BIOGRAPHICAL SKETCH OF F. KEITH DREIER Most Worshipful Grand Master Grand Lodge of KY 2007-2008

by

WM. LORENZ, MASTER

Henry Barnes Lodge No. 607, F.&A.M.

When one speaks of "Masonic family", we need look no further than our Grand Master, Frank Keith Dreier, his wife Debbie, and their family for a true definition of dedication, service, and commitment to the Masonic fraternity.

Born June 9, 1954, the son of Frank and Eileen Dreier, in Bonne Terre, Missouri, Keith Dreier received his higher education at Murray State University graduating with a degree in marketing. While visiting a college fraternity brother's home, he met his life long companion and lovely wife, Debbie Barnes Dreier. Through this union of over 30 years, they have raised two sons, Brad and Chris, and daughter Traci.

SPC Brad Dreier is currently in Iraq serving with the United States Army and held various offices in Henry Barnes Lodge before his enlistment. Chris is employed as Director of Corporate Brands with Empire Food Brokers, and with wife Janelle are, as of June 26, 2008, the proud parents of a baby boy, Caleb, making Keith and Debbie highly pleased grandparents for the first time. Daughter Traci is employed in the Sales and Marketing Division of Enterprise Car Rental. Both Brad and Chris were raised by their father to Master Masons in Henry Barnes Lodge, and all three children along with their parents are members of Rosebud Chapter, Order of the Eastern Star. The family attends Lakeside Christian Church.

Brother Dreier was raised a Master Mason on February 7, 1976 in Samaritan Lodge No. 424, by his father, and still holds membership there. Both Keith's father and grandfather were Past Masters of No. 424. A dual member of Henry Barnes Lodge, and expert ritualist, Brother Keith rapidly progressed through the chairs becoming Master in 2003. He also served his lodge as Trustee, and board member of the Masonic Temple Association. His Lodge felt so highly of him, he was presented a 'gold card' life membership, the only current member of Henry Barnes Lodge to be so honored.

With his strong commitment to family, it is only natural that Keith and Debbie would become interested in the Eastern Star, serving as Worthy Matron and Worthy Patron. When Debbie sought office as a Grand Officer, it was always with Keith by her side, encouraging and supporting her in every possible way, until she rose to the top as Worthy Grand Matron of the Order of the Eastern Star in Kentucky. Keith has served on various Grand Eastern Star Committees and currently on the Shrine Hospitals Committee.

In the York Rite, Keith holds membership in both, Ft. Thomas and Temple Royal Arch Chapters, Jeffries Council Royal & Select Masters, and Newport Commandery. In Covington Valley Scottish Rite, he held various offices in both the Rose Croix and Consistory lines serving as Master of Kadosh from 1996 through 1998. He received his Thirty Third degree in 1999, and now serves on the Fraternal Relations Committee, as

well as the 1200 Club Board of Directors. While sitting as Grand Master, Keith presided over the Investiture of Knight Commander of the Court of Honor for the Orient of Kentucky. Lady Debbie is Office Manager of the Covington Scottish Rite.

Other Masonic affiliated organizations include: White Shrine of Jerusalem, Knight Masons of Kentucky, Royal Order of Scotland, Red Cross of Constantine, and El Hasa Shrine. He is also a recipient of the DeMolay Legion of Honor.

It is as a Grand Lodge officer that Keith Dreier made great improvements in Kentucky Masonry. Through his position at the Chiquita Company as Director of Trade in North America, he brought to the Grand Lodge a thorough knowledge of budgets, computer science, and communication skills. Immediately after his election as Grand Jr. Warden, he began an 'open door' policy with the Craft, building an unparalleled trust between the Grand Lodge and the craft, advising the craft of financial needs and putting into practice cost savings plans. He opened himself to any and all questions, and answered them forthrightly. Keith conducted a major overhaul on the Grand Lodge computer system, making it more responsive equally to Grand Lodge, subordinate lodges, and individual Masonic needs. Our Grand Master is responsible for the "Fruit of our Labors" program which raised approximately $90,000.00 for our brother masons in the Masonic Home and appointed Keepers of the Work to help lodges in need of ritual assistance. Ritual being so dear to his heart, he along with the Grand Lodge officers, presented the three degrees in various parts of Kentucky, in a manner worthy of imitation, and utilizing the "Barnestormers" from his own lodge for the 'Legend of the Temple'.

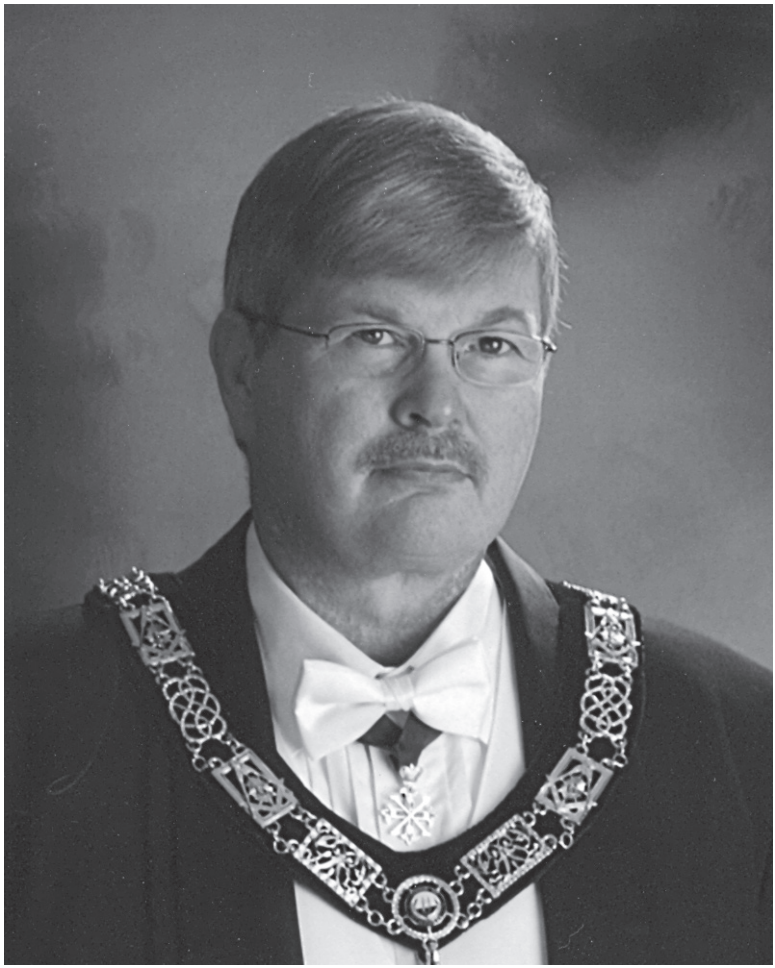

During all of this, he found time to graciously host both the North American Conference of Grand Masters, and the Regional Southeastern Grand Masters Conference, thus putting Kentucky Masonry in the hearts, on the minds and lips of Masons throughout the United States, by showing them real Kentucky hospitality, and true Kentucky Freemasonry.

Keith Dreier's popularity with the craft is well earned and so recognized with numerous honorary memberships, of which he is most proud and grateful. In a few short years, Kentucky Masonry may forget what Keith Dreier has done for them, but the programs, works, and deeds he has brought to Kentucky will live on for many years to come. - Well done, Keith Dreier, well done!

GRAND CHAPTER OF KENTUCKY
ROYAL ARCH MASONS

Don Powell, Past Grand High Priest

TO THE MOST WORSHIPFUL GRAND MASTER, MOST WORSHIPFUL PAST GRAND MASTERS, GRAND LODGE OFFICERS, DISTINGUISHED GUESTS,

MY BRETHREN ALL:

On behalf of the Most Excellent Grand High Priest, Jeff Ritchie, and the Royal Arch Masons of Kentucky, I bring you fraternal greetings.

My name is Don Powell and I am a Master Mason. I was raised to the Subline Degree of a Master Mason in November, 1973 in Stanton Lodge No. 352 in Stanton, Kentucky. I later served as Master and still later served as District Deputy of my District. I am a member in both the York Rite and the Scottish Rite. I am the Jr. Past Grand High Priest of the Grand Chapter of Royal Arch Masons of Kentucky.

I want to talk to you this morning about our beloved Fraternity. I love my Masonry. Masonry has been so good to me.

Freemasonry started as Operative Masonry. Stonemasons who performed their daily tasks of building massive structures in stone. They are responsible for many ornate and beautiful buildings and temples of ancient times.

Our legend or History starts at the building of King Solomon's Temple. However, many scholars and historians think that Operative Masonry began long before this.

Freemasonry today, is called speculative Masonry. The modern day Mason is a Mason of the heart, mind, and spirit. It is the inward qualifications of a man and not the outward that make a man a Mason. We wear an Apron over our outer garments before the world, which is our connection to the ancient stonemasons. But most especially, it is the Badge of a Mason.

Speculative freemasonry came into being with the formation of the Mother Grand Lodge of England in 1617 A.D. However, written records have been found dating as early as 1390 A.D. Masonry came to the United States a little over 200 hundred years ago and has evolved into the Fraternity we have today.

In Kentucky our membership exceeds 53 thousand Masons. We come from all walks of life, but when we enter the Lodge we are all on the same level, regardless of our station in life. At our meetings Brotherly Love and Friendship are the Dominating force. We are brothers.

We are not a Religion. Freemasonry does not provide Salvation. Nothing in our teachings, laws, rules, or edicts will save your soul or get you in heaven. However, our Fraternity is Bible based. We never open a meeting without the open Bible displayed. A man must have a belief in God or he does not enter. I will say this, in my opinion, if a Mason lives up to the Masonic teachings, he will be inclined to be a member of a Church or Group in his community that worships God. He will stand out as being a good citizen and a man respected by his peers.

Freemasonry teaches the Equality of man and the value of Brotherly Love, Relief, and Truth. Faith, Hope, and Charity are the excellent tenets of our institution. Masons around the world today contribute to and support more charitable organizations than any other organization. We support research in many different areas in the Medical fields, from Autism to heart and cardio vascular. The influence and impact that Freemasonry has on the world today is vast.

Some have said that we Devil Worshipers. Some have said that we are a Social Club. Some have said that we are a Religion. Some have said that we are a Secret Society.

I say nay, to all the above, We are a Brotherhood, a Fraternity of men who realize that our teachings and precepts are established for the purpose of making "good men better".

In short, Freemasonry teaches the Brotherhood of man under the Fatherhood of God.

We are not a Secret Society. Masons proudly wear the Masonic Insignia of the Fraternity. The location of our Lodges is well known.

We believe in Charity. Masons support and provide homes for the elderly and for orphans. We provide scholarships for promising young men and women. We contribute to blood banks, fund medical research, and maintain Hospitals for crippled and burned children . . . Pretty awesome when you stop and think about it. If it sounds like I'm bragging, well, I guess I am. I'm proud to be a small part of such an organization.

I guess there's no secret to what we believe.

We believe in God.

We believe in The Brotherhood of Man.

We believe in service to those less fortunate.

We believe in helping young people get a head start in life.

And, We believe in Freedom.

Masonry continues to work and exist around the world today. I encourage everyone here this morning to study and learn more about our Fraternity. Knowledge is Power, and Knowledge, destroys the darkness of ignorance.

Brethren, thank you for your patience and attention. Most WORSHIPFUL Grand Master Keith, thank you for giving me this time to speak on one of my favorite subjects, Masonry.

GRAND CHAPTER OF KENTUCKY
ORDER OF THE EASTERN STAR

Diana Ford Gilroy, Worthy Grand Matron

MOST WORSHIPFUL GRAND MASTER, PAST GRAND MASTERS, OFFICERS OF THE GRAND LODGE OF KENTUCKY, DISTINGUISHED GUESTS, AND FRIENDS:

What an honor it is for me to bring you Greetings on behalf of the Grand Chapter of

Kentucky Order of the Eastern Star. Two days ago, I was installed as Worthy Grand Matron; and this is my first Official Duty for the year. My Mother, Ermaline Ford, a Past Grand Matron of KY and I certainly enjoyed attending the Banquet last night. If all of my duties are as pleasant as this, it will be a very enjoyable year. Brother Keith, your Worshipful Grand Master, is one of our members. As a matter of fact, I've seen many of my Eastern Star Brothers and Sisters here.

The Eastern Star is the largest fraternal organization in the world to which both men and women may belong. As you know, we are not a part of your Ancient Institution but we are related by the dearest ties. I am proud to say that I am the daughter of a Master Mason.

When my Dad was installed as Worth Grand Patron in 1966, he stated that his Dad, who was also a Mason, was the best man he ever knew. I may not know your ritual or your modes of recognition, but I believe that I saw the lessons you teach in the lives of these two men who were and whose memory still is so dear to me.

From them, I learned that honorable men keep their word, that they treat everyone with respect regardless of their status or lot in life, that they love and encourage their families and friends and that helping the helpless comes from genuine concern for others. I've seen those same traits in those of you that I know.

Brother Keith, you and I met in 2000 when we were both working at Grand Chapter. I thought you were a good man then and the years since have just confirmed my opinion. You and Sister Debbie have helped me when I needed it. Thank you both. I wish for you a most successful Session that will be the "icing on the cake" of a truly successful year for the Grand Lodge of Kentucky Free and Accepted Masons. Thank you so much for attending my installation. It meant a great deal to have you there expecially since I was aware that you had co many other things that you probably needed to be doing to prepare for this Communication.

Herman Forrester, Deputy Grand Master, I want to thank you also for attending my installation. It was a wonderful surprise when I saw you arrive because I knew that you had other things that needed you attention. I plan to attend the Installation to be held on Tuesday. I am looking forward to working with you and the Grand Lodge of Kentucky during the coming year.

Thank you, Most Worshipful Grand Master for this courtesy. It has been a privilege to be here and extend "Fraternal Greetings" and the hand of friendship from the Grand Chapter of Kentucky Order of the Eastern Star.

MASONIC YOUTH GROUPS OF KENTUCKY

ORDER OF
RAINBOW FOR GIRLS

Miss Jodie Cox, Grand Charity

MOST WORSHIPFUL GRAND MASTER, GRAND LODGE OFFICERS, AND MEMBERS OF THE GRAND LODGE OF KENTUCKY:

I am here this morning to being greetings from our Grand Worthy Advisor, Miss Rachel Pickett, of the International Order of The Rainbow for Girls. On behalf of our organization, I would like to say that I am very honored to be here. I would like to say that we all greatly appreciate the love and support that you have given our beautiful order. And am looking forward to working with you in the years to come.

Our Grand Worthy Advisor has been hard at work, planning and choosing her state service project; this year's selection is the Alzheimer's Association. This worthy cause is very close to our Grand Worthy Advisor and our state, because she and many members of our order have been touched personally by the loss of a loved one. At our Annual Fall Leadership Conference, Miss Rachel shared her story and introduced the girls to this disease, explaining how it affects millions across our country. She has asked every assembly in the state to hold at least one fundraising event for the Alzheimer's Association, and that every girl participate in a Memory Walk if it is possible for her to do so.

