today thanks to your support, and on behalf of the Builders, I say THANK YOU. We have learned so much about the Masonic philosophies and will continue to practice them in hope of making this country a better place for all.

Again thank you for allowing the Order of The Builders the opportunity to address the 20th Communication of The Grand Lodge of Kentucky.

ORDER OF DEMOLAY

William G. Hinton, PGM
Executive Officer

**MOST WORSHIPFUL GRAND MASTER, ALSO GRAND SENIOR COUNSELOR
DEMOLAY INTERNATIONAL, TO THE GRAND LODGE OFFICERS, PAST
GRAND MASTERS, THE DELEGATES, AND VISITORS TO THIS GRAND
LODGE:**

I was talking to our former Miss America, Heather French Henry, a few minutes ago, when she visited the DeMolay conclave, thanks to the graciousness of our Grand Master- he made sure she had a room for that night to stay in. He was so gracious to you Heather and we certainly appreciate that. I also did mention to her another thing- many times in the years past our Deputy State Master Councilor has been with us- many of you know Ryan Foster, he is the son of Raleigh Foster who was Grand High Priest and Grand Generalissimo of the Grand Commandary of Kentucky. At this particular point in his life Ryan is on active duty with the United States Army in Bagdad. He has a Military Occupational Specialty, or MOS, that would make him a prime target for the insurgents. He is supposed to return in March- we pray for his safe return. He told me if they find out about him- he is a really marked man. He does live in harms way 24/7 and so keep him in your prayers. To speak on behalf of Kentucky DeMolay today- representing us- is

the State Master Counselor of Kentucky DeMolay, Tim Wemes. Tim is a Senior at his high school this year. He is really working hard in that homemaker class. He is going to make a real good house husband for someone one day. Tim is a great ritualist. He does an outstanding job. Yesterday he conferred the degrees - the ceremony of lights- for the creation of our King Solomon Honorary Chapter. At this time I present to you the State Master Councilor of Kentucky DeMolay, Brother Tim Wemes.

MR. TIM WEMES

State Master Counselor

**MOST WORSHIPFUL GRAND MASTER, GRAND LINE OFFICERS, DISTRICT
DEPUTY GRAND MASTERS, DISTINGUISHED MEMBERS, FRIENDS AND
GUESTS:**

I bring fraternal greetings on behalf of Kentucky DeMolay. I would first like to thank all the members who participated or viewed the DeMolay Degrees yesterday. DeMolay is very proud of their ritual and want nothing more than to share it with their Masonic Bodies. Dad Hart I hope you have a successful week. It has been an honor to work and travel with you. You have been a wonderful mentor to me sharing your DeMolay experiences as State Master Counselor. I know that your commitment and involvement with Kentucky DeMolay as well as with International DeMolay where you will serve as Grand Master.

The membership of DeMolay is extremely grateful for all the things the Masonic Lodge provides; such as scholarships that have benefited the young men continuing their education allowing them to become successful and well founded citizens. As Advisors and Council Members you provide us with the guidance and directions needed to have successful chapters. The lodges that have opened their doors providing us with the physical place to hold our meetings; and all of the other support you have graciously given us. DeMolay would never be able to repay the debt we owe the Masonic Lodge.

Over the past few years I have gotten to know some of the people of today, and all of them have helped me serve as Kentucky State Master Counselor, but they have also given me wisdom and insight that I will never forget. I look up to the Masonic Lodge with the hopes and dreams to be sitting in this Grand Lodge Meeting in the future as a member.

Dad Hart is right when he says we are the Future of Free Masonry, and the DeMolays and I can't wait until we are a part of that future. Once again thank you for allowing me to speak and may your communication be successful.

**INTERNATIONAL MASTER COUNCILOR
DEMOLAY INTERNATIONAL**

James Connor II

(Introduced by Keith Klein, Grand Master, DeMolay, Int.)

MOST WORSHIPFUL GRAND MASTER, GRAND LODGE OFFICERS:

Ladies and Gentlemen ...Good Morning!

I stand before you now, humbled with the privilege to address you not only as the International Master Councilor for DeMolay International but as a brother of our fine

Masonic organization.

I count working with the thousands of DeMolay's around the country as an immense honor. The young men, I believe firmly, are the soon to be creators and inventors of a lasting change within our wonderful organizations. I can't wait to continue working with all the young men beyond this year by being a witness to their growth in DeMolay, maybe even in Masonry. Let's stand together now and forever more as a Masonic family and embrace the ideas of what it'll take to truly influence and mold our Masonic fraternities. DeMolay is on the brink of taking the world by storm and we each have the choice to be a part of something great. It's not just in some of us; it's in all of us.

Each of us men, woman, and children have the opportunity to achieve great successes. It's these opportunities to mold and impact the lives of others, no matter their age, that define each of us. Today's world is changing; let's proudly tell the world that we're here to make a difference in the lives of today's youth and each other. As leaders, it's not our titles that set us apart, but rather the hard work we commit ourselves to and the relationship we have with those who we've been tasked to lead. It seems rare in today's society that a young man can stand before a group of such influential and respected men and eloquently speak to you. It's the lessons I've learned in DeMolay and the support of men like you, that are proof that a young man can have that ability. As Master Masons, you have set the bar very high for many of us as the DeMolay's who are your apprentices and the leaders of the future. To build us into these leaders we look at what defines DeMolay. It's as simple as saying that DeMolay is a Character Building and Leadership organization, but on top of that, we are a group of young men wanting to be better. Better sons, better brothers, and better friends. In hopes that someday we will be better husbands, better fathers, and better men.

I can confidently say that the Order of DeMolay is going to see a dramatic and necessary change. I am asking that each of you embrace DeMolay's not only here in Kentucky, but with each young man you meet around the country. We are rapidly approaching our 100th anniversary and we want each of you sitting here to join us for this milestone. By helping young men experience the brotherhood of DeMolay, like so many have shared before, you are impacting DeMolay in a phenomenal way. I am not asking you to forget yesterday, but it's today that each of you have the opportunity to set yet another bar and introduce a young man to DeMolay whose future may not yet be defined. Who knows... maybe somewhere out there, there is a boy, soon to become a young man that may be looking for his father figure to surprise him at a meeting just to say hello. I understand how precious your time is, and that some of you may look at it as a luxury, let's not allow that get in the way of supporting and reaching out to the young men of today.

We are each taught by the 24 inch gauge that we need to divide our time. My brothers we are all given the same amount of time and we all must choose how to divide it. I am asking you now to give time to DeMolay. Think of the one day a week for just a few hours, what that time could do in the life of a DeMolay. I'm not asking you to change the world for every DeMolay, because that's my job, but I am asking you to change the world for ONE DEMOLA Y!

To all of you in this room the initials M.M. means Master Mason, but in my heart I truly believe these initials to mean Masonic Mentor. To be a Masonic Mentor goes beyond

the Lodge or the DeMolay Chapter room. To be a Masonic Mentor means being involved in that young mans life. Ask him about school, sports, how life at home is, even ask him if he has a girlfriend and how she is. My brothers when a young man will answer these questions you will have succeeded. Working with Dad Hart thus far this year has been a pleasure and I thank you for allowing us to have him the times we have. From an outsiders perspective looking in, you can't help but label this past year as a success for Masonry in Kentucky. Each of you are the beacons for all my comrades in DeMolay. Continue to be the presence DeMolay needs to rise to new heights. With Masonic support from men like Dad Hart, and several others, its you with your enthusiasm,love for DeMolay, and loads of patience that help facilitate the leaders of tomorrow. Thank you most cordially for the incredible hospitality shown towards not only myself but the entire DeMolay body represented here. As I will be making my way home tonight, please know that in the Journal of the International Master Councilor, this will most assuredly go down as a happy landing and wonderful opportunity.

PRESENTATION

Grand Master, Patton R. Hart presented the Lifetime Achievment Award to Brother Theodore B. McCowen, member of Briensburg Lodge No. 401. Two other Lifetime Achievment Awards were presented by the Grand Master at the Grand Master's Banquet last evening to Virgil T. Larimore, Jr., Grand Treasurer and Joe Hart, Grand Senior Deacon.

The last presentation I have to make-we presented some Lifetime Achievement Awards last night at the Grand Masters Banquet. This individual could not be present- he is from Region One in the Western part of our state which is a very important part of Freemasonry. And this individual has been a mentor to many of the men permitting them to have a successful career in Freemasonry. It is with deep pride and humility that I present to this individual the Lifetime Achievement Award to Ted B. McCowen (401) in recognition of loyal service and noteworthy achievements for the Masonic Fraternity and Kentucky Freemasonry. Let's greet and show our appreciation for Brother Ted for his outstanding service to the Western part of our state.

WELCOME ADDRESS SENIOR PAST GRAND MASTER

Carroll M. Curtis

(Senior Past Grand Master Present)

MOST WORSHIPFUL GRAND MASTER, OTHER GRAND LODGE OFFICERS, DISTINGUISHED PAST GRAND MASTERS OF KENTUCKY, VISITING BRETHREN, AND THE GREAT KENTUCKY MASONS HERE ASSEMBLED:

It is my great honor and privilege to welcome you all to this annual communication of the Grand Lodge of Kentucky. May the beauty and greatness of Kentucky, from the mountains of the East to the level lands of the West, be matched by the beauty and greatness of the principles of Freemasonry displayed in conducting the business of the craft at this annual communication.

A number of Masons have posed the question: what can we do to regain the public stature once enjoyed by Freemasonry and again be held in high esteem by the public in general? I believe the answer is to be the kind of Masons described by Bro. John Augustus Williams, Grand Lecturer, in his report to the Grand Lodge in 1894. He stated, in part:

And yet the brethren of those lodges, ..., were clear-headed and pure-hearted in their knowledge and practice of Masonic virtue. They were filled with the spirit of Masonry. They loved one another; they were hospitable and charitable; they crusaded against evil of every form; they throw their arms about a weak brother and nurse him to strength; they stand like a wall of fire around a brother's home and that of his widow and orphans, and guard their peace and honor. They are felt and recognized as a great moral power in the land.

Respect cannot be achieved by mere words; it must be earned. It will not be earned by issuing press releases, public advertising on television, radio, or billboards, or using other gimmicks which cheapen Freemasonry. Many of us have heard the saying "actions speak louder than words". When we maintain quality in all that we do and say- admit only quality men, teach them with quality degree work and education, and live quality lives; when we stand united, shoulder to shoulder, and go forth and truly be a great moral power in the land- then the world at large will be convinced of the good effects of Masonry, and our beloved order will again rank high in public esteem.

KEYNOTE ADDRESS

**James D. Cole, Past Grand Master
S.G.I.G. of the Orient of Virginia**

(introduction by John E. Moyers, PGM and S.G.I.G. of the Orient of Kentucky)

MOST WORSHIPFUL GRAND MASTERS, MOST WORSHIPFUL SIRS, RIGHT WORSHIPFUL SIRS, WORSHIPFUL SIRS AND MOST IMPORTANTLY MY BRETHREN ALL:

It is great to be here. How good and pleasant it is when brethren dwell together in unity. How sweet and how wonderful it is to be called upon to speak to a group who can understand how I talk and whom I can understand how ya'll talk. I really do appreciate the

honor and the opportunity Most Worshipful Grand Master to be here, to share a couple of thoughts with you today. I do want to give you a little bit of background to add a little spice perhaps to what my good friend and what a great example of mine Most Worshipful and Illustrious Brother John said in my introduction. He has become a mentor in the Supreme Counsel to me. But I have to add two or three things. And first of all I would have to say to my Brethren in the Commonwealth of Kentucky we bring you greetings from your Brethren in the Commonwealth of Virginia. Now I am not going to bring you greetings from my Grand Master because if any of you want him he is right down here on the front row. I usually do that. But he will tell you, and the Brethren of Virginia will tell you, two or three things about me when they put me in front of a microphone. First of all that I have been doing this since I was 15 years old so for the last 33 years I have been, every once in a while, pounding pulpits or talking in front of Masonic groups a lot actually. They will tell you, and this is the bad part Brother Grand Secretary, that I don't read from anything written so I apologize upfront. But you are getting it taped, so I will try to speak in the microphone so you can get every word of it. I don't write my speeches- but my Grand Master asked me last night- "have you figured out what you are going to talk about yet?" And I surprised him because I said yes I have and he is nodding his head, because typically what I try to do is to pick something in the room and talk about the Masonic implications of that, or something in every day life, and talk about the Masonic implications of that. But my problem was, I was afraid I would get here and you know I have never repeated any of those symbols in the last 600 or so talks, and I was afraid I was going to get here and I wouldn't have anything to talk about to use as an example. So I thought I would pick it early. And it struck me that "Soar, New Horizons" reminded me of something. Reminded me of a wonderful picture, a picture you see a couple of times in that book actually. A picture you can see as you look out the window particularly in the beautiful mountains of the two Commonwealths and that is of an Eagle soaring. So I thought about that for a little bit. I am convinced that you can take anything in life and apply some Masonic implications to it. I started thinking about Eagles as a very special species of bird. And then I thought about birds and I realized - I did a little background on this - there are over 8,600 birds on this planet - different species of birds. Now they all can't fly- and therefore they can not all soar. But an Eagle can. I guess if I had to think about a bird that could not soar being raised in the country I would have to think about a chicken. Now every once in a while we hear that the chicken flew the coop. But they will only fly just enough to get out of that coop. They are not going to soar like an Eagle. But you have the opportunity as part of a noble and great organization to soar to new horizons. I am convinced that our Fraternal family all the branches of the Masonic family tree is facing a dawn - a new day of opportunity- new horizons to be explored. In the last year the Lord has given me the opportunity to speak to Masons on both coasts- I have spoke to Masons in the north east part of our country, in Washington State, in California and Texas and Georgia, Virginia, West Virginia and this feels like a second home. This is, I think, four times in the last twelve months or so that I have been here. I think about the second or third time in this hotel and it is beginning to feel even better than it did the first time. And it always feels good when you get to rub elbows with a brother who is part of the greatest Fraternal Organization that mankind has ever known. I want you to think about birds as you see them flying and soaring. I want you to realize a couple of facts. Did you

know the bird has the fastest heart beat of any animal? Did you know that their internal organs are going at super speed? Their metabolism is at a crazy rate compared to ours. That's because they have to build up so much energy to get their bodies aloft. I feel that our Fraternity is at the point of reaching that critical energy. As I have traveled around the country the last few months I have seen examples of Lodges who may have 50 or 60 members on the roster who have already raised 15, 18, 21 in one case in the last year. It's happening in various jurisdictions and I think it's happening in spots in a lot of Grand Jurisdictions. I am convinced in Virginia it is happening in more places than not. We saw this start over the last few years. We have had opportunities that this Fraternity has never seen before- Horizons before us. We have been prominently featured on the front page of a national magazine last September for the first time in over 50 years. We have been positively pictured in two motion picture films. We have had cable channels, the History channel-, give various stories debunking a lot of the myths. Now they're not 100 percent factually accurate, and I am not so concerned about that as much as I am that it is a relatively positive light. A light which we have not had cast upon us in some time. We have the opportunity to soar to new horizons Grand Master. But you know, if you'll look at the Eagle, he had to put energy into getting there. He couldn't just be sitting on a tree limb somewhere wondering what it was like to soar- he had to pour the energy into it. And he couldn't just sit there with his arms crossed. And too often, now I realize this is only happening in the Commonwealth of Virginia, so to all the other Grand Jurisdictions, this of course does not apply to you- but I have seen a phenomenon that I refer to as the Past Master duguard and it is giving thus and there is a secret word, well actually it isn't a word, I don't know how to spell it yet-; its something like "HUMPF". "We never did it that way in my year." Now I realize that it is only in Virginia that this happens- but we are working on that and our Grand Master is working on that. But I want to tell you something- you sometimes have to unfold your arms- you sometimes have to put a little energy into it. And you have to do it especially when you have the opportunity. For we today, I believe, stand on the daybreak of a new horizon. This country needs us. This country needs us. This country has utilized Masonic principals for its entire history. Fourteen United States Presidents leading with the principals of our family. Thirty of the general officers on the winning side in the American Revolution, dozens of Supreme Court justices, Past Grand Master of Virginia as a matter of fact, Chief Justice John Marshal - the second youngest Grand Master in the history of our Grand Lodge, countless politicians, leaders in Military, leaders in industry, leaders in all walks of life- but most importantly, and never forget this- the individual Mason making a difference, driving the van to take the children to the hospital, opening the door and helping the children to come into the speech clinic, contributing money for Alzheimer's research, the eye bank, the scholarships. You saw today a good outstanding young brother, who is a chemo buddy, simply being there. And when you look at an Eagle, you will generally find them alone doing what they really do so beautifully- that is soaring. And you know how they soar? They work hard to get there, but there is something that you may not understand- they ride the updrafts as well. There are thermal updrafts and there are obstruction updrafts like the gust up tall mountains and tall structure. But they ride those updrafts so that they can soar and once they are soaring they don't have to use quite as much energy and they can enjoy it. We, in this Fraternity, are on our way toward soaring again. As you heard from your Past

Grand Master, we have the opportunity to do that and I congratulate him on those ideas. We have the opportunity to spread our wings, to put some energy into it, to soar to new horizons. Because, I am convinced, that this world can use what we have to offer. We gather around this Holy Altar, we gather around this Holy Book and we take from it light as represented by these three tapers. We take light and we are supposed to do something with it- and that's not putting it in our pocket. It is instead, as we say at the close of every meeting we have in Virginia, we gather around that alter and we say "These generous principals are to be extended further. Every human being has a claim upon your kind offices. Do good unto all". I am convinced that if each of you Eagles out there try to soar, put a little effort into it, that you can in your own individual way- and that's what makes Freemasonry important, we do as individual Masons in our walks of life- you can make a difference in the lives that you touch. I guarantee it. Whether it is saying hello, whether it is a kind word, whether it is opening a door, whether it is cleaning out someone's gutters, or whether it is taking a child to the hospital. You can make a difference- I am convinced of it. I want to tell you ahead of time- you might not always be appreciated for what you do by those to whom you perform the service and care to, and that's too bad, but that's the important thing to remember. What you can remember is that when you do something for someone else using the principals that we take from that great light you will create one smile on the face that matters. It's on the face of the one who made us. Put a little energy into it, ride that updraft that is now up there, reach out and touch in any way that we can.

We may not create many smiles on the faces of the ones we serve, but we will create an eternal smile on the face of our Eternal Father and that after all is what we must each try to achieve in our life. May God always smile upon this Fraternity. May God bless your Grand Master as he moves on to more work that I am sure is awaiting him. May God bless your incoming officers. May God bless each of you. Because God has blessed us with this wonderful Fraternity. And I thank him for it every day. And I thank him now for you, your hospitality, your Fraternal friendship and what you can do when you go out this door. God bless you, God bless this country, God bless your Grand Lodge. Thank you.

ACTIONS TAKEN DURING THE INTERIM

Ceralvo Lodge No. 253

Due to lack of representation after three consecutive Grand Lodge Communications, the elected Grand Lodge Officers traveled to meet with the officers and members of Ceralvo Lodge No. 253 on Saturday, November 19, 2006. According to the records, there had been no activity by the lodge for some period of time. The Secretary and Past Master was the only member present and he was ready to turn over the books and property to the Grand Lodge. Due to lack of response by the membership, poor conditions of the lodge hall and the failure to send representation to the annual communication for three consecutive years contrary to Section 89 (6) of the *Book of Constitutions* of the Grand Lodge of Kentucky, F. & A.M., the charter of Ceralvo Lodge No. 253 was arrested.

Reinstatement of Brother Jack Hodges with Bowling Green Lodge No.73

An inquiry was made to me about Brother Jack Hodges and his membership reinstatement status with Bowling Green Lodge No. 73. A committee appointed by the Master of Bowling Green Lodge No. 73 requested an opinion on this matter.

My decision was based upon this matter in reference to the Masonic law in our *Book of Constitutions* of the Grand Lodge of Kentucky (1976 edition). In review of Section 88 of the Constitution, it stated that suspension or expulsion from any lodge shall suspend or expel him from every lodge with which he may have affiliated in this Grand Jurisdiction, and reinstatement may only be made by the lodge that first suspended him, and upon his reinstatement in that lodge, he shall automatically be reinstated in all lodges with which he may be affiliated, providing he has paid his indebtedness to such other lodges.

After acquittal on the charges that caused the expulsion of Brother Jack Hodges from his membership in several lodges and the fraternity, he should have been automatically reinstated in Bowling Green Lodge No. 73 and other lodges that he was affiliated with at the time he was restored to membership in our Grand Lodge. This matter should have been resolved more than 25 years ago. As Grand Master, I also consulted

several scholars of the Masonic Constitution about this matter and they concurred and supported my decision. It is my opinion that this issue of the past should be laid to rest and make a wrong become as right as it can be at this time. I believe that my decision is justifiable based upon the review of the Masonic law in the aforementioned Constitution.

Edict issued regarding the United Grand Lodge of America

Based upon information received and the organization indicated above doesn't appear to recognize and respect the sovereignty of established regular Grand Lodges, I issued an edict on March 16, 2006 that the United Grand Lodge of America of Accepted Free Masons was hereby declared irregular and clandestine, and no lodge, or member thereof, under the Grand Lodge of Kentucky, Free and Accepted Masons, is to hold Masonic communication with a lodge or a member of the United Grand Lodge of America of Accepted Free Masons, or to visit, or exchange visit with a lodge under charter of said Grand Lodge.

