COMMITTEE ON BIOGRAPHY

BIOGRAPHICAL SKETCH OF TERRY L. BOWMAN

**MOST WORSHIPFUL GRAND MASTER
GRAND LODGE OF KY 2011-2012**

By

RAYMOND CARMAN, JR, P.M. (951)

CHAIR OF BIOGRAPHY COMMITTEE

Brother Terry Bowman was born in Grayson County Virginia, resided in North Carolina for nine years, moved to Louisville, Kentucky in 1972. He attended schools in Virginia and North Carolina and graduated from East Forsyth High School in North Carolina in 1971. He graduated from a Leadership Development Program at the University Of Kentucky. He also has received from the University Of Louisville their Labor/Management Award. He has been employed for thirty-five years at the Lubrizol Corporation (formally B.F. Goodrich) in Louisville, Kentucky.

Brother Bowman has two sons, Joshua Bowman and Chris Wilson. He is a member of New Salem Baptist Church and sings in the choir.

Brother Bowman was raised to the Sublime Degree of a Master Mason in Valley Lodge #511, F.&A.M. in 1976 and was Master in 1985 and served as District Deputy Grand Master in 1991. He is a member of King Solomon Chapter #5, Louisville Council #4 and Louisville DeMolay Commandery #12 of the York Rite Bodies. He is also a member of the Scottish Rite, having served as Wise Master of the Louisville Chapter of Rose Croix and Master of Kadosh of the Louisville Consistory. He was conferred the Thirty Third Degree in 1999. Is a member of the Royal Order of Scotland and is currently serving as their Secretary in Kentucky. Is Past President of the Past Masters Society of Central Kentucky. Also a member of the Kosair Shrine, serving on the Ritual Cast, Past Masters Unit and Golf League.

Brother Terry, it has been a pleasure to have known you through the years, also for the honor you have afforded me. I can't put into words what you have meant, not only to myself, but to those you have come into contact with over these past years. I believe we first meet in 1984, the year you were Senior Warden of Valley Lodge #511, F.&A.M. Starting the next year, when you were Master of Valley Lodge, we have had the pleasure to work together and on different projects over the years even though we belonged to different Lodges. You have always been willing to listen and go the extra mile to see that a project was completed. We won't mention the practical jokes, but will always remember them, I hope with smiles and good memories.

I could go on and on about some of the past times we have had, but I won't. I just want to say this: not only for myself, but for all the Brothers of both Shively (951) and Valley (511) Lodge, congratulation on a job well done and we are very proud of you and the way you have presented yourself as our Grand Master. May God be with you in your future endeavors.

GRAND CHAPTER OF KENTUCKY ORDER OF THE EASTERN STAR

Linda Stepp
Worthy Grand Matron
Michael E. Martin
Worthy Grand Patron

Most Worshipful Grand Master, Grand Lodge Officers, Distinguished Guests, and members:

In a small county town in Eastern KY, in a Masonic Hall, a small young girl with black curly hair, stood at the foot of the stairs looking up with amazement and excitement – she had just seen Santa Clause! This was my first exposure to the Masonic Fraternity. Years later, as a young lady I stood and listened to a Grand Master, J. Heber Lewis addressing a group of Masons in Crab Orchard, KY and from that speech I gleaned these words that have remained with me unto this day. “*The way in which you live your life may be the only Bible that some folks ever read.*” And, in a few more years, I joined Rainbow Girls and felt the support of all good Masons. When reaching the age of eighteen, it was then through my father’s affiliation that I was able to join The Order of the Eastern Star. Now, fast forward to the present, I, Linda Stepp, stand again with my hair not as black or as curly but still with the same excitement in my heart and admiration for each of you, the members of the Masonic Fraternity.

As I have related to you my experiences with the Masons as a young girl and the positive influence that it has had on my life, I commend you on your exemplification of the principles upon which your Fraternity was founded.

As Worthy Grand Matron of the Order of the Eastern Star in KY, it is a sincere privilege and pleasure to bring you fraternal greetings on behalf of our members. The Masonic Fraternity provides the foundation upon which our Order was built...we are the wives, daughters, mothers, widows and sisters of Master Masons.