Over the summer, our Grand Worthy Advisor traveled to Chicago for our Supreme Assembly. Many of our Rainbow Girls had the opportunity to go with her. We attended meetings and went sight seeing. During our visit we were introduced to the GO RAINBOW program. This program is set up to get the wonderful teachings of Rainbow out there. I am looking forward to your continued support as our organization grows.

I would like to give a special thank you to our Most Worshipful Grand Master, Mr. Keith Dreier. We would like to thank you for doing all that you can to keep all of the Masonic Youth Groups in the main front. And for supporting us with everything we have accomplished because of that.

Again, I would like to say that I am honored to be here with you all, and am thankful for you hospitality last night as well. I am looking forward to seeing you in the future at our Grand Assembly, which will be held at The Scottish Rite Temple here in Louisville in June. Thank You.

The first contribution from the newly created Grand Lodge of Kentucky Youth Fund in the amount of $8,559.17 was presented to the Order of Rainbow Girls by Grand Master Dreier following her remarks.

INTERNATIONAL ORDER OF JOB'S DAUGHTERS

Miss Whitney Koontz, Past Honored Queen

Good morning. My name is Whitney Koontz and I am a Past Honored Queen of Job's Daughters Bethel 18 here in Louisville, Kentucky but today I am here to represent all of the young women, in Kentucky, who belong to Job's Daughters International, which was formerly known as the International Order of Job's Daughters. I bring you greetings from these young women and everyone involved with their respective Bethels.

I'm both honored and pleased that I've been asked to speak to you on behalf of Job's Daughters. I assume that many of you are acquainted with our order but I also realize that some of you are not. For those of you who are unfamiliar with Job's Daughters I will begin by telling you a little bit about whom we are and what we are about.

Job's Daughters is a masonically affiliated international youth organization for young women between the ages of 10 and 20 who are related to a Freemason in good standing. Simply stated, one of our rules requires that there be a Mason in our family. Most often he is either a father or a Grand-father but he may also be a brother, a step-relative, an uncle, a great uncle, or even a cousin. He may even be deceased, as long as his Masonic affiliation and good standing can be documented.

Like symbolic masonry, Job's Daughters International is a social order dedicated to helping its members to become better, happier, and more spiritually fulfilled persons. It is up to each young lady to take the lessons from our ritual work and apply them to the lives that we lead. Along the way, through our involvement with Bethel and the various offices that we hold, we also develop personal values and social skills that will serve us well throughout our lives.

I am sure that many of you are aware that our organizations share a lot in common but it is my opinion that we share much more in common that you think. Yes, it is true that we derive our Masonic heritage from you. Yes, it is also true that like all Masonic bodies we both are involved in raising money for charities. But what I am talking about goes much deeper that these things. What I am talking about are our shared values and reasons for existing. I truely believe that the founders of our organizations felt that the noble principles that are at the core should guide us in our day-to-day lives as we interact with others. These core principles that define who we are deal with much more than the places where we meet, the meetings that we hold, and the ritual that we recite. They are about a dedication to qualities that make us better persons and neighbors. For we are not only Job's Daughters; we are also *your* daughters; *not* just through family ties but philosophically and spiritually too.

As I have said, we share much in common. The success and future of any organization, more expecially yours and mine, depends upon its ability to recruit new members and pass the proverbial torch to those who will come after us. Just as you recruit new members and will eventually pass on the torch of your organization to others, Job's Daughters

must also recruit new members so that we too can pass on our torch to them. It is because of this and all that we have in common that I believe that our organizations must work together, supporting one another as much as we can, whenever we can. It is important that we all do what we can to make sure that the circle remains unbroken. Though our numbers have dwindled from what they once were and many of our Bethels in Kentucky have folded I remain optimistic that, with your help, we can turn things around, grow our membership, and revive our inactive Bethels. There are currently two active Bethels remaining in Kentucky. Both are working very hard to remain active and attract new members. Thanks to some od you here today, my Bethel has grown steadily over the past few years and at the present time it continues to grow. I am proud to say that for the first time since our Bethel has been reactivated we now have enough active daughters to fill every station at one of our meetings. But despite our growth we also realize that our work is never ending and if we are to survive and thrive we cannot afford to dwell on our past accomplishments. The future of Job's Daughters depends on our continued ability to seek out and attract new members and regardless of differing opinions on the matter; our organization must restrict our recruiting efforts to within the Masonic family. This is why we look to you for the help that we sometimes need.

Many of you here today probably know a young lady who might enjoy being a part of Job's Daughters. She might be your daughter, grand-daughter, niece, or even a cousin. She might be a step-relative or even a neighbor's daughter who is somehow related to a mason in good standing. Whoever she is, I'm asking you to talk to her, and her parents if necessary, about Job's Daughters/ Let them know that there is an organization for a girl that is founded upon the same principles and values as symbolic masonry. Let them know that there are girls their age who are having fun, working together, and making a difference in their lives and in the lives of others. Better yet, become involved with Job's Daughters and see for yourself how these young girls grow personally and spiritually as they become young women. You'll be glad you did.

Thank you!

ORDER OF
THE BUILDERS

(introduction by Danny Rutheford, Supreme Master Builder of Kentucky)

MOST WORSHIPFUL GRAND MASTER, MOST WORSHIPFUL PAST GRAND MASTERS, RIGHT WORSHIPFUL ELECTED GRAND LODGE OFFICERS APPOINTED GRAND LODGE OFFICERS, DISTINGUISHED GUEST, MY BROTHERS ALL:

Good morning, I am Danny Rutheford Past Master of Graham Lodge No. 208, and Loving Lodge No. 323, and more that I am honored to serve the Supreme Council for the Order of the Builders as Supreme Master Builder of Kentucky. The best thing about being Supreme Master Builder is that you get to introduce the Grand Master Builder of the Order of the Builders, my son Ryan Rutheford. Ryan is a 16 year old Junior at Allen County Scottsville High School. He is a member of the Fellowship of Christian Athletes, and Pep Club, and now Grand Master Builder 2008-2009 Ryan Rutheford.

Mr. Ryan Rutheford, Grand Master Builder of Kentucky

MOST WORSHIPFUL GRAND MASTER, MOST WORSHIPFUL PAST GRAND MASTERS, RIGHT WORSHIPFUL ELECTED GRAND LODGE OFFICERS, APPOINTED GRAND LODGE OFFICERS, DISTINGUISHED GUEST, MASTER MASONS, FELLOW BUILDERS:

Good morning on behalf of the Order of the Builders of the Commonwealth of Kentucky I say thank you for allowing me to address you at the 209th Kentucky Grand Lodge Annual Communication. The Builders are an organization I have belonged to since I was eleven. The Builders have taught me leadership skills, given me the strength to address bodies such as this, and helped me work with organizations such as Big Brothers Big Sisters, and the Center for Courageous Kids. The Builders are still a fairly new Masonic Youth Group, and as we continue to grow, we hope that your Lodges will want to charter Chapters to help us grow. Any information on the Builders can be found on our web page at *www/kybuilders.org*, feel free to ask yourself, or any member. Thank you for the support in the past, and for the support in the years to come. If there is ever anything I, or any other Builder can do to help your Masonic Lodge please fell free to call on any of us. Someday I hope I too can be out there with you as a representative of my home Lodge as a Master Mason. Thank You again for all you do for us.

The first contribution from the newly created Grand Lodge of Kentucky Youth Fund in the amount of $2,087.60 was presented to the Order of the Builders by Grand Master Dreier following the Grand Master Builder's remarks.

ORDER OF
DEMOLAY IN KENTUCKY

(introduction by William G. Hinton, PGM, Executive Officer in Kentucky)

STATE MASTER COUNCILOR

Mr. Matt Wemes

MOST WORSHIPFUL GRAND MASTER, KEITH DREIER, DISTINGUISHED GUESTS, FRIENDS, FAMILY:

On behalf of Kentucky DeMolay I would like to thank all the Masons of Kentucky for their support and devotion that they have poured onto the Masonic youth organizations. Masons across the state have been a key part of DeMolay, whether that are the chapter advisors who hold the chapter together, or the simple go to guy when a chapter needs something. What we gain from the Masonic leaders is passed down to our own leaders in DeMolay. Our teachings in DeMolay are based on the Masonic ideals of fidelity and we strive to better ourselves as youth so that when we reach our adult years we may be better men. We have only continued to follow in your foot steps towards bettering ourselves by bettering and encouraging others. While attending many Masonic functions across the state I have found that this isn't only an order for men but a family in which DeMolay and all the Masonic bodies are together as one. And I would hope to think that this is the only way someone could have 50,000 "dads" across the state. Thank you for letting me speak this morning and may you all have safe travels as you begin a new Masonic year. And on

the slogan "Fruits of our Labor" I have picked out a banana costume for the DeMolay Halloween dance this coming Saturday!

Grand Master Dreier informed the State Master Councilor that the first contribution from the newly created Grand Lodge of Kentucky Youth Fund in the amount of $7,014.35 was presented to the Order of DeMolay at the Annual Conclave.

SENIOR PAST GRAND MASTER
WELCOME ADDRESS

Carroll M. Curtis, PGM
(Senior Past Grand Master Present)

MOST WORSHIPFUL GRAND MASTER, OTHER GRAND LODGE OFFICERS, DISTINGUISHED PAST GRAND MASTERS OF KENTUCKY, VISITING BRETHREN AND THE GREAT KENTUCKY MASONS HERE ASSEMBLED:

It is my great pleasure and privilege to welcome you all to this annual communication of the Grand Lodge of Kentucky. Through the kind providence and blessing of God, this is the 51st annual communication of our Grand Lodge that I have been privileged to attend.

Recently, I acquired an audio tape containing several songs. One of them was *There's A Star Spangled Banner Waving Somewhere*, a song popular during World War II. Another was *Dixie*, a great song of the South. These and other songs tell of patriotism, heroism, love of home, belief and determination to do that which is right. Freemasonry teaches us many principles that are right and true. The true success of Masonry comes when we who

have gone through the ceremonies of the order live according to its teachings.

When we consider the obligations and teachings of Masonry, let us contemplate the potential of our beloved order, Never betraying each other, being upright citizens in our communities, standing together in upholding that which is moral and upright, we can and should be a great moral power in our communities and in our Commonwealth.

We are about to undertake the business of our Grand Lodge. I would charge all of us do so in accord with genuine Masonic principles and practice, and not according to emotion alone can sometimes lead down the wrong path. Let us think and act according to genuine principles for the true good of the order.

APPROVAL OF THE MINUTES
OF THE
TWO-HUNDRED-EIGHTH ANNUAL COMMUNICATION
OF THE
GRAND LODGE OF KENTUCKY, F&AM
Joseph R. Conway, PGM, Grand Secretary

"I move the approval of the Minutes of the Two Hundred-Eighth Annual Communication of the Grand Lodge of Kentucky, F&AM as compiled and distributed in the **2007 Annual Proceedings of the Grand Lodge of Kentucky F&AM**".

The motion was duly *seconded* and *adopted*.

KEYNOTE ADDRESS
Johnny D. Onskt, Grand Master, Oklahoma
Chairman, North America Grand Masters Conference 2008
HOW DO WE ATTRACT YOUNGER MEMBERS?

Does everyone remember where you were June 12, 1987 when President Ronald Regan gave the famous speech ***at the Brandenburg Gate West Berlin, Germany. President Reagan said*** "*General Secretary Gorbachev, if you seek peace, if you seek prosperity for the Soviet Union and Eastern Europe, if you seek liberalization: Come here to this gate! Mr. Gorbachev, open this gate! Mr. Gorbachev, tear down this wall*!"

I will always remember that day when President Ronald Reagan told Mikael Gorbachof. "*Mr. Gorbachof tear down that wall" of course in 1989 the wall began coming down and there were beginnings of Freedom* . . . . . Is Mason ready for a progressive science attainable only by degrees? Can Masonry tear down a wall?

I sat around thinking, why do so many young people want that barrier tore down? Maybe because we take for granted that what was yesterday is not today. I believe we will have to philosophically understand and visually understand what there is in tearing down that wall. Can Masonry have anything to offer a young MAN?

Lance Armstrong won the Tour De France 7 straight years and many wondered if an American could win it once. He did it by being in shape, overcoming an illness, and hav-

ing everything in order. I believe our lodges should think about being in shape, have everything in order so they could grown and prosper in 7 years. If we are to have young people come into Masonry they we have to work on thinking about what we do as activities that invite a Young Man to join. Bottom Line, Masonry at the local level is where the action is. That is where will attract our Younger Masons.

Masonic teachings are based on architecture and science. Architects design and guide a plan or understanding. Science is something we learn through experimenting (testing), or understand putting things together. How we put men through the Masonic experience may determine if we are progressing in a wrong direction. Many times "*we are climbing the ladder of success only to find our ladder is on the wrong wall*".

A young man was asked what Masonry could do to get more young DeMolays in Masonry, and the young man replied. "*GROW some HAIR and CHANGE THE COLOR OF YOUR HAIR*." Everyone laughed, but as a young Mason I knew that answer because young people will be candid if asked what Masonry can do to attract young Master Masons. I am not a proponent of Masonry targeting young adolescents, I believe when I joined Masonry at 21 there were a lot of things that just did not make sense. I will never forget my father telling me in the car "*As an entered apprentice, whence come you*"? I saw it in the degree and it was explained to me in the lecture with the help of the stewards. Standing here today I think our Masonic lessons are above a younger adolescent level of understanding. I believe we should evaluate our degrees and the process by which we make a Mason. While I don't mean "change *everything about what we do*" . . . . I am trying to say we need to look at the time of our degrees and the process in which we make a brother become a Mason. I believe the experience should be more than just the degrees or words expressed. I mean have every brother at the front door dressed in coat and tie understanding that the most important thing is the candidate. He must feel welcome and honored in the highest way. If we are to attract young men then we must **wow** them not **vow** them.

I have watched College campuses for years invite people to reunions. The reasons they are so successful is the same reason I expressed to the former Soveriegn Grand Inspector General of the Southern Scottish Rite. These people have a common bond a common interest in each other. They talk about what is current happening and what's going on in their lives. They share stories and fellowship. Believe it or not we learn from each other. Many reunions have become so popular with High School and College Universities that they do it again and again. Now that is not all true because people do things at different times of their lives. Some individuals have children early in life some have children later in life, some don't have any children at all. They must have been smarter than the first two . . . the point here is to attract younger Masons, is to determine if we have anything to offer younger Masons? Second, do we want someone to join and find out that really it's all up to them to make the most of it in their lodge? Finally, does your Masonry have a common bond and interest in the community to attract younger masons?