Ruling of E.A. Member with Camp Knox Lodge No. 919

At the Grand Lodge Officers Meeting on February 26, 2006, information had surfaced that a member of Camp Knox Lodge No.919 who had received the E.A. Degree had moved to Pennsylvania. The E.A. member then without knowledge of Camp Knox Lodge proceeded to receive the F.C and M.M. Degrees from a lodge chartered under the Constitution of a Grand Lodge with which the Grand Lodge of Kentucky is not in amity. As Grand Master, it was my opinion that for the member to be restored to good standing in Camp Knox Lodge No. 919, it would be necessary for him to repetition the lodge for affiliation, sign a statement of renunciation from the unrecognized lodge and have the F.C. and M.M. Degrees re-conferred. The Secretary of Camp Knox Lodge was advised of this ruling.

Appointment of an Acting D.D.G.M. for District 2

During the term of administration, I appointed Brother Ted McCown as Acting District Deputy Grand Master for District 2 due to an injury and accident of current District Deputy Grand Master Brother Gerald Rainey. My special thanks go to Brother Ted McCown for serving in a proficient manner in representing Brother Rainey and me while Brother Rainey recovered from his injury. I appreciate you along with the other deputies for making sacrifices and accepting the challenge in advancing the goals, aspirations and programs of this Grand Master.

Response to the inquiry by Polar Star Lodge No. 363

In regards to correspondence submitted by D.D.G.M. James D. Reeder, Polar Star Lodge No. 363 desired a ruling of their possible interest and participation with the local Lions Club in bingo activities. It was of the opinion that any participation on the part of Polar Star Lodge with the Lions Club in their bingo operation would have to be in an arrangement of a secondary nature. With this particular arrangement, it doesn't appear that this arrangement would be in violation of the *Book of Constitutions* of the Grand Lodge of Kentucky, F. & A.M. as long as the Lions Club has the required gaming license. For a club or organization to qualify for a gaming license in Kentucky, they must be designated as a charitable entity under the Internal Revenue Tax Code

501 c (3). The Lions Clubs do qualify for a gaming license under the current IRS tax code while the Grand Lodge of Kentucky 501 c (10) does not.

Lodge Insurance Directive

A directive was issued from the office of Grand Master for lodges owning their own lodge hall to file a copy, or summary, of their liability coverage with the Office of Grand Secretary.

Directive regarding Clubs/Organizations

As Grand Master, I issued the importance that no organization or club, other than those listed in the *Book of Constitutions* of the Grand Lodge of Kentucky, F. & A.M. are authorized by the Grand Lodge of Kentucky. A mailing with this directive was forwarded to the Masters of Kentucky Lodges to read the letter at four successive stated communications and have it documented in the minutes.

Probation of Bear Wallow Lodge No. 231

Held a called communication with the officers and members of Bear Wallow Lodge No. 231 on February 24, 2006 and placed the lodge on probation due to serious conflicts between members that created major problems within and without the lodge and alleged irregularities that had been reported with lodge operations.

Youth Proclamation

From the office of Grand Master of Masons in Kentucky, I issued a proclamation for the month of March to be designated as Youth Month. It was an appeal for the Masons and lodges of Kentucky to take a greater interest and support of our Masonic Youth Groups and the youth of our communities.

Probation of Middletown Lodge No. 732

A called communication was held with the officers and members of Middletown Lodge No. 732 on March 27, 2006 due to conflicts between members that couldn't be settled for peace and harmony to prevail with lodge operations. Middletown Lodge No 732 made significant improvements within several months in working together and restoring peace and harmony within the lodge. The probation was lifted in July 2006.

RECOMMENDATIONS

In serving this Grand Lodge as an elected Officer and as Grand Master, it has afforded me the opportunity to learn, network and observe some useful practices and workable concepts in Freemasonry that possibly could be beneficial for Kentucky Freemasonry. Therefore, I propose several recommendations for your consideration as food for thought and serious implementation in the future.

Recommendation No. 1

I recommend that a feasibility study be conducted for the nature, purpose and viability of distributing future proceedings of annual communications via Compact Disc (CD) format but also published in book format as previously done in the past upon request. Interested parties would have the option to print out a set of proceedings for their archives as well as retain the CD for historical purposes. Interested parties could also obtain a printed hardcopy bound book at reasonable cost as well. This process

would eliminate huge printing and production costs for our Grand Lodge by utilizing this recommended option.

Recommendation No. 2

In regards to one of the processes with a Masonic trial, it is recommended that the Grand Master designates and authorizes the Chairman of the Trial Oversight Committee to determine the date, time and place of a Masonic trial in his particular area after proceeding through the appropriate channels. The chairman should consult with the Grand Master and the Grand Secretary regarding the logistics of the legal matter. The reasoning behind this recommendation is that there are a variety of demands upon the busy schedule with the profession of lawyers in serving on the Trial Oversight Committee. It would be of the best interest of the fraternity to permit the chairman of the committee to consult with the committee members in determining an appropriate time instead of the Grand Master just setting a trial date without prior knowledge of their professional schedules. The Grand Master would still have the ability to make appropriate recommendations to the chairman regarding the date, time and place of the Masonic trial.

Recommendation No. 3

It is recommended that the Master and future Masters of our Subordinate Lodges to attend an entire Masonic Leaders Educational Conference and/or graduate from the Masonic Leadership Academy with the Grand Lodge of Kentucky prior to serving or completing their term of office as Master. These essential programs are geared to enhance the leadership, administrative and educational knowledge of lodge leaders in Kentucky.

Recommendation No. 4

It is essential that a foundation should be established to ensure the financial stability and continued operation of the implementation with the National Masonic Model Student Assistance Program in Kentucky. Kentucky Freemasonry started its quest this Masonic year to train teachers, educators and staff of our schools to be more proactive in identifying children at risk with the issues of peer pressure, drug abuse, alcohol abuse, violence in schools and other tough and difficult issues confronting the children of today. It is a win-win situation for the good of Freemasonry. The program generates a positive perception of the Masonic fraternity in the eyes of the community especially with the adults of our school systems as they have a greater appreciation and respect of the Masonic fraternity with their contribution in helping young people become more productive citizens for the future. It is also hoped that these adult men and women perhaps will seek further knowledge and consider membership opportunities through the Family of Freemasonry. I recommend that one half of the proceeds raised in the recent fund-raising greeting card program appeal to be used in establishing the funding of an initial foundation for the National Masonic Model Student Assistance Program in Kentucky.

Recommendation No. 5

The youth of today is our future. A greater emphasis and interest should be demonstrated by Kentucky Masons to ensure the future of our great fraternity. The future and solution to our membership concern lies in the palms of our hands. The time is now

that we generate additional manpower and monetary means to ensure quality programming and the development of special recognition for our Masonic youth and the youth of our communities. Therefore, I recommend a .50 cents increase to be assessed in the future on all paying Kentucky Masons with .25 cents to be allocated for programming operations of our Masonic Youth Groups and .25 cents to establish a Grand Lodge Youth Scholarship Program in awarding academic scholarships to deserving youth.

Recommendation No. 6

I also recommend that our Grand Lodge investigates the feasibility of holding its election of Grand Lodge Officers at the annual communication as it has always done but to install the officers at a designated period in early December to coincide with the term of officers for our subordinate lodges. It will also serve as a period of transition from one administration to a new Grand Lodge administration.

Recommendation No. 7

I recommend that appropriate ceremonies to honor 25, 40, 50, 60 and 75 years membership award recipients to be developed and implemented by Kentucky Freemasonry to demonstrate respect, appreciation and an attitude of gratitude to deserving Masonic members for their milestone achievement with the Masonic fraternity. In regards to this recommendation, Kentucky lodges are highly encouraged to recognize Masonic members for 25 and 40 years of service. Lodges with Masonic members who have achieved over 50 years of service should involve Grand Lodge designees to assist with the presentation of these distinguished Masons for their noteworthy achievement with the Masonic fraternity.

INCENTIVE PROGRAMS

As Grand Master, I was pleased to offer a number of special incentive award programs for the year 2005 - 2006.

The Grand Master's Excellency Award was revised and promoted with the intent to provide guidelines in strengthening and recognizing well-rounded lodges for their success through lodge, community and fraternal service to complement our great Masonic principles of Brotherly Love, Relief and Truth. I look forward to recognizing outstanding lodges that have gone the extra mile during the Grand Lodge Communication for their accomplishments of this recognition.

A Traveling Gavel Award for each district was implemented. Every district was awarded a District Traveling Gavel to promote visitations of lodges and to enhance the tie of fraternal fellowship and brotherly love. The program has been well received and has shown considerable excitement and enthusiasm among many of the lodges and districts. I will be pleased to recognize outstanding lodges of the districts for their traveling efforts.

As an investment of our future, each district had the opportunity to present **Youth Excellence Awards** to an outstanding young man and /or female for their leadership and unique contributions to their community. It was my pleasure and privilege in recognizing the best of the class of outstanding youth in our respective districts at their District Meetings or special district events.

To enhance community visibility and awareness of our Masonic fraternity, a **District Good Citizen Award** was presented to a deserving citizen during the annual district meeting. Every subordinate lodge was given the challenge to promote their community presence and image by presenting a **Community Spirit Award** to an outstanding community leader at a special lodge event. The programs were also well received. As another special touch to public relations this year, I provided press releases of our district meetings to the deputies and they were encouraged to place them with pictures in their local newspapers or Masonic publications. Several articles and pictures of these presentations appeared in a number of local newspapers of our state.

A new concept for lodges to observe **Community Awareness Days** during the months of August and September was introduced to enhance community awareness of the Masonic fraternity. Lodges were encouraged to hold Open Houses, participate in local parades, involve themselves in local community festivals or identify a particular need or initiative that can make a difference in their community. The Committee on Community Relations of the Grand Lodge plans to recognize the lodge that has succeeded and excelled in their endeavors in being an outstanding partner to their community.

I was also privileged to present the **Grand Master's District Attendance Award** to the lodge in each district that had the greatest number of officers and members in attendance for their District Meeting. It was my way of acknowledging the lodge that went the extra mile in showing support of the Masonic District Meeting and pride as lodge officers in representing their lodge proudly. We, the Grand Lodge Officers, also recognized those lodges that qualified in their efforts to receive a **District Attendance Award**. Thanks for all the outstanding efforts and achievements in support of the District Meetings.

A **Trestleboard/Publications Contest** was initiated to enhance the channel of communication and to recognize outstanding lodges for their notable efforts. We have some outstanding publications that are made available to our Masonic members of our lodges to keep them abreast of what's happening within their lodge on a regular basis. The newsletters prove to be informative and beneficial.

We certainly hope that you and your lodge have enjoyed these programs as a means to make a difference for our great Masonic fraternity.

DISTRICT MEETINGS

I was pleased to attend all of the 30 District Meetings during my year of service as Grand Master. I am grateful for all of the courtesies, kindness and fraternal greetings of friendship that was extended to me by the Deputies and members of our 30 Masonic districts. I am proud to acknowledge the Right Reverend Grand Chaplain Brother Reggie Paschal who also attended all of the District Meetings this year. I offer my sincere thanks for your loyal support and for going the extra mile in support of this Masonic year. There were a number of Kentucky Masons who attended at least 80% of the District Meetings and I salute you for dedicated support. I have included a listing of all the district meetings that I had the pleasure to attend as highlighted in this report during the year 2005-06.

VISITATIONS/ACTIVITIES -- TRAVEL REPORT

I had the pleasure to attend numerous visitations of lodges, Masonic conferences and special events within and without the Jurisdiction throughout the year even though it was difficult adjusting to a demanding work schedule. In traveling many, many miles to visit our Subordinate Lodges and Masonic meetings, I enjoyed the beauty of our Commonwealth but more especially the special moments of time spent and lasting friendships formed with our Masonic brothers in our various districts. I will forever be thankful of these lasting memories. I would like to note that I tried to attend as many as possible of the lodges within my home district, District 27. It is important to be accountable for your service rendered to our Grand Lodge membership. A very cordial welcome was received from many districts and lodges that I visited. I am happy to note that some of my visitations were supplemented by the presentation of special honors and recognition that I was graciously proud to receive. I convey my humble thanks to those individuals who were responsible in arranging these special presentations as well as the presenters.

APPRECIATION

There aren't adequate words to convey my appreciation to the members of the Grand Lodge of Kentucky for affording me the honor of serving as your Grand Master this Kentucky Masonic year. I hope a simple 'thank you' will suffice. The honor has been mine as it has been gratifying and rewarding in serving the Kentucky Masonic membership. I hope you the craft of Kentucky have been pleased and satisfied with my contributions and accomplishments. Please permit me to acknowledge and to extend my words of gratitude to some special and dear individuals.

PAST GRAND MASTERS

I would also like to offer appreciation to the past leaders of our Grand Lodge for their dedication and faithful service in leaving their footprints for others to follow. All of them served with distinction and pride in providing their vision and expertise to ensure a promising future for Kentucky Freemasonry. Many of these distinguished leaders have made significant contributions for the Grand Lodge of Kentucky to succeed. It is always a pleasure to have your presence at the annual Grand Lodge Communication. It is no exception with this year as well. I appreciated many of you who have gone the extra mile in supporting the programs and activities of this Masonic year. Thank you for your support and for offering your advice to me during my tenure as an Elective Grand Lodge Officer and Grand Master.

ELECTED LINE OFFICERS

I would like to convey my sincere thanks to the elected Grand Lodge Officers for your commitment and dedication in support of the programs and activities of this Masonic year.

To our Deputy Grand Master Brother Greg Powell, the torch of leadership will soon be passed to your hands to administer and to direct the affairs of Kentucky Freemasonry. It is an awesome responsibility that the membership will entrust and afford in you the honor and privilege to serve. I hope in some way through our friendship and working together as Grand Lodge Officers that I have given you some direction, resources and assistance in helping you to succeed in your leadership role. Thanks for all that you have done with my best wishes to you, Nancy and children for a successful year.

Brother Keith Dreier, Grand Senior Warden, I greatly appreciate your loyalty, friendship and gracious support throughout the years. You and Debbie are dear and special friends. I will always treasure our bond of friendship. I have especially enjoyed our long conversations and thoughts upon the future and vision of Kentucky Freemasonry as well as the Masonic families of Kentucky. Thanks so much for going the extra mile for this Grand Master and for offering your talents, skills and vision for our great fraternity. I extend my best wishes always to you, Debbie and family in all of your future endeavors. Your year of leadership will soon be here and I wish you success and happiness as you continue to lead this fraternity.

Grand Junior Warden Brother Herman Forrester, it has been a pleasure to have you apart of the leadership team this year and share our thoughts with each other about the vision and future of Kentucky Freemasonry. Your assistance and support have been great-

ly appreciated. I welcome you and Patty to the Grand Lodge family and hope that your experience for your first year has been profitable and fulfilling as you prepare and continue to learn for your year to lead the Grand Lodge. I value the friendship of you, Patty and your family. May goodness and best wishes always come your way!

Grand Treasurer Brother Tom Larimore, you have been a positive role model, friend and mentor to this Grand Master. Your advise, counsel and trust have been sincerely appreciated. I appreciate you and Pat for taking the time and going the extra mile in support of the programs and activities of this Masonic year. Your positive impact and role upon the stewardship of the finances of this Grand Lodge are unmatched and appreciated. Thanks to you, Pat and your family with my best wishes for continued faithful service.

Grand Secretary Brother Joe Conway, P.G.M., you and Peg are appreciated for all that you do and for your loyal support to Kentucky Freemasonry. In serving as Secretary of any organization, there are many demands of administrative responsibilities and tasks of expectations that go with the office. Sometimes unfortunately there are little thanks extended in such a huge responsibility as Grand Secretary. This Grand Master would like to offer my gratitude for all that you do in maintaining the Grand Lodge Office and seeing that the administrative operations are done in a timely and proficient manner. I also wish to you, Peg and your family my best regards for continued service and success in all your endeavors.

To the newly elected Grand Lodge Officers, as you embark upon your year of service and assume the leadership roles for Kentucky Grand Lodge, I extend my best wishes of success to all of you. May Almighty God guide and direct all of you in accomplishing your aspirations of the year through your service of leadership to the Craft of Kentucky. We should always strive that the best is yet to be and work together to achieve that goal. May the best yet to be as we set the course for the future of Kentucky Freemasonry in the year ahead!

APPOINTED GRAND OFFICERS

There aren't adequate words to convey my deepest appreciation to the chosen ones who I had the privilege and honor to appoint as Grand Officers for our Grand Lodge. Each one of you was selected for a specific reason and role that you have made in influencing and impacting my life. Please accept my thanks for serving as an integral part of the leadership team this Masonic year. I have striven to include our appointive Grand Officers in the plans, as each of you has been an important ingredient to our success this year. It has been a busy and eventful year that I hope that you have enjoyed as you have promoted Freemasonry for Kentucky. I believe that each of you has demonstrated faithfully the high standards of serving as an appointed Grand Lodge Officer and has gone your special way to demonstrate your gift of friendship in a positive and favorable manner among our Kentucky Masons. Thanks again for always being there and making a difference during this Masonic year.

DISTRICT DEPUTY GRAND MASTERS

As Grand Master, I had the privilege to appoint outstanding and dedicated Master Masons of our Grand Jurisdiction as District Deputy Grand Masters to represent me in

their respective districts. I extend my debt of gratitude to the fine gentlemen for their contributions of service as an integral part of the leadership team for the 2005-06 Masonic year. Although your service comes to an end as a District Deputy, it is my desire that your fraternal friendship, brotherly love and continued service to our Masonic fraternity will continue to foster and grow stronger. I hope that each of you realize that you have graciously pleased me as Grand Master in representing me as leaders and representatives in your districts. All of you have become very special and dear friends. I sincerely hope that the bond of fraternal friendship that we have kindled can continue to be strengthened for years to come. I appreciate your sacrifices, kind deeds, thoughtfulness and loyal service that you have unselfishly rendered in support of my programs and goals this year as Grand Master.

COMMITTEEMEN

It was my pleasure to appoint some dedicated and sincere Masons to serve on a number of working committees for our Grand Lodge this year. Each of you is greatly appreciated for your service and contributions. I am delighted that a number of committees will be able to report and highlight many of their successes and accomplishments through their dedicated work and involvement with the programs and activities of this Masonic year.

WORSHIPFUL MASTERS

This special group of men should be commended for providing the vision and leadership in our subordinate lodges throughout Kentucky Freemasonry. Each of you is the catalyst that has made it happen in confronting the ongoing challenges to overcome setbacks so you could succeed as a Masonic lodge for our great Masonic fraternity. I was pleased to provide incentive programs like the Grand Master's Excellency Award, the Traveling Gavel and the Trestleboard/Publications award programs along with recognition opportunities with the Community Awareness Days, the Community Spirit Award and Youth Excellence incentives. It is our hope that you developed plans and worked on these programs in perhaps making a difference in strengthening your lodge, building fraternal relations and increasing the visibility and credibility of the Masonic fraternity in the eyes of our youth and your respective community. Thanks are in order for all that you have done for me as well as to enhance vision, faith and action throughout Kentucky Masonry.

GRAND LODGE OFFICE STAFF

I would like to take this opportunity to acknowledge the ladies of the Grand Lodge Office for all that they do with the daily operations of our Grand Lodge and serving the lodges and brothers in the field. I extend my deepest appreciation to the special ladies Christy Ward, Mary Justice, Jeanne Kaelin and Jamie Pauley for their noteworthy services and contributions in serving our Kentucky membership. It is also fitting to show our appreciation to Peg Conway, wife of our Grand Secretary who also offers her expertise and services with special projects and administrative functions of the Grand Lodge Office. I have asked the ladies of the Grand Lodge Office to select the Secretary of the Year as a special recognition to the untiring efforts and labor of love that our devoted lodge secretaries perform in their duties and administrative tasks. The ladies will select their deserving

ing recipient during the festivities of our Grand Lodge Communication. Thanks again ladies so much for your faithful years of service and your commitment as employees to the Grand Lodge of Kentucky.

DISTRICT 27

I especially want to acknowledge District 27 for their loyalty, understanding, trust, confidence and support in believing in me and working with me in my goals and aspirations to serve our Grand Lodge. Please accept my sincere thanks for going the extra mile and being true friends. I am so appreciative to the Masonic brothers of District 27 who contributed in some way to support the plans and objectives of this Grand Master. All of you have graciously shown your support and undying enthusiasm in helping me to implement some worthwhile programs and activities during this Masonic year. I am very proud to refer District 27 as my home district. I feel District 27 is a strong and vibrant Masonic district in supporting the good works of our great Masonic fraternity in Kentucky. Thanks for being there and being special friends to me.

APPERSON LODGE NO. 195

Your Grand Master is very proud to be a member of Apperson Lodge No. 195. The officers and members of my home lodge hold a special and meaningful place in my heart. As my schedule permitted, I attended to the best of my abilities as many of our stated meetings and special events throughout the year to offer my assistance and support. Apperson Lodge is over 150 years old and still strong and young today. I was greatly pleased that the lodge hosted the Grand Master's Dinner and Reception with El Hasa Shrine Temple. I believe my home lodge is deserving of the recognition in always exhibiting the stability and qualities necessary to be noted as a viable and credible lodge of excellence in the community of Louisa and Kentucky. Thanks again for your encouragement and accepting me as a member of this great fraternity!