In behalf of the Eastern Star membership in KY, I would like to say that we have a sense of gratitude to each of you in the Grand Lodge of KY. Thanks you for allowing us to meet in your Lodges, for your support and even joining our Order with your wives daughters, mothers making Eastern Star shine even brighter.

As Worthy Grand Matron, I look forward in serving together side by side, our Order and your Fraternity, working and striving to achieve a better life for not only our members but mankind as well.

YORK RITE IN KENTUCKY

The leaders of the York Rite in Kentucky were recognized as follows:

***Wendell R. Curtis, Grand High Priest
Grand Chapter of Kentucky, R.A.M.***

MW Bro. Bowman, Gr. Line Off., PGM, Appt. GL. Off. Distinguished Visitors, & Brethren

Fraternal Greetings from the Grand Chapter of Ky., R.A.M.

If you have observed the moral decay of our nation over the past few decades, you may agree that Masonry is as important today as any time in our history.

Our Lodges, and other Masonic bodies serve as refuges from the decadence so prevalent in our society today.

It is vital that we protect and preserve our fraternity for future generations.

Without support of our Masonic institutions, more communities will lose a place where their young men seeking light are taught the principles of masonry and the values of their forefathers.

Therefore, let us so live that our words and actions will be such as to encourage and inspire others in our ancient and honorable order to greater activity and achievement, and the world at large convinced of the good effects of Freemasonry.

Let us be living examples of our Masonic obligations and teachings.

Thank you Bro. Bowman for the opportunity to address this august body and may God bless you and may God bless our beloved fraternity.

***James V. Jones, M.I. Grand Master
Grand Council of Kentucky, R.&S.M.***

***Bobby E. Crittendon, Grand Commander
Grand Comandery of Kentucky, K.T.***

Others responded with a few brief remarks.

**GREETINGS FROM THE
MASONIC YOUTH GROUPS OF KENTUCKY****ORDER OF RAINBOW FOR GIRLS**

***Shelby Higgins, Grand Worthy Advisor
Introduction by***

Mrs. Anne P. Dukes, Supreme Inspector, IORG

Most Worshipful Grand Master, Grand Lodge Officers and members of the Grand Lodge of Kentucky, it is a pleasure to be invited to your opening session of Grand Lodge.

The Rainbow Girls of Kentucky wish to thank you for your generous check presented to us at Grand Lodge last year. I am happy to report it made possible for nine Rainbow

Girls to receive \$500.00 scholarships each for the present college semester. I am sure you realize that it was greatly appreciated.

This morning I am happy to introduce you to one of those deserving young ladies, Shelby Higgins, who is our Grand Worthy Advisor and a member of Magoffin Assembly #47. She is presently in a second year student at Western Kentucky University. She will now bring “greetings” from Kentucky Rainbow Girls.

Grand Worthy Advisor
Miss Shelby Higgins

Most Worshipful Grand Master, Most Worshipful Past Grand Masters, Right Worshipful Grand Lodge Officers, Distinguished Guests, and Members All

I would like to begin by expressing my extreme gratitude to the Grand Lodge of Kentucky for the invitation to the wonderful dinner last night and their outstanding support of the International Order of Rainbow for girls in Kentucky. Without your help and support of our organization the young women of Kentucky wouldn't have the many opportunities for the service and the leadership experiences that we have. It is with great pleasure that I bring you greetings from Mom Anne Payne Dukes our Supreme Inspector of Kentucky and all Rainbow Girls across the state and thank you on their behalf.

This year our service project is the Wounded Warrior Project. As many of you know this organization strives to honor and empower wounded warriors. This organization began soon after the terrorist attacks on September 11, 2001, and their three main purpose statements are to raise awareness and enlist the public's aide for the needs of injured service members, to help injured service members aide and assist each other, and to provide unique and direct programs and services to meet the needs of the injured service members.