My advice? **Have Masons know their product**. The average Mason today knows about Masonry, but doesn't know what to say or is not confident about what to say about Masonry. Yes, they give different opinions if they do keep it to themselves, because I don't hear anyone in the public talking about why it is such a privilege to be a Mason. Many

years ago that was the talk about Freemasonry. There was the who's who of community in your local Lodge. We have brought in members, but have lacked the education and knowledge of teaching or mentoring. By missing this step we have allowed men to join and not given them anything for it. Also, we don't know enough to talk to someone because we were taught not to say anything. Many haven't learned enough to say anything so they remain silent and don't bring in any members. Knowing your product is more than just teaching language, it is following the footsteps all things Masonry teaches in your daily life.

Have Masons know WHY Men should join their Lodge. When a child back in the 40's and 50's had toys would they have the same toys as children do today. What did they do for fun, what did they do with their time. They made their own fun, I can just imagine if there were an intendo or a mega screen video game to play with for hours. I can tell you lodges right now if a man who would come to their front door with money and petition signed they would not know what their lodge has to offer other than a 2nd & 4th night a group of individuals come and visit. They would call it an organized meeting of a lodge on a stated meeting night. I would say they are a club, and they have lost their lodge, their fellowship, their ritual, and their organized leaders a long time ago. More importantly they may have lost their WHY in the community. Young men are looking to lead and get involved with a Masonic Lodge that is doing things and if FUN. It's just that simple.

Have Masons look at where they are doing their shopping. Nobody spends enough time looking at what they do and say to people who are not Masons. I mentioned earlier that Universities around the world hold reunions, generally in the fall because it is nice attractive way to being graduating collegiates together with generations that can relate with each other. Masonry takes a young boy or young man and puts him in a social or structured environment and wonders why a 30 or 40 year old doesn't have anything in common with a 60, 70, or 80 year old. Many people are at that different point in their lives. Have lodges that don't become so large no ones knows anybody. Have lodges for like minded people. We generally lead people who live here should join here, and yet that lodge may not be a good fit. Let men find lodges which meet their needs. Bottom line, have masons tell the story about Masonry to everyone, and finally hold tight to their principles and pride, and make it a privilege to become a Mason.

Have Masons Communicate. Masonry should be on every web site every newsletter about what is going on in their community and find their niche in their community and communicate that niche. Have you ever heard a brother Mason say "*My Father or Grandfather never told me about Masonry, I had to ask to join*?" We have that saying in Masonry to ***be ask one*** well a young man would tell you ***to find one is to know one*** . . . . where would I find one? Many people claim they are many things, but who in the community would know you're a Mason? Young men are in communities and are still looking for a Mason? Young men are in communities and are still looking for a common bond. They are all around you! ! ! ! They attend events in community, volunteer in schools and provide you and your family with good and services. Young men are looking for common interest of having time to look inside themselves to become better men. When Masons stand up and give personal convictions and communicate to young people what Masonry has done for them. I believe young men will want to belong to what they thought their

father and grandfather were a part of.

Please tear down that wall and say Masonry has done so much for me and has changed my life. I know you would make a great Mason. Then and only then . . . . . that wall will come down.

In closing the Drive Inn society must prepare for the Drive through society! ! ! ! Young men want what they cannot have. When Masonry gets back to making Masonry a honor and privilege in lieu of bringing in men to make members and not masons, then younger men will make the time because they will. I believe we can say "*Tear down that wall and let young men know that Freemasonry is alive and well and is not a secret our fathers and grandfathers once belonged to*."

Grand Master Ohskt was greeted with a resounding round of applause from the craft.

GRAND MASTER ADDRESS

RIGHT WORSHIPFUL GRAND LODGE OFFICERS, MOST WORSHIPFUL PAST GRAND MASTERS, WORSHIPFUL GRAND LODGE OFFICERS, OUR DISTINGUISHED GUESTS, DELEGATES AND BRETHREN OF THIS 209TH ANNUAL COMMUNICATION OF THE GRAND LODGE OF KENTUCKY:

It has been my distinct pleasure and privilege to serve the Craft of Kentucky this past 12 months as your Grand Master. I hope in some way that I have made a difference in some brother's life and that I have helped promote trust and honor and integrity among the Craft of Kentucky. I submit this report to the Craft of Kentucky relative to my record of service while serving as Grand Master during the year 2007-2008.

WELCOME

It is indeed my honor in extending a warm welcome to each of you, my brothers, for your presence at the 209th Annual Communication. Your presence here only tells us of your commitment to this fraternity and the leadership of your respective lodge. It will be up to all of us to make the right decisions that will mark history as we deliberate on each of the decisions before us at this 209th Communication.

Thank you for being here and making a difference in this fraternity.

STATE OF THE CRAFT

The state of the craft in Kentucky has changed dramatically over the past few years. As I embarked upon this quest in 2004 the primary change that needed to be made in and about the craft and the Grand Lodge Officers was that the "*Us and Them*" that existed had to stop. The only way was to change the attitude of not only the craft but the Grand Lodge Officers to one of trust between the leaders and craft. It is my opinion, that in the last four years that attitude has changed dramatically! There now is an existence of trust between the Grand Lodge Officers and the craft that we are all in this together. This Grand Lodge only exists with all of us together and if we are to last another 200 years we must trust in

each other and believe in the Honor and Integrity of this fraternity. I have been only a small part of this change and it will be up to all of you to keep this type of action among the craft going forward.

ACTIONS TAKEN DURING THE INTERIM

Replacement of D.D.G.M. for District 4

During the term of my administration, I accepted the resignation of Robert B. Scarborough as D.D.G.M. District 4 and replaced him with Brother Bobby Hayes for the remainder of his term.

District Deputy of District No. 1 Non- Replacement

The untimely death of Brother Ralph E. Riegger in August 2008, I decided that with only 75 days left in my term not to fill Brother Riegger's position in his honor.

Removal of Master, Senior Warden and Treasurer of Bowling Green Lodge No. 73

After receiving several items from a member of Bowling Green Lodge No. 73 that suggested that the Master had on several occasions violated the constitution. The Treasurer having misplaced receipts of money due the lodge in excess of $2,000.00. I dispatched the Grand Junior Warden, Grand Senior Warden, and District Deputy Grand Master District 11 to investigate the allegations. I summons the Master and all officers, excusing the Senior Stewart, to the Hilton Garden Hotel in Bowling Green on October 10 at 5 pm. After several questions and answers the investigating panel advised me of the situation and was unanimous that the Master had violated the constitution on several occasions and that the Treasurer could not provide answers to the misplaced receipts. I removed the Master, Senior Warden, and Treasurer. I also placed Brother James Boucher as chairman of an audit committee to audit the books. I placed the Junior Warden as acting Master until elections could be held. Also summons another member of the lodge who had failed to pay his fees before receiving degree work.

Probation of Bear Wallow Lodge No. 231

Bear Wallow Lodge No. 231 placed on six month probation for failure to follow the constitution on invasion of jurisdiction, transfer of membership, performing degree work without informing members lodge.

RECOMMENDATIONS

In serving this Grand Lodge as an Elected Grand Lodge Officer and as your Grand Master there have been several items that need or should be changed. The following recommendations are presented to you the craft of Kentucky for possible changes to the Constitution and Appendix.

Recommendation No. 1

It is my recommendation that there should be a limit on the amount of consecutive years of service of the Elected Grand Lodge Officers to a maximum of ten consecutive years. Any currently serving Elected Grand Lodge Officer would be grandfathered to this clause. This should be added to the Appendix of the Constitution under a new section G titled Term Limits.

Recommendation No. 2

It is my recommendation to amend the constitution to give the Grand Master the power to make a Mason on sight to any Entered Apprentice or Fellow Craft who will not survive before receiving the Master Mason Degree. It is this Grand Masters opinion that I have personally witnessed that even though an Entered Apprentice or Fellow Craft may receive a Masonic funeral. It is the will of a man who truly waits to be a full Master Mason before leaving this world.

Recommendation No. 3

It is my recommendation that within three years, make mandatory that all lodges use the electronic reporting of member updates through the website. Also, within the same three years the Grand Lodge must offer each lodge a means of purchasing a computer system for their lodge. This initiative could be supported within our current budget each year.

Recommendation No. 4

It is my recommendation that the constitution be changed in Section 16 which states that our annual meetings must be held on the third Monday in October. The cost of holding our annual communication could be reduced by holding it in September or November. October is the highest month for conventions. Therefore, I make the recommendation that a survey be taken to find the best month of the year to hold our annual communication for the craft and our expenses.

Recommendation No. 5

I appointed an Ad Hoc committee with the approval of the 2009 Grand Master to combine the KY RTL Ritual with the Kentucky Monitor. This would give the Craft and actual Ritual Book that would combine what is being used today along with the original ritual book from Virginia along with several optional lectures such as Skull Lecture, Long Apron Lecture, etc.

DISTRICT MEETINGS

Our District Meetings this year were in my opinion truly one of the greatest highlights of this past year for me. I will remember all the questions and fun times we had at each of the District Meetings. We were able to discuss just about everything! Some were not so much fun but in all cases, it had to be said or at least brought up and discussed. I want to say thank you to all the brethren for their openness to discuss the issues that we all have in this fraternity and your willingness to try and make a difference!

APPRECIATION

How do you tell some 50,000 Masons across this state how you feel right now about the past year of service to them as their Grand Master? To all of you here at this 209th Grand Communication, I ask you to carry my message back to your respective Districts and Lodges. Please tell each and every brother that you see that I would like to say Thank You, it has truly been my honor to serve each of you as your Grand Master during the 2007-2008 term. Words cannot express the feeling that I have for all of you! Kentucky Masons are the greatest masons on the face of the earth! All of you listened to me over the past few years and during the course of this past year we had some trying times but we stood together and discussed the issues even when we did not like what we were talking about but we were men of Honor and Integrity by showing that we can come together as a band of brothers! As I lay this gavel down for the last time when this session is over, my journey to change the "Us and Them" of the fraternity is complete because I don't think there is anyone here who can say that if you ask me a question that you did not get an answer! You may not have liked my answer but you got an answer. Craftsman, stand up, for I want to salute each of you as a brother for believing in this great fraternity of ours and allowing me to serve as your Grand Master, it has been an outstanding journey. Thank you!

PAST GRAND MASTERS

I would like to say Thank You to the Past Grand Masters of Kentucky. I know that all of you served your time in this position with dignity and courage. Your support over the last few years has meant a tremendous amount to me as I moved through the years as an Elected Officer and then Grand Master. Most of you have given of your time and of yourselves when ask and I thank you for your continued service to the craft.

There are a few that I must single out for their leadership, unwavering support, and especially of their time and hard work. Brother David E. Carter, your support of me from the time I served as your Grand Junior Warden through my year as Grand Master has never failed. Your support and words of encouragement even when I was down did wonders for me. Thank you! Brother Ronnie G. Bell, between you and Brother John E. Moyers, you're lucky that I still speak to you! I would not be here today if it were not for the two of you pushing me along some 5 years ago to make this run and believed in what I stood for as a Mason. Brother John E. Moyers, your constant appreciation of the fraternity and what it stands for among the craft has never left me over all these years of listening to you and your thoughts on the fraternity. I have always looked up to you as one of the greatest Masons anywhere and I thank you for your support of me during my years of service to the craft.

ELECTED LINE OFFICERS

I would like to say thank you to all of you for your dedication to the craft and for your dedication to me during this past year. To our Deputy Grand Master Brother Herman M. Forrester, as you are now ready to take that step forward as our Grand Master there is no

doubt in my mind that you will carry on the changes that we have made during the last few years. Your dedication to the fraternity is not only obvious to everyone but deep in your heart as a mason. The Office of Grand Master will soon be passed to your hands to administer and to direct the affairs of our beloved fraternity. It is an unbelievable responsibility that the membership entrusts to our care. As you take the reins I wish you the best of everything for the coming year. I extend to you all my support in any way that will make your year more of a success. My love to you and Patty and your family.

Brother L. Todd Eastham, Grand Senior Warden, as you step one more step closer to the East, I know that your leadership and love of the fraternity and you're drive will exceed in every capacity and guide you as you take control of this fraternity. Thank you for all your support and your business sense during this past year. All my best to you and Angie. Grand Junior Warden Brother Don H. Yankey, well I guess that golden bucker served you well this year as things do always roll down hill, but your determination and love of this fraternity never slowed you down. It has truly been my pleasure this year to watch you grow as a person, officer and brother that will lead this craft in a few short years. Brother Don, my best to you and Janice as you continue your journey to the East. Grand Treasurer Brother V. Tom Larimore, your service to this Grand Lodge is and has been a tremendous asset to the fraternity. Your dedication to making our money grow and protect our assets has been beyond the call of duty. I personally want to thank you for your willingness to answer all my questions. I know had many for you but your attention to detail really made me realize how much work you have done over your many years of service. I personally want to say "Thank You" May God bless you, Pat and your family. Oh, and one more thing, Hit'em straight!! Grand Secretary Brother Joe Conway, P.G.M., it has been my pleasure to serve with you these past four years. I know that I probably made you miserable at times because I always had questions. But your willingness to allow me to change the system and move the craft and our Grand Lodge forward in technology I really appreciate your efforts. The job as Grand Secretary is a thankless job. It brings so many aspects of the everyday workings of a Grand Lodge to bare upon the Grand Secretary and Grand Master that sometimes you wonder how it all gets done. Brother Joe, your many years of service to this fraternity is well defined, but I have to tell you, thank you so very much for putting up with me during this past year. Your willingness to work with me and sometimes scratching your head as to what I was doing really is appreciated! Thanks to you and Peg for your support and encouragement. To the newly elected Grand Lodge Officers, your work ahead may at times seem senseless; dedicate yourselves to serving this craft of Kentucky. I wish for all of you the very best that Masonry can bring to those that want to lead this great fraternity of ours. Your courage and dedication will carry you forward in the years to come as you make decisions for this fraternity. I just have one thing to say to you as you move forward; never lose sight of the craft because from the craft you came, so to it you must return.

APPOINTED GRAND OFFICERS

To the eight of you that I choose to fill the collared offices of the Grand Lodge, I cannot say enough on the support that you given me throughout this year. Your dedication and untiring support of me goes way beyond the call of duty. I choose each of you for a spe-

cial reason and all of you did not let me down. I can only say that it has been my privilege to serve with each of you this year. All of you have served this Grand Lodge with dignity and honor. May you remember this year as a year of fun and challenges that strengthened your love of the fraternity. To the three musketeers, you know who you are, you never stopped all year long. You were with me 100% of the way, at any time and place. You were ready to go. I have to say to you three you made it even more special for me. May God bless you and keep for the rest of your lives, from the bottom of my heart, thank you!!

DISTRICT DEPUTY GRAND MASTERS

As Grand Master, you have to pick thirty brave men to serve as District Deputy Grand Master. I chose each of you for your service to the fraternity and you're respective Districts. There is no harder job among the craft than a District Deputy Grand Master. Your dedication has to be strong and you must be a self starter because your job never ends. I extend to you a huge thank you for all of your support and dedication throughout the past year. Even though your year has ended, your dedication will not be forgotten. Thank you for supporting my programs and extending that helping hand to all in your district. It is obvious to me that you carried my message of openness to all in each of your districts. The respect and willingness to ask questions and receive answers while at each of your District Meetings was the most wonderful time for me as Grand Master.