GAVELS

Let me take this opportunity to extend my appreciation to the officers and members of Apperson Lodge for presenting me with my Grand Master's gavel. I have used it on numerous occasions in performing Installations of Officers, Consolidations, Dedications and Cornerstone Ceremonies during the Masonic year. I have been presented a special gavel as a gift from Robert L. Lewis of Bogata, TX. My sincere thanks are in order to Brother Lewis for sharing his great talent with me in presenting me with a beautiful handmade gavel. I was also honored with the presentation of a distinguished handmade gavel made by Most Worshipful Past Grand Master Kenneth Lawson. It is also a special gift that I will cherish. I was also pleased to receive a handmade gavel from Worshipful District Deputy Grand Master of District 7 Brother Bill Lee. It is another beautiful gavel that will be cherished and admired with my Masonic memorabilia. When using the gavel, I have always been admonished to wield it with dignity, impartiality and courtesy with our Brothers. I look forward to using the gavels during the proceedings of our 2006 Grand Lodge Communication.

MASONIC HOMES

During my tenure of service as an elective officer of the Grand Lodge of Kentucky, it has been a privilege and an honor to serve as an ex-officio member of the Board of Directors of the Masonic Homes of Kentucky. We have two beautiful, maintained facilities that we can be certainly proud of because of our loving residents and dedicated staff. I wanted to do something special for the homes that perhaps could be an everlasting gift. I decided to implement a special tribute to the Masonic Homes in honor of or in memory of some special individual for a contribution of \$25 or more to the mission of the Masonic Homes. The program was titled as the "Gift from the Heart for the Love of the Masonic Homes" program. It has often been referred to as the 'Heart to Hart' Program. Many lodges and members have responded and supported this endeavor in a very positive and favorable manner by raising nearly \$60,000. I am extremely grateful for those who have supported this worthwhile project for the Masonic Homes this Masonic year.

I would be remiss if I didn't extend my deepest thanks to Gary Marsh - Chief Executive Officer, the corporate leadership team, administration of our homes, employees and staff as well as many volunteers for their support and untiring labors for the Masonic Homes.

It is always a blessing to give as generously as you can than to receive. As Grand Master, I was excited to give my support within my means to the mission of the Masonic Homes in becoming recipients of life memberships with the Masonic Homes and to the 'Hart to Heart' Program.

I certainly admire the diligent efforts and leadership of the members of the Board of Directors for the Masonic Homes offers in governing the financial affairs and operations of our beautiful Masonic Homes. The Board of Directors is often faced with difficult and trying decisions. The members of the Board of Directors have the best interests of our residents in their hearts and minds. It is an awesome responsibility that I extend my appreciation to Chairman, Brother Joseph R. Conway, PGM the officers and the entire board for their dedicated efforts and support.

SAINT JOHN'S DAY LEAGUE

I offer my thanks to the group of leaders with the Saint John's Day League that support the mission of our Masonic Homes of Kentucky. The group has raised considerable monies in support of worthy goals and projects for the benefit of our Masonic Homes. My sincere thanks go to Brother Al Wenlund, PM of Lewis-Parkland Lodge No. 638 and his wife Peggy who traveled many, many miles to be present at our District Meetings and have a display of items for sale in support of our Masonic Homes. I was pleased to attend Lewis-Parkland Lodge No. 638 for their Past Masters and Awards Night and to present Peggy Wenlund with a District Good Citizen Award for her outstanding services and contributions in making a difference in the lives of others especially with our Masonic Homes in Kentucky.

OTHER FRATERNAL AND APPENDANT BODIES

It has been delightful and enjoyable to have the opportunity to meet and gather with

our Masonic families for their special events and annual jurisdictional sessions. We have had regular unity meetings of our Masonic families in Kentucky by holding meetings on the fifth Sunday of every month during this Masonic year. The purposes of the meetings were to enhance the channel of communication and to build the fraternal ties in supporting and helping each other to succeed. A great idea emerged from the meetings to hold an All-Masonic Family Day in June. Special thanks are in order to Brother Keith Dreier, GSW and his outstanding committee of leaders representing our Masonic Families in planning and executing a successful day for all participants to enjoy. I also want to commend the superb job that Brother William G. Hinton, PGM does in producing a valued communication tool known as "Leaders' News" to convey worthwhile information and important dates of our Masonic families in Kentucky. Thanks are also in order to Brother John E. Moyers, PGM and Sovereign Grand Inspector General for his vision and support of this important concept of our Masonic families in working together in a united cause for the Family of Freemasonry.

The year has proven to be a special time to reflect upon the heritage of our past, embrace the present and build upon the future. I have been honored to participate in a number of outstanding fraternal events in commemorating a special year for the Family of Freemasonry in our Commonwealth. I was also pleased to receive cordial invitations from our fraternal organizations and to be extended the courtesy of bringing fraternal greetings on behalf of the Grand Lodge of Kentucky, Free and Accepted Masons, as Grand Master. My visits and special bonds of fraternal friendship will always serve as fond memories.

CONFERENCE OF GRAND MASTERS OF NORTH AMERICA

I was pleased that I attended the Conference of Grand Masters of North America at the Opryland Hotel in Nashville, Tennessee. Kentucky was well-represented by a number of Grand Lodge Officers and Past Grand Masters with their ladies as well as interested Masonic leaders from our Commonwealth. The conference was a huge success as it provided the Masonic leaders the opportunity to learn about other worthwhile programs and important topics affecting other Grand Lodges. I was privileged to be appointed to a three year term in serving on the Masonic Renewal Committee with the Conference of Grand Masters.

SUPREME COUNCIL SCOTTISH RITE LEADERSHIP CONFERENCE

The Scottish Rite Leadership Conference was held at Atlanta, Georgia on April 20-23, 2006. The conference entitled 'Charting the Rite Course' was an inspirational and eventful experience. I appreciated the cordial invitation of Brother John E. Moyers, PGM and Sovereign Grand Inspector General with his lady Pauline to attend the conference. Unfortunately, Brother John and Pauline were unable to attend but Brother Roger Barnett, PGM and Personal Representative of the Louisville Scottish Rite and his lady Alice served as gracious hosts. Thanks so much for a lovely weekend and the opportunity to fur-

ther my light and knowledge in Masonry by learning about vital topics of interest to me on gaining additional Masonic knowledge, enhancing the public image of Freemasonry, expanding philanthropic activities, providing effective leadership and understanding the framework for financial process.

IMPERIAL SHRINE CONVENTION

The Imperial Shrine Convention was held in Tampa, Florida on July 01-05, 2006. I extend my special thanks to El Hasa Shrine in serving as the host temple to me with the support of the other Shrine Temples of Kentucky Kosair, Oleika and Rizpah in making it available for the Grand Master to be present for the convention. All of the Kentucky Shriners should be commended for their enthusiasm and joy that they give to children in making a difference in their lives with their philanthropic efforts toward the Shriners' Hospitals and the Burns Center. I am proud to be a Shriner and to have had the opportunity in representing Kentucky Freemasonry as Grand Master at the Imperial Shrine Convention.

SOUTHEASTERN MASONIC CONFERENCE

The Southeastern Masonic Conference was held in Jackson, Mississippi on August 4-6, 2006. The Grand Lodge of Mississippi and their brothers were fine hosts in sharing their southern hospitality to the other representatives of the conference including Alabama, Georgia, Louisiana, Tennessee, Arkansas, Florida, South Carolina, North Carolina and Kentucky. Most of the Grand Lodge officers with some Past Grand Masters and their ladies were in attendance. Many interesting Masonic topics affecting our great fraternity were presented and shared. It is a great opportunity to network with the counterparts of other Grand Jurisdictions and to enhance positive fraternal relations with other leaders in the Southeastern Masonic Conference. The planning committee with the Grand Lodge of Mississippi for the conference asked that Kentucky present the topic "Reinstatement of Suspended Members: Programs that Work" for the conference. On behalf of Kentucky, I prepared and presented the topic "Reinstatement of Suspended Members: Programs that Work" to conference participants.

NECROLOGY

We were saddened this Masonic year when the Grand Architect of the Universe called home one of our Past Grand Masters, Brother Elroy Johnson, who served in the year 1986 along with several other Brothers throughout this Grand Jurisdiction. To these families, we extend our heartfelt sympathy at their loss of their loved ones and our Brothers.

MASONIC SERVICE ASSOCIATION

I feel that we should acknowledge the Masonic Service Association in projecting a positive image for our great Masonic fraternity. They are often setting pace for our Grand Jurisdictions with their contributions in assisting worthy causes with disaster relief, distributing Short Talk Bulletins to each lodge in our Jurisdiction for educational purposes, sponsoring the visitation program at local VA Hospitals and producing programs to gen-

erate public awareness for the Masonic fraternity in a favorable manner. Thanks for leading the way and making a difference for Freemasonry.

KENTUCKY YORK RITE SESSION

I extend my thanks to the leaders and members of the Kentucky York Rite for the opportunity to attend their session and festivities in September 2006. I feel that York Rite is a vital part of the family of Freemasonry and I respect their mission in supporting their worthy endeavors. I was pleased to represent the Grand Lodge of Kentucky and to offer my gratitude for their commitment and support during the past year especially the presiding leaders and officers of the Grand Chapter, Grand Council and Grand Commandery in working together to support and volunteer with the activities and entertainment of the All-Masonic Family Day in June.

ORDER OF THE EASTERN STAR

I was pleased to bring fraternal greetings during the festivities of the annual session with the Grand Chapter of Kentucky, Order of the Eastern Star, in October 2005. I am proud to be a Past Grand Patron and have had the opportunity to serve as the Visioneer for Kentucky on behalf of the General Grand Chapter of the Order of the Eastern Star during this triennium. I have worked with the Grand Chapter Officers and the Kentucky Vision Committee in developing our Vision, establishing a development plan and in offering several Vision Conferences to enhance leadership, membership, communication, public relations, fraternal relations and vision with the chapters and the members of the subordinate chapters in Kentucky. I also had the pleasure to attend a number of meetings and special events with many of our Eastern Star chapters this year.

As Grand Master, I also attended the Rob Morris Pilgrimage in August and we were pleased to have as Kentucky guests Sister Pat Rasmussen, MWGM and Brother Loyal Stark, MWGP, other distinguished General Grand Chapter Officers, Committee Members to attend this special weekend. One of the special highlights that involved the Grand Lodge Officers during the weekend was performing the Dedication of the monumental display with the Rob Morris Church and attending a special worship service in the church. I was also pleased to offer greetings as Grand Master to the Brethren and friends of the Order of the Eastern Star. It was truly another historical moment of time in continuing the legacy of the Founder of the Eastern Star Dr. Rob Morris who was also a Past Grand Master of the Grand Lodge of Kentucky. It was an awesome event as we paused in our deliberations to appreciate the past and to sow the seed that can bring forth the harvest of the future.

AMARANTH

The Order of Amaranth had their Informal Opening Session on Thursday, March 29, 2006 at the Holiday Inn - South in Louisville, Kentucky. I was privileged to attend their festivities and bring fraternal greetings from the Grand Lodge of Kentucky. I was received warmly from members and guests of Amaranth. I was also pleased to be accepted into membership and join Friendship Court in Louisville on August 12, 2006. I am an

advocate that we need to help and support all of our fraternal organizations so we can continue to thrive and succeed for the future.

INTERNATIONAL ORDER OF RAINBOW FOR GIRLS

I was pleased and excited to attend the Annual Session of the Grand Assembly of Kentucky Rainbow on July 7, 2006 at the Executive Inn West in Louisville, Kentucky. Kentucky Rainbow has always had a special place in my heart since my days as an active DeMolay. Those days showed me the importance of Rainbow and DeMolay in their ties to our Masonic Family. I attended the banquet and extended greetings during their special festivities.

My thanks go to Supreme Inspector Mom Anne Payne Dukes for her outstanding leadership and contributions in building a better and brighter future with today's young women. I commend Jessica Johnson, Grand Worthy Advisor 2005-06 for being the genuine young lady she is and for having a successful and profitable year. I also extend my sincere best wishes for success to Amanda Morris as she assumed the mantle of leadership as Grand Worthy Advisor for year 2006-07.

INTERNATIONAL ORDER OF DEMOLAY

It is always a pleasure to be with the young men and family of Kentucky DeMolay for the Annual State DeMolay Conclave on July 8-9, 2006. It was a distinct privilege to be in attendance as Grand Master and President of the Kentucky DeMolay Foundation to present academic scholarship to a number of deserving young men. When I was an active DeMolay, I had the opportunity to serve Kentucky DeMolay as its State Master Councilor. I have always recognized my involvement with DeMolay as an important foundation in developing my own leadership skills and building my educational resources. I highly recommend to our Masonic families to proactively support our Masonic Youth Groups because therein lies the potential members for the continued growth and future of our fraternal organizations. In addition to bringing greetings and serving as State Associate Executive Officer, I was privileged to serve as Installing Chaplain for the Installation ceremonies of the State Officers for the 2006-2007 term. I offer my congratulations to Kurtis Traft for his faithful service as State Master Councilor during 2005-06 and extend my best wishes to Tim Wemes for a successful and rewarding year of service as State Master Councilor in the ensuing year. I also commend and praise the efforts of Dad William G. Hinton, P.G.M., Executive Officer and an Active Member of DeMolay International, for his loyal service and dedicated leadership to the young men and family of Kentucky DeMolay.

DEMOLAY INTERNATIONAL

As an Active Member of the International Supreme Council for the Order of DeMolay, I serve as an elected officer with DeMolay International. I had the pleasure with several individuals from Kentucky to attend the annual session of the International DeMolay Congress and Supreme Council at the Doubletree Hotel in Seattle, Washington on June 14-18, 2006.

ORDER OF THE BUILDERS

I attended and extended greetings on behalf of our Grand Lodge at the annual meeting of the Order of the Builders on Saturday, July 22, 2006 in Brownsville, Kentucky. The young men and adults associated with the Order of the Builders are important to the Masonic family in Kentucky. I extend my best wishes to the group in their pursuit to strengthen their image and endeavors for the future.

YOUTH RECOGNITION

Special programs were developed and conducted to recognize our Masonic Youth Groups in acknowledging their service and contributions for building tomorrow's leaders. I was proud to recognize several Youth Excellence Award recipients from our Masonic Youth Groups in the Masonic districts and to proclaim the month of March and the remainder of the Masonic year to the support and recognition to our Masonic Youth Groups and the youth of our communities.

MY FAMILY

Family is a special significance and a precious gift of someone's life. I take this opportunity to convey my humble thanks to my parents Joe A. and Ruby Hart for their gracious and tremendous support, their inspiration and faithful guidance throughout the year. Both of you are very special to me and are greatly appreciated for being outstanding role models to me. Your words of encouragement and advice are sincerely appreciated. Both of you have given so much to me that there aren't adequate words to show my love and gratitude. Please let me just give a simple 'thank you' and my love to both of you for being there for me. The year would have not been complete without the both of you and it was my distinct pleasure to appoint my Dad as Grand Senior Deacon. You have made me very proud in your faithful service and for doing an outstanding job as a Grand Officer. I hope that you have enjoyed this banner year and your thoughts will be filled with wonderful memories. Thanks to my Mom for supporting the endeavors of this Masonic year and for going the extra mile in providing your love and concern to our objectives and activities. I pray that Almighty God will continue to enrich our family with His special blessings and continued guidance. I also appreciate the rest of my family for always taking the time to care, help and support me in my endeavors.

CONCLUSION

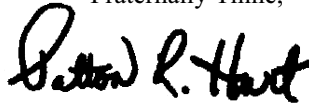

My Brothers, please accept my written account that I have formulated for your perusal in this report of my service as your Grand Master for the year 2005-06. This year has been spectacular, rewarding and gratifying to me as I have striven to give something back to our gentle fraternity for the honor and recognition that you have bestowed upon me as your Grand Master. Thanks for letting me dream big and have great expectations. It is my hope that some of the contributions and achievements however small or big in your estimation prove worthwhile in making a difference to continue the dream of building the bridge for a better and brighter future of our Masonic fraternity. We are constantly challenged with the hope of achieving the extraordinary. I urge each of you to have the inspi-

ration and courage to boldly take Kentucky Freemasonry forward with new horizons in the 21st Century. As we march forward together into the future, let us reflect upon these words:

*Let us have the love and friendship to share,
Let us have the vision to see what needs to be done,
Let us have the wisdom to dream new dreams,
Let us have the faith to believe, and
Let us have the determination to do, because
We care for each other and can make a difference
for our great Masonic fraternity.*

Let me close this report by offering this thought: "Always have the faith and believe in yourself for someone as special as each of you has the ability and power to create some exciting tomorrows." As we continue to Learn from our glorious Past, Live in the Present and Build for the Future, let us work together and practice the great Masonic principles - Brotherly Love Relief and Truth so we can succeed and Soar New Horizons with vision, faith and action. May God bless each of you and continue to bless our great Masonic fraternity.

Fraternally Thine,

GREETINGS FROM THE MASONIC SERVICE ASSOCIATION

**Richard E. Fletcher, PGM (Vermont)
Executive Secretary**

Grand Master, thank you for the opportunity to say hi to the brothers and to tell you some of the things we are doing at MSA right now. I want to particularly thank you on behalf of the Gulf Coast states that were helped so much by Masonic outreach. I am very proud to tell you that we sent \$1,700,000 to those three states that came from Masons all across North America. It is something you should be proud of and we are very proud of you for it. You can't describe the devastation because it was just - areas of the states were just obliterated. Thank you for caring and for sharing monies that helped to reconstruct lives as well as property but most especially the lives. When you're down and out like that - that's where Masons really shine. We would also like to thank you for the support on Operation Phone Home so that our young folks serving over seas, particularly in Iraq and Afghanistan, had an opportunity to call home to their families. We developed a card, we are partnering with the USO and AT&T- we developed a card with the Masonic square and compass on it. And these 100 minute phone cards say "compliments of Americas Freemasons". We have sent the USO \$180,000 so far so that those serving our Nation have a chance to talk with their loved ones. And I want to say thank you for that. When you heard this morning about the work being done with our Veterans- of course that always warms my heart because we do so much with our Veterans- we do about 200,000 volunteer hours across the country in 157 VA's about 40 state Veterans homes. And we do that kind of work on your behalf. I will tell you just one story. Marie Burley was a patient in the DC VA hospital. Marie loved to go to church on Sunday- she was in a wheelchair and it was hard for her to push the chair and we would take her over to services. Mr. Green walked along with us. He couldn't get there by himself- his mind wasn't what it use to be but we were going on this Sunday and Marie looked at me and she said

"you were in the Service"- I said by golly yes I was Marie I was in the Navy at the time of the Korean war- it really seems like a long time ago. And she said I was in the Navy too. I said you were?? And she said yep- WWI. World War One - she was in the first group of women in the United States Navy who was a nurse - she couldn't serve overseas but I can tell you this- anytime the United States Navy band played anywhere in the Washington Metropolitan area Marie was sitting right up front and the band saluted her. Mr. Green walking along with us- She said Mr. Green was in the Navy too. And I said Marie I just didn't realize that. She said yep- he is a Pearl Harbor survivor. The reason I like to share this story with you is to tell you that these are the kind of folks that we see every day in your name and on your behalf and we thank you for the support you give our hospital visitation program. And the last area I would like to touch on is our Masonic Information Center. We just developed a report called "It's about Time" which talks about the history of Freemasonry, where we were, where we are today and some of the things we might consider doing as we look to the future. It is at the information center our firm belief that it happens in the Lodge or it doesn't happen. We can develop magnificent programs but if the Lodge doesn't use them then they have no value. Freemasonry's value is in its members. And as members our structure is the Lodge. We feel that we have to look to the Lodges to rebuild and reinvigorate our interest in Freemasonry. That is what "It's about Time" is about and it is on our website if you want it download it or if you want to write to the office or email us we will be glad to send you copies of it. It is in printed form. But we have got to take the time and think through why we are Freemasons. And we talked this morning- you heard that there are some movies and books that are out that are talking about the Fraternity. But remember something- they are defining us in fiction. We need to define ourselves and were not always good at it and were not always good at talking about why we are Freemasons. We've been better doing it- that's why in the past people could see, they couldn't always define in words what Freemasons were - but they could see we were men that stood for something and it showed. That is what we have to return to. You know, when you think about our Masonic membership understand something. We were Freemasons in this Nation before it was a Nation. We helped develop this country. We helped make it the Nation it is today. There is not one man sitting in this room who can say you were the same person you were before you knelt at the altar. And that's what Freemasonry does- it changes and transforms our lives. It makes us better people. So that when we talk with our clergy, when we talk with our friends, our neighbors- we have to talk to them about the importance of being a Mason and what it does in our lives. Do you think Freemasonry is important in today's world? I will give you one example. In July our office got a call from a reporter of a newspaper in Florida who had just looked at some websites put out by Osama Bin Laden, Hesbula and Hamas. And they were saying that the real enemies in the world were the Freemasons- put together with the Jews- were in the horrors plot to take over the world- that we were the real danger. Not because they killed a few people here and there- you know they probably needed killing anyway according to Osama Bin Laden. But this is the kind of hate that is loose in the world today. Where does Freemasonry come in? If you are in the Middle East the only place in the entire Middle East where the Christian, the Muslim and the Jew can come together in peace and harmony is in a Masonic Lodge. Do not ever underestimate the power, the importance and significance of this Fraternity. And when you go home say to

your families, your workmates, your church friends, school- wherever you have the opportunity - I am a Freemason and I am proud- I am proud to be a Mason. God love you my brothers. Thank you very much.