Throughout this year Rainbow Girls are working hard to raise money and awareness for this organization in the hopes that we can serve those that have already given themselves to serve us. We are also putting an emphasis on honoring and serving veterans and soldiers every chance we can. We are performing as many acts of service as possible to let them know that we appreciate them and that their service does not go unnoticed.

At this time I would like to take the opportunity to recognize any veterans that we have here today. If you are a veteran please stand. Please know that we are so thankful for you and we appreciate all that you've done.

In closing I would like to wish you a good session and upcoming year and invite you to our Capturing the Magic Grand Assembly Session June 21-23, 2013, and leave you with this quote and pray that you always remember that in the words of Elmer Davis “This Nation will remain the land of the free, only so long as it is the home of the brave.”

Thank you.

ORDER OF THE BUILDERS

Mikey Page, Grand Master Builder

Most Worshipful Grandmaster, Wardens, and Brothers and all other honored and distinguished guests,

It is a great honor to be invited to your annual Grand Chapter Meeting once again. It really means so much to me to be invited to your Grand Chapter, not only as the Grand

Master Builder of Kentucky, but as a member of the Scottsville Chapter, to represent all Builders in this great state.

The builders is a very worthy organization; it helps out with many needs of those less fortunate around us. For example, in our community we help out Big Brothers Big Sisters and Camp Courageous. And right now we are raising money for the Ronald MacDonald House of charity. This is an important charity for us because we have a young man in our Scottsville chapter whose family had to use the Ronald MacDonald House when he was born because he had many complications at first. The doctors did not expect him to live, but with his family and friends' prayers he made it and now we are proud to call him a builder.

I don't know if many people in this room know this or not, but the Scottsville chapter Order of the Builders is the only known chapter left in the world. Sure there are many chapters out there that still have members, but to my knowledge they are not able to meet because there are not enough boys in their chapter conduct a meeting. It would mean so much to us just to have some more chapters open across the country, and even more if they were in our state. It would be amazing to know that we are not the only chapter left out there, and we did not have to depend on just ourselves to keep this important organization going.

With most people if I say I'm in the builders, they say – "So what are you building?" I will tell you what we are building, - its' young men who have character, learn to serve their community, and who are ready to become a Mason as soon as we turn 18. I try my best as Grand Master Builder to get the word out there, but it takes time and patience to build a strong chapter.

I am here to say that belonging to the builders has changed my life tremendously. I remember when I came into the builders 4 years ago, like so many other chapters, there were barely enough people coming to the meetings to open and have degree work. But in these past four years, there has been a tremendous number of young men to come into the Scottsville Chapter, and that has thrilled my soul. Our goal is to continue to grow both as a chapter and as young men. We want to hand a very strong and viable chapter down to the next generation, and we know that we would not be where we are without the help and support of so many people from the men who work with us every 3rd Sunday, multiple times a year at car washes, annual car shows and our campouts, to the various organizations who also support us.

Thank you for inviting us to your Grand Chapter Meeting. Obviously, the meal was great, but what I appreciate most is the opportunity to mingle without people that I admire and respect. Before long, I will be grown and I intend to follow in the footsteps of the people, like those of you in this room, who have worked so hard to hand down a rich tradition based on honoring our God, country, and family.

Thank you

ORDER OF DEMOLAY IN KENTUCKY

Andrew Johnston, State Master Councilor

Introduction by

Danny Coffey, Executive Officer in Kentucky

Most Worshipful Grand Master, Deputy Grand Master, Grand Lodge Officers,

Distinguished Guests all, I would like to begin by thanking all of you for giving me this opportunity to speak in front of you this morning on behalf of the Order of DeMolay. It is a pleasure to speak here today.

The Greek Philosopher, Diogenes Laërtius once said that, "The foundation of every state is the education of its youth." Every country needs a generation of youth who are educated, not only formally, but with the wisdom of those before as well as a sense of direction with their lives. Frank S. Land saw a need for this type of education in our nation's youth during World War I, and founded the Order of DeMolay, a fraternal organization which gave the first DeMolays the opportunity to strive to become better leaders and better men. From its beginnings, the Order of DeMolay has taken the importance of educating youth to heart, not only in just a formal education, but educating the young men of our Order in a way of living. A way of living where they can work to grow as men and as leaders. A way of living where they can be an example among their peers. A way of living that teaches trust, brotherhood, and justice. This was only the beginning, as thousands of young men have grown in this time as members of the Order of DeMolay.