COMMITTEEMEN

It was truly my honor in choosing each of you to serve our Grand Lodge this past year. Each of you has played a strategic role in carrying out your duties. Some of you had the relentless job of serving on trial panels, investigating committees and doing your job to the best of your ability. To John Cauley, Chairman of the Educational Committee, you team did an outstanding job this past year as we again changed the format of the program to include more of the Question and Answer periods. Your committee deserves a huge thank you from me and the craft as you traveled from one end of the state to another, in bad weather and good! To Kerry Sluss, Chairman of the Keepers of the Work. Your committee is a newly formed committee that has played a great role this year. I believe that your committee has played a great role in helping our lodges understand the Ritual and has helped tremendously on putting the Ritual back into our lodges. As this committee will be expanded by the following Grand Lodge officers it is obvious that your committee has done its job. Thanks to all of you for a job well done.

WORSHIPFUL MASTERS

The Worshipful Masters of our lodges across this state have been a great part of this past years success. When we look back at this year of 2008 I truly believe that it will prove that we have started our turning point in gaining those worthy men as brothers through the hard work of the Masters of the our lodges. Every where I went during this year the lodges

were not only bringing in new members but bringing them in large quantity, 10, 15 at a time. As each you lay your gavels down this year, remember to pass along to the next man in line your talents and direction of the lodge so that they will keep what you have started going.

GRAND LODGE OFFICE STAFF

I would like to express my great appreciation to the ladies of our Grand Lodge office, Christy Ward, Mary Justice, Jeanne Kaelin and Jamie Pauley for their hard work and continued service to our craft. I know that I pushed each of you as we moved through all the complications of transferring data and computer systems. Each of you have played a great part this year in keeping me on track and providing a lot of helpful ideas to this Grand Master. Your dedication to the brothers of this fraternity is without a doubt a huge part of what keeps the Grand Lodge office running. Thank you so much for you service to the craft and my self.

HENRY BARNES LODGE NO. 607

I am very proud to be a member of Henry Barnes Lodge No. 607. I am even prouder to have served as Grand Master representing Henry Barnes Lodge No. 607. I was pleased that the lodge hosted the Grand Master's Dinner and Reception at Receptions in Florence, KY. I believe my home lodge is deserving of recognition of being one of the better ritual and dedicated lodges in the state. Our Worshipful Master this year brother Bill Lorenz has done an outstanding job this year. He has helped bring over 20 members into the lodge this year. During the course of the year he also put together a F. Keith Dreier Grand Master Class. I was present to witness nine of the brothers be raised to the sublime degree of a master mason on June 14, 2008 in my honor. To the brothers of Henry Barnes Lodge No. 607, thanks for always being there when I ask. Thanks for all your support and encouragement! To the Barnstormers, thanks for taking the time to make the trip to Madisonville in August to portray the Legend of the Temple. As the Grand Lodge Officers held a Master Mason Degree.

MASONIC HOMES

During my tenure of service as an elective officer of the Grand Lodge of Kentucky, by virtue of my office I served on the board of directors of the Masonic Homes. During this time it became obvious to me that we needed to change the way we look at the Masonic Homes. They are no longer a Widows and Orphans home. They have been transformed into a viable retirement and nursing facility for the community. But the need to support them has changed. Not everyone in the homes was tied to our beloved fraternity, but those that were needed our help and we needed to make sure that the donations made to the homes went only to those in direct care of the fraternity. I decided to implement a new program called “Fruits of Our Labor” to raise support for those who were under our care in the Masonic Homes of Kentucky. Many lodges and members have responded and supported this program in a big way, by raising over $80,000.00. I am extremely grateful for

those who have supported this worthwhile project for the Masonic Homes this Masonic year. I must make mention of the support that I received from Brother J. Scott Judy and the rest of the staff of the Masonic Homes of Kentucky. They put forth this program and administered it during the course of the year. Thank you for your support of the "Fruits of Our Labor" program.

SAINT JOHN'S DAY LEAGUE

I offer my thanks to the group of leaders with the Saint John's Day League that support the mission of our Masonic Homes of Kentucky. The group has raised considerable monies in support of worthy goals and projects for the benefit of our Masonic Homes. My sincere thanks go to Brother Al Wenlund, PM of Lewis-Parkland Lodge No. 638 and his wife Peggy who traveled many, many miles to be present at our District Meetings and have a display of items for sale in support of our Masonic Homes. Brother Al and Peggy, I want to say a personal thank you to both of you for your support and dedication to the Masonic Homes of Kentucky but especially for your support of me during the last 4 years.

CONFERENCE OF GRAND MASTERS OF NORTH AMERICA

It was my honor to serve as the Host Grand Master of the Conference of Grand Masters of North America at the Marriott Hotel in Louisville, Kentucky February 16-19, 2008. The Grand Lodge of Kentucky out did themselves as hosts of the conference. The process of hosting this event was a huge undertaking. There are so many brothers that contributed to this event that it will be hard to speak to all of you. To the committee, David E. Carter, PGM Chairman you did an outstanding job! Your dedication to this event and the follow through is so far beyond the call of duty there are no words to describe it. There was not one thing that you did not have control of or make sure all details were covered. Some 4 years ago, when I appointed you as Chairman of the event I knew I had chosen the right person. Thank you for all you support in making this event truly historical. Brother Ronnie G. Bell PGM Chairman of Transportation of the event, all I can say to you is I don't know how you did it! The perfect execution of the transportation of the 800 guests to and from the Airport, the events, and back to the Airport was nothing short of amazing. Not to mention the several personal situations of the guests that you made sure that they were taken care of was incredible! Brother John E. Moyers PGM, Roger Barnett PGM, Bob Davenport PGM, Joseph R. Conway PGM, Harold Armstrong PGM, it was a long road from the very first meeting of this committee back in 2005 but guess what, with all of your help we made the world stand up and take notice of the Bluegrass State and the Grand Lodge of Kentucky. I received numerous and I do mean numerous letters, emails, phone calls from not only North America but as far as Bulgaria and Germany and others about the manner in which our jurisdiction handled the conference. We have now set the standard for hospitality of the Conference of Grand Masters. When they compare conferences in the future they will compare them all to Kentucky. I would also like to make mention, that we set a budget for this event back in 2005. My thanks to all of you for coming in under budget for this event.

SUPREME COUNCIL SCOTTISH RITE LEADERSHIP CONFERENCE

The Scottish Rite Leadership Conference was held at Birmingham, Alabama on March 7-9, 2008. I appreciated the cordial invitation of Brother John E. Moyers, PGM and Sovereign Grand Inspector General with his lady Pauline to attend the conference. Debbie and I truly enjoyed the conference and the hospitality. The conference was truly an experience listening to our Sovereign Commander Ron Seale. I took some of the lessons learned at the conference and have put them to use in our Grand Jurisdiction. Thank you for the wonderful and inspiring conference.

SOUTHEASTERN MASONIC CONFERENCE

The Southeastern Masonic Conference was held on July 31-August 1, 2008 at the Marriott Hotel on the Ohio River in Covington, Kentucky. The Grand Lodge of Kentucky was the host jurisdiction. We gave our guests a "Taste of Cincinnati" on Thursday evening at the hotel with a great buffet. On Friday August 1 we listened to some great presentations for the members of the Southeastern Masonic Conference. On Friday evening, we entertained them with a boat ride up and down the Ohio River. Again, the brothers of Kentucky out did themselves in showing our hospitality. Thanks to the brothers of Henry Barnes Lodge No. 607 for working the registration desk and providing transportation to and from the Airport.

NECROLOGY

We were saddened this Masonic year when the Grand Architect of the Universe called home one of our Past Grand Masters, Brother Columbus J. Hyde, who served in the year 1962 along with several other Brothers throughout this Grand Jurisdiction. To these families, we extend our heartfelt sympathy at their loss of their loved ones and our Brothers.

SPECIAL GRAND LODGE SESSIONS

During the course of 2008 the Grand Lodge Officers asked that the Lodges and brethren of the state "Raise the Bar" on their ritual work. After asking the brethren to do this, we as Grand Lodge Officers decided that we should do the same.

On July 19, 2008 at the Scottish Rite Temple Louisville, KY the Grand Lodge was opened for the purpose of initiating three men to the degree of Entered Apprentice. Presiding in the East was the Grand Junior Warden Donald H. Yankey. The Grand Officers were seated and the Keepers of the Work performed the Lectures. Those three men were as follows:

Stephen Andrew Braden . . . . . Jeffersontown Lodge No. 774
William Lawrence Faith III . . . . . Jeffersontown Lodge No. 774

On July 26, 2008 at the Scottish Rite Temple Covington, KY the Grand Lodge was opened for the purpose of passing to the degree of Fellow Craft three Entered Apprentice.

Presiding in the East was the Grand Senior Warden L. Todd Eastham. The Grand Lodge Officers filled the stations and the Keepers of the Work performed the stair lecture and charge. The three Entered Apprentice that were passed to the Degree of Fellow Craft were as follows:

On August 9, 2008 at the Rizpah Shrine Temple Madisonville, KY the Grand Lodge was opened for the purpose of raising to the sublime degree of a Master Mason five Fellow Craft. Presiding in the east was the Grand Master F. Keith Dreier. The Grand Lodge Officers filled the stations. The Barnstormers of Henry Barnes Lodge No. 607 (my home lodge) portrayed "The Legend of the Temple". Past Master Billy Scolf delivered the Lecture and Master William Lorenz delivered the charge. The five Fellow Craft that were raised to the sublime degree of a Master Mason were as follows:

Steven Ray Ward . . . . . Boaz Masonic Home Lodge No. 850
Tony B. Stewart . . . . . Hanson Lodge No. 766
Joseph W. Hall . . . . . Jerusalem Lodge No. 9
Shelton Joey Johnson . . . . . Island Lodge No. 743
Caleb Haynes . . . . . A.G. Hodges Lodge No. 297

Each degree was performed in full form and their entirety. Each degree was well attended and fun was had by all. It was truly an honor as a Grand Master and Grand Lodge Officer to perform these degrees. I hope that the brethren enjoyed them as well as the officers enjoyed them. Thanks for allowing us to do this work on each of the lodges candidates.

KENTUCKY YORK RITE SESSION

I extend my thanks to the leaders and members of the Kentucky York Rite for all the support that you have given me this year. The York Rite is a vital part of Masonry. To each of the leaders thank you for your service to Masonry. It was truly my pleasure to attend your banquet this year and most of your receptions. Each of you has played a great role this year in your service to Masonry.

ORDER OF THE EASTERN STAR

The order of the Eastern Star holds a special place for me in our Masonic Family. It truly is a great part of masonry. As I followed my wife Debbie through the Grand East in 2004 and starting with Sister Kaye Stone Worthy Grand Matron 2000 and Brother Patton R. Hart Worthy Grand Patron 2000, PGM the fun we all had as Brothers and Sisters was truly amazing. I had the pleasure of serving this year with Sister Debbie Ballinger and Brother Adrian Cavanah as Worthy Grand Matron and Worthy Grand Patron, their support of me and this Grand Lodge during this past year was above and beyond the call of duty. They attended everything that was asked of them and then some. Brothers, if you are not a member of the Order of the Eastern Star you should be, because take it from me they have a great time at their meetings and other functions, but not only that they will support you and your lodge tremendously.

INTERNATIONAL ORDER OF RAINBOW FOR GIRLS

I was pleased and excited to attend the Annual Session of the Grand Assembly of Kentucky Rainbow on June 21, 2008 at the Scottish Rite Temple in Louisville, Kentucky. I wish to say to Supreme Inspector Mom Anne Payne Dukes thanks for all you support of me over the last several years. But more importantly thanks for your dedication to all of the young ladies of Rainbow. I commend Brittany Mayhew, Grand Worthy Advisor 2007-08 for being a wonderful asset to the Order of Rainbow for Girls. Your year started off with a bang and ended with a bang. Thanks for always being so cheerful during this past year, it always put a smile on my face! I also extend my sincere best wishes for a successful year to Rachel Pickett as she assumes the leadership as Grand Worthy Advisor for year 2008-09.

INTERNATIONAL ORDER OF DEMOLAY

It was my distinct pleasure to attend the Annual DeMolay Conclave Banquet held at the Cumberland Inn on July 19, 2008. These young men are truly our heritage. They have increased their numbers and I was proud to give them the news that they would be receiving, along with the other youth groups, more monetary support from the Grand Lodge members. I was presented with the Distinguished Mason Award from Brother Patton R. Hart the Jr. Past Grand Master of DeMolay International. Thank you Brother Pat for the great honor. I also delivered the three Scholarships to those deserving young men on behalf of the Grand Lodge and The DeMolay Foundation.

ORDER OF THE BUILDERS

I was not able to attend the Builders Grand Session this year due to other matters but our Deputy Grand Master Herman M. Forrester attended and brought greetings on behalf of the Grand Lodge. I am very pleased that The Order of the Builders are now included in our support of our youth groups.

MY FAMILY

To my family, there are not enough words to explain my feelings about each of you. To my son Brad, your dedication to serving this country has been an inspiration to me that I have tried to convey to the craft this year. I wish you safe travel and a speedy return to us as you end your second tour of Iraq. To my son Chris, thanks for understanding my position within the lodge as I have traveled many miles these past few years while you started your family. I know that you wanted me around more than I was but you supported my efforts and as I moved through the chairs. Thanks for listening while I tried to rationalize some of my decisions this past year. To my daughter Traci, thanks for always being there when I ask you too. Thanks for looking after your mother and keeping her company while I was away these past few years. To the best part of me, the love of my

life, Debbie. The countless hours of listening to me and being my sounding board meant so much to me as this year moved to a close. We have traveled so many miles these last 10 years as you served the Order of the Eastern Star as Worthy Grand Matron and while I served as Grand Master. I know we are both looking forward to spending more time with each other and our grandchildren. I love you so very much for not only being my wife and the mother of my children but for being my best friend, my lover and for always standing by my side. Thank you so very much!

CONCLUSION

My Brothers, in conclusion, it has truly been my honor to serve you this past year as your Grand Master. The experience of getting to know all of you was more than anyone could imagine. I want to say to all of you, remember we are men of Honor, Integrity. We are men that will lead our communities, our families, our children into the next generation. I ask you to stand up and take a stand for Masonry, prove to the world who we are and what we stand for. Learn to explain the meaning of why our forefathers were men like George Washington, Harry S. Truman, Dwight D. Eisenhower. They were men who believed in brotherly love, truth, honor and integrity. This fraternity has stood the test of time and it is our responsibility to return it to the honor and glory that it deserves. So, as you have heard me say so many times, " We are not just Masons when we walk through the door of the lodge. We are Masons 24 hours a day, 7 days a week, 365 days a year"! Each day as you walk down the street, you represent this fraternity, you represent what we stand for and our beliefs. Step forth and let the light of Masonry shine from all of us so that we can light up the world about Masonry. May God bless each and everyone you!