REPORT OF THE CHIEF OPERATING OFFICER MASONIC HOMES OF KENTUCKY, INC. Gary R. Marsh (400)

TO THE MOST WORSHIPFUL GRAND MASTER, MOST WORSHIPFUL PAST GRAND MASTERS, ELECTED AND APPOINTED GRAND LODGE OFFICERS, DELEGATES AND BRETHREN OF THE GRAND LODGE OF KENTUCKY , FREE AND ACCEPTED MASONS:

Looking into the crystal ball of the future of senior living services, one realizes the significant changes to our senior population as a result of Baby Boomers reaching retirement age. For the next 25 to 30 years, we will see a major shift in the need to provide a much expanded level of senior living services to meet the health care and housing needs of this population.

What, then, are the responsibilities of the Masonic Homes of Kentucky to meet these changing needs of this population? While we can't do it all alone, we are well positioned to play a key role in this future marketplace.

We have begun needed analyses of our current facilities and campuses to determine how to best use them for meeting the needs in the senior living marketplace. In conjunction with this effort, we are actively completing our master planning process-evaluating architecture and design firms, and performing a market analysis-so we make the best decisions for our organization. Not only is this effort necessary to provide for our Masonic related seniors, but also so we may continue to be an ongoing provider of services for those in

our communities who have a need.

An environmental market assessment was initiated during the third quarter of 2006. Working with KPMG, the assessment will help prepare your Masonic Homes to respond to a changing marketplace. When completed, our staff and our Board will have a clearer understanding of what services seniors in our markets both require and desire. That will enable us to prepare today to meet these challenges tomorrow.

With an eye on the future, we also remain aware of what we must do to continue serving seniors today. That includes offering many of the same senior living services that have made your Masonic Homes a provider of choice for many years. One of those services we expect will continue is the 24/7 professional care offered in our Health Care Center at the Masonic Home of Louisville. A known variable in the equation of the future is that our existing Health Care facility has been in service since the 1920s, and that it cannot support the technological advances in medical and senior-specific care. Among the unknown variables is what the Health Care Center of tomorrow will cost.

We are working with Johnson, Grossnickle and Associates to help determine if a capital campaign can achieve sufficient results to finance the construction of new senior livings buildings. This evaluation will be completed before the end of 2006.

In the meantime, work continues on completing master plans for our Louisville and Shelbyville campuses. The results of the environmental marketing assessment and capital campaign evaluation will guide the completion of these plans and give us a blueprint from which to chart our future course.

Knowing what is required to meet the needs of the aging Baby Boomer population is only one part of the equation. The most important part is stepping forward in a way which shows the Board of Directors and management of the Homes are willing to share in a responsibility to meet those needs for all concerned. As a part of that responsibility, we need the support of the Freemasons of Kentucky to make this a reality in Louisville, Shelbyville and northern Kentucky, as well as other areas of the state.

On behalf of the staff and residents of the Masonic Homes of Kentucky, thank you for your ongoing support and best wishes for a successful 107th Grand Lodge Communication.

Fraternally,
Gary R. Marsh
Chief Executive Officer
Masonic Homes of Kentucky

**REPORT OF
DIRECTOR OF DEVELOPMENT
THE MASONIC HOMES OF KENTUCKY**

J. Scott Judy (400)

**MOST WORSHIPFUL GRAND MASTER, RIGHT WORSHIPFUL GRAND LODGE
OFFICERS, MOST WORSHIPFUL PAST GRAND MASTERS, AND BRETHREN
ALL:**

I would be remiss if I did not begin my annual communications by first thanking our

Most Worshipful Grand Master, Patton R. Hart. He has served loyally on the board of directors, provided leadership when called upon, and promoted our Homes and Fraternity with dignity. His involvement on the Board of Directors will be missed, but his impression will always be felt.

Last September Grand Master Hart approached me about creating a program for the Homes and designing a commemorative lapel pin. He suggested naming it Hart to Heart. Thanks to his thoughtful suggestion and providing the brethren with the opportunity, Hart to Heart has raised \$55,520, as of September 14. Our gratefulness and appreciation is difficult to express. Perhaps a sincere thank you is best.

This has been an exciting year for our Homes. We opened Sally's Garden, a Memory Care Neighborhood at the Masonic Home of Louisville for those suffering from Alzheimer's or other forms of dementia. In doing so, we dedicated a "donor garden" in memory of Sally Bowers. The garden has been well received, raising more than \$33,000. It is a beautiful tribute to Sally and the unique treatment to those with this dreaded disease. We urge you to stop by for a tour. We continue offering the opportunity to be a part of the garden. It is a project worthy of your generosity.

Also this year, we started a new program with employees of both Shelbyville and Louisville by giving them the opportunity to support our mission financially. Their payroll deductions will generate more than \$5,000 in donations this year. We are already a grateful beneficiary of their time and talents and wanted to give them the opportunity to share some of their treasure. They answered the call.

Perhaps one of the most exciting opportunities on the horizon for the Masonic Home of Louisville is the replacement of the Infirmary, or Health Care Center as we refer to it. It was designed in the 1920s to serve the widows and orphans as a hospital. It was never designed to serve the special care needs of those in need of long-term care and is missing many of the things that we today expect and deserve, like private bathrooms, adequate electrical plugs and comfortable personal space.

I recently came across a document from the Homes' Superintendent from the 1800s. It refers to the people living on the campus then as "inmates." While the term did not carry the negative connotation then as it does today, there is much that has changed since then in healthcare, even the terminology. The current Health Care Center is as outdated now as the term "inmates." We no longer use the term "inmate," now referring to them as "residents." The quality of care goes without question, the residents and staff of

Louisville deserve a healthcare center that is equal to the quality of care being provided. We are making plans now to replace the Infirmary.

We are in the process of planning a Capital Campaign. You will be hearing more about it later, but let me just say that it will be difficult for this project to be successful without your generosity. As you learn more and when the opportunity is presented, I ask you to think about the residents under our care and know that this is a very special project. We hope that you will consider making a special gift for this special project.

The Development Team, consisting of Bruce Lott, Assistant Director of Development, and Phyllis O'Daniel, Associate Director of Development, is excited about continuing to serve your Masonic Homes. We love coming to work in the morning knowing that our

work and your generosity make the residents' lives better. We are proud to be associated with your Homes and stand ready to help you in any way. Should you ever need anything, do not hesitate to call us at 502- 259-9627.

It is easy to report to the exciting news and developments, and donation records are easily calculated. However, the relief of suffering, the increased sense of well-being and the difference your generous gifts have made in the lives of those under our care is only quantifiable through the smiles and laughter of the residents. I encourage you to stop by, drive through the campus or come over for a relaxing walk. Then you can see for yourself, the difference you are making and how grateful our residents really are. On their behalf, thank you my brothers, thank you.

The Masonic Homes of Kentucky helps, but you make it happen! May The Grand Architect of the Universe bless you, your family, our country, our fraternity and most especially the people under our care.

Fraternally and faithfully yours,
J Scott Judy, PM (400)
Director of Development

GRAND LODGE CALL FROM REFRESHMENT TO LABOR

The Grand Lodge was called from Refreshment to Labor by Grand Master, Patton R. Hart at 2:25 PM.

A motion was made, *duly seconded and adopted*, to receive the Reports of the Chief Executive Officer and the Director of Development of Masonic Homes of Kentucky, Inc. and make them a part of these Proceedings.

REPORT OF THE ST. JOHN'S DAY LEAGUE OF KENTUCKY, INC.

MOST WORSHIPFUL GRAND MASTER, MOST WORSHIPFUL PAST GRAND MASTERS, RIGHT WORSHIPFUL GRAND LODGE OFFICERS, DISTINGUISHED GUESTS, WORSHIPFUL DISTRICT DEPUTY GRAND MASTERS, WORSHIPFUL MASTERS, MY BROTHERS ALL:

It is again the time of year for us, the Officers and Directors of the St. John's Day League, to say thank you Brothers of Kentucky, for helping us raise money for our Masonic Homes of Kentucky.

It has been a hard fought year, but thanks to you Brothers, we are able to give a little more this year than last year.

Our only source of raising money is through the appeal letters, donations and selling our paraphernalia at all of the District Meetings.

We are looking into other sources and ways to make up for the reduction in our membership in Kentucky.

We are so grateful to our Most Worshipful Grand Master and his line of Officers for allowing us to set up at all of the District Meetings.

It is indeed a pleasure for us to be able to present this check for \$63,000.00 to the Masonic Homes of Kentucky, Inc.

This \$63,000.00 does not include the \$15,000.00 for the printing and mailing. This brings the total to \$78,000.00.

I move that this report be accepted and made a part of the Grand Lodge Minutes.

Fraternally Thine,

John Shelton, President

THE COWLES BENEVOLENT FUND (Restricted)

On October 15, 1929, Past Grand Master John Henry Cowles created the Cowles Benevolent Fund with PNC Bank with an initial amount of \$10,000.00. Varying amounts during the life of Brother Cowles augmented the trust.

The Trust provided that both principal and income would be held and invested for a period of fifty (50) years. At the expiration of fifty years, "The balance of the fund shall remain in tact and constitute the above named fund, after which all income derived from it, or so much of the income as the Grand Lodge of Kentucky, F. & A.M. may decree, may be used at the discretion of said Grand Lodge for the support of its benevolent work or charities." As of July 31, 2006, the principal **market value** of this fund is **\$273,218.85**. (\$281,718.82 in 2005).

The Grand Lodge received income for the first time in 1980. The income from August 1, 2005 through July 31, 2006 totaled **\$12,260.24** (\$16,254.52 in 2005) and is being used for its benevolent works and charities. The undistributed income presently invested totals **\$ 232,878.84**. (\$221,661.09 in 2005).

GRAND LODGE BUILDING FUND (Designated)

The fund was established in late 1978 at the time our former Grand Lodge Building was sold. The proceeds of the sale totaling \$400,000.00 were invested immediately with the interest accumulating. The principal balance as of July 31, 2006 is **\$2,424,372.43**. (\$2,296,423.30 in 2005). The **dividends** and **market appreciation** are reflected in these totals. The rent and office cleaning paid by the Grand Lodge is being supported from this account.

JOHN H. COWLES DINNER FUND (Restricted)

Because of his great love for the Masonic Fraternity and his extreme pride in having served as Grand Master of the Grand Lodge of Kentucky, F.&A.M., Brother Cowles established the Cowles Dinner Fund, the income of said Fund to be used to offset the cost of the Annual Past Grand Masters' Dinner. The fund now has a principal balance of **\$30,720.93** with the income being used for its designated purpose.

RELIEF FUND (Designated)

This fund was established in 1980 to provide money for relief contributions to those less fortunate than ourselves, for disasters such as fire, flood, tornadoes, hurricanes, etc. This fund now totals **\$72,397.16**. (\$71,823.00 in 2005).

CONSTITUTION REVISION FUND (Designated)

This fund was established in 1979 to defray the cost of any Constitution revisions that may be made in the future. The costly process of reprinting a new *Book of Constitutions* will be aided by this fund when needed. The fund was established with the initial sum of \$1,000.00 and shall be supplemented with an annual amount of \$1,000.00. The fund now totals \$ **17,839.13**. (\$17,379.58 in 2005).

J. W. HICKMAN MEMORIAL FUND (Restricted)

This fund was established in November 1971 as a result of the will of the late John W. Hickman. The initial amount bequeathed was \$37,341.98. The will provided this amount of money to be invested by the Grand Lodge of Kentucky, F.&A.M. and the income derived therefrom to be divided between the Masonic Widows and Orphans' Home and The Old Masons' Home now known as **MASONIC HOMES of KENTUCKY, INC.** The present value of the fund is \$**43,880.58**, with the income being divided as directed.

ENDOWMENT FUND GRAND LODGE OF KENTUCKY, F.&A.M. (Restricted)

This fund was established in October 1980 by approval of the Craft. The fund is administered under Trust agreement No. 330626003 with the National City Trust Co. The purpose of this fund is to supplement future programs as determined by the Grand Lodge. Principal contributions to this fund shall remain intact with the income being used by the Grand Lodge. The market value of the fund is \$**1,314,686.00**. (\$1,179,539.00 in 2005). Through the generosity of the Craft, Fund Raising programs by the Grand Lodge and Investment returns, the present balance has been achieved. We look forward to continued growth of this fund.

FELTMAN PROPERTY ENDOWMENT FUND GRAND LODGE OF KENTUCKY, F.&A.M. (Restricted)

Pursuant to a resolution adopted at the Grand Lodge session in October 1981, the Grand Lodge was directed by the Craft of Kentucky to establish an Endowment Fund through an assessment from each Kentucky Mason in the amount of one dollar (\$1.00) each for a period of three (3) years, beginning in 1982. This assessment to be invested as principal in an endowment fund with the earnings only from this fund to provide for upkeep, maintenance and service of the Feltman property. This fund should be in the name of, and in control of the Grand Lodge of Kentucky, F. & A.M. As this property is now leased to the Masonic Homes of Kentucky, the income from this endowment is being used for any Grand Lodge liability for the upkeep or maintenance of the property as approved by the Grand Lodge in 2004.

This Endowment Fund was established with the National City Trust Co. under Trust Agreement No. 380275008. The Market Value of this fund as July 31, 2006 was **\$593,149.65** (\$572,226.26 in 2005) with the income being accumulated to the account of the fund.

CONCLUSION

The fixed income stream as you can see is a mixed bag - some up and some down somewhat. Most of our funds appreciated at least some amount. The Cowles Benevolent Fund, which is under third party control, had a fairly small loss (approximately \$8,500) and the income from it was down approximately \$4,000 however the market seems to be improving. While our income for the year was pretty much on target as was or will be reported by the Finance Committee, our expenses came in slightly under budget this year. Balancing a budget continues to be an increasing problem, not so much because of increasing expenses but decreasing revenue due to deaths and the continuing increase in 50 year free members.

The office staff, Mary, Christie, Jamie and Jeanie continues to serve your needs well. They are great ambassadors for our Fraternity. I sincerely appreciate their help to me and to our craft. Thank you Ladies for all that you do.

As each lodge recognizes, the lodge is as strong as the individual Secretary. The Grand Lodge office is no exception. Brother Joe has served the craft well and deserves our applause for a job well done. Brother Joe, thanks for all that you do for me and for our great Fraternity.

Brothers, all of your Grand Line officers are working hard to bring new technology and simplified reporting to our subordinate lodges. It is well on the way to success and I believe that you will appreciate the result.

Brothers Powell, Dreier and Forrester, you have your work cut out for you as Brother Hart has continued and expanded programs to increase the Masonic Awareness in our communities. Brother Pat has probably slept less than any one in this room as he has spend countless hours working to bring information and new appreciation to our Fraternity. Brother Pat, thank you for your dedication to this Great Fraternity of our and for the many meetings and challenges that you have presented to us - a job well done!

Brothers, it has been my privilege to serve as your Grand Treasurer once again. Your friendships and encouragements at every turn have made the task more rewarding than you could ever imagine.

Thanks again for your trust, love, prayers and friendship over the years.

Fraternally submitted,

V. T. Larimore, Jr.

FINANCIAL STATEMENTS

Years Ended July 31, 2006 and 2005

INDEPENDENT AUDITORS' REPORT

The Grand Lodge of Kentucky, Free
and Accepted Masons
Masonic Home, Kentucky

We have audited the accompanying statements of financial position of The Grand Lodge of Kentucky, Free and Accepted Masons ("Grand Lodge") as of July 31, 2006 and 2005, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Grand Lodge's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Grand Lodge as of July 31, 2006 and 2005, and the changes in its net assets and cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Activities and Significant Accounting Policies

Description of activities:

The Grand Lodge of Kentucky, Free and Accepted Masons ("Grand Lodge") is the legislative body of the Masonic Lodges in Kentucky. The primary source of revenue and support is from assessments from the Lodges.

Significant accounting policies:

Basis of presentation:

The Grand Lodge prepares its financial statements in accordance with the provisions of Statement of Financial Accounting Standards (SFAS) No. 117, "Financial Statements of Not-for-Profit Organizations." SFAS No. 117 establishes external financial reporting for not-for-profit organizations which includes three separate classes of net assets.

The three net asset categories as reflected in the accompanying financial statements are as follows:

- *Unrestricted* – Net assets which are free of donor-imposed restrictions. As required by SFAS No. 117, this category includes realized and unrealized gains on investments for which the use has not been specifically restricted by the donor.
- *Temporarily Restricted* – Net assets whose use by the Grand Lodge is limited by donor-imposed stipulations that either expire by passage of time or that can be fulfilled or removed by actions of the Grand Lodge pursuant to those stipulations.

The Grand Lodge has elected to report donor restricted contributions whose restrictions are met in the same reporting period as unrestricted support.

NOTES TO FINANCIAL STATEMENTS

- *Permanently Restricted* – Net assets whose use by the Grand Lodge is limited by donor-imposed stipulations that neither expire with the passage of time nor can be fulfilled or otherwise removed by actions of the Grand Lodge. Permanently restricted net assets primarily consist of property located in Covington, Kentucky which may not be sold and must be used for Masonic purposes and a beneficial interest in assets held in trust by others.

Assets whose use is limited:

Assets restricted by donors for future use are classified and included as assets whose use is limited. When a donor's temporary restriction expires, those net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restriction.

Estimates:

Financial statements prepared in conformity with accounting principles generally accepted in the United States of America require management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements, and the reported amounts of revenues and expenses during the reported periods. Actual results could differ from these estimates.

Investments:

Investments are stated at fair value.

Furniture, equipment and leasehold improvements:

Furniture, equipment and leasehold improvements having a useful life of more than one year are capitalized and are stated at cost if purchased or fair value if contributed. Depreciation and amortization are determined using the straight-line method over the estimated useful lives of the related assets or, in the case of leasehold improvements, the shorter of the estimated useful life or the lease term. Depreciation and amortization expense was \$9,682 and \$7,108 for the years ended July 31, 2006 and 2005, respectively.

NOTES TO FINANCIAL STATEMENTS

Receivables:

Receivables are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to receivables.

As of July 31, 2006 and 2005, all accounts and assessments receivable are due from member lodges. No provision for doubtful accounts has been recorded as management considers the amounts fully collectible.

Revenue recognition:

Assessments revenue represents annual dues and is recognized in the year it is earned.

Cash and cash equivalents:

For purposes of the statement of cash flows, the Grand Lodge considers undesignated cash and investments with the original maturities of three months or less, to be cash and cash equivalents, excluding those amounts held as part of the investment portfolio.

Reclassifications:

Certain accounts in the prior year financial statements have been reclassified for comparative purposes to conform with the presentation in the current year financial statements. This includes certain reclassifications between restricted and unrestricted net assets at August 1, 2004 based upon clarification of prior year transactions with no effect on the total net assets. The reclassifications of net assets made at August 1, 2004 are as follows:

	<u>Unrestricted</u>	<u>Temporarily Restricted</u>	<u>Permanently Restricted</u>	<u>Total</u>
Net assets, beginning of year as previously reported	\$5,969,296	\$36,599	\$648,908	\$6,654,803

Note 3. Beneficial Interest in Assets Held in Trust by Others

Funds held in trust by others represent resources neither in the possession nor under the control of the Grand Lodge, but which are held and administered by PNC Advisors. Funds held in trust by others are recognized at the estimated fair value of the assets or the present value of the future cash flows when the irrevocable trust is established or the Grand Lodge is notified of its existence. The net income from the beneficial interest is distributed to the Grand Lodge quarterly. The Grand Lodge received \$10,996 and \$8,573 in distributions from these trust funds during the years ended July 31, 2006 and 2005, respectively.

The balance as of July 31, 2006 and 2005 consists of:

NOTES TO FINANCIAL STATEMENTS

Note 4. Related Party Transactions

Assets held for others represent a portion of annual dues and assessments to be distributed to the Masonic Homes of Kentucky, Inc. as designated by the Grand Lodge.

The Grand Lodge pays monthly operating lease payments of \$625 to Masonic Homes of Kentucky, Inc. for the building located at 300 Masonic Home Drive. The lease expires in December 2009 but the Grand Lodge has an option to extend the lease for successive terms of five years each. The lease for an office located on the Masonic Home campus in Shelbyville was terminated in November 2004. Total lease expense for these properties was \$7,500 for 2006 and \$10,000 for 2005. The following is a schedule of future minimum payments:

Year ending July 31, 2007	\$7,500
2008	7,500
2009	7,500
2010	3,125

In February 2001, the Grand Lodge leased 23 acres located at 5029 Sandman Drive in Taylor Mill, Kentucky, to Masonic Homes of Kentucky, Inc. for an annual lease of \$25. The lease term is for twenty years, with an option to renew for an additional twenty years.

Note 5. Pension Plan

The Organization has a defined benefit pension plan which covers substantially all of its employees. The Organization's policy is to fund the plan within Internal Revenue Service guidelines. Employer contributions for 2006 and 2005 were \$12,149 and \$8,863, respectively. The following sets forth the plan's funded status and amounts recognized in the statement of financial position at July 31, 2006 and 2005:

	<u>2006</u>	<u>2005</u>
Fair value of plan assets at July 31	\$ 457,053	\$ 441,832

NOTES TO FINANCIAL STATEMENTS

Net periodic benefit cost	\$ 32,788	\$ 35,006
Benefits paid	\$ 27,576	\$ 27,513
Accumulated benefit obligation	\$ 381,977	\$ 390,700

Assumptions

The Company uses July 31 measurement date for the plan.