The moral education and development of youth has helped allow the Order of DeMolay to provide our nation with the future leaders that it will need to flourish, but as with every generation, new problems have presented themselves. Problems that will require leaders capable of solving this issues. As President and Honorary Grand Master of the Order of DeMolay, Franklin Delano Roosevelt once said, "We cannot always build the future for our youth, but we can build our youth for the future."

I wish to thank all of you for the support that you have given the Order of DeMolay as well as to all of our youth organizations, whether it is through the Masonic Lodges that sponsor our chapters or the many other countless ways the Masonic bodies support us. As the young men in the Order of DeMolay have grown into the future leaders of tomorrow, we have our Masonic bodies to thank for this support in laying a path for our youth to follow. The young men of this Order see these displays of support and appreciate everything you have provided to us. Once again, thank you for this opportunity to speak here today.

KEYNOTE SPEAKER

John W. Bizzack (1), Commissioner

Kentucky Department of Criminal Justice Training

Good morning. I appreciate the opportunity to address the 213th Annual Communications. My thanks to the Most Worshipful Grand Master, Terry Bowman for the invitation so to do.

In my four decades in criminal justice and policing, I have been very fortunate to have been able to be exposed to in-depth awareness of many sides of life, culture, and society as it simultaneously seasoned and galvanized earlier life lessons for me, and the importance of character and a man being what he says he is. However, until the first time I participated in an investigation of a candidate who wanted to become a Free Mason, an investigation that wasn't ruled by state and federal laws, but governed by the ethics of the moral obligation of the Fraternity, that I realized just how vital and imperative the work of Masonic investigation committees were. Not only to my Lodge, but literally all of Free Masonry. The question of how well we are guarding the West Gate is not a new

one for the Fraternity. It was this question that was asked by the Most Worshipful Brother Dwight Smith in a 1962 book that was called "Wither Are We Traveling." Smith was at the time a Past Grand Master, and Grand Secretary of the Grand Lodge of Indiana. His book outlined the problems facing the Craft five decades ago. And if one didn't look at the publication date, you would think he was talking about Masonry today. Smith's book, and the questions and issues that he brought forth continue to face Lodges around the country, not just in Kentucky. But indeed the question remains, how well are we guarding the West Gate? That gate through which all men must pass to be admitted to the Masonic Fraternity. Now Smith felt that Free Masonry was and is a selective organization. A selective Fraternity. I'm sure the men in this room, view it the same. But Smith also believed that lodges were not consistently selective in signing petitions to sponsor candidates, so he wrote "Whence came the idea that a man, almost any man, has the inherent right to become a Free Mason. Is it not a privilege to be conferred only on the worthy?" Well Smith raises another interesting question in that quotation and spends several pages in his book answering the question in well thought out detail. One of Smith's suggestions, for why Free Masonry often appears to have that come one, come all mentality, is economic pressure. And economic pressure existed even in 1962 for Free Masonry. Second off Smith's thoughts on the matters, what he called the "sloppy nature" in which some petitions are investigated. He argues that lodges do not always utilize their most capable members for duties on investigative committees. Nor do lodges always provide any training of merit to those who sit on investigation committees. Well indeed I think that we can all agree that Free Masonry is NOT for everyone. There's no room in the Craft for those who lack personal integrity. Those who don't promote political freedom. Those who prevaricate are religiously intolerant. Those who misstate their intentions in pursuit of a membership. Yet lodges that may end up with such members are clear example of what Smith classified as not doing a good enough job of guarding the West Gate. Now there is no particular Masonic scholarship required to consider the subject of Masonic investigation. It covers a broad field, but for the purposes of this brief presentation, we will limit the scope to that particular phase which we try to ascertain all the pertinent information obtainable about the petitioner for the degrees of Free Masonry. His moral, mental, physical qualifications to become a member of this Ancient Brotherhood. Presentation is not intended to be all encompassing or an exhaustive review of all the things that can be done in a investigation committee, but there is a responsibility incumbent upon all of us. Upon receipt of a petition to the three degrees, to examine the personal backgrounds, the habits, the general philosophy of a man's life, his reputation in the community, and his reputation among fellow workers and associates. It is not the easiest of Masonic tasks. Now the person assigned or appointed to the investigation committee by the Worshipful Master, should consider that appointment an honor, a visible expression of implicit trust and confidence in the man's ability to concern himself with the welfare of the Lodge and the Fraternity. There is no phase of Masonic work more important, than a thorough, impartial and unbiased investigation of those who seek admission. The members of the investigation committee are literally the first line of defense against the external enemies of the Craft, as well as those through indifferent character, may bring discredit upon the Craft. Not only is your Lodge dependent on you if assigned to a Masonic investigation committee, but so are your neighboring Lodges, certainly the Grand Lodge, and Free Masonry the world over. What effects one, is going to affect all. And when we admit a man into Masonry, we open up