Fraternally Thine,

F. Keith Dreier
Grand Master
2007-2008

REPORT FROM THE
MASONIC HOMES OF KENTUCKY, INC.
Gary R. Marsh, President & CEO

MOST WORSHIPFUL GRAND MASTER, RIGHT WORSHIPFUL ELECTED GRAND LODGE OFFICERS, MOST WORSHIPFUL PAST GRAND MASTERS, WORSHIPFUL APPOINTED GRAND LODGE OFFICERS, WORSHIPFUL DISTRICT DEPUTY GRAND MASTERS, WORSHIPFUL COMMITTEEMEN, WORSHIPFUL MASTERS, AND MY BROTHERS ALL:

Good afternoon and thank you for this opportunity to share many of the highlights of this landmark year in Masonic Homes history.

The election of new Board members is bittersweet as it signals the departure of directors whose terms of service are ending. At this time, I would like to invite Most Worshipful Past Grand Master Roger Barnett and Most Worshipful Grand Master Keith Dreier to please join me on the stage.

Most Worshipful Roger Barnett may have the most interesting personal history with the Homes of any Board member in recent memory. Not only has Roger been connected to the Homes through his lodge, Miles No. 341, earlier in his career he worked for the old print shop on the Louisville campus.

During his 10 years on the Board, Roger has been part of some of the most dramatic changes in Masonic Homes history to date. Roger's leadership as chair of the long range planning committee ensures that the Homes will continue progressing toward our vision even after his service on the board is over.

Thank you, Brother Barnett.

Our Most Worshipful Grand Master's commitment to the Homes and to the Grand Lodge was manifested this past year through the Fruits of Our Labor campaign that he and his wife created and led. Through their efforts, we have seen an outpouring of support from the Masonic fraternity to help the brothers and their wives who truly need it.

His board service included important work on the new property development, governance and endowment committees.

We thank you, Most Worshipful Grand Master Keith Dreier.

I'd like to take this opportunity to recognize other Board members who are here today. Masonic Homes Board of Directors, would you please stand?

Thanks to each of you for your support and commitment. Please be seated.

This summer we mourned the passing of Judge Robert Stratton, who had served on the Homes Board since 1987. A member of Solomon No. 5, Judge Stratton's lifetime of service to the fraternity, to his community and to the Homes will be remembered for years to come. Masonic Homes gratefully acknowledges his service and we wish his family peace.

About a month ago, Masonic Home of Louisville Executive Director and Administrator Israel Ray announced he had accepted a position with Christian Care Communities in Hopkinsville, and that he would be leaving the Homes on October 31st. Israel, please join me on the stage. Israel joined Masonic Home of Louisville as assistant administrator in 2004, and stepped up to the administrator position after the death of Sally Bowers.

Israel has been instrumental in the success of our memory care program, the renovation of the Personal Care Center and implementation of a new dining services program. As he and his family prepare to relocate to Hopkinsville, we hope he'll find space for this reminder of his accomplishments at the Homes and our best wishes for his continued success. We wish Israel and his family the best.

I'd like to invite First Lady Debbie Dreier to join me on the stage.

One year ago, our Most Worshipful Grand Master and First Lady began a campaign that highlighted the connection between the Grand Lodge and the Masonic Homes. That connection is providing care at the Masonic Homes for brothers and their wives regardless of their ability to pay.

The Dreiers launched Fruits of Our Labors to strengthen the bond between Masons and your Homes by keeping us focused on our charge: to help those need it. Their tireless commitment over the past 12 months has yielded nearly $100,000 for Masonicare residents at the Homes.

On behalf of them, thank you, Most Worshipful Grand Master and First Lady!

The Fruits of Our Labor program proved to inspire Kentucky Masons and others. They responded by digging deep to help Masonicare residents enjoy the quality of care and service the Homes are known for providing.

Grand Master and First Lady, we are proud to dedicate this plaque - which we will display proudly at the Masonic Home of Shelbyville and in the lobby of the new Louisville Care Center when it is completed. It commemorates the giver of each gift of $110 or more, who shared the fruits of their labor to help Masonicare residents.

A year ago, I reported to you that the Masonic Homes of Kentucky was embarking on the greatest period of growth in our 140-year history. Today, I am pleased to report that this period of growth and expansion is well underway.

Construction has finally begun on the new Care Center on the Louisville campus to replace the 81-year-old Health Care Center. From the resident neighborhood designs to the wireless medical charting system, our Care Center will be the most state-of-the-art nursing facility in Kentucky. Along with providing a setting to offer truly person-centered care, the Care Center will enable us to offer short-stay rehab, kidney dialysis, palliative care and other services we currently are unable to provide. We hope you'll plan to view our progress during next year's Grand Lodge Communication.

In September, we were awarded a Certificate of Need for the Kosair Charities Pediatric Day Care Center and we will soon be finalizing the design for a new building on the Louisville campus. The center will serve 55 children with medically challenging conditions and 55 typical children, in a setting especially created to encourage their growth and progress. We are grateful to the Kosair Charities Board for their $1 million gift that is making our vision for the pediatric day care center a reality.

Despite conditions in the financial markets and a national downturn in home sales, consumer interest in The Pillars Assisted Living Community on the Shelbyville campus and Spring Hill Village garden homes in Taylor Mill has remained consistent. We have stepped up improvements in the Masonic Home Village on the Louisville campus and sharpened our focus on plans to add more independent living options.

Leading our efforts is Anne McAfee, who joined our team as Vice President of Independent Living this summer. Her senior living experience and her passion for seniors have already made a difference.

To continue providing the services people want and need today and in the future, we have conducted market studies and track industry trends. In response, we are planning more outpatient and short-stay options at the Louisville and Shelbyville homes to help people recover from surgeries. We are creating enhanced in-house rehabilitation programs for both our residents and outpatients.

To launch this effort, we welcomed Natalie Tinsley to our team as Senior Vice President of Rehabilitation Services.

At our Board's request, we have completed a study on the feasibility of offering home and community based services in new markets in the Commonwealth. Our team hopes to propose a plan for a pilot project for our Board to consider in early 2009.

This past year has not been without challenges. One proved to be an unwarranted citation issued by state inspectors during their annual survey of the Masonic Home of Louisville. Our award-winning staff received the most severe penalty possible for a one-

time occurrence that did not adversely impact our residents. During our fight to overturn this citation, we have taken our case to elected officials and industry leaders, and have gained their support.

We are honored, too, for the support you have shown for the Homes during this past year. We at the Homes proudly bear the Masonic name and work hard every day to provide quality services that will make Kentucky Masons proud as well.

Last year, we created a fraternal relations program, led by our Mission Advancement staff. The program included creating a statewide network of Masonic Homes Ambassadors, one in each Grand Lodge district, to keep us connected with the Craft throughout Kentucky. The Ambassadors have proved to be a real asset to the Masonic Homes.

We're delighted to have recently added to our staff Brother John Cauley as Vice President of Fraternal Relations, and look forward to our bond with the fraternity continuing to grow.

Will those Masonic Homes Ambassadors who are with us today please stand?

Thank you for your commitment. It has been a successful first year, and we are grateful for your service. Please be seated.

The crowning gift Kentucky Masons offer to brothers, their wives and their widows is Masonicare, which pays for care and services at the Homes for those who do not have the resources to pay for it on their own. This afternoon, we are honored to have with us Josephine Jordan.

We first met Josephine in 2005 when she moved into the Village Apartments on the Louisville campus. She was 89 years old and a widow after the death of her husband, a member of Plumb No. 862.

In late 2007, Josephine injured her back and needed rehabilitation therapy to complete her recovery. She found the care she needed in the Louisville Health Care Center, but it became apparent that Josephine would no longer able to live independently. She needed extra help with daily tasks, the type of services provided at the Louisville Personal Care Center.

Josephine was approved for Masonicare, and she's going to tell you her story. Please welcome Josephine Jordan.

Thank you, Josephine, and thank you, Grand Lodge of Kentucky, for extending your legacy of caring. As Josephine said, your support truly makes a difference in the lives of seniors every day.

That concludes the Masonic Homes of Kentucky report to the Grand Lodge. Please visit our hospitality suite in The Willow Room to meet our management team and learn more about our services, programs and initiatives.

Thank you.

MOST WORSHIPFUL GRAND MASTER, RITE WORSHIPFUL GRAND LINE

OFFICERS, MOST WORSHIPFUL PAST GRAND MASTERS, DISTINGUISHED GUESTS, WORSHIPFUL DISTRICT DEPUTIES, GRAND MASTERS, PAST AND PRESENT WORSHIPFUL MASTERS, MY BROTHERS ALL:

We, the St. John's Day League of KY, Inc. are again proud to say thank you Most Worshipful Grand Master, Brother Keith Dreier and your Grand Line Officers for allowing us to travel and work with you throughout this year for the benefit of our Masonic Homes of Kentucky.

With the economy being what it was, it affected us and our efforts to raise funds for our Homes a great deal. Not only in our annual appeal, but also in our sales throughout the district meetings. We are sadden by our results, but are still very optimistic about the future to turn this year around and again become a major part of support for our two (2) Homes here in Kentucky. We, the St. John's Day League of KY, need the support of the Most Worshipful Grand Lodge of KY, The Masonic Home Board and most especially the Masonic Brothers of KY, to make this a reality in the upcoming years.

Even though our donation is down this year from past years, our percentage is up because of our cost of printing, mailing and postage is less than half of what we spent in previous years.

So, thank you Brothers for all the donations you sent in for our Homes and God Bless You for it.

Most Worshipful Grand Master, Keith Dreier, Brother Garry Marsh, President and CEO of the Masonic Homes of KY, and Brother Joe Conway, Chairman of the Board of Directors. We, the St. John's Day League of KY, would like to present this check to the Masonic Homes for $32,000.00, which is all of the appeal money. We paid all expenses from sales and other fund raisings.

Sir, I request that this report be accepted and made a part of the minutes of the Grand Communications.

GRAND SECRETARY'S REPORT
OCTOBER 2008

MOST WORSHIPFUL GRAND MASTER, RIGHT WORSHIPFUL, GRAND LODGE OFFICERS, MOST WORSHIPFUL PAST GRAND MASTERS, MOST WORSHIPFUL AND RIGHT WORSHIPFUL DISTINGUISHED GUESTS, DELEGATES AND BRETHREN ALL:

It is, again, my distinct pleasure to submit for your review and approval this report covering the business affairs and activities of the Grand Lodge Office for the period of August 1, 2007 through July 31, 2008, as supported by the records on file in the Grand Lodge Office. The fiscal status is verified by the auditors of the firm of the Deming, Malone, Livesay & Ostroff Accounting Firm, and is explained fully in the reports of the auditors and the Grand Lodge Treasurer, both printed elsewhere in these Advanced Proceedings.

BUDGET MEETING

In conformance with Section 14 of the Book of Constitutions of the Grand Lodge of Kentucky, F&AM, the members of the Committee on Finance and the elected Grand Lodge Officers met in the Conference Room of the Grand Lodge on July 1, 2008, to review the proposed budget prepared earlier by the Grand Lodge Officers. Following this review, a final budget proposal for presentation to the Delegates assembled at this Two Hundred-Ninth Annual Communication was agreed upon by the Committee on Finance and the Grand Lodge Officers. Present at this meeting were the following:

F. Keith Dreier, Grand Master
Herman M. Forrester, Deputy Grand Master
L. Todd Eastham, Grand Senior Warden
Donald H. Yankey, Grand Junior Warden
Virgil T. Larimore, Jr., Grand Treasurer
Joseph R. Conway, PGM, Grand Secretary
David E. Carter, PGM, Chairman, Committee on Finance
Patton R. Hart, PGM, Committee on Finance
Ronnie G. Bell, PGM, Committee on Finance

The proposal budget recommended by the above was printed in the 209th Annual Communication Pamphlet that was mailed to each Lodge Secretary in early September of this year, as required by Section 14 of the Book of Constitutions. A copy of the same has also been placed in the packet of each delegate registered at this Communication. Copies are available for other interested members who are attending the Annual Communication, and are registered, for as long as they last.

HIGHLIGHTS, CONSTITUTION REVISION AND PROCEEDINGS

The Highlights of the 208th Annual Grand Lodge Communication were mailed to each Lodge, and others entitled to receive them, as soon as possible following the close of the

Annual Communication.

Replacement pages to the Book of Constitutions of the Grand Lodge of Kentucky, F&AM containing the amendments adopted at the 208th Annul Communication were mailed to the Secretary of each lodge (two copies) as soon as they were received from the printer. Additional copies were supplied to lodges and others upon request.

A copy of the Proceedings of the 2007 Annual Communication of the Grand Lodge of Kentucky, F&AM was distributed to each constituent lodge and all others entitled to receive it as soon as they were received from the printer. A small number were printed in soft-back book form for those lodges preferring to have a hard copy of the Proceedings. The copies of the Proceedings in book form are available for purchase from the Grand Lodge Office at cost, plus shipping and handling.

THE MASONIC DIRECTORY

One copy of the 2008 Masonic Directory was mailed to each lodge Secretary as soon as it was received from the printer. The Directory was completed and delivered somewhat earlier this past year; however, several lodges were not included in the Directory since they failed to get their information to the Grand Lodge Office by the deadline. Again, pre-paid orders for the Directory were taken from a number of lodges, appendant Masonic Bodies, and individuals. A few additional Directories were printed and made available for purchase at various District Meetings and Leadership Programs throughout the state this past year.

MONTHLY REPORTS AND ANNUAL RETURNS

The Monthly Activity Reports from most of the subordinate lodges were submitted to the Grand Lodge Office timely, with only a few requiring a reminder letter.

The September 1st deadline for receiving the Annual Returns from the lodge Secretaries passed with thirty-two (32) lodges not reporting on time. At the present time, September 19, 2008, eighteen (18) lodges have yet to submit their Annual Return, a few have not yet paid their assessment, and several have a balance due. The Masters and Secretaries have been notified the above mentioned delinquencies must be attended to prior to their Delegate being seated at the Annual Communication.

CONFERENCES OF GRAND MASTERS' AND GRAND SECRETARIES' IN NORTH AMERICA

The joint meetings of the Conferences of Grand Masters and Grand Secretaries in North America were held this past February 14-19, 2008, at the Louisville Marriott Downtown in Louisville, Kentucky. In attendance were Grand Lodge Officers, F. Keith Dreier, Grand Master; Herman M. Forrester, Deputy Grand Master; L. Todd Eastham, Grand Senior Warden; Donald H. Yankey, Grand Junior Warden: Joseph R. Conway,

P.G.M. Grand Secretary; Virgil T. Larimore, Jr., Grand Treasurer; as well as several Past Grand Masters, appointed Grand Lodge Officers and several members of the Craft.