	<u>2006</u>	<u>2005</u>
Weighted-average assumptions as of June 30:		
Discount rate	5.25%	6.00%
Expected return on plan assets	8.00%	8.00%
Rate of compensation increase	6.00%	6.00%

The expected return on plan assets is based upon the historical rate of return of the investment portfolio and investment market.

Plan Assets

The plan's weighted-average asset allocations at July 31, 2006 and 2005, by asset category are as follows:

	Plan Assets at July 31	
	<u>2006</u>	<u>2005</u>
Cash and cash equivalents	2.71%	1.06%
Fixed income	26.56%	27.96%
Equity funds	<u>70.73%</u>	<u>70.98%</u>
	<u>100.00%</u>	<u>100.00%</u>

The investment objective is to ensure, over the long-term life of the plan, that an adequate level of assets is available to support the benefit obligations to participants and retirees. The Organization seeks to achieve a high level of investment return consistent with a prudent level of portfolio risk.

NOTES TO FINANCIAL STATEMENTS

Cash Flows

The benefits expected to be paid in each of the next five years and the aggregate amount of benefits expected to be paid in the subsequent five years are as follows:

<u>Fiscal Year Ending:</u>	<u>Expected Benefits</u>
2007	\$ 26,531
2008	25,263
2009	23,950
2010	22,598
2011	21,216
2012 – 2016	119,845

Note 6. Tax Status

The Grand Lodge is exempt from federal, Kentucky and local income taxes as described under Section 501(c)(10) of the U.S. Internal Revenue Code. Accordingly, no provision for income tax has been included in the Grand Lodge's financial statements.

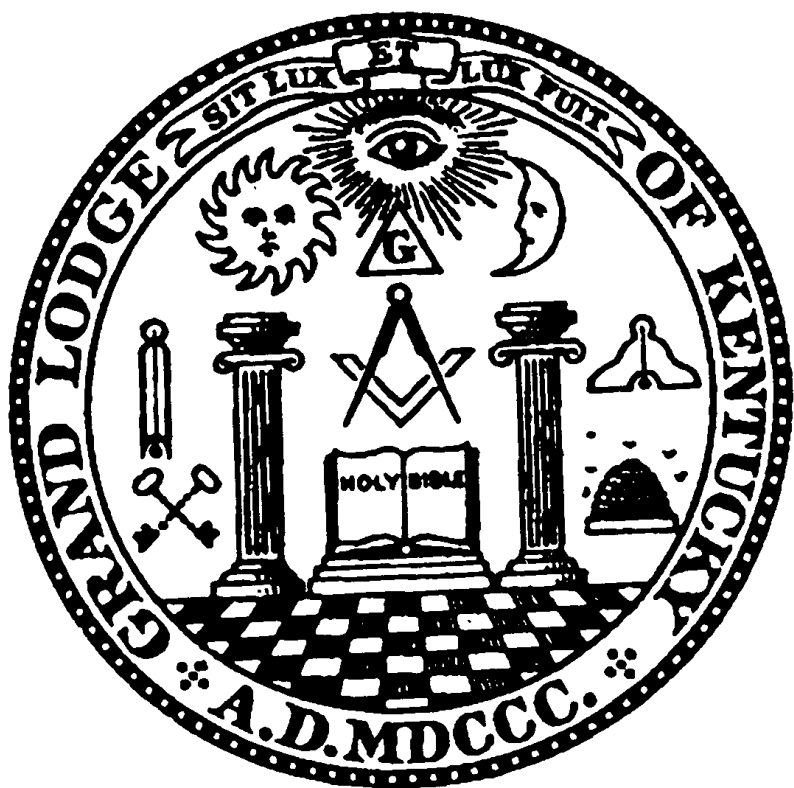

Note 7. Concentration of Cash and Credit Risk

The Grand Lodge maintains cash in one bank in Kentucky. Accounts at the bank are guaranteed by the Federal Deposit Insurance Corporation up to \$100,000 per bank. At July 31, 2006, the Grand Lodge's uninsured cash balances were approximately \$1,775,000. Management does not believe that the Grand Lodge is exposed to any significant credit risk on uninsured amounts.

The carrying amounts of financial instruments approximate fair value based on quoted market prices. The Grand Lodge has significant investments in corporate obligations, government securities, bond and equity mutual funds held by various investment managers engaged by The Grand Lodge and is, therefore, subject to concentrations of credit risk. Investments are made by the investment managers and the investments are monitored by management and the Board of Directors. Though the market value of investments is subject to fluctuations on a year-to-year basis, management believes the investment policy is prudent for the long-term welfare of The Grand Lodge.

MOTION

A motion was made, duly *seconded* and *adopted*, to receive the Report of the Grand Treasurer and make it a part of the Proceedings.

JOSEPH R. CONWAY, PGM
Grand Secretary

GRAND SECRETARY'S REPORT

MOST WORSHIPFUL GRAND MASTER, RIGHT WORSHIPFUL, GRAND LODGE OFFICERS, MOST WORSHIPFUL PAST GRAND MASTERS, MOST WORSHIPFUL AND RIGHT WORSHIPFUL DISTINGUISHED GUESTS, DELEGATES AND BRETHREN:

It is, again, my distinct pleasure to submit for your review and approval this report covering the business affairs and activities of the Grand Lodge Office for the period of August 1, 2005 through July 31, 2006, as supported by the records on file in the Grand Lodge Office. The fiscal status is verified by the auditors of the firm of the Deming, Malone, Livesay & Ostroff Accounting Firm, and is explained fully in the reports of the auditors and the Grand Lodge Treasurer, both printed elsewhere in these Advanced Proceedings.

BUDGET MEETING

In conformance with Section 14 of the *Book of Constitutions* of the Grand Lodge of Kentucky, F. & A.M., the members of the Committee on Finance and the elected Grand Lodge Officers met in the Conference Room of the Grand Lodge on August 16, 2006, to review the proposed budget prepared earlier by the Grand Lodge Officers. Following this review, a final budget proposal for presentation to the Delegates assembled at this Two Hundred-Seventh Annual Communication was agreed upon by the Committee on Finance and the Grand Lodge Officers. Present at this meeting were the following:

Patton R. Hart, Grand Master
Gregory C. Powell, Deputy Grand Master
F. Keith Dreier, Grand Senior Warden
Herman M. Forrester, Grand Junior Warden
Virgil T. Larimore, Jr., Grand Treasurer
Joseph R. Conway, P.G.M., Grand Secretary
Harold E. Armstrong, P.G.M., Chairman, Committee on Finance
Curtis L. Johnston, P.G.M., Committee on Finance
David E. Carter, P.G.M., Committee on Finance

The proposal budget recommended by the above was printed in the 207th Annual Communication Pamphlet that was mailed to each Lodge Secretary in early September of this year, as required by Section 14 of the *Book of Constitutions*. A copy of the same has also been placed in the packet of each delegate registered at this Communication. Copies are available for other interested members who are attending the Annual Communication, and are registered, for as long as they last.

HIGHLIGHTS, CONSTITUTION REVISION AND PROCEEDINGS

The Highlights of the 206th Annual Grand Lodge Communication were mailed to each Lodge, and others entitled to receive them, as soon as possible following the close of the Annual Communication.

Replacement pages to the *Book of Constitutions* of the Grand Lodge of Kentucky, F. & A. M. containing the amendments adopted at the 206th Annual Communication were mailed to the Secretary of each lodge (two copies) as soon as they were received from the printer. Additional copies were supplied to lodges and others upon request.

A copy of the Annual Proceedings of the 206th Annual Communication of the Grand Lodge of Kentucky was mailed to each Lodge and others entitled to receive it as soon as they were delivered from the binding company.

THE MASONIC DIRECTORY

One copy of the 2006 Masonic Directory was mailed to each lodge Secretary as soon as it was received from the printer. The Directory was completed and delivered somewhat earlier this past year; however, several lodges were not included in the Directory since they failed to get their information to the Grand Lodge Office by the deadline. Again, pre-paid orders for the Directory were taken from a number of lodges, appendant Masonic Bodies, and individuals. A few additional Directories were printed and made available for purchase at various District Meetings and Warden's Programs throughout the state this past year.

MONTHLY REPORTS AND ANNUAL RETURNS

The Monthly Activity Reports from most of the subordinate lodges were submitted to the Grand Lodge Office timely, with only a few requiring a reminder letter.

The September 1st deadline for receiving the Annual Returns from the lodge Secretaries passed with forty-two (42) lodges not reporting on time, thus incurring penalties. At the present time, September 26, 2006, twelve (12) lodges have yet to submit their Annual Returns, a few have not yet paid their assessment, and several have a balance due. The Masters and Secretaries have been notified that the above mentioned matters must be attended to prior to their Delegate being seated at the Annual Communication.

COMPUTER SYSTEM

We are presently in the process of replacing the present office computer system with an up to date system, and should have it operating before the first of the year. The Grand Lodge web site is in the process of being redone and will contain much more useful information than is presently available. Once the system is operating, it will result in cutting expenses by reducing paperwork and printing cost for reports of the lodge Secretaries to the Grand Lodge Office. Plans are to post the Masonic Home Journal on the web site for those who have a computer and have access to the web site. This item alone has a potential savings in expenses, relating to printing and postage cost, of several thousand dollars.

. MERRIMAC LODGE NO. 778, ANDY BOWEN LODGE NO. 670 and CERALVO LODGE NO. 253 (CHARTERS ARRESTED)

The Charters of Merrimac Lodge No. 778 and Andy Bowen Lodge No. 670 were arrested on May 24, 2003, and June 2, 2003, and, matters of the lodges assets and real

property were left unsettled at the time (reference 2004 and 2005 Proceeding of the Grand Lodge of Kentucky). Brother Mike Hall, PM, an attorney and member of Pitman Lodge No. 124, has been working with the Grand Lodge Office in order to resolve these matters. An investigation determined that there was not much usable paraphernalia left in either lodge other than some officer's jewels and Proceedings. With the assistance of Brother Hall, we were finally able to get the bank account of Merrimac Lodge closed in July of this year and received a check in the amount of \$904.67, which was placed in the General Fund account. Since the real property owned by Merrimac Lodge is located behind property and is, in effect, land-locked, it didn't appear to be marketable. However, the Taylor County Historical Society was interested in the old building for restoration purposes. Realizing the property was a continuing liability to the Grand Lodge with no promise of any financial return, Brother Hall prepared a Quit Claim Deed, transferring all rights and title of the Grand Lodge of Kentucky, F. & A. M. to the Taylor County Historical Society for the sum of \$1.00, which I signed as financial agent on behalf of the Grand Lodge on September 8, 2006.

The Charter of Andy Bowen Lodge No. 670 was arrested on June 2, 2003, and matters of the lodge assets and real property were, likewise, unsettled at the time (reference 2004 and 2005 Proceeding of the Grand Lodge of Kentucky). There has been no accounting to date by the last officers of the lodge of the cash on hand at the time the Charter was arrested. There were not many usable items of paraphernalia left in the building, as was determined by an inspection of the premises subsequent to the arrest of the Charter. The salvageable items will be stored and made available to another lodge that may need them. The real property owned by Andy Bowen Lodge at the time the Charter was arrested was a block building, in much need of repair, on a .3 acre lot on Sprulington Road in Taylor County, approximately 7 miles from Campbellsville, Kentucky. Again, with the assistance of Brothers Mike Hall and DeWayne Squires (Elkhorn Lodge No.568) of RE/MAX Realty Partners an appraisal (mid range of \$7,500.00) of the property was obtained and offered for sale. Shortly thereafter, an offer of \$8,000.00 was received and a contract for sale was signed and returned. Expenses that were incurred involving the sale are as follows:

Appraisal; \$100.00
Realtor's fee; \$500.00
Deed Preparation; \$ 100.00
Deed Tax \$8.00
Miscellaneous (Mileage); \$84.83
Deposited to the General Fund; \$ 7,207.17

These actions should conclude the matter of the arrest of the Charters of the two aforementioned lodges, and I respectfully request ratification of my actions regarding the same, acting on the part of the Grand Lodge of Kentucky.

The Charter of Ceralvo No. 253 was surrendered on November 19, 2005. At the time an inventory of the lodge property was taken, which consisted of a number of wooden chairs, some book cases, filing cabinet, two five foot columns, Grand Lodge Proceedings, various Masonic paraphernalia, etc., all in various degrees of condition. The Secretary did not have a cash book available for inspection when the Charter was surrendered, and the Treasurer was not present; therefore, an accounting of the cash on hand could not be determined at the time. A check in the amount of \$63.00, and purporting to be the amount

remaining in the bank account, after all bills were paid, was received in the Grand Lodge office on March 13, 2006, and was deposited in the General Fund. All the other property remains on the premises at the present time. As soon as arrangements can be made to pick up the property, and a place to store the same is found, it will be recovered and dealt with accordingly.

CONFERENCE OF GRAND SECRETARIES IN NORTH AMERICA

The joint meetings of the Conferences of Grand Masters and Grand Secretaries in North America were held this past February 18-21, 2006, at the Opryland Hotel in Nashville, Tennessee. All of the Grand Lodge Officers of the Grand Lodge of Kentucky were in attendance at the Conferences, as well as several of our Past Grand Masters.

The theme for the Conference was "Planting Seeds For Change". There were a number of break-out sessions conducted over the two days of the Conference that dealt with such topics as; Community Involvement; Attracting Younger Masons; Masonic Renewal; Leadership in Lodges; Lodge Management; Endowments; and Masonic Education Programs, as well as a number of inspirational talks presented by a number of informed Masonic leaders from around the country. The topics of discussion and presentations made at the Conference of Grand Secretaries were; Electronic Communications Between Grand Lodges; Grand Secretaries Full/Part Time Executive Directors, Business Managers; Masonic Libraries And Museums; Grand Lodge Management; Masonic Renewal in Michigan; and Membership & Leadership.

As always, there was a lot of useful information presented and made available at these two gatherings. The major benefit of being members of these two Conferences is the opportunity to share our successes as well as our disappointments and less successful endeavors. By doing so, we can make better decisions on what we should be doing as well as what we should not be doing in our Grand Jurisdiction. It is certainly my opinion we should continue to remain a member of both these Conferences.

SOUTHEASTERN MASONIC CONFERENCE

The Grand Lodge of Kentucky was well represented at the Southeastern Masonic Conference held in Jackson, Mississippi on August 3-5, 2005. It was originally planned to have this conference in Biloxi, Mississippi-but Hurricane Katrina, which devastated the Gulf Coast a couple of weeks following the 2004 Conference in Baton Rouge, Louisiana, forced a change of plans. The Kentucky Delegation attending the Conference was Grand Master, Patton R. Hart; Grand Senior Warden, Keith Dreier; Grand Treasurer, Virgil T. Larimore, Jr.; Grand Secretary, Joseph R. Conway, P.G.M.; Past Grand Masters, John E. Moyers, P.G.M., SGIG in Kentucky; And Curtis L. Johnston, PGM Each of the Conference members presented a paper on a subject previously assigned to them by the host jurisdiction. Grand Master Hart presented an Excellent, informative and interesting paper entitled "REACTIVATION OF SUSPENDED MEMBERS; PROGRAMS THAT WORK". There was quite a bit of interest shown in the subject matter and Grand Master Hart's presentation by the other delegates present.

There are ten Southern Jurisdictions that make up this Conference which meets yearly, on a rotating schedule, between these ten Jurisdictions. The 2008 Conference will be held in the Grand Jurisdiction of Kentucky in August at a location yet to be determined. I certainly recommend that the Grand Lodge of Kentucky remain a member, and stay active in, this Conference.

GRAND MASTER, PATTON R. HART AND GRAND LODGE OFFICERS

The Most Worshipful Grand Master, Brother Patton R. Hart has been a very busy man this past year, continuing the many current programs of the Grand Lodge such as the Officer's Leadership Program, District Meeting, etc. In the meantime, he has initiated a number of new programs to prepare and assist the constituent lodge officers in the performance of their duties. The Masonic Model Student Assistance Program, the Kentucky Masonic Leadership Academy are just some of the new programs he initiated this year, while also preparing a number of manuals for use by the lodge leadership. During the interval between the above noted activities, the Grand Master and the Grand Lodge Officers officiated at numerous Dedication and cornerstone Laying Ceremonies, consolidation of lodges, lodge anniversaries, and other special events to which they were invited. Many long nights were spent on the road as Grand Master Hart and his line officers, Deputy Grand Master, Gregory C. Powell, Grand Senior Warden, Keith Dreier, and Grand Junior Warden, Herman M. Forrester attended to these activities. The future State of the Craft is bound to benefit and improve as the result of the efforts of these dedicated and enthusiastic Freemasons.

The Grand Treasurer, Brother Virgil T. (Tom) Larimore, Jr., continues to serve this Grand Lodge in an efficient and professional manner. His dedication to the Grand Lodge of Kentucky and his assigned responsibilities is demonstrated by the positive financial reports and financial audit of the affairs of the Grand Lodge. Tom's conscience oversight of the funds entrusted to his care assures that they are securely and wisely invested so as to return the best interest rate possible for the benefit of the Grand Lodge.

These Grand Lodge Officers are certainly committed to the duties and responsibilities of their respective office.

ASSISTANT GRAND SECRETARIES

There is no way to express adequate thanks to Brothers James E. Boucher (73) and Bobby L. Baker (124) for the assistance they provide to the Grand Lodge and the office of the Grand Secretary, not only at the Annual Communicate, but throughout the year. They spend a fast and furious three days at the Annual Communication, as those delegates that need assistance verifying credentials and receipts for payment of assessments can attest. And numerous times throughout the year they were called upon to fill in for someone at a Masonic function, and on occasion to attend to some chores that cannot be immediately attended to from the Grand Lodge Office. Both of these Brothers are a valuable asset to the Grand Lodge and, especially, the Office of the Grand Secretary. Thanks aplenty, Jim and Bobby!

GRAND LODGE OFFICE STAFF

The Office Staff of the Grand Lodge of Kentucky is a hard working, loyal and dedicated group that most, if not all, of you have had contact with at one time or another, either by phone, by letter, or by personal contact. The efficient and courteous manner in which each of them deals with their duties and responsibilities is reflected by the many compliments they receive from time to time from the Masters, Secretaries, officers and members throughout the state. Many times they are asked by a family member to provide Masonic information on a deceased member of the Fraternity sometimes long deceased-and whenever possible, and time permits, they spend their spare time searching through the Grand Lodge records and file in order to retrieve for the family whatever information that's available.

The ladies in the Grand Lodge Office, Mary A. Justice, Christy L. Ward, Jamie L. Paulley, and Velma Jean Kaelin accept their office duties and responsibilities conscientiously and enthusiastically, and are always eager and willing to assist in any other way possible when called upon to do so.

This year, as a first for the Grand Lodge of Kentucky, the Office Staff will make a "Secretary of the Year Award" presentation to a lodge Secretary selected by them for the award. Those lodge Secretaries eligible for the award, among other requirements, must have served a minimum of ten years as Secretary, have all his Monthly Activity Reports and Annual Returns submitted on time, attended one of the Secretaries Meetings conducted during the Grand Master's Masonic Leadership Programs, etc. The award will be presented by the Office Staff sometime during the Annual Communication, at the discretion of the Grand Master.

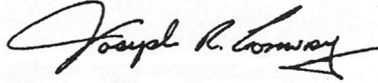

Thanks Mary, Christy, Jamie and Jeanne for your efforts, loyalty and dedication.

CONCLUSION

When the Annual Returns began to come into the Grand Lodge Office in early August it appeared that the net loss in membership would be significantly less than what we have become accustomed to in the past number of years. Based on the early numbers submitted by the constituent lodge Secretaries on the Monthly Activities Reports to the Grand Lodge, it appeared that the net loss would be less than a thousand members; somewhere in the range of nine hundred and fifty. However, the Returns received during the last few days in August, and those submitted past the September 1, 2006, deadline recorded much heavier losses than those received earlier, resulting in a net loss for the year of twelve hundred plus, about in the range of previous years. We keep hoping for a turn around that just continues to elude us. One hopeful sign apparent in the lodge statistics is the steady number of initiations and affiliations the lodges continue to report. The lodges that have reported a net gain each year have slowly increased in numbers from approximately eighty plus a couple of years ago to approximately one-hundred and twenty for the past year. Hopefully, this trend will continue and we can start showing some positive numbers in our membership statistics. The numbers do tell us something, and will help to guide us in the right direction in order to secure the future of our Fraternity for the generations to follow. What we do with them now is up to us.

Thanks again for your confidence and support, and for the opportunity continue to serve this honorable Fraternity

Respectfully and humbly submitted,

A handwritten signature in black ink, reading "Joseph R. Conway". The signature is fluid and cursive, with a long horizontal stroke at the end.

Joseph R. Conway, PGM
Grand Secretary

MOTION

A motion was made, duly *seconded* and *adopted*, to receive the Report of the Grand Secretary and make it a part of the Proceedings.