the door for him to meet and be at the benefit and kindness of millions of Free Masons around the world. All components of the Craft look to the investigation committee, with security of the Fraternity and it is probably one of the gravest obligations you will undertake if assigned. Now, should an investigative committee member possess doubts about a petitioners qualifications after a painstaking investigation, clearly those doubts should be resolved in favor of Free Masonry and the Lodge, not in favor of the petitioner. No man has the right to become a Free Mason.

So what is a proper investigation? Well there is nothing foolproof about any investigation of character, any seasoned investigator, in any field will tell you that. Men change, and they change day to day occasionally. But are there better methods? Better methods to help us choose men of character. Well of course there are. Some of the methods that are used across the nation that have proven to be substantially more effective than many of the other measures that are used, not only in Kentucky, but again across the nation is that lodges provide a specific, written guideline to investigation committee members. That they visit a petitioners home, more than one time. That they ask the petitioner to provide a written statement. That one usually stops a lot of people in their tracks. Provide a written statements as to why you wish to become a Free Mason. It does cause the heart to become a conduit to the mind and express yourself to other men. Are any of these out of the question? Of course not. Masonry is not a club and it's not Rotary or Lions with aprons. We have a different approach that we use, and we should stick to it.

So what are the duties of the investigation committee? Well the answer results in no one except your own conscience of course and you're the screening person who has the ability to make the structure of Free Masonry within your Lodge either stronger or weaker, by who you select. The following is just a checklist, but it's a fundamental checklist that any Lodge can use, regardless of size and regardless of location. Starting off with men who are going to approach everything with an unbiased opinion. Be friendly, courteous, helpful. Do everything in a professional manner. When talking to the candidate, stay on topic. The candidate is not only going to assess you as an investigating committee member, but he is going to assess all of Free Masonry, by the stories you tell him, if you get off track. Your attire, a lot of discussion as to whether you should show up casual, or more business-like, but again he is going to judge you and the entire Fraternity of Free Masonry by your appearance when you investigate or do your evaluation of him. Starting off talking to the Brother who signed the petition, is a great first place to start, and we all know that occasionally sometimes those petitions are signed by Brothers who don't know the candidate because he's new in the area, or have no background, but we sometimes fail to ask that person who signed it, what do you know about this guy, other than he wants to become a Mason. Seeking out the references. Did they know they were going to be used as a reference? Did they know they were given as references? Are they a friend, a colleague, a business associate? Is the person being completely honest? Is the person being evasive in his answers? If so, then obviously there is much more work to be done. Considering the financial circumstances of men is always a touchy situation but there is ways to do that too, which we'll briefly touch on in just a second. Are there special considerations for a investigative committee member, and there are. Instructions may include, definitely to visit the petitioner but that should be saved as last, of course. And then to do so when there can be uninterrupted time, and perhaps even when the man's family is present. Does he hesitatingly allow you to come into his home? Is his wife present? What