This was the first time these two important Masonic Conferences were ever held in Kentucky, and the Grand Lodge of Kentucky certainly proved it was up to the task. Responses received from a number of the Representatives of the Grand Jurisdictions attending the Conferences had many favorable comments about Kentucky and the warm hospitality they experienced for the few days they were our guest.

As always, there was a lot of useful information presented and gleaned from these two gatherings. The major benefit of being members of these two Conferences is the opportunity to share our successes as well as our disappointments and less successful endeavors with each other. By doing so, we can make better decisions on what we should be doing, as well as what we should not be doing, in our Grand Jurisdiction. It is certainly my opinion we should continue to remain a member of both these Conferences.

SOUTHEASTERN MASONIC CONFERENCE

The Southeastern Masonic Conference was held at the Marriott Cincinnati Rivercenter in Covington, Kentucky on July 31-August 2, 2008. All of the Grand Lodge Officers were in attendance, as well as several of the appointed Grand Lodge Officers, Past Grand Masters, and Master Masons. Grand Master, F. Keith Dreier welcomed all to Kentucky and chaired the session. There were a number of interesting and informative topics presented by several representatives of the member Grand Jurisdictions.

There are ten Southern Masonic Jurisdictions that make up this Conference which meets yearly on a rotating schedule between these ten Grand Jurisdictions. The Grand Lodge of Florida will be host to the 2009 Conference in Orlando, Florida on August 6-8, 2009. I certainly recommend that the Grand Lodge of Kentucky remain a member of this Conference.

GRAND MASTER, F. KEITH DREIER AND GRAND LODGE OFFICERS

At the beginning of his tour in the Grand East, Grand Master, F. Keith Dreier set a full and ambitious schedule of activities for the coming year. Beside the usual District Meetings, Leadership Meetings, Degree Conferrals, Dedication and Cornerstone Ceremonies, Family Nights, etc, the Grand Lodge of Kentucky was host to both the Conferences of Grand Masters and Grand Secretaries of North America and the Southeastern Masonic Conference, which added many additional duties for the Grand Master and Grand Lodge Officers to address. However, the Grand Lodge Officers, both appointed and elected, rose to the challenge, and all went well.

The Grand Master, Most Worshipful Brother F. Keith Dreier, was ably assisted in carrying out his ambitious agenda by Right Worshipful Brothers, Herman M. Forrester, *Deputy Grand Master*; L. Todd Eastham, *Grand Senior Warden*; and Donald H. Yankey, *Grand Junior Warden*. Their dedication to the Fraternity, and their resolve in fulfilling the responsibilities of their respective office, is clearly demonstrated by the many miles driven, and nights spent on the road, in order to attend those events at which they were expected. Each of you is to be commended on a job "***Well Done***".

What else can I say about the Grand Treasurer, Right Worshipful Brother Virgil T. Larimore, Jr. As always, Tom continues to serve this Grand Lodge in his usual efficient and professional manner. As I have said before, the Grand Lodge of Kentucky is fortunate to have members such as Tom who are willing and able to take on the responsibility for overseeing the financial affairs of the Fraternity; it's no small task. His years of professional experience are assurance that the Grand Lodge funds entrusted to his care are safely and wisely invested for the best return possible.

It has been my distinct pleasure serving with each one of you this past year.

ASSISTANT GRAND SECRETARIES

What Delegate has not, at one time or another, come to the Annual Communication without a dues card or receipt for payment of assessments? Or misplaced their credentials? Or have a balance due? If you are one of these, you have, no doubt, met one, or both, of the Assistant Grand Secretaries, Brothers James E. Boucher (73) and Bobby L. Baker (124). These two dedicated Masons continue to diligently serve this Grand Lodge, and the office of the Grand Secretary, in their capacity of Assistant Grand Secretaries, as they have for the last 10-15 years. And they are always ready to assist the Grand Lodge Office in any way possible when called upon at any time during the interim between Annual Communications. Their patient manner in dealing with their duties in the hectic atmosphere of the Annual Communication is visible proof of their dedication and concern for the Craft and the Grand Lodge of Kentucky.

Thanks Jim and Bobby for all your help and advice. Be assured that your labors are much appreciated.

GRAND LODGE OFFICE STAFF

We are very fortunate to have an enthusiastic and dedicated Office Staff in the Grand Lodge Office. The ladies in the Grand Lodge Office, Mary A. Justice, Christy L. Ward, Jamie L. Paulley, and Velma J. (Jeanne) Kaelin.

An efficiently run office depends solely on the enthusiasm and dedication of the Office Staff that deals with all the activities associated with the responsibilities of the office. The Grand Lodge Office Staff certainly meets those criteria. It's very refreshing to hear compliments on the office staff from the Craft when attending the District Meetings and/or other lodge functions; compliments that are well deserved by the patience and understanding they display while addressing problems and such in dealing with the lodges and members from time to time. The Grand Lodge Office is fortunate to have the loyal and dedicated services of Mary, Christy, Jamie, and Jeanne, their services do not go unnoticed, and are much appreciated.

CONCLUSION

Again this year the Grand Lodge of Kentucky will record a net loss of membership, though somewhat less than in previous years. There were several more lodges reporting a net increase in membership this year than in the past. However, a more disturbing element is that there are a few lodges which haven't recorded receiving a candidate for several years. There are probably any number of reasons for this, *i.e.* lack of potential members in the area; lack of community awareness; competition with other school and/ social activities, etc. If those lodges can identify the reason(s) they are not receiving petitions, and make adjustments accordingly, they are well on their way to making a difference, not only in their lodges—but in their community as well.

That is not to suggest that numbers alone attest to the health and relevance of the Fraternity, for that alone is determined by the character and reputation of its members. However, numbers do indicate whether or not an organization is growing, stagnate, or in decline; a kind of measuring stick, if you will, of any organization. So if your lodge is one which has been suffering from a lack of qualified prospects, it may be time to do an in-depth assessment of the demographics of the community in which the lodge is located to determine if any of the above apply. Once the reason is found, then a solution may be formulated and applied.

Once again, I thank you, the Craft of Kentucky, for your confidence, and for the opportunity to serve Freemasonry and this great Fraternity, as we work together to keep our Fraternity strong and relevant.

Respectfully and humbly submitted,

Joseph R. Conway, P.G.M.
Grand Secretary

CONCLUSION

WOW!!!!!! –*What a ride this year!!*

CD rates have held fairly steady compared to the economic conditions. The Market has jumped all over the board. Government 3 month T-Bills have ranged from .02% to .08% recently. If you can figure out a plan, you can probably "WALK ON WATER!"

We have spent approximately $90,500.00 on program development to convert the Lodge Secretary reporting system from the laborious paper stage to an electronic age. This should pay dividends in the future in time and materials (paper) and will make the process less time consuming for each secretary.

Last year, the delegate body changed—redirected, the previous $6.50 contribution for our Masonic Homes of Kentucky to a Budgetary and Preservation Fund for the Grand Lodge with a portion of this amount ($.50 per paying member) being divided with the Masonic Youth groups. As we have just collected this year's amount, the result is not reflected in this fiscal year numbers. The action will not be realized until next year.

A few of our Lodges have not paid their assessment to the Grand Lodge for this year. Brothers, I would just caution the Lodge Treasurers, Secretaries and Masters that after collection of dues from a member (Brother) and then failing to remit it to the Grand Lodge is a Breach of Trust that has personal financial penalties for those officers. Dues when collected by a lodge should be set aside for payment for the intended purpose and cannot be used for other purposes by the lodge.

I have mentioned before that many of our lodges, including mine, are seeing our revenue stream diminish due to declining membership and the numbers of members reaching 50-year status and the lodge forgiving future dues. The lodge expense burden then falls to the remaining membership, so keep your dues amount up to date as you go rather than have to jump them so drastically when you are in trouble.

Brothers, to say thanks for any job well done is not always issued timely to those that perform tasks for us, but let me take this opportunity, right now, to say thanks for the help that Mary, Christie, Jeanie and Jamie render for us in the Grand Lodge Office each day. As a Lodge Secretary as well as Grand Treasurer, I know the value of conscientious assistance. Ladies, you have done a Great Job—Thanks.

As any Grand Lodge Officer can tell you, the office of Grand Secretary gets 'hairy' at times. Brother Joe Conway continues to serve this craft in an outstanding manner. Brother Joe, thanks for your friendship and your service to this great fraternity of ours.

Brothers Forrester, Eastham and Yankey, your time is swiftly approaching as you have already recognized. The challenges of tomorrow are for things that we can't even imagine today, but we must elevate Masonry to new levels. I'm sure that you are up to the task—"lets go!"

Brother Dreier, this year has had an abundance of great activity! North American Grand Masters conference, South Eastern Masonic Conference, new technology programs, Dedications, Cornerstones, Consolidations, Picnic, and Fun - you have done it all! Great Job - "Fruits of Our Labor" for the Masonic Brothers in Our Homes, has been a huge success. Thanks for it all.

Now as you and Debbie settle in to your real job of selling :Bananas" - have fun and save those fond memories - play with the Grandson.

My Brothers, I can't adequately tell you what a pleasure it has been to work with you again this year. When you travel as much as we do, it is a real treat to have my wife travel with me. We appreciate your receiving her into your numbers. Thanks from the bottom of my heart for your support, prayers, love, friendship and Trust.

Fraternally submitted,

V. T. Larimore, Jr.

and Accepted Masons
Masonic Home, Kentucky

We have audited the accompanying statements of financial position of The Grand Lodge of Kentucky, Free and Accepted Masons ("Grand Lodge") as of July 31, 2008 and 2007, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Grand Lodge's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Grand Lodge as of July 31, 2008 and 2007, and the changes in its net assets and cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

THE GRAND LODGE OF KENTUCKY, FREE AND ACCEPTED MASONS

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Activities and Summary of Significant Accounting Policies

Description of activities:

The Grand Lodge of Kentucky, Free and Accepted Masons ("Grand Lodge") is the legislative body of the Masonic Lodges in Kentucky. The primary source of revenue and support is from assessments from the Lodges.

Summary of significant accounting policies:

This summary of significant accounting policies of The Grand Lodge of Kentucky, Free and Accepted Masons is presented to assist in understanding the Grand Lodge's financial statements. The financial statements are representations of the Grand Lodge's management who is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Assets whose use is limited:

Assets restricted by donors for future use are classified and included as assets whose use is limited. When a donor's temporary restriction expires, those net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restriction. The Grand Lodge has elected to report donor restricted contributions whose restrictions are met in the same reporting period as unrestricted support.

Permanently restricted net assets primarily consist of property located in Covington, Kentucky which may not be sold and must be used for Masonic purposes and a beneficial interest in assets held in trust by others.

Estimates:

Financial statements prepared in conformity with accounting principles generally accepted in the United States of America require management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements, and the reported amounts of revenues and expenses during the reported periods. Actual results could differ from these estimates.

NOTES TO FINANCIAL STATEMENTS

Investments:

Investments are stated at fair value.

Furniture, equipment and leasehold improvements:

Furniture, equipment and leasehold improvements having a useful life of more than one year are capitalized and are stated at cost if purchased or fair value if contributed. Depreciation and amortization are determined using the straight-line method over the estimated useful lives of the related assets or, in the case of leasehold improvements, the shorter of the estimated useful life or the lease term. Depreciation and amortization expense was $26,054 and $13,123 for the years ended July 31, 2008 and 2007, respectively.

Receivables:

Receivables are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. As of July 31, 2008 and 2007, all accounts and assessments receivable are due from member lodges. No provision for doubtful accounts has been recorded as management considers the amounts fully collectible.

Revenue recognition:

Assessments revenue represents annual dues and is recognized in the year it is earned.

Cash and cash equivalents:

For purposes of the statement of cash flows, the Grand Lodge considers undesignated cash and investments with the original maturities of three months or less, to be cash and cash equivalents, excluding those amounts held as part of the investment portfolio.

Tax status:

The Grand Lodge is exempt from federal, Kentucky and local income taxes as described under Section 501(c)(10) of the U.S. Internal Revenue Code. Accordingly, no provision for income tax has been included in the Grand Lodge's financial statements.

The lease expires in December 2009 but the Grand Lodge has an option to extend the lease for successive terms of five years each. Total lease expense was $7,500 for 2008 and 2007, respectively. Note 6. Concentration of Cash and Credit Risk

The Grand Lodge maintains cash in one bank in Kentucky. Accounts at the bank are guaranteed by the Federal Deposit Insurance Corporation up to $100,000 per bank. At July 31, 2008, the Grand Lodge's uninsured cash balances were approximately $1,993,000. Management does not believe that the Grand Lodge is exposed to any significant credit risk on uninsured amounts.

The carrying amounts of financial instruments approximate fair value based on quoted market prices. The Grand Lodge has significant investments in corporate obligations, government securities, bond and equity mutual funds held by various investment managers engaged by The Grand Lodge and is, therefore, subject to concentrations of credit risk. Investments are made by the investment managers and the investments are monitored by management and the Board of Directors. Though the market value of investments is subject to fluctuations on a year-to-year basis, management believes the investment policy is prudent for the long-term welfare of The Grand Lodge.

COMMITTEE REPORTS
STANDING COMMITTEES

REPORT OF
COMMITTEE ON APPEALS

Marc I. Rosen, Chairman

TO THE MOST WORSHIPFUL GRAND MASTER KEITH DREIER, MOST WORSHIPFUL PAST GRAND MASTERS, RIGHT WORSHIPFUL GRAND LODGE OFFICERS, DISTINGUISHED GUESTS, AND BRETHREN ALL:

During the past year, your Committee on Appeals had only one matter submitted to it for consideration.

On December 11, 2007, Brother Jerry Travis Smith, Mountain Lodge No. 187, filed with the Grand Secretary a complaint against Brother Dennis Elliott of Hugh Harris Lodge No. 938 for unmasonic conduct. It appears as though all of the requirements of Section (4) Four of the trial code were followed, and the matter was ultimately set for trial on March 15, 2008 at Hugh Harris Lodge No. 938. The trial committee appeared and a trial was conducted. Brother Jerry Travis Smith, the complainant, was not present, and the recorded documentation of the trial indicated that no proof was taken. A verdict of NOT GUILTY was returned.

Brother Smith, the complaining witness, has filed this appeal complaining only that he did not receive notice of the date and time of the trial until three (3) days after the conclusion of the proceedings. No issues have been raised regarding the trial proceedings other than notice to the complainant. Brother Smith acknowledges in his appeal that: "I understand the Grand Lodge followed proper procedure and the trial continued without me being present. Also, I understand it was my responsibility to leave evidence with the committee or have legal representation to represent (sic) if I was unable to attend. But, under the circumstances, I did not have that opportunity because I was unaware of the trial date until March 18, 2008."

Brother Smith also states that: "Due to work schedule, during the time of March 3, 2008 through March 12, 2008 our school hosted the Regional Basketball Tournament. I had to be at work at 7:45 AM ad I did not get home until after midnight. In the original letter sent to the Grand Secretary Office (sic) I left contact numbers incase of an emergency or needed (sic)."