**REPORT OF COMMITTEE ON
GOVERNMENTAL AFFAIRS
(By Grand Master, Patton R. Hart)**

MOST WORSHIPFUL GRAND MASTER, MOST WORSHIPFUL GRAND LODGE OFFICERS, MOST WORSHIPFUL PAST GRAND MASTERS, DISTINGUISHED AND HONORED GUESTS PRESENT AND PAST MASTERS, MY BRETHREN AND ALL:

The Committee on Governmental Affairs would like to thank The Most Worshipful Grand Master, Pat R. Hart, for giving us the opportunity to serve. It has been my pleasure to serve as Committee Chairman for the year 2005 to 2006. It was also this year a honor to serve as aide to State Senator Tim Buford who, without his help, Mason's Day at the Capital would not have been a success. This year, Masonic Government Day was extra special because for the first time, the address to the mason's, by the Most Worshipful Grand Master, the State Senator's and State Representatives, was televised by K.E.T. Network. Also I would like to thank, Hiram Lodge No. 4 for the wonderful breakfast and lunch they served for all the masons who came to Frankfort for this special day at our State Capitol.

We, the Committee Members, want to thank you, Most Worshipful Grand Master for the honor and privilege to serve you and this Grand Lodge for this appointment, and I would also like to thank all my committee for their help.

Respectfully submitted:
Robert Schlenk (Chairman)
Carl Black
Robert L. Skaggs

MOTION

A motion was made, duly *seconded* and *adopted*, to receive the Report and make it a part of the Proceedings.

**REPORT OF COMMITTEE ON
MASONIC YOUTH SPEECH
(By William G. Hinton, PGM)**

MOST WORSHIPFUL GRAND MASTER, GRAND LODGE OFFICERS, MASTERS COMMITTEEMEN MY BROTHERS ALL:

The Grand Lodge Youth Speech Committee met on October 28, 2006 for the finals of the Youth Speech Tournament. We are very happy to announce the winner of the Senior Division to be Miss Trisha Bailey and the winner of the Junior Division was Miss Brianna Barron. The speeches required that the contestants research and speak to "What is right about American and Free Masonry." Each and every participant did an excellent job; I only wish that we could have given them all awards. The committee is extremely proud of the young leaders of tomorrow. Our fraternity members as individuals and yes the Grand Lodge both need to start supporting our youth groups more and by doing so we will

reap the reward of seeing our membership increase. This speech tournament could be the beginning of the growth of Kentucky Free Masonry, but it starts with you the Master Masons.

Thank you for the privilege of serving the Grand Lodge and the Youth this past year.

Respectfully submitted:

Michael K. Adler, PM No. 210

Committee Member

MOTION

A motion was made, duly *seconded* and *adopted*, to receive the Report and make it a part of the Proceedings.

REPORT OF COMMITTEE ON PUBLICITY

Chad A. Fitzpatrick (672) Chairman

MOST WORSHIPFUL GRAND MASTER PATTON R. HART, RIGHT WORSHIPFUL GRAND LODGE OFFICERS, MOST WORSHIPFUL PAST GRAND MASTERS, RIGHT WORSHIPFUL PAST GRAND OFFICERS, WORSHIPFUL DISTRICT DEPUTY GRAND MASTERS, FELLOW WORSHIPFUL BROTHER COMMITTEEMAN, DISTINGUISHED GUESTS, REPRESENTATIVES, MASTERS, PAST MASTERS OFFICERS AND BROTHERS ALL:

It is my distinct pleasure to stand before you today representing the Committee on Publicity of the 207th Annual Communication of the Grand Lodge of Kentucky.

During our Most Worshipful Grand Master's year the Grand Lodge Committee has been very active, covering various events all across our wonderful Commonwealth.

Several Articles throughout the year were submitted by the Publicity Committee and from Dedications and District Meetings to Cornerstone Layings the Committee on Publicity was on hand to support our Most Worshipful Grand Master and the other Appointed and Elected Grand Lodge Officers in their various travels all across the Bluegrass.

A special thank you to my fellow Worshipful Committeemen Brothers Edward G. Anderson and Carl Hoskins whose tireless efforts this year are greatly appreciated by the Grand Master, myself and craft in general. Brother Anderson and Hoskins your dedication and love for our fraternity are exhibited in everything you do for freemasonry.

To Brothers Glenn Wise of the Irvine area, Michael Flemming, and Most Worshipful District Deputy Grand Master of District 27, Richard Patrick of the Ashland area, a debt of gratitude is very much deserving to you for your assistance in submitting photos to the Committee for publication in the *Masonic Home Journal* or for having photos to be included in the corporation of the Grand Master's photo compilation CD yearbook. Brothers as always your dedication and love to our craft is without measure.

To the Right Worshipful Grand Pursuivant, James R. "Jim" Mullins, Jim thanks for your help keeping us on track and being the go between for us during this wonderful year of Kentucky Freemasonry. Jim by having you on hand at a moments notice for advice,

council, support, money, oh . . . I'm sorry I guess I shouldn't talk about money but if I had Jim's money I'd burn what little bit I got.

Another special debt of gratitude is given to my father, Brother Larry Fitzpatrick of Marion Hale Lodge No. 672 for his work toward making this year a great success for Brother Pat. Throughout the year he was always on hand to cover various events when I could not attend and traveled tirelessly with our close friend and Brother Most Worshipful District Deputy Grand Master of District 28, Jack H. Horn throughout his visits in our district and aboard. Dad, all I can say, is simply, thanks so much.

Finally, to our Most Worshipful Grand Master Patton R. Hart, Brother Pat, all I can say is Thank You Brother Pat for the opportunity to be a part of your core of Worshipful Committeemen for the Grand Lodge of Kentucky this year and making this a year that I will never forget. Your dedication and love for our Masonic family is what makes you a very special person, brother, and most of all a great friend, and for that you stand above the rest.

During this year, I, along with my fellow brothers have tried to make this year as prosperous as possible and it is once again my distinct pleasure to state to the craft that Freemasonry and our tenants of Friendship, Morality, and Brotherly Love are alive and well in the Commonwealth and as my close friend and brother, Jack H. Horn, says "Bless you your families and all of those you care about." Thank You.

Respectfully submitted:

Chad A. Fitzpatrick, Chairman

Edward G. Anderson

REPORT OF COMMITTEE ON YOUTH ACTIVITIES

Barry Eastham (89)

TO THE MOST WORSHIPFUL GRAND MASTER, PAST GRAND MASTERS,
GRAND LODGE OFFICERS, BRETHREN OF THE GRAND LODGE:

The Committee on Youth Activities reports a mixed overall response in the Commonwealth. The Masonic Youth Organizations are holding their own and in some cases improving their situation. The response by the lodges of this Grand Lodge to the support and/or sponsorship of these youth organizations, uneven and highly variable. Where the local lodges takes interest and the brothers are engaged, the youth benefit significantly. The biggest issue is for the local brethren to understand how our own best interest is served by this support. This idea of engagement is critical to the future success of these organizations.

The Grand Master's exhortations, admonitions and programs have found success when the local lodge becomes involved. The lessons we Masons can teach, just by exam-

ple, can have good reception by the youth. There is no better way to live our Masonic ideals than to impress a young man or young woman that being a Mason means something special and stands for the right way to live your life.

Besides, the Masonic Youth, the Grand Master has asked us to be engaged in other youth organizations in our communities. Whether scouting, Boys and Girls clubs or school related activities, we have much to offer. We are engaged, not just an attempt to increase our own numbers, but because it is the right thing to do. Helping the youth of this Commonwealth builds a better future for all of us. If we suitably impress the youth that we are upright and worthwhile, the problem of membership of our own lodges will not be an issue.

Our Grand Master has been aggressive for our youth not only in conversation but in his programs of this past year. This committee hopes that his successors will equally be as aggressive in getting the lodges of the Commonwealth engaged in active mentoring, organizing and supporting not only the Masonic Youth Organization but all the youth of the Commonwealth.

Fraternally submitted:
Robert J. Thomas (Chairman)
Alan Winkenhofer
Barry Eastham

REPORT OF COMMITTEE ON PROCEEDINGS OF OTHER GRAND LODGES

Carroll M. Curtis, PGM (291), Chairman

**MOST WORSHIPFUL GRAND MASTER, OTHER GRAND LODGE OFFICERS,
AND BRETHREN.**

To review the activities of the Masonic world is often a rewarding experience. When one reads Masonic addresses filled with the inspiration of Masonic principles, it is uplifting; and when one reads of many good deeds done by Masons, it is encouraging.

In an oration at a particular Grand Lodge annual communication, the speaker pointed out that the answer to attracting men into our ranks, keeping them, and increasing lodge attendance and interest is the exercise of brotherly love. Our work teaches us that Masonry conciliates true friendship among those who might otherwise have remained at a perpetual distance.

Speaking at an American Grand Lodge, a representative of the National Grand Lodge of France related that there was considerable growth in that Jurisdiction. The Grand Lodge of the Philippines, which will be reviewed later in this report, had a membership increase. Based on these results, it may be well for many American Grand Lodges to abandon their gimmicks to attract members and take note of how Freemasonry is treated and conducted in some foreign countries. Also, it would be well for Masons to realize that Masonic success is not measured in membership numbers.

The negative side of viewing Grand Lodge proceedings is finding that some Grand Lodges seemingly have the idea that their main goal is to increase membership numbers. How great it would be for all Masons to remember what they are taught in the Entered Apprentice's Degree: The design of the Masonic institution is to make its votaries wiser, better, and consequently happier. This shows that the object of Masonry is to develop the individual man.

ARIZONA-2005

The Grand Lodge of Arizona met in annual communication at Phoenix on June 3rd and 4th, 2005, with M. W. W. Thomas Brooker, Grand Master, presiding. The Grand Banquet was held the previous evening, at which one of the speakers was the Junior Grand Warden of Oklahoma, who stated that Masonry needs to change in the same way that society has changed, but to keep in mind the basic principles of our faith, our flag and our friendships. These statements are puzzling and contradictory, in that if Freemasonry followed the moral degradation of society the Order would not be adhering to its principles.

After the opening of the Grand Lodge on June 3rd and the posting of the flags of the United States, Arizona, and the Marine Corp, Bro. Paul Dore, Grand Standard Bearer, gave an impressive and outstanding tribute to our nation's flag.

The Grand Master, in his report, stated in part: *"We must set standards of conduct for all to see, not only for others, but for our fraternity, our members and the leadership as well. Highly competent officers continually search for ways to keep learning, growing, and improving."* And later in his report, he showed his estimation of the honor bestowed upon him: *"Brothers, if I live a hundred years I will always remember the honor you gave to me, by allowing me to serve as your Grand Master. I shall forever be in your debt. Many brothers helped me along the way."*

The Grand Orator, W. Bro. Michael Meier, gave some good and wholesome instruction, stating, in part: *"If we as Masons would simply inculcate our own tenet of Brotherly Love, we would have potential members lined up for blocks. If we would practice Brotherly Love toward one another, and our newly obligated Brethren, death would be the only thing left to possibly pull a man out of the arms of this band of Brothers."*

In the report of the Foreign Relations Committee is to be found a very out-of-order criticism of another Grand Lodge because that Grand Lodge did not recognize another Grand Lodge within its Jurisdiction.

Anahuac Lodge, Tucson, and Pioneer Lodge, Phoenix, Under Dispensation, were granted charters and are now Anahuac Lodge, No.81, and Pioneer Lodge, No. 82.

If this reviewer rightly understands it, this Grand Lodge has taken action to change the manner in which Fellow-Crafts and Master Masons wear their aprons, and is the same as is practiced in Kentucky.

M. W. James W. Sebastian was elected Grand Master, and V. W. George H. Stablein, Sr. was re-elected Grand Secretary.

THE PHILIPPINES- 2005

The 2005 annual communication of the Grand Lodge of the Philippines was held April 28-30 in Tagaytay City with M. W. Roberto Q. Pagotan, presiding.

V. W. Edward Y. Chua, Grand Orator, gave a stirring oration, from which the following is extracted: *"There are some values that will be permanent, whatever changes happen in societies. It is for Freemasonry to discover in its own self-understanding that which we must never surrender. Belief in God is necessary for any civilization to continue. High moral standards accepted by a community are necessary if people are live together. The respect for the value of individual persons is obligatory if individuals are*

to realize their potential. It is the commitment to these beliefs and values that Freemasonry must always uphold."

In his report, the Grand Master stated, in part: *"This year's theme 'Freemasonry- A Bridge Among Men' gives a legacy that we, as a Fraternity of men, should be a bridge to span the river of misunderstanding among men and pursue the development of a larger Confraternity of all men regardless of race, color, or creed. ... Before we can build bridges among mankind, let us first build bridges among us, Freemasons, and as Grand Master, I should take the lead. ... Our sharing of the common goal of protecting the interest of the Grand Lodge and promoting the general welfare of the Brethren provided the cement that unite us into one common mass. It is my hope that the bridges of friendship and brotherhood amongst the brethren built under this administration will continue to fortify the mystic tie amongst us and sustain us in the years to come. ... Let us set aside differences and 'keep the Masonic flame burning.' Let us tear down the walls of conflict and 'build bridges among Masons and men'."*

M. W. Reynold S. Fajardo, PGM, Grand Secretary, reported 17,738 members in 307 lodges- 302 chartered lodges and five under dispensation. He also reported a generous donation of books and magazines to the Masonic library.

Upon the recommendation of the appropriate committee, the Grand Lodge granted charters to five lodges.

M. W. Hermogenes E. Ebdane, Jr. was elected Grand Master, and M. W. Reynold S. Fajardo, PGM, was re-elected Grand Secretary.

Her Excellency, Gloria Macapagal-Arroyo, President of the Republic of the Philippines, was present at the installation of the Grand Lodge officers, and gave an excellent address, part of which recounted how she came to hold Freemasonry in high esteem. The Grand Master is Secretary of the Department of Public Works and Highways.

SOUTH CAROLINA- 2005

The 2005 annual communication of the Grand Lodge of Ancient Freemasons of South Carolina was held at Mount Pleasant on April 28-29, with M. W. Jack A. Marler, Grand Master, presiding.

During the 2004-05 Masonic year, several special communications of the Grand Lodge were held for the laying of cornerstones, dedications, etc.

On the morning of April 28th, the religious service was held, which was conducted by R. W. and Dr. Glenn R. Mosteller, Grand Chaplain. The Grand Chaplain's inspiring message was "What's In Your Hand?"

The Grand Lodge convened at 10:00 a. m., and was welcomed to Charleston County by Hon. Al Cannon, Sheriff of Charleston County, and a member of Hammerton Lodge, No. 332.

In his address to the craft, the Grand Master states, in part: *"Brethren, in my travels this year, I have found the overall state of the Craft and attitude to be very positive. I believe Masonry is alive and moving forward due to this positive outlook. Attitude is most important, it controls our every being; therefore we must maintain a positive outlook toward God, our fellowman, and yes, even ourselves. ... Our concerns of member-*

ship should be more heavily placed in maintaining our present membership versus seeking new ways of attracting new members. ... Brethren, in conclusion, I want you to know that the past seven years of my life have been the most enjoyable and rewarding years of my life. ... My heart is filled with gratitude to you for permitting me to serve you the Craft of this Jurisdiction as a Grand Lodge Officer and especially as your Grand Master. ... May the Author of the Great Light of Masonry continue to bless and use the Craft of this Grand Jurisdiction through the Fraternal ties of Masonry to promote that which is right and good in His sight and for the benefit of mankind in general."

The Grand Master's schedule shows a very busy year of Masonic labor.

M. W. G. Ray Marsh, PGM, Grand Secretary, reports 45,325 members as of December 31, 2004 in 313 lodges. The membership of lodges range from 16 to 592. He ends his report with: *"From this day forth, let us pledge to each other that we will do whatever it takes to see our beloved Fraternity continue to be the greatest Fraternity in the world! Remember, if it is to be, it is up to me!"*

From the report of the Committee on Fraternal Relations, we lift these very appropriate words: *"Community Service by extending charity to those in need or by simply living a life dedicated to the principles upon which Masonry is based is the hallmark of our Craft."*

Especially to those of us who were privileged to know him, the news of the passing of M. W. H. Dwight McAlister, Past Grand Master and Past Grand Secretary, is received with sadness. The Necrology report, in referring to him, stated: *"One of the Pillars of Masonry has fallen and his station will forever be vacant."* The hand of welcome and greeting was extended to him many times at the communications of the Grand Lodge of Kentucky.

Upon the recommendations of the Grand Master and the Committee on Charters and Dispensations, Mauldin Lodge, Under Dispensation, was granted a charter.

A resolution to hold the annual communications of the Grand Lodge in Columbia, instead of at various places in the state was considered, but was not adopted.

M. W. Ronald C. Mitchum was elected Grand Master, and M. W. G. Ray Marsh, PGM, was re-elected Grand Secretary.

ALABAMA- 2005

The 2005 annual communication of the Grand Lodge of Alabama was held in Montgomery on November 22-23, with M. W. Gene Anderton, Grand Master, presiding.

From his report, it is evident that the Grand Master was diligent in administering Masonic discipline and correction, and the example that he set could well be followed by Masonic leaders everywhere. Among other matters in his report, he referred to the Hurricane Katrina relief effort, and said *"... I encourage everyone to attend to hear how the Masons of Alabama have assisted with the Relief effort."* Near the end of his report, he stated *"I will conclude this report by thanking the Brethren of this great State for allowing me the honor and privilege of serving this Grand Lodge as your Grand Master. This is truly the highest honor that will ever be bestowed upon me and for it I truly thank you. ... Please continue to pray for Masonry and for this great Country we live in."*

Especially to those of us who were privileged to know him, the news of the passing of M. W. Joseph D. Brackin, Past Grand Master and Past Grand Secretary, is received with sadness. Bro. Brackin was active in both the York and Scottish Rites, as well as in Ancient Craft Masonry, and had the distinction of being a Knight of the York Grand Cross of Honour with four quadrants. The hand of welcome and greeting was extended to him many times at the meetings of the Grand Masonic Bodies of Kentucky.

M. W. Jerry M. Underwood, PGM, Grand Secretary, reports 32,297 members as of July 14, 2005 and 322 lodges as of November 22, 2005. His report indicates activities towards making various materials and records accessible through electronic means.

Bro. John H. Davis, Grand Orator, gave a powerful and appropriate oration, from which the following excerpts are made: *"Over the past year the major concern that I have heard among the brethren has to do with our declining membership numbers. Indeed, again this year our numbers have decreased. My question is why is it that many among us consider this to be a problem? The number of Masons in this state is not important. What is important is the quality of Masons in our organization. We must focus our efforts, but not on increasing our numbers. Our efforts should instead be focused on scrutinizing the caliber of men who are currently Master Masons and on maintaining the caliber of men who are initiated into the Fraternity. ... In today's world instant gratification is what many people care about. I ask you, would you care as much for this great institution if you were admitted and gained the full rights and privileges of a Master Mason in one day as you did after hours and hours of study and hard work learning the lessons that have been passed down through the ages to each of us? I do not believe that the feeling of accomplishment that I experienced after leaving my Lodge that November morning after I was raised to the sublime degree of Master Mason could ever be duplicated by any one day class. ... Quality, not quantity should be our driving force."* This outstanding oration, in its entirety, should be heard and heeded by Masons throughout the land.

Two special committees reported on relief from the damages exacted by Hurricanes Ivan, Katrina, and Rita. These reports show the generosity, brotherhood, care and concern for others possessed by true Masons, and the application of Masonic principles.

M. W. Frank W. Little was elected Grand Master, and M. W. Jerry M. Underwood, PGM, was re-elected Grand Secretary.

It was my honor to succeed that great and able Mason, Bro. Charles Snow Guthrie, on this committee. Reviewing the proceedings of other Grand Lodges has, at times, been inspiring, and, at others, dismaying; but, at all times, it has been enlightening. It is my hope that my successors on this committee will have as much pleasure as I have had in this capacity.

Fraternally submitted,
Carroll M. Curtis, PGM, (291)

**REMARKS FROM
THE PRESIDENT OF THE
GEORGE WASHINGTON MASONIC MEMORIAL**

Michael D. Brumback, PGM (Indiana), President

THANK YOU GRAND MASTER. MOST WORSHIPFUL GRAND MASTER HART, MOST WORSHIPFUL GRAND MASTERS OF VISITING JURISDICTIONS, MY BRETHREN ALL:

I begin that way as a form of introduction. The George Washington National Masonic Memorial is owned collectively by the Grand Lodges of the United States of America. The Grand Master's of each of those jurisdictions are the active members and you brethren are the owners. In fact each of you owns approximately one square foot of real estate in Alexandria, Virginia. We have 36 acres on top of Shooters Hill- one of the highest pieces of property in the DC area- the sight that Thomas Jefferson picked to be the location of the Capital. But George Washington, owning property in Alexandria, had the quaint notion by today's political standards that it might look improper if we built the Capitol in an area where he owned property- it might be deemed that he was profiteering. I wish we had more politicians today like that. We operate the only National Masonic Memorial in the United States. It is the only Masonic edifices that is jointly owned and supported by every jurisdiction. Now I would like to share with you just briefly a little pride for Kentucky. In 1911, when the Association was formed, you had 2 members present- 22 Grand Lodges in fact were present to form the George Washington Association. Robert Burnham, Grand Master in 1911 here in the Commonwealth of Kentucky and Robert Stockdon, served as a representative and signed the original agreement. And they formed to build the edifices that we all now enjoy. The first Board of Directors had as its treasurer John H. Cowles, who was the Grand Master of Kentucky in 1909 and a member of Louisville Lodge No. 400. Now let me read to you just briefly what his contemporary said about Brother John H. Cowles. He was the Treasurer of the George Washington National Memorial Association and one of its organizers and was born in Kentucky in August of 1863. He was Grand Master of Kentucky in 1909, and Brother Cowles is probably the best known and most active Masonic worker in America. And has thrown into the George Washington National Masonic Memorial Association the full force of his entire energy, intellect and influence. Brethren - you in the Commonwealth of Kentucky have much to be proud of- but I am especially proud of you because you were there to begin the vision of building a Memorial to not only Freemasonry but to the greatest hero we have ever known- George Washington. George Washington was a Mason in heart and fact. He was raised in Fredericksburg Lodge as a young man of 20 years old in 1852. He was a life long member of Fredericksburg Lodge. Then served as the charter Worshipful Master of Alexandria- Washington Lodge - then called Alexandria Lodge No. 22 on its charter and served as their Master for 20 months while he was President of the United States. Now it's a fact that he did not come back from New York monthly for their stated meetings- he attended twice. Not a bad record- considering it was a three day drive from New York to Alexandria. He came back twice on St. John's Day to attend functions of his Lodge. But he has numerous correspondence with his Lodge and has proclaimed on many occasions that he was proud to be a Freemason and honored to be Master of the Lodge.