does his wife got to say about becoming a Mason? Is he torn about Masonry, perhaps, and any other commitments that might prevent from making his financial obligations and moral commitment to the Lodge. The interview in the home is the last thing and should always be the deal sealer. Being morally fit, mentally qualified. Being in the right jurisdiction, having the character, the financial standing, and then the last thing. After you think you've gone through the last piece of investigation check list and you've been briefed by your Lodge and what the minimum is you should do. At the very bottom should always be somebody find a computer and put the man's name in there and go to Google, social networks, Google searches, internet forums, blogs, pod casts, photographs, twitter, and the all-powerful business connection of LinkedIn offer a variety of things that are all public information that will help you determine the character of a man. Facebook is probably one of the easiest things to check, especially if you have a Facebook account of course. It can tell you more about what the man's true feelings are about a lot of things in life, then any kind of criminal records check you might be able to run on him.

Dwight Smith's 1962, *Guarding the West Gate* does continue to serve a pointing reminder in our duties to preform thorough investigations, and he also includes warnings and consequences of letting down our guard, accepting any petition. There simply is no substitute as Smith say's for quality. And as he says if we accept to many petitioners, who can pay the fee and little else, or too many men who have no conception of what Free Masonry is or what it seeks to do an cares not about increasing their moral stature, then we end up with what is largely the result of being asleep at the West Gate. Every member of the Lodge is a part of the investigation committee. Every member who vouches for the profane should be certain of that person's fitness for membership. It's the duty of every Master Mason to be aware of something that would cause the profane to be unfit for membership and to inform a Brother or a member of that investigation committee, if he so knows.

Background investigations, how do we run and get a criminal check on somebody, The answer to it all and it's not the answer to it all. There are many organizations, and there's eight specific ones that accompany this report, that the Grand Master has a copy of, that you're welcome to access. Eight specific valid organizations in the nation who can offer you a criminal background check. Unfortunately, they will cost you at least \$20, maybe \$14 depending on the kind you want. Fortunately they will tell you if a man is wanted, if he has been arrested, they won't tell you all the time if he's been convicted, but they will give you everything from driving offenses on up to a homicide. Another process is in Kentucky you can go to the state police website and you can check any sex offender file for the last 12 years. And if the person is a registered sex offender or has been involved in sex crimes in his life is free. You can get that for nothing. You can go to the administrative office of the courts AOC in Frankfort, you can write them a letter, or you can go in person. You can give them \$20 and they will check criminal records that go back seven years on any person who is resided in Kentucky. It only takes about 10 minutes if you just go and wait on it, and if you can't you can always mail it in. Of these variety of sources, most criminal records, unless you go through a police department, aren't going to give you everything. And you can't go through a police department, because the police have to maintain a certain integrity on the systems that they operate and they're not open for the general public or organizations like Free Masonry to run background checks. So you have to be cautious about how you run a background check, and you have to be cautious

about what vendor you use. But there are many other states Grand Lodge's that have asked lodges to use them, and they have found them quite useful. Preventing men who are convicted of moral crimes, convicted, not just arrested, but convicted from entering the ranks of Free Masonry.

I appreciate the opportunity to have spoken to you this morning, about the importance of a Masonic investigation committee and I want to say one last thing regarding what Worshipful Master mentioned about law enforcement officers in Kentucky. At Eastern Kentucky University we have a memorial that goes all the way back to 1792 of every police officer that has died in the line of duty, in the Commonwealth. We asked the Grand Lodge earlier this year to help us with a survey of all lodges in Kentucky to find out how many men, who are on this memorial were also Masons. And we got a great response from many lodges around state and we had a ceremony in May as we usually do, honoring all fallen officers in the state of Kentucky. Members of the lodge were there, Grand Lodge were there, the Master was there and presented a wreath, a Square and Compass, at the foot of the memorial, in honor of the 22 fellow Masons we found who had been police officers in Kentucky and killed in the line of duty in their respective jurisdiction. We never would have known that information had not we had the support and feedback from all of the Lodges in Kentucky and the support of the Grand Lodge to do such a survey. So we appreciate that very much. And on behalf of the Justice Cabinet and the law enforcement community in Kentucky, I thank the Grand Lodge and all the lodges across the state for the cooperation on that important survey and identifying Masons, we will know from this point forward who was and wasn't a Mason, but we would have been historically lost without that survey.