After a thorough review of the evidence submitted to this Committee, we have determined that the appeal should be dismissed on two separate grounds.

Frist, the undisputed evidence shows that the Grand Secretary mailed notice to the complaining witness by certified mail on February 29, 2008. This notice was mailed to Brother Smith at the same address that he has used in all correspondence with the Grand Lodge. The Grand Secretary further notes that the letter was also sent by regular mail on this same date.

Notice was left by the carrier on March 3, 2008 and again on March 8, 2008. The certified letter was never claimed. It was returned to the Post Office on March 18, 2008 (three

days after the trial) and returned to Grand Lodge on March 21, 2008 marked "unclaimed, unable to forward, return to sender."

This Committee on Appeals finds that all proper procedures were followed by all parties. The failure of Brother Smith to receive notice rests squarely on his shoulders. His grounds for this appeal are not well taken, and therefore, the appeal should be DISMISSED.

Secondly, however, this Committee finds that upon review of both the Constitution and the Trial Code of the Grand Lodge of Kentucky, there actually exists NO provision allowing a complaining brother to file an appeal from a decision of a Trial Committee. In our Kentucky Criminal Justice system, BOTH the defendant and the Commonwealth have the right to take an appeal.

It is the opinion of this Committee on Appeals that the issue of whether a complaining brother should have a right of appeal should be referred to the Jurisprudence Committee for their review and recommendation.

With our thanks to the Grand Master for allowing us the opportunity to serve our Grand Lodge, the members of the Committee on Appeals respectfully submit this report and move that it be accepted and made a part of the Minutes of this 209th Communication of the Grand Lodge of Kentucky.

Fraternally submitted,
Marc I. Rosen (325) Chairman
Robert Josephson (239)
Jimmy E. Webb (273)

REPORT OF
COMMITTEE ON FRATERNAL RECOGNITION

Harold E. Armstrong, PGM, Chairman

REPORT TO THE TWO HUNDRED AND NINTH ANNUAL COMMUNICATION OF THE GRAND LODGE OF KENTUCKY, FREE AND ACCEPTED MASONS. MOST WORSHIPFUL GRAND MASTER, RIGHT WORSHIPFUL GRAND LODGE OFFICERS, PAST GRAND MASTER'S AND ALL MY KENTUCKY BROTHER MASONS:

The Commission on Information for Recognition was organized in 1951 as a facility to gather, collate and, from time to time, revise information on Grand Lodges in other lands, as a service to the Grand Lodges of the Grand Masters Conference.

The Commission neither advises nor recommends that recognition be given to any Grand Lodges, but merely indicates whether or not it considers that a Grand Lodge in question satisfies the conditions of regularity.

After each Annual Meeting of the Conference of Grand Masters, a report is given to

and adopted by the Conference, is printed and copies mailed to the Grand Secretaries and to the Chairmen of the Committees on Fraternal Relations of the Grand Lodges of the Conference. This report is based upon the most recent information available.

Following recommendations are made for your consideration:

1. We are pleased to advise the delegates to the Two Hundred & Eighth Annual Communication of the Grand Lodge of Kentucky, Free and Accepted Masons approved fraternal recognition of the Grand Lodge of Croatia, AF&AM.

Therefore be it resolved; your committee recommends recognition be granted to this Grand Lodge at this communication.

2. Therfore, be it resolved; your committee recommends no further action at this Grand Communication and any other fraternal recognition issues be laid over to the next Grand Communication.

3. Your Committee also recommends that the Grand Lodge of Kentucky continue to be a member of the Commission on Information for Recognition of the Conference of Masters in North America. This committee recommends that all request for recognition and all correspondence concerning recognition continue be written in English, received by the Grand Secretary Kentucky, bearing the seal and signature of the Grand Master and/or Grand Secretary the jurisdiction requesting recognition.

Each member of this committee wishes to express our thanks and appreciation to Worship Grand Master, Brother Frank Keith Dreier, for the opportunity to serve The Grand Lodge of Kentucky as a member of the Committee on Fraternal Recognition. I move the adoption of this committee report and it be made a part of the Proceedings of this Annual Grand Lodge Communication.

TO THE MOST WORSHIPFUL GRAND LODGE OF KENTUCKY, FREE AND ACCEPTED MASONS, MOST WORSHIPFUL GRAND MASTER, ELECTED AND APPOINTED GRAND LODGE OFFICERS, WORSHIPFUL MASTERS, DELEGATES AND MY VERY DEAR BRETHREN OF THIS 209TH COMMUNICATION OF THE GRAND LODGE OF KENTUCKY:

The Committee on Jurisprudence submits the following report for your consideration.

ACTIONS TAKEN BY THE GRAND MASTER

A. Resignation was accepted from the District Deputy Grand Master in District No. 4 and a replacement was appointed for the remainder of the year.

B. The untimely death of the District Deputy Grand Master in District No. 1, no appointment made to fill the position.

RE: Complaint of Hiseville Lodge No. 787, F&AM - Ellis Roy Carnahan

Dear Brother Harper:

In reviewing all information received in the Grand Lodge Office regarding the complaint filed by Hiseville Lodge No. 787 (June 24, 2008) concerning actions taken by Bear Wallow Lodge No. 231 in the case of Brother Ellis Roy Carnahan, I find that Bear Wallow is in direct violation of ***Section 99 (Invasion of Jurisdiction) and Section 90 (b) (Waiver of Jurisdiction)*** of the *Book of Constitutions* of the Grand Lodge of Kentucky, F&AM in that Bear Wallow Lodge receive and acted on a petition for affiliation submitted by Ellis Roy Carnahan, who was in arrears in his dues and assessments in Hiseville Lodge at the time. In addition, Degree work was conferred on Brother Carnahan in Bear Wallow Lodge without the knowledge or consent of Hiseville Lodge, and in absence of a Waiver of Jurisdiction from Hiseville Lodge in favor of Brother Carnahan. The invasion of another Masonic Jurisdiction is a very serious infraction and may result in a lodge guilty of doing so having its Charter arrested.

Therefore, considering the above violations, I am issuing a directive to you as follows:

* Bear Wallow Lodge is to return all fees collected from Brother Carnahan to Hiseville Lodge immediately.
* Until such time as a Waiver of Jurisdiction is sought by Bear Wallow Lodge and granted by Hiseville Lodge, Brother Carahan remains a member of Hiseville Lodge only, and you are to instruct the Secretary of Bear Wallow Lodge to make the necessary corrections to the office of the Grand Secretary.
* No work is to be conducted by Bear Wallow Lodge for a period of sixty (60) days, beginning as of the date of this correspondence.
* Bear Wallow Lodge No. 231, F&AM is hereby placed on probation

for six (6) months, beginning as of the date of this correspondence.

* You are to notify the members of Bear Wallow Lodge of this action and have it recorded in the minutes at the Stated Communication of the Lodge following receipt of this correspondence.
* Within thirty (30) days from the date of this correspondence, you are to notify the Grand Lodge of Kentucky that Bear Wallow Lodge is in compliance with this directive.

Again, I cannot stress too strongly how important it is to strictly abide by the *Book of Constitutions* in order to avoid situations of this nature, and to preserve peace and harmony among the constituent lodges; that is the primary purpose of a set of rules and guidelines.

Should you have any questions and/or comments regarding the above, please direct them to my attention.

Fraternally thine,
F. Keith Dreier
Grand Master

We recommend the approval of the Grand Master's action on item No. 2.

Removal of Master, Senior Warden and Treasurer of Bowling Green Lodge No. 73

After receiving several items from a member of Bowling Green Lodge No. 73 that suggested that the Master had on several occasions violated the constitution. The Treasurer having misplaced receipts of money due the lodge in excess of $2,000.00. I dispatched the Grand Junior Warden, Grand Senior Warden, and District Deputy Grand Master District 11 to investigate the allegations. I summons the Master and all officers, excusing the Senior Stewart, to the Hilton Garden Hotel in Bowling Green on October 10 at 5 pm. After several questions and answers the investigating panel advised me of the situation and was unanimous that the Master had violated the constitution on several occasions and that the Treasurer could not provide answers to the misplaced receipts. I removed the Master, Senior Warden, and Treasurer. I also placed Brother James Boucher as chairman of an audit committee to audit the books. I placed the Junior Warden as acting Master until elections could be held. Also summons another member of the lodge who had failed to pay his fees before receiving degree work.

We recommend the approval of the Grand Master's action on item No. 3.

The motion was duly *seconded* and *adopted.*

GRAND MASTER'S RECOMMENDATIONS

Recommendation No. 1

That there should be a limit on the amount of consecutive years of service of the

Elected Grand Lodge Officers to a maximum of ten consecutive years. Any currently serving Elected Grand Lodge Officer would be grandfathered to this clause.

This should be added to the Appendix of the Constitution under a new **Section G** titled ***Terms Limits***.

This recommendation is presented to you, the Delegates of this Grand Lodge for your consideration. *A yes vote will adopt this recommendation, a no vote will defeat this recommendation*.

"I so move."

The motion was duly *seconded* and *defeated.* This item was ***not adopted***.

* * * *

Recommendation No. 2

To Amend the Constitution to give the Grand Master the power to make a Mason on sight to any Entered Apprentice or Fellow Craft who will not survive before receiving the Master Mason Degree. It is this Grand Masters opinion that I have personally witnessed that even though an Entered Apprentice or Fellow Craft may receive a Masonic Furneral. It is the will of a man who truly wants to be a full Master Mason before leaving this world.

As this Recommendation would require a change in the Constitution, If adopted it must be Laid Over for the proper time, *a yes vote will lay it over, a no vote will keep it from being laid over.*

This recommendation is presented to you the Delegates of the Grand Lodge for your consideration.

"I so move."

The motion was duly *seconded* and *adopted.* This item will ***lay over***.

* * * *

Recommendation No. 3

That within three (3) years, make mandatory that all Lodges use the electronic reporting of member updates through the website. Within the same three (3) years the Grand Lodge must offer each Lodge a means of purchasing a computer system for their Lodge. This initiative could be supported within our current Budget each year.

As this recommendation would require a change in the constitution, if adopted it must be laid over for the proper time, a yes vote will lay it over, a not vote will keep it from being laid over.

This recommendation is presented to you the Delegates of this Grand Lodge for your consideration.

"I so move."

The motion was duly *seconded* and *adopted.* This item will ***lay over***.

* * * *

Recommendation No. 4

That the Constitution be changed in Section 16 which states our Annual Meetings (Communication) must be held on the third Monday in October. The cost of holding our

Annual Communication could be reduced by holding it in September or November. October is the highest month for conventions. Therefore, I make the recommendation that a survey be taken to find the best month of the year to hold our Annual Communication for the Craft and our expenses.

This recommendation has merit, we recommend the incoming Grand Master appoint a Committee to investigate and complete a survey and report to this Grand Lodge at the 210th Annual Communication in 2009. *A yes vote will accept, a no vote will defeat*.

This recommendation is represented to you the Delegates of this Grand Lodge for your consideration.

"I so move."

The motion was duly *seconded* and *adopted*.

* * * *

Recommendation No. 5

I appointed an **AD HOC** Committee with the approval of the 2009 Grand Master to combine the *KY RTL RITUAL* with the *KENTUCKY MONITOR*. This would give the Craft and actual *RITUAL BOOK* that would combine what is being used today along with the original *RITUAL BOOK* from Virginia along with several optional Lectures such as Skull Lecture, etc.

We recommendation that Recommendation No. 5 be referred to the 2009 incoming Grand Master and a report be given at the 210th Annual Communication in 2009.

"I so move."

The motion was duly *seconded* and *adopted*.

* * * *

Committee on Jurisprudence

We recommend that all Dispensations Granted, the Dedications, Cornerstone Laying, Consolidations, Grand Representatives Commissioned and Grand Representatives Nominated by the Grand Master be approved.

This recommendation is presented to you, the Delegates of this Grand Lodge for your consideration.

"I so move."

The motion was duly *seconded* and *adopted*.

ITEM NO. 9

To Amend:

SECTION 104.

Business.

All lodge business shall be done in a lodge of Master Masons, excepting proficiency examinations and approval and work of the first and second degrees or the trial Entered Apprentices or Fellow Crafts.

So as when Amended shall read:

SECTION 104.

Business.

All lodge business shall be done in a lodge of Entered Apprentice Masons, excepting proficiency examinations and approval and work of the second and third degrees or the trial of Fellow Crafts or Master Masons. Only Master Masons members in attendance can ballot on petitions or cast a vote for an election of officers. Additionally, no Entered Apprentice or Fellow Craft is eligible to any right or benefit exclusive to Master Masons. Lodges of research are exempt from this section.

RATIONALE

The purpose of this amendment is to permit Entered Apprentice Masons and Fellow Craft Masons to be involved in the routine affairs of the Lodge.

This Legislation will encourage Entered Apprentice Masons to begin attending Lodge regularly and begin the learning process at a faster pace than usual.

Entered Apprentice Masons anciently speaking, were permitted to attend lodge so they may learn from their informed fellows, and Master. It is unjust to charge a good man dues in an organization to which he has no say, nor place. It could be deemed as taxation without representation. Our founding fathers knew too well about this issue.

THE MEMORIAL SERVICE

Sunset and Evening Star, and one clear call for me! and may there be no moaning of the Bar when I put out to Sea, but such a tide as moving seems asleep, too full for sound and foam, when that which drew from out the boundless deep turns again home.

Twilight and Evening Bell, and after the dark, and may there be no sadness of Farewell, when I embark I hope to see my Pilot face to face when I have crossed the Bar.

We have lost by death 1,447 during the past year.

COMMITTEE ON
KEEPERS OF THE WORK

The Committee on Keepers of the Work was formed by the Grand Lodge to assist subordinate Lodges with any and all conferrals of the Masonic ritual, from opening and closing the lodge to the portrayal of degrees. As you travel throughout the Commonwealth it is evident that nearly every Lodge opens, closes, and confers degrees in their own unique way. This committee's task was to educate the Craft to the rituals allowed by our Constitution, so that the Craft could determine within their Lodges the type of ritual any one individual might use, especially the Mason who was just starting to show interest in learning the Degrees. The Committee and the Grand Lodge Officers recommended the Ky Rtl, the coded ritual which was used in the Commonwealth during our infancy, and which we received from the Grand Lodge of Virginia, our Mother Grand Lodge. This ritual is in a question and answer format, and encourages more participation by the Officers, and in our opinion, easier for the candidate to understand. A special Committee was formed by the Grand Master during the year that is looking to combine the Ky Rtl and the Kentucky Monitor into a non-coded ritual, and you will hear more about this ritual during this Annual Communication.

During the year, your Committee was very busy traveling to Lodges to perform various activities for the Craft, such as education, conferral of ritual, and installation of Officers. Two of our Committee members, Sheldon Sammons and Barry Eastham, served on the Masonic Education Committee and informed the Craft on various topics, including ritual. This Committee reports 68 visits during which Masonic education was performed; served as Installing Officer at 4 Lodge annual installations, and assisted with 39 degree conferrals.