Brethren we have many important relics of George Washington at your Memorial. We have the working tools that he personally used for the corner stone of the Capitol. We have the Apron, shash and jewel and silver towel that he wore and used to lay the corner-stone acting as Grand Master. What better tribute could we possibly have of the influence of Masonry on the formation of this country and the character of George Washington? Now today I want to thank and compliment your Grand Lodge for being a lifelong supporter of the Memorial. You were among the first to pledge the \$1 per initiate to form the Association and build money to build the Memorial. You were one of the first to increase that to \$5.00 per initiate, albeit that was many years ago. The purpose of our Memorial is stated in our Constitution. It is to erect and maintain a suitable memorial temple to George Washington the Mason which expresses in durability and beauty the underlying esteem of Freemasons of the United States for him whose memory it shall stand throughout the coming years. Brethren I assure you it is a beautiful and well maintained Memorial. But I learned a lesson yesterday from your Senior Grand Warden Brother Keith- In Kentucky you appreciate honesty, you appreciate knowing the facts- you voted for a pretty sizable increase yesterday to support Masonry in Kentucky- you should be applauded for that. I am just going to tell you some facts- I am not going to ask you for money- because we don't ask for money- the Masons of the United States voluntarily support the George Washington Memorial. But here are the facts. Income from Grand Lodges has declined over the last 20 years because it is based on initiations and unfortunately initiations have declined. So we have a case where we have had decreasing income, increasing expenses and we have met those with outside income from renting the building, management and we now have a \$11 million Endowment which sounds like a whole lot. The Endowment truly needs to be way more than \$20 million because if it was more than \$20 million it would be enough to pay the maintenance on the building forever and then all we would have to fund would be the activities and the Fraternal events. Brethren about a third of the Grand Lodges have risen to the call and have added to their initiation fee somewhere between 25 cents and a dollar. We appreciate any. I might point out it might be symbolic to note that Washington's image is both on the quarter and the dollar bill. So some increment between there is appropriate- but we have seemed to notice that Washington seems to be smiling just a little bit more on the dollar bill. Maybe Masonically he is trying to tell us something. Most Worshipful Grand Master, thank you so much for your accommodations- it has been a wonderful session. And on behalf of the George Washington Memorial serving as your President I thank you very much for your attention.

REPORT OF THE COMMITTEE ON NATIONAL MASONIC MODEL Masonic Model Becomes A Reality For Kentucky

Kentucky became the 27th state to offer the Masonic Model Training for Students at Risk, a program sponsored by Kentucky Masons and The Grand Lodge of Kentucky.

The Olmsted, located on the Masonic Home Campus in Louisville, provided not only a historical setting for the Kentucky Masonic Model Workshop, it also provided a summer relaxation of a natural environment for this learning experience. More than 40 teachers, principals, councilors, and other school administrators attended the three day workshop in June 2006.

It took almost a year for this program to become a reality in Kentucky. Grand Master Patton Hart attended this training in Ohio while serving as Chairman of Youth Activities Committee and felt the need the bring this program to Kentucky during his term as Grand Master.

Hart consulted with Dr.T Dwaine Riddell, PM 137 & 562, retired educator and board member of the Masonic Homes of Kentucky to see how to implement this program during his tenure as Grand Master.

The first order of business was to get this program certified by the Kentucky Department of Education in order to grant credit for professional development and administrative leadership hours for those educators who attend. Even though this training will be cost free to those who attend, few will attend if they are going to spend three days of their summer and get no professional credit.

There are nine standards that had to be met in order to qualify for accreditation, the Pennsylvania group under the direction Dr. Carl Fertman had completed a study in 1998 that generated most of the necessary data needed to provide information for the standards.

Dr. Riddell documented the data and developed matches for the nine Kentucky standards and presented the findings to the Department of Education. The Masonic Model Program was granted 21 hours of either professional development or administrative leadership hours for educators who attended the three day workshop.

Free registration, which amounts to about \$600.00 per person and 21 hours credit for those who attended were very lucrative to school districts. Kentucky law mandates payment to each school district for the professional development and leadership training hours educators are required to complete each year. Districts can save money to use on other needed educational material by taking advantage of the Mason's offer of free training to its educators.

Grand Master Hart appointed Riddell, Chairman, of the new Masonic Model Committee for 2006 and Gary Mazingo, E. J. DeWitt as fellow members. Riddell and Mazingo traveled to Ohio in February 06, to see the training first hand. After attending the workshop both were completely sold on the program. Riddell has also been appointed State Coordinator by Don Baugher, Executive Director of the National Masonic Student Assistance Program.

Fifteen school districts were targeted for this initial training and packets of information were mailed to administrators and teachers. Several hundred responded and as a result a unique cross section of districts sent over 40 educators to the first Masonic Model Training in Kentucky.

The Masonic Model Student Assistance Program is a National Flagship program to combat the myriad of high-risk behaviors confronting our children today. Topics discussed during this three-day training included addiction, violence and bullying, depression and suicide.

The workshop examined the critical research based life skills essential for our children to be successful at school and at life. Educators were trained to identify these at-risk children and establishes strategies so they may get the help they need in a timely manner.

The Masonic Model Student Assistance Program is a primary vehicle for schools across the nation for addressing student behavioral health needs and concerns. Masonic model Student Assistance Training began in Pennsylvania in 1984. The Student Assistance Training is designed to address school-based concerns of academics, attendance, health and behavior.

The Masonic Model links students to behavioral health care services both in school and in the community. Student Assistance Programs address the barriers in learning due to social, emotional and mental health concerns. School teams are specifically trained to deal with substance use and abuse, depression and suicide and school violence.

Trainers Larry Newman and John Bearoff provided Kentucky teachers and administrators with a new insight and high energy approach to not only flagging students at risk but also providing the tools necessary to get that child back on task and out of crisis.

"The training for the AT-Risk program was very beneficial for me. It was a focused approach to help students who have the greatest needs in our schools" a direct quote from Don Schneider, Principal, Camargo Elementary School Montgomery County.

The Henry County group left this note "We need assistance with students at-risk and this program certainly gave us the skills that will hopefully remove kids from this category!"

Jim Thomas, Bryan Station Middle Principal had this to say about the Masonic Model, "We greatly appreciate the time and expense the Masonic organization has given to support our effort to assist kids. We plan to utilize this material and above all the greatest benefactors will be our kids!"

The 2006 workshop was a great beginning for Masons and Educators, together they will provide help for kids who are struggling to find themselves in this day and time. This program has already been tried and proven to be effective in other states, therefore it is time for Kentucky and our kids to reap the benefits.

Plans to continue this program for the next few years are already in place and two training sessions are planned for next summer. Lexington will be added as a training site and a session again in Louisville. Future plans are to host sessions in the West and East for a total of four training workshops in the summer.

Craft, it is your fraternal assement contributions that made this Masonic Model happen. There are approximately 45,000 Masons who contribute to the Grand Lodge assement yearly. To provide this training program this summer for Kentucky educators it cost each of you 40 cents! Small price to pay to save an AT-Risk Child!

REPORT OF COMMITTEE ON RITUAL Roland Stayton (951), Chairman

MOST WORSHIPFUL GRAND MASTER, GRAND LODGE OFFICERS, PAST GRAND MASTERS, DELEGATES, DISTINGUISHED GUESTS AND BRETHREN:

We, the Committee on Ritual, respectfully submit the following report:

We wish to thank Grand Master Pat Hart for his guidance and suggestions for this Committee, especially for his idea of a Ritual Competition which was implemented by

this committee. It was most successful considering this was the first year. There were 36 enthusiastic individuals participating in the competition, including 21 in the four Lodges performing the Opening and Closing Lodge Ceremony. There were also nine involved in the Letter "G" presentation, and six in the "Charge in the West" from the Masters Installation Ceremony.

The Lodge proficiency was won by Camp Knox Lodge No. 919 from District 9. The Letter "G" was won by Brother Bill Vandergriff of Shelby Lodge No. 662 of District 9. The "Charge in the West" was won by Brother Kenneth M. Boggs of Mountain Lodge No. 187, District No. 30. Congratulation to each of the winners, actually all that participated were winners. We saw some excellent work performed and some of the results were close.

We also wish to thank the many individuals and lodges that participated, and those that were involved in the judging and other duties necessary for this competition including many Past Grand Masters and good brothers from across the state.

This type of competition should improve the ritual proficiency if continued in the future.

REPORT OF THE MASONIC BOARD OF RELIEF

Harvey Green

We have done a lot of funerals this year. We have had a few people that have got into dire straights who has needed their gas paid and stuff like that. We've investigated. A few of them we have helped- some people we couldn't help. Every Lodge that belongs to the Board of Relief should have two representatives - we meet at Highland Park Lodge in Okolona on the 2nd Saturday at 7:00. We don't send out letters to let everyone know what's going on because we don't have those kinds of funds to put out. But if every Lodge would send a representative there they would know what's going on with the Masonic Board of Relief. I feel that we are doing a lot of work that is needing to be done for our Brothers throughout the state of Kentucky. That's all I have got to say.

	Barker Lodge No. 129
	Mount Zion Lodge No. 147
	Suburban Lodge No. 740
	Chandlersville Lodge No. 858
	Russell Springs Lodge No. 941
August 25, 2006	Miles Lodge No. 341
	William O. Ware Lodge of Research
Regretfully, we disapproved the changes to their By-Laws from the following constituent Lodges:	
November 4, 2005	Madison Lodge No. 183
	Alford Lodge No. 925
	Florence Lodge No. 949
	William O. Ware Lodge of Research
December 2, 2005	Union Lodge No. 219
May 11, 2006	Dycusburg Lodge No. 232
August 25, 2006	Briensburg Lodge No. 401
	Gavel Lodge No. 570

The Committee notes that the vast majority of proposed By-Laws that were disapproved were in violation of Section 76 of the Constitution.

SECTION 76. Shall Adopt By-Laws. Each subordinate lodge shall adopt By-Laws for the government of its own affairs provided that the same are not inconsistent with the Constitution, rules and edicts of the Grand Lodge and shall furnish a copy to the Grand Secretary to be placed on file in the Grand Lodge.

The By-Laws of a lodge cannot be amended unless the proposed amendment be submitted in writing at a stated communication. Notice of the proposed amendment must be given to the members of the lodge and may be by mail, or by publishing a notice of the proposed change in the *Masonic Home Journal*. If notice is by mail, the proposed amendment shall be voted upon at the next stated communication. ***If notice is by publication in the Masonic Home Journal, the proposal shall be voted upon at the next stated communication in the month following the date of publication.*** In either case, the amendment must be concurred in by two-thirds of the members present and voting on the amendment. When the amendment to the By-Laws has been before the lodge for the necessary time, an amendment to the amendment then proposed need not take the course of the original and be carried over, but may be acted upon. (2000)

The Committee would like to offer a sample timeline for amending a Lodge's By-Laws in the hopes that it will clarify the situation:

January - An amendment to the By-Laws is presented at a stated meeting of the Lodge.

Before February 10th- The Secretary places a notice in the *Masonic Home Journal* notifying the members of the purposed change.

March- The notice is published in the *Masonic Home Journal*.

April- The amendment is approved by two-thirds of the members present at the first stated Lodge meeting. The Secretary forwards the amendment to the Committee on By-Laws for approval.

May- The Committee on By-Laws approves the amendment and the Grand Secretary's office notifies the Lodge of the approval. The amendment takes effect.

The Committee would also like to urge the Secretary to only send the original and amended section of their By-Laws. Many times we had to look through two or more entire sets of By-Laws, trying to figure out what was original and what had been changed. Secretaries, your current By-Laws have been approved. The Committee doesn't have to have a complete set of your By-Laws, only the parts that you are changing.

The Committee would like to thank the Grand Secretary, Brother Joseph R. Conway, P.G.M., and the Grand Lodge office staff for their assistance, and the Most Worshipful Grand Master, Brother Patton R. Hart for his confidence in appointing us to this Committee and for the opportunity to serve the Grand Lodge of Kentucky, Free and Accepted Masons.

COMMITTEE ON FRATERNAL RECOGNITION

TO THE MOST WORSHIPFUL GRAND MASTER, OFFICERS, AND MEMBERS OF
THE GRAND LODGE OF KENTUCKY, FREE AND ACCEPTED MASONS:

Your committee on Fraternal Recognition has received correspondence during the year concerning the establishment of new Grand Lodges throughout the world and concerning the actions taken by various Grand Lodges on matters of Fraternal Recognition.

A summary is as follows:

A second request for Fraternal Recognition was received from the Gran Logia del
Estado de Guerrero

(This request was approved at the 2005 Annual Communication.)

November 17, 2005

Lodge of Macedonia.

July 12, 2006

Notice from the United Grand Lodge of England that they do not recognize the sovereignty of Grand Lodge of Cyprus.

(No action requested.)

July 12, 2006

(No action requested.)

July 26, 2006

Received notification from the United Lodge of Germany concerning problems with a "self-styled masonic body named 'Grand United Lodge of Serbia', dated July 3, 2006"

The United Grand Lodge of Germany does not recognize this new organization.

(No action requested.)

It appears to your Committee that no further action needs to be taken on any of these matters. We would recommend that this report be accepted and made a part of the *Proceedings* of this Annual Communication.

One matter has come to the attention of the Committee that will require action at this Annual Communication. On June 20, 2006, we received a request for fraternal recognition from the Grand Lodge of Macedonia. This is a new Grand Lodge and the Commission on Information for Recognition of the Conference of the Grand Masters of Masons in North America notes that: "This Grand Lodge is regular in its work, and meets the standards for recognition." Your Committee, therefore, recommends that the Grand Lodge of Macedonia be extended fraternal recognition by the Grand Lodge of Kentucky, Free and Accepted Masons, and I so move.

**COMMITTEE ON
LODGES UNDER DISPENSATION**

TO THE MOST WORSHIPFUL GRAND MASTER, PATTON R. HART, RIGHT WORSHIPFUL GRAND LODGE OFFICERS AND BRETHREN OF THE GRAND LODGE OF KENTUCKY, FREE AND ACCEPTED MASONS:

The committee on Lodges Under Dispensation wishes to make the following report:
Nothing was referred to our committee therefore no actions were necessary.

There were many district meetings and educational seminars attended by the committee members throughout the year and all were presented in a most excellent manner. The educational meetings are, in our opinion, a credit to the fraternity leadership and an example of the vast expertise within our membership.

The committee wishes to congratulate Most Worshipful Grand Master Patton R. Hart on his most excellent year of leadership and wishes him the very best in all his future endeavors. We also thank him for the opportunity to serve our great fraternity on this committee.

Respectfully submitted,

COMMITTEE ON MASONIC EDUCATION

MOST WORSHIPFUL GRAND MASTER, RIGHT WORSHIPFUL GRAND LODGE OFFICERS, MOST WORSHIPFUL PAST GRAND MASTERS, WORSHIPFUL APPOINTED GRAND LODGE OFFICERS, WORSHIPFUL MASTERS, AND BRETHREN OF THE GRAND LODGE OF KENTUCKY, FREE AND ACCEPTED MASONS:

Your Committee on Masonic Education encourages all lodges to take advantage of the educational resources on hand at the Grand Lodge of Kentucky. Please consider purchasing these resources for your members and inform them that they may purchase their own.

The committee would like to express our appreciation to our Most Worshipful Grand Master Patton R. Hart and the Grand Lodge Officers for assisting and supporting us with the eleven Masonic Leaders Educational Programs during this Masonic year. We encourage and recommend each lodge across the Commonwealth of Kentucky to continue their support of this valuable program in the future. We believe this Educational Program will improve the quality of leadership and performance inside our lodge halls. We believe this to be the one of the greatest resources for Freemasonry in Kentucky. Therefore, we encourage the Masters, Officers and all members of each subordinate lodge to implement this leadership training in their lodges. We the committee on Masonic Education would also like to thank all the presenters and especially the District Deputy Grand Masters of each District for assisting us in obtaining the host sites including, Lodge Halls Consistories and Temples in order to present this year's program.

Members of this Committee have traveled across the Commonwealth this past year to assist subordinate lodges in promoting and disseminating Masonic Education and providing programs for our fellow brethren. We would like to thank each lodge for inviting us to speak and for the hospitality and fellowship we received during each visit. We recommend that each lodge take advantage of the availability of future members of this committee to perform and assist with educational programs within your lodges. We encourage

each lodge to refer to the *Book of Constitutions* in order to make sure that it is being followed and that the members of our lodges understand that it overrides any current subordinate lodge By-Laws if they are inconsistent with the Constitution.

We recommend to each lodge to have Masonic Education at all stated meetings and to be more concerned and involved in Kentucky Freemasonry. We encourage and recommend that each lodge take seriously the teaching of our proficiencies. Many times, we see the proficiencies not being done completely. Please read the *Book of Constitutions* (sect. 135-137).

We recommend that subordinate lodges use and follow only the books and rituals approved by this Grand Lodge found in the *Book of Constitutions* page 55.

The Committee wishes to take this opportunity to thank the Most Worshipful Grand Master, Patton R. Hart for allowing us to serve the craft of the Commonwealth for 2005-2006.

Prayer by Brother Reggie Paschall, Grand Chaplain.

The Memorial Service

Sunset and Evening Star, and one clear call for me! and may there be no moaning of the Bar, when I put out to sea, but such a tide as moving seems asleep, too full for sound and foam, when that which drew from out the boundless deep turns again home.

Twilight and Evening Bell, and after the dark, and may there be no sadness of Farewell, when I embark I hope to see my Pilot face to face when I have crossed the Bar.

We have lost by death 1,532 during the past year.

We have had no loss to our Grand Family this year.

COMMITTEE ON COMMUNITY RELATIONS

MOST WORSHIPFUL GRAND MASTER, RIGHT WORSHIPFUL GRAND LODGE OFFICERS, MOST WORSHIPFUL PAST GRAND MASTERS, AND FELLOW MASTER MASONS:

The Grand Lodge Office, led by our Grand Master, Patton R. Hart, recognized the importance of establishing good relationships between the Fraternity and the communities where our Lodges are established. Many Lodges throughout this Jurisdiction have answered the call and have created programs that have forged relationships between the two, which will benefit both Community and Lodge in years to come.

The efforts of our Lodges, often with the assistance of our "Fraternal Family," produced many beneficial endeavors that have helped make a difference in our communities. Grand Master Hart also proclaimed August 1st to September 15th "Masonic Community Awareness Days" where many community activities will be highlighted. Recognition of the activities will be announced at the Grand Lodge Session.

The Committee wishes to thank our Grand Master for the opportunity to serve the Grand Lodge during his term of office, and we will report final activities at the Annual Communication.

FINAL REPORT

The Committee met during the Grand Lodge Session to determine the award for the Lodge who exhibited good Community relations. All four Lodges who submitted their

activities are to be commended for their programs, and they were:

Rush Lodge raised \$1100.00 from a bean dinner prepared by the Lodge and Rush Chapter Order of the Eastern Star and donated the money to the Norton Branch Volunteer Fire Department.

Leitchfield Lodge held a Family Night and presented a scholarship to a deserving student in the community, and also presented service pins to 50 and 60 year Lodge members.

Several Lodges in Northern Kentucky raised money to build a Masonic Family float to participate in parades in their area. Although this endeavor was done through the efforts of several lodges, it spread a positive view of Masonry in Northern Kentucky

The plaque for the best community relations program was awarded on Tuesday to Jeffersontown Lodge No. 774, who performed many activities having positive impact in the community. The Lodge members and their families paraded at the Gaslight Festival, then opened their Lodge to the community during the Festival and had an exhibit featuring mementoes of their 100 years as a lodge, had a diaper changing station, sold sandwiches and soft drinks; the proceeds going to projects in the community, provided free restroom facilities, and seating to allow people rest stops between activities. The lodge also provided Middletown Lodge space to set up a pitching machine used as a fundraiser for their lodge. As you can see, the lodge covered many facets of community service and brotherly love in the city of Jeffersontown, and are to be commended for their efforts.

The committee would like to thank Most Worshipful Grand Master Patton R. Hart for allowing us to serve the Grand Lodge of Kentucky, and for your efforts to make the Lodges more visible in the community. I also note that David Hibbitts was ill and unable to attend this session, and we wish him a speedy recovery and thank Joe Ed Tracy, Grand Junior Deacon, for assisting us in our selection.