Thank you very much. It's been a pleasure speaking with you this morning.

MASONIC SERVICE ASSOCIATION OF NORTH AMERICA

George O. Braatz, PGM (Ohio)

Executive Secretary

Most Worshipful Grand Master, Right Worshipful Deputy Grand Master, Distinguished Guests, Good Morning. I want to thank the Grand Lodge of Kentucky for all the hospitality that's been provided to me in my position with MSA. As I travel to different Lodges and Grand Lodges, one trend seems to emerge everywhere. Free Masonry seems to be moving in a positive direction. And this kind of reminds me of a story. When my son, Mike, was about 3 or 4 years old, in the mornings he would climb up on the counter top while I was shaving. And he would kneel on the counter and look at the mirror where our two images were as I was shaving. And one morning, as he looked at the mirror he said, "Dad, did God make you?" And I said, "Yes Mike, God made me." And he said, "Dad, did God make me?" And I said, "Mike, yes, God made you also." And then as he looked at the two images he said, "He sure has been doing a better job lately, hasn't He?" And I think that's conclusion for Free Masonry these days, here in the 21st century. We have been doing a better job lately, and in like manner I know that things are moving forward here in the Grand Lodge of Kentucky as well. The Masonic Service Association is governed by a Board of Commissioners, and I'm pleased to say that one of our 6 Commissioners is

here with us today. Most Worshipful Brother G. Ray Marsh, who is a Past Grand Master, and Grand Secretary of the Grand Lodge of South Carolina. I would also like to recognize the work of your Grand Secretary, Most Worshipful Brother Joe Conway, who has done for the MSA, he has been a long time member of the MSA steering committee for our Masonic Information Center. Thank you, Most Worshipful. And MSA provides a number of services for the Grand Lodges and Free Masonry in North America, and I'd like to just mention, very briefly, two of those services.

One is our disaster relief appeals. When asked by a Grand Lodge, MSA will issue such an appeal, to raise funds to assist those who have suffered in some way from natural disasters. We have been providing this service for 90 years in the country. In 2011 MSA had a very busy year with numerous hurricanes and tornados, and earth quakes and disasters in the US and elsewhere. This year, 2012, has been much quieter. There has only been one appeal for disaster relief this year, but that came from right here, in Kentucky. On March 2, at least 13 tornados struck several areas in Kentucky. Much loss was reported among the Masonic family here in the Bluegrass State. And MSA was very pleased to issue a disaster relief appeal, and to forward a total of \$60,000 to the Grand Lodge of Kentucky to help with those disasters. Masons throughout the nation are to be commended for their generous contributions to this disaster appeal in which every penny has been turned over to Kentucky for its use.

The MSA was founded in 1919 to provide services, initially to our brethren returning from World War 1 and it is that other part of our services, our hospital visitation services that I wanted to mention. It has always been a cornerstone of why we exist. Here in Kentucky MSA has hospital representatives and volunteers working in 3 VA medical centers. And at this time to recognize our appreciation for all those service, I would like to present a plaque to Grand Master.

Most Worshipful, this is a Certificate of Appreciation, presented to Terry L. Bowman, Grand Master of Kentucky, in sincere appreciation of your abiding interest in and strong support for, the Masonic Service Association's programs. You have given time to our national hospital visitations program, and you have encouraged the MSA representatives, deputies, and volunteers in Kentucky. With this certificate go our best wishes for a continued success and service to our gentle Craft. Thank you so much.