The Keepers also assisted the Grand Lodge Officers in the conferral of the three degrees of Masonry at various locations in the Commonwealth. The Entered Apprentice Degree was conferred at the Louisville Scottish Rite on July 19th, with Right Worshipful Don Yankey serving as Master, assisted by the elected and appointed Grand Officers. The Keepers served as Stewards and assisted with the lectures. Approximately 65 Masons were present to see three candidates take their first step in Masonry.

On July 26th the Fellowcraft Degree was conferred at the Scottish Rite Temple in Covington, with Right Worshipful L. Todd Eastham serving as Master, assisted by the elected and appointed Grand Lodge Officers. The Keepers served as Senior Warden and Stewards, as well as delivering the Letter "G" and Winding Staircase Lecture. There were approximately 80 brethren present to see four Brothers passed.

On August 9th the Master Mason Degree was conferred at Rizpah Shrine Temple in Madisonville. Most Worshipful Grand Master F. Keith Dreier served as Master, assisted by the elected and appointed Grand Lodge Officers. The Keepers served as Stewards in the first section, and assisted the team from Henry Barnes Lodge No. 607, "The Barnestormers" in portraying the second section, serving as Junior and Senior Deacons, Fellowcraft team members, and delivering the lecture of the third section. Over 130 Masons saw five Brothers raised to the Sublime Degree of Master Mason.

The Grand Master challenged us to "raise the bar" this year, and felt that the Grand Lodge Officers should do the same. From my observations, I feel we have been successful, but there is still much work to be done. This Committee has been expanded going into the new Masonic year, and are ready and willing to assist any Lodge to become more knowledgeable and proficient in the ritual. On behalf of the entire Committee, I would like to thank our Most Worshipful Grand Master for allowing us to serve the Masons of this Commonwealth.

COMMITTEE ON
KENTUCKY MASONIC MODEL

Year three and over three hundred plus educators have been trained in the Kentucky Masonic Model Program for Student Assistance to help identify children at risk.

Kentucky provided four workshops in a two week time frame in June of 08 and is the first state to accomplish such an undertaking. Masonic Model workshops were held in the four corners of the state in order to reach as many educators as possible.

Kentucky Masonry moved forward this year by adding two additional training workshops and expanding the coverage area providing additional opportunities for teachers and administrators to attend the Kentucky Masonic Model.

The additional workshops in Ashland and Madisonville along with Lexington and Louisville were host to over 200 registered educators.

The workshop held at the Masonic Homes Campus in Louisville saw a slight increase in it's numbers during third year with 110 as compared to the 90 in the original class in 2007.

Lexington more than doubled in growth with almost 90 registered from central Kentucky schools. Ashland and Madisonville were off to a slightly slower start, each have register about 20 for their first session.

The Masonic Model Student Assistance Program trains educators to be able to identify a child who may be at risk for destructive behaviors and what to do to turn them away from a negative cycle.

The Masonic Model program trains a team from within a school, because different individuals will notice different things and when a teams comes together to meet they can put a puzzle together to determine the seriousness of an issue a child may have.

This program is all about prevention and the means to which we can help prevent something bad from happing in a child's life. In the real of drugs, alcohol, violence, suicide it means keeping something bad or evil from happening or taking root in a child.

Kentucky Freemasons and Masons across our country are finding the means to offer their communities a method to prevent such a horror thru the Masonic Model Student Assistance Program.

In Kentucky, in addition to the training, educators are also offered professional development hours and administrative leadership hours. The three day workshop grant's 21 hours credit of training hours of professional development or leadership to teachers and administrators from the Department of Education.

This year 21 hours of Continuing Educational Units (CEU's) from the Department of Human Resources for Social Workers in school systems were available who attended. Notice of this program acceptance was only granted by the Human Resources Board in April of 2008.

Providing this training to schools districts at no cost can save a school a considerable amount of money in addition to the valuable training the Masonic Model provides. On the average, one (1) hour of professional development training outside the school district would an average $50-$75 per hour. Using the low average it would cost the district a registration fee of $1050 to send an educator to a training of this type.

Teachers and administrators who have now attended the Masonic Model workshops are responding and have this to say about the program.

"I've been to a lot of conferences educating me about at-risk children, but this program actually gave me steps to take to do something about the problem instead of wringing my hands and saying 'Oh dear, what do I do about him or her'" Michelle McConnell, Crittenden County Middle School.

"As an educator, I am exposed to many training programs. This was the most worthwhile presentations I have attended ever during my tenure" Jeff Koshel, Jefferson County Public Schools.

"Because of what I learned this week, I will have a faculty meeting with an overview of this great program. I will strongly encourage my staff to attend future workshops. The benefit for teachers is the ability to affect at-risk students that they want to help. This program is excellent; I can't wait to implement this process at my school." Michelle Hart, Principal, E-town Independent.

"I have been in education for 14 years and this is the best PD I have ever attended!" Travis Frigler, Doss High School

"Absolutely the most helpful training I've encountered in all the years I've been trying to find ways to help intervene in the lives of children to prevent or address at risk behaviors" Linda Schumann, Crittenden County.

"Thank you so much! Attending this workshop has shown me how caring Masons are about the education of children", Katrina Price, Jackson Independent.

"I have taken away many helpful as well as informative ideas for intervention. I plan to send a team from my school next year! This workshop is great!" Wanda Hurley, Principal, Phelps Elementary.

This last comment seems to sum up the program in a nut shell and says all there is to say about the third year for our Masonic Model program in Kentucky.

"I came with the intention of staying 1 day and returning to my office to my workload. I am still here at day 3, what does that tell you about my thoughts on this outstanding program. I have several ideas to use immediately with my staff one day one", Brenda Pirtte, Principal, Bluegrass Middle School.

COMMITTEE ON
RELIGIOUS RELATIONS

MOST WORSHIPFUL GRAND MASTER, RIGHT WORSHIPFUL ELECTED GRAND LODGE OFFICERS, MOST WORSHIPFUL PAST GRAND MASTERS, DISTINGUISHED GUEST AND MY BRETHREN:

Most Worshipful Grand Master, the committee on Religious Relations thanks you for the confidence you have placed in its members by selecting us to serve the Grand Lodge of Kentucky during this past Masonic year.

The committee has worked at collecting information from the leadership of various

denominations across the Commonwealth of Kentucky to access the overall opinion of those religious bodies regarding Freemasonry. Brother William H. Canon III assembled a list of Kentucky counties with mailing addresses of the religious bodies in each county while Brother Charles Beagle was instrumental in preparing and proofing the body of the survey document. The committee also expresses our thanks to Brother Mark Simpson (90) for his assistance in preparing the mailing. One hundred letters were sent out across the state addressed to a broad cross-section of these bodies. The committee asked for (1) a pro or con position regarding the fraternity (2) the addressee's primary concerns about Freemasonry (3) any other remarks they might have along with permission to quote. It is hoped that the information gathered will give the Fraternity in Kentucky a better starting point in addressing the misconceptions held by Kentucky religious bodies and their leadership regarding some of our practices, language, and traditions. The committee is still in the process of receiving, accessing and recording the responses to these letters.

The Committee on Religious relations recommends that the Grand Lodge of Kentucky complete the gathering of information begun by this committee, gather statistics from lodges which have suffered loss of membership due to religious concerns or objections, produce a pamphlet addressing Religion and Freemasonry in Kentucky based on the statistics and research, become pro-active in the area of religious relations, and become more aware of and aggressive in addressing anti-Masonic sentiment.

Your committee on Religious relations also encourages the practice of some lodges in having a minister's appreciation banquet for those who serve in their communities as well as the use of educational programs to introduce and inform non-Masons about our fraternity in general and its relation to religion in particular.

The membership of this committee have been called upon to speak to a group of Masons and non-Masons at Lancaster Lodge No. 104 and to present the morning message to those assembled for the Lord's Day service at the Conference of Grand Masters of North America held in Louisville.

COMMITTEE ON
YOUTH ACTIVITIES

MOST WORSHIPFUL GRAND MASTER KEITH DRIER, MOST WORSHIPFUL PAST GRAND MASTERS, RIGHT WORSHIPFUL GRAND LODGE OFFICERS, RIGHT WORSHIPFUL GRAND LODGE COMMITTEE MEN, MASTERS AND MY BROTHERS ALL:

The Grand Lodge Youth Activities Committee has considered it an honor and privilege to serve in this capacity in representing the Grand Lodge of Kentucky.

We have had a good year for all of our Youth Groups. We have seen growth and reemergence in our various youth groups. The Order of the Builders are keeping a very busy schedule and are showing a steady increase in it's membership. The Order of

Rainbow for Girls are busy as usual and always keep a continuing growth in it's Assemblies. Jobs Daughters have had the biggest increase in it's Bethels with excitement in the air and the resurgence membership, it's young ladies are wanting their Bethels to continue to prosper and grow. The Order of DeMolay has seen the re-investiture of a Chapter and is seeing a slow but steady growth.

These Youth Groups are all doing great. If it wasn't for the dedicated Mason and ladies who help and support them, they would probably start to decline. That, my fellow Brothers and Masons, would be our fault as a Grand Lodge in letting our future of our Fraternity slowly decline. We need to go to their meetings and volunteer your lodge to let them come and show you what they can do. I know times are tough, but we need to financially support them as well.

Again, it has been an honor and privilege to be on this committee for the Grand Lodge of Kentucky.

Fraternally thine,
Michael K. Adler, P.M. 210,
P.D.D.G.M. Chairman
Billy Mike Taylor
Ron Koontz

PRESENTATION

by Patty Forrester and Sons

The newly installed Grand Master, Herman M. Forrester was presented his Grand Masters Apron, Jewel and a Top Hat by his wife Patty and Sons, Gabe and Jake.

GRAND MASTERS ADDRESS

Herman M. Forrester

We as Masons are taught before entering upon any great or important undertaking to first invoke the aide of almighty God so at this time I will ask our Grand Marshall to conduct are Right Reverend Grand Chaplain, west of our sacred alter to guide our thoughts at this time.

As I look into the faces of so many Brothers who have meant so very much to me personally down through the years, I am so humble and grateful for the opportunity to serve them and the Grand Lodge of Kentucky. I pray that I will never let them down.

To the Brethren of Bowling Green Lodge #73, Gasper River Lodge #391 and District 10, I give my sincere thanks and appreciation for always being there for me through the years.

There is an old saying "*it's not getting to the mountain top, it's the journey along the way*", the past four years have been very educational and rewarding for me, I have learned so much and still have much to learn. To all the brothers who have traveled the many, many miles with me over the years, especially Brother Mike Taylor, Brother Lowell Hightower, Brother Bobby Watt, Brother Mike Knight, Brother Mike Tunks, just to name a few, thanks for always being there for me, I treasure the special friendship we have enjoyed. I have had the honor and privilege to serve the Grand Lodge Line with some of the most distinguished Freemasons of my time, whose passion, commitment and concern for the craft, and the future of the Grand Lodge have touched my heart. Not only do these men, mean so much to me as Masons but as true brothers and friends. I believe that no Grand Master has ever been privileged to serve with such a distinguished Grand Lodge Line as I am with Brother Todd Eastham, Brother Don Yanky, Brother Joe Conway, Brother Tom Larimore, I want to thank them for their support, friendship, guidance and commitment to Masonry. As I stand before the Craft as Grand Master of Masons, I know on my best day I can't be a Pat Hart, a Gregg Powell or a Keith Drier, I can only be Herman Forrester. A person who believes in the good things about the great brotherhood of Freemasonry, a person who believes that Masonry can make a difference in our Society, our Communities and our Country. I am not here to be a boss but hopefully with the help of the Brethren I will be a good leader. I do not have all the answers, nor the solutions to every problem, nor the answers to each challenge that faces our Fraternity, but I do believe that working together in unity we can make a difference. I am very grateful for the countless Masons who have helped and encouraged me through the years but of all the people I owe, none more so than my family. To my children, Jim, Gabe and Jake, and my grandchildren Caroline and Maude Ellen, thank you so much for letting me miss, postpone and reschedule birthdays, anniversaries and holidays to meet other commitments I have made for Masonry. Finally I want to thank my beautiful and lovely wife, Patty, for her love and tolerance towards me in my endeavor. Patty has sacrificed so very much that I may attend a Masonic Function or fulfill a Lodge commitment, for that I will always be grateful along with your encouragement and support during this challenging time. Patty, I do not have the words to express what you mean to me, so I will just say that I Love you.

I wish to Thank the installing officers, Past Grand Masters, John E. Moyers, Jack Hodges, Pat Hart and my son Brother Gabe Forrester. I revere and respect these Masonic mentors and leaders and hope I can in some small way follow the great example these men have set through the years for Masonry. Thank each of you for honoring me by your presence and participation. I would be remiss if I didn't take a moment to Thank and give praise to my Heavenly Father for his many blessings and Grace. I humbly ask for his protection, guidance and strength for our Grand Lodge Family in the coming year and may all things we do and say will be pleasing to him. I am very thankful for the good men who have agreed to serve our Fraternity with me this coming year, as Appointed Grand Officers, Committee Men and District Deputy Grand Masters, I look forward to working with you , Brothers enjoy your Masonry and have fun.

The Brotherhood of Freemasonry has touched the lives of millions of good men and represented the good things about man, love of God, Family, their fellow man and Country. Let us work together to make Freemasonry the Premier Organization that it deserves to be. If you believe in Masonry and the good things that it can bring to a man,

his family, the community and the world, then we have something to work for and trust in. If you trust that Freemasonry is right for a Society desperately seeking the good that Freemasonry offers then each of us have a common goal. If each of us will live up to the tenants of Masonry each and everyday, constantly measuring ourselves against the lofty standards that Freemasonry represents the world would better understand the good of Freemasonry through our actions. I ask your support for two new programs in the coming year, ***MASONS HELPING MASONS*** and ***THE KENTUCKY RITUALIST PROGRAM***, I earnestly believe these will be beneficial to the craft and to the Lodges of the Commonwealth. It is my ardent desire to preserve this great way of life for our grandchildren and for generations of young men that are yet to be born, so there will be *NO ENDINGS, ONLY NEW BEGINNINGS* for Freemasonry.

THIS PAGE IS DEDICATED TO THE MEMORY

of the

DISTINGUISHED DEAD
OF OUR SISTER GRAND JURISDICTIONS

and the

ILLUSTRIOUS DEAD
OF OUR OWN GRAND JURISDICTION

During the past fiscal year One Thousand Four Hundred and Forty-Seven of our brethren have passed within the veil, into the presence of our Supreme Grand Master on High. We like to think of them as being still active in a better and brighter sphere. "Absent from the body, at home with the Lord."

"They are only with us in memory,
Their work on earth is done.
By honest toil throughout their lives
Their wages they have won.
The hour of twelve was struck on high
That called them to their rest;
No more for cares of earth they'll sigh
They are now forever blest."

Names of Our Fraternal Dead Will Be Found