COMMITTEE ON DISASTER RELIEF

MOST WORSHIPFUL GRAND MASTER, RIGHT WORSHIPFUL GRAND LODGE OFFICERS, MOST WORSHIPFUL PAST GRAND MASTERS, RIGHT WORSHIPFUL PAST GRAND OFFICERS, DISTINGUISHED GUEST, AND BRETHREN ALL:

Upon the destruction of the gulf coast due to hurricane Katrina, Brother Joe Fred Thomas found in his heart the need for aid to a lodge that had been destroyed by the hurricane. Brother Thomas brought his idea to district ten and after reading off the list of

destroyed lodges provided by the Grand Secretary of the Grand Lodge of Mississippi to each of the lodges in the district, the members of the district chose to adopt Diamond Lodge No. 393, a thirty six member lodge who had no insurance, in the small fishing town of Pearlington Mississippi located at the mouth of the Pearl River.

The Severity of the damage to Diamond Lodge as reported by the lodge Secretary was that twelve to fifteen feet of water had stood in the lodge for approximately three weeks. The lodge furnishings were destroyed or covered with either mud or mold.

The relief ball began to roll when in November 2005, Goshen Lodge No. 503 elected to contribute to the Diamond Lodge relief fund. Also contributing to the relief fund were forty four lodges, Eastern Star Chapters, Shrine Clubs, The Order of the builders and The Sons of Solomon.

On February 14, 2006 a delegation of Kentucky brothers in support of brother Thomas traveled to the annual communication of The Grand Lodge of Mississippi. Those brothers were Grand Junior Warden H.M. Forrester, Past Grand Master Carroll Curtis, Brother James David Holcomb, Chairman of the Committee on Credentials (PM Neel No. 833), Brother Jason L. Holcomb, Chairman of the Disaster Relief Committee (PM Neel No. 833), and Brother Mike Knight, Master of Washington Meredith Lodge No. 355. We presented to Brother Barney Bennett, Master of Diamond Lodge No. 393 and Brother Stanley Joe Hamilton, Past Master of Diamond Lodge No. 393 a check in the amount of \$5,525.00 for their aid and relief. Also presented to Diamond Lodge was a copy of our lives rule and guide, the Holy Bible signed by members and visitors of Goshen Lodge No. 503 and the Society of Southern Kentucky Past Masters held at Austin Lodge No. 847. Our Masonic working tools were presented on the behalf of Graham Lodge No. 208. The Gavels were hand made by Brother Don Ring of Graham Lodge No. 208. Kentucky quarters stamped with the square and compass were presented on the behalf of Brother William Henry Carver of Graham Lodge No. 208

The Kentucky delegation and forms of charity were welcomed with open arms in appreciation. After all presentations were made the Kentucky representatives were thanked by a standing ovation with not a dry eye to be found, by acclamation all were elected to Honorary Membership of the Grand Lodge of Mississippi. It is with honor that I present this the report of the Disaster Relief Committee. I want to thank you Grand Master for the honor and privilege to serve you and this Grand Lodge and I humbly appreciate this appointment.

Respectfully submitted and fraternally thine,
Jason L. Holcomb (833) Chairman

COMMITTEE ON SPEAKERS BUREAU

MOST WORSHIPFUL GRAND MASTER PAT HART, GRAND LODGE OFFICERS, PAST GRAND MASTERS, DISTINGUISHED GUEST, AND BRETHREN:

We the Committee on Speakers Bureau respectively submit the following report. This Committee wishes to thank the Grand Master for the privilege and honor of serving the Grand Lodge on such an important and valuable committee.

We have made ourselves available to any lodge upon request at any time. We appreciate and thank the lodges that did request this committee. We hope that it was a beneficial and enlightening experience.

We believe it is very important for every lodge to have at least two meetings per year to invite non-masons to a delicious meal and hear a speaker that is well versed in our wonderful Masonic heritage. At these meetings non-masons can learn how long Masonry has been in existence and about our famous past members from all walks of life (presidents, movie stars, statesmen, inventors, military heroes and astronauts) and what we stand for and believe in. Yes, Masonry has even put men on the moon! We have a bright and shining light and we need to let it shine for the entire world to see.

Every one of us knows someone in our circle of friends and relatives that would make a good Mason, and we all know that we cannot ask them to join. However, we can invite them to one of these meetings. I am proud to report that my own lodge hosted such a dinner and I was honored to be one of many speakers helping to explain our great heritage.

We also showed a portion of the movie "National Treasure." Thirty-one non-masons were in attendance and when the meeting was over they toured our beautiful lodge hall and nineteen new petitions were signed due of that one meeting. Brothers, it does work! Also, to encourage the spread of the great word of Masonry we must continue to educate our present members who can also share the passion of this wonderful Fraternity.

The Speakers Bureau is a valuable resource for all lodges to use. Brothers, within our great Fraternity there is much untapped knowledge waiting to be shared. We have an abundance of great men in all four corners of the Commonwealth willing to share their knowledge of Masonry, so please take advantage of these members. All you have to do is knock and the door will be open unto you.

In closing Brothers, I wish to say that I love our Masonic Fraternity and respect each and every one of you. There are principles that I have learned through the Masonic Fraternity that I try to live by. I believe that it is important to know where you are going and what you are leaving behind. I believe everyday we should get down on our knees and thank God we are still on our feet. I also believe people don't care how much you know, but they know how much you care.

There are three words that I believe are very important that we should remember in our everyday lives; pain, misery, and pride. Pain is an inevitable experience that is a part of life. Misery is optional; it is our choice to be miserable or not. Pride is essential. We need to take pride in our Fraternity and pride in our lodges. Whenever there is work to be done step up and be proud to do it. Be more than just a member; be a participant, a promoter, and an encourager of Masonry, and contribute to preserving our heritage.

Stop and think when we are doing degree work or any work in Masonry, we are not just representing ourselves; we are representing our Lodge, our Grand Lodge, and representing three-thousand years of Masonic heritage. Take pride and do the very best you can.

Again we thank Brother Pat Hart for this honor. This is the greatest Fraternity on earth, and I am proud to be a member.

Thank you
Cecil Cassady, Chairman
Bowling Green Lodge No. 73

REPORT OF THE COMMITTEE ON JURISPRUDENCE

Robert W. Davenport, PGM, Chairman

TO THE MOST WORSHIPFUL GRAND MASTER PATTON R. HART, MOST WORSHIPFUL PAST GRAND MASTERS, ELECTED AND APPOINTED GRAND LODGE OFFICERS, DELEGATES AND BRETHREN OF THIS 207TH ANNUAL COMMUNICATION OF THE GRAND LODGE OF KENTUCKY, FREE AND ACCEPTED MASONS.

The opinions and motions to accept or not accept any actions or Recommendations of our Most Worshipful Grand Master are being made on unanimous opinions and motions of your Committee on Jurisprudence. We firmly believe that our Grand Master has worked very hard this past year and made decisions and recommendations based on truth, honor and virtue. The following report does not contain anything of a personal nature toward the Grand Master, any Brother or Lodge or toward our Great Masonic Fraternity.

DECISION RENDERED BY GRAND MASTER, PATTON R. HART DURING INTERM (Grand Master, Patton R. Hart) REINSTATEMENT OF BROTHER JACK HODGES WITH BOWLING GREEN LODGE NO. 73

An inquiry was made to me about Brother Jack Hodges and his membership reinstatement status with Bowling Green Lodge No. 73. A Committee appointed by the Master of Bowling Green Lodge No. 73 requested an opinion on this matter.

My decision was based upon this matter in reference to the Masonic Law in our *Book of Constitutions* of the Grand Lodge of Kentucky (1976 edition). In review of Section 88 of the Constitution, it stated that suspension or expulsion from any lodge shall suspend or expel him from every lodge with which he may have affiliated in this Grand Jurisdiction, and reinstatement may only be made by the lodge that first suspended him, and upon his reinstatement in that lodge, he shall automatically be reinstated in all lodges with which he may be affiliated, providing he has paid his indebtedness to such other lodges.

After acquittal on the charges that caused the expulsion of Brother Jack Hodges from his membership in several lodges and the fraternity, he should have been automatically

reinstated in Bowling Green Lodge No. 73 and other lodges that he was affiliated with at the time he was restored to membership in our Grand Lodge. This matter should have been resolved more than 25 years ago. As Grand Master, I also consulted several scholars of the Masonic Constitution about this matter and they concurred and supported my decision. It is my opinion that this issue of the past should be laid to rest and make a wrong become as right as it can be at this time. I believe that my decision is justifiable based upon the review of the Masonic Law in the aforementioned Constitution.

(Robert W. Davenport, PGM Chairman, Committee on Jurisprudence)

We your Committee on Jurisprudence approve of the action of our MW Grand Master in the reinstatement of Brother Jack Hodges. We the Committee is of the opinion that the Grand Master should have consulted with the Jurisprudence Committee as is recommended by section 33, 5 of the *Book of Constitutions*, this meeting didn't happen. We the committee are of the opinion that section 101 of the *Book of Constitutions* 12th edition known as the 1995 edition should have been used instead of the 1976 edition. I make a motion to approve this action of the Grand Master.

MOTION

The motion was duly *seconded* and *approved*. The Action taken by the Grand Master was *approved*.

GRAND MASTERS RECOMMENDATIONS

Recommendation No. 1

"I recommend that a feasibility study be conducted for the nature, purpose and viability of distributing future proceedings of annual communications via Compact Disc (CD) format but also published in book format as previously done in the past upon request. Interested parties would have the option to print out a set of proceedings for their archives as well as retain the CD for historical purposes. Interested parties could also obtain a printed hardcopy bound book at reasonable cost as well. This process would eliminate huge printing and production costs for our Grand Lodge by utilizing this recommended option."

Recommendation No. 1

(Chairman, Committee on Jurisprudence)

"We the Committee on Jurisprudence agree with the Recommendation, but since costs are involved we make a motion that the Recommendation be referred to the Finance Committee.

I make that motion."

The motion was duly seconded and adopted. This item is referred to the Committee on Finance.

Recommendation No. 2

"In regards to one of the processes with a Masonic trial, it is recommended that the Grand Master designates and authorizes the Chairman of the Trial Oversight Committee to determine the date, time and place of a Masonic trial in his particular area after proceeding through the appropriate channels. The chairman should consult with the Grand Master and the Grand Secretary regarding the logistics of the legal

matter. The reasoning behind this recommendation is that there are a variety of demands upon the busy schedule with the profession of lawyers in serving on the Trial Oversight Committee. It would be of the best interest of the fraternity to permit the chairman of the committee to consult with the committee members in determining an appropriate time instead of the Grand Master just setting a trial date without prior knowledge of their professional schedules. The Grand Master would still have the ability to make appropriate recommendations to the chairman regarding the date, time and place of the Masonic trial.”

Recommendation No. 2

(Chairman, Committee on Jurisprudence)

“We the Committee on Jurisprudence fully understand the present problems.

The *Book of Constitution* Trial Code and Discipline, Sec 4, 3a, and 5 will have to be amended or rewritten. For approval of Recommendation No. 2, we, the Committee on Jurisprudence cannot recommend approval until Sec. 4, 3a, and 5 be amended.

I make that motion not to adopt Recommendation No. 2.”

The motion was duly seconded and adopted. The recommended was not approved.

Recommendation No. 3

“It is recommended that the Master and future Masters of our Subordinate Lodges to attend an entire Masonic Leaders Educational Conference and/or graduate from the Masonic Leadership Academy with the Grand Lodge of Kentucky prior to serving or completing their term of office as Master. These essential programs are geared to enhance the leadership, administrative and educational knowledge of lodge leaders in Kentucky.”

Recommendation No. 3

(Chairman, Committee on Jurisprudence)

“It is the opinion of the Jurisprudence Committee that each newly installed Grand Master has his own plans for Education during his term in office. The Committee on Education was extended from three members to five members at the 206th Annual Communication. With each newly installed Grand Master and a committee of five Brothers each year, it is the opinion of this Committee not to adopt this Recommendation.

I make the motion not to adopt Recommendation No. 3.”

The motion was duly seconded and adopted. The recommended was not approved.

Recommendation No. 4

“It is essential that a foundation should be established to ensure the financial stability and continued operation of the implementation with the National Masonic Model Student Assistance Program in Kentucky. Kentucky Freemasonry started its quest this Masonic year to train teachers, educators and staff of our schools to be more proactive in identifying children at risk with the issues of peer pressure, drug abuse, alcohol abuse, violence in schools and other tough and difficult issues confronting the children of today. It is a win-win situation for the good of Freemasonry. The program generates a positive perception of the Masonic fraternity in the eyes of the community especially with the adults of our school systems as they have a greater appreciation and respect of the Masonic fraternity with their contribution in helping young people become more productive citizens for the future. It is also hoped that these adult men and women perhaps will seek further knowledge and consider membership opportunities through the Family of Freemasonry. I recommend that one half of the proceeds

raised in the recent fund-raising greeting card program appeal to be used in establishing the funding of an initial foundation for the National Masonic Model Student Assistance Program in Kentucky.”

Recommendation No. 4

(Chairman, Committee on Jurisprudence)

“We your Committee on Jurisprudence agree that a Foundation should be established.

With the Foundation being funded with money, we refer this to the Finance Committee.

I make this motion.”

The motion was duly seconded and adopted. This item is referred to the Committee on Finance.

Recommendation No. 5

The youth of today is our future. A greater emphasis and interest should be demonstrated by Kentucky Masons to ensure the future of our great fraternity. The future and solution to our membership concern lies in the palms of our hands. The time is now that we generate additional manpower and monetary means to ensure quality programming and the development of special recognition for our Masonic youth and the youth of our communities. Therefore, I recommend a .50 cents increase to be assessed in the future on all paying Kentucky Masons with .25 cents to be allocated for programming operations of our Masonic Youth Groups and .25 cents to establish a Grand Lodge Youth Scholarship Program in awarding academic scholarships to deserving youth.

Recommendation No. 5

(Chairman, Committee on Jurisprudence)

“With this Recommendation asking that all paying Kentucky Masons be assessed, we, your Committee on Jurisprudence refer this Recommendation to the Finance Committee.

I make that motion.”

The motion was duly seconded and adopted. This item is referred to the Committee on Finance.

Recommendation No. 6

“I also recommend that our Grand Lodge investigates the feasibility of holding its election of Grand Lodge Officers at the annual communication as it has always done but to install the officers at a designated period in early December to coincide with the term of officers for our subordinate lodges. It will also serve as a period of transition from one administration to a new Grand Lodge administration.

Recommendation No. 6

(Chairman, Committee on Jurisprudence)

“It is the opinion of the Jurisprudence Committee that the Installation and assumption of duties of the incoming Grand Master stay as is. As for a transition period, we the Committee feel that the transition starts with the Brother being elected as Grand Junior Warden. He should be prepared and ready he should not have been a Grand Lodge Officer the previous three years.

I make the motion not to adopt Recommendation No. 6.”

The motion was duly seconded and adopted. The recommended was not approved.

Recommendation No. 7

“I recommend that appropriate ceremonies to honor 25, 40, 50, 60 and 75 years mem-

bership award recipients to be developed and implemented by Kentucky Freemasonry to demonstrate respect, appreciation and an attitude of gratitude to deserving Masonic members for their milestone achievement with the Masonic fraternity. In regards to this recommendation, Kentucky lodges are highly encouraged to recognize Masonic members for 25 and 40 years of service. Lodges with Masonic members who have achieved over 50 years of service should involve Grand Lodge designees to assist with the presentation of these distinguished Masons for their noteworthy achievement with the Masonic fraternity.”

MOTION

A motion was made by the Chairman of the Committee on Jurisprudence to adopt this recommendation. The motion was duly seconded and adopted. The recommended was approved.

REMARKS

**David B. Dibrell, Past Grand Master
Grand Lodge of Texas**

Grand Master, Patton R. Hart called upon Past Grand Master, David B. Dibrell who offered some brief remarks to the Assembly present.

PRESENTATION OF DISTRICT DEPUTY GRAND MASTERS 2005-2006

Hart called the District Deputy Grand Masters present West of the Altar for recognition, and to express his appreciation to each of them for their efforts on behalf of the Grand Lodge during their term of office. There were Twenty-two (22) in attendance and are listed on page 34-35 of these Proceedings.

COMMITTEEMEN

Grand Master, Patton R. Hart also expressed his appreciation for the work of the Committeemen who served the Grand Lodge the past year.

MEMORIAL TRIBUTE Reggie Paschal, Grand Chaplain

Thoughts of death need not be depressing. For the believer in Christ, death is only the means by which we are taken from this world of sin and sorrow into a kingdom of glory and splendor.

*“They have followed our Savior
over the hilltops
beyond our vision
into the valley of peace.
They have followed his teachings in its splendor
as light ever brightened their way,
And in living and serving they’ve come
to the land of eternal Day.
They answer the call of the Master
and entered the Grand Lodge above,
And there in His wondrous glory,
they dwell in His eternal love”.*

In the stillness of this hour we pause to pay a loving tribute to our Past Grand Master of Kentucky, and the Past Grand Masters of other Grand Jurisdictions, and to the Members of The Grand Lodge of Kentucky who have lived a life of service, who have kept the faith and who have now passed beyond our vision into that beautiful land of tomorrow.

We extend sympathy to those who have felt the lose of their loved ones. We pray for comfort to those whose hearts are sad. Strengthen them and give them faith to belive that death is but the beginning of life, the passing into God's eternal Love. May all find comfort from the promise we read from our Holy Bible. *"Be thou faithful unto death, and I will give thee a crown of life"*.

The separation is only for a time for we know if we keep the faith that we, too, will join our loved ones gone before. Let us continue in labors of love and be faithful unto death that we might someday receive from Him that glorious crown of life.

PRESENTATION TO JUNIOR PAST GRAND MASTER

The Junior Past Grand Master, Patton R. Hart was presented his Past Grand Masters Apron by his father and mother Joe A. and Ruby Hart. His Past Grand Masters lapel pin was presented by David E. Carter, PGM.

GRAND MASTER'S ADDRESS
GREGORY C. POWELL
GRAND MASTER

Just over 100 years ago, in a the small community of Clover Bottom, Kentucky, in Jackson County stood the Masonic Lodge of Indian Creek No. 614 Free and Accepted Masons. They received the petition of a man in his late forties and elected him to receive the degrees of Freemasonry. His name was Berry Henderson Powell and I wonder how proud he would be today if he knew that his 2nd great-grandson, Clinton Edward Powell - my father, and his 3rd great-grandson, Gregory Clinton Powell, had followed his path to further enlightenment in Masonry. Could Brother B. H. Powell have ever envisioned that one of his descendants would ever be so honored as to be elected the 197th Grand Master of the Grand Lodge of Kentucky, Free and Accepted Masons? Our family primarily originated from East Central Kentucky within the counties of Clay, Owsley, Jackson, and Rockcastle and from this land my father's family moved to Richmond, Indiana where he met and married my mother, Sandra Kay Williams.

I was blessed to find my wife, Nancy Anne Lyons, within the view of the Washington Memorial in Alexandria, Virginia and we chose the Northern Kentucky region to raise our family and have been blessed with two children, Caitlyn Rose and Garrett Gregory. We now make our home overlooking the same Ohio River near to where my other 3rd great-grandfather resided in Constance, Kentucky, who served his country during the Great War between the States as a 2nd sergeant in Company C of the 23rd Kentucky Infantry.

My Masonic journey has led me from Florence No. 949 to a 13 year service with Petersburg No. 926 where I have been honored to serve as Master twice. I have also had the pleasure of enhancing my membership in the Masonic Fraternity with membership in Fort Thomas No. 808 and Good Faith No. 95, as well as being a Past Master of the William O. Ware Lodge of Research.

As we forge Kentucky Freemasonry into the 21st century and begin our 208th year as a Grand Lodge, we are on the brink of one of the greatest years in our proud heritage. The year 2008 will mark the first time in our Grand Lodge history that we will host not only the Southeastern Masonic Conference, but also the Grand Masters Conference of North America. This is our moment not only to shine as the Grand Lodge of Kentucky, but also to display our pride as being Kentucky Freemasons.

Our goal in the coming year is to build upon the foundation of our forefathers by enhancing the strength of our blue lodges and their visibility within our communities. This will be accomplished through two programs tailored to strengthen our blue lodges with 10 Masonic Leadership Conferences and enhancing our community awareness with a minimum of two National Masonic Model Programs within our Commonwealth.

It is my ardent desire that when a brother within the Commonwealth is asked if he is a Mason, that he would not only reply "Yes, I am a Mason", but that more importantly he would respond "Yes, I am a Kentuckv Freemason!"

Fraternally thine,
Gregory C. Powell
Grand Master 2006-2007

GRAND LODGE CALLED TO ORDER

Gregory C. Powell, Grand Master

Grand Master, Gregory C. Powell excused all non-masons from the assembly, after which he called the Grand Lodge to Order.

CLOSING PRAYER

Robert M. Kinser, Grand Chaplain

Heavenly Father we beseech thee to look upon us today and bless all our new officers and help them in the future with all their terrible hard task we face. Protect them on the many trips that they will be on and watch over their families while they are gone. Thank thee for the divine lights that you have shown on us today and all that was accomplished. As we leave we pray that you will safely guard us on our way home and heavenly Father if it be thy will take those that are in harms way tonight no matter where they are- scattered out throughout the country and world- and guard and protect them until once again they can be at home with their loved ones. Heavenly Father help us live by the square of truth and virtue and at the end of the day we pray that we are brought honor to the Fraternity and glory unto thee. These things we ask in thy holy name. *Amen*