REPORT OF THE GEORGE WASHINGTON MASONIC MEMORIAL

L. Todd Eastham (89), PGM

Most Worshipful Grand Master, Delegates, and Brothers All,

Our Vision: "To inspire humanity through education to emulate and promote the virtues, character and vision of George Washington, the Man, the Mason, and Father of our Country."

The George Washington Masonic Memorial was built in the 1920s by the more than two million American Freemasons who wished to:

"express in durability and beauty the undying esteem of the Freemasons of the United States for him in whose memory it shall stand throughout the coming years."

This magnificent structure is privately funded through the grateful contributions of

The George Washington Masonic Memorial is more than a colossal memorial and museum. It is a tourist attraction and destination; research center and library; community center; performing arts center and concert hall; banquet and celebration site; and meeting site for local and countless visiting Masonic lodges and organizations. However, first and foremost, it is a memorial to honor and perpetuate the memory, character and virtues of the man who best exemplifies what Freemasons are and ought to be, Brother George Washington.

SENIOR PAST GRAND MASTER

WELCOME ADDRESS

M.W. Carroll M. Curtis, PGM (291)

(Senior Past Grand Master Present)

Most Worshipful Grand Master, other Grand Lodge officers, distinguished Past Grand Masters of Kentucky, visiting brethren, and the great Kentucky Masons, here assembled:

Another Masonic year has passed and by a kind Divine Providence we are permitted to assemble as brethren to review and conduct the business of our Grand Lodge, and it is again my pleasant duty to extend a welcome to our Grand Lodge. This is my 55th attendance at the annual communications of our Grand Lodge, and it is a joy to again see brethren of long acquaintance and meet brethren of later date who are carrying the torch of Freemasonry.

Sometimes, as human beings, we do not thank others enough for their good works. Various Grand Masters have had various programs and themes, and I want to express my heartfelt thanks to the Grand Masters and Grand officers that for some years now they have emphasized quality over quantity of our membership. This is the kind of leadership that is needed to restore Masonry to the place it should hold in our communities and our Commonwealth.

We, who are citizens of Kentucky, feel a justifiable pride in being Kentuckians, as citizens of other states should about their homes. This is shown in a poem written long ago.

GOD LIVES IN KENTUCKY

God is good to Indiana as a father to his child,
But He made our old Kentucky and He looked at her and smiled.
Then He made the broad Ohio circle round this land so fair,
As a mother hugs her baby to her heart, with tender care.
Yes, God went to Indiana and He blessed each hill and glade,
But He came down to Kentucky and just sat down here and stayed.
And He raised up here Abe Lincoln in the hollow of His hand;
George Rogers Clark He sent with his Kentucky rifle band,
To release His Indiana from the English tyrant's yoke
And they carried God's own message and He heard them when they spoke.
And God sent old Davy Crockett 'way down to the Alamo-
And they made the state of Texas out of northern Mexico.
Here, He heard the call of Jackson 'way down south in New Orleans,
And sent to him his chosen soldiers – Kentuckians in home-made jeans.
When, because of darkness, war between the States were made,
To the South he Jeff Davis; to the North old Honest Abe.
So the Lord sends from Kentucky just the man, when He can't go,
Who will always do His bidding every time. Now, ain't it so?
We believe our God will tell you, though forever you may roam,
That the nearest place to Heaven is the Old Kentucky Home.
It is just as clear as can be that God loves and freely gives
To the other States his blessings, But Kentucky's where He lives,
--John A. Logan

GIFTS

The gifts that I have received are too numerous to mention here. Thank you all so much for them and they will be a very special reminder of this year and for years to come.

DISTRICT DEPUTY GRAND MASTERS

You have served your Brethren with honor and distinction. Thank you for your hard work and dedication to the Craft of Kentucky. Your shoes will be hard to fill in the coming years and I look forward to seeing you in the months and years ahead. It has been an honor to serve with you.

APPOINTED GRAND LODGE OFFICERS

What an honor it has been for me to work with you this year. You have traveled the State to Dedications, Cornerstone Layings and Installations, plus regular Lodge visits. Thank you very much for your support and hard work.

BROTHERS OF KENTUCKY

As I mentioned in my article in the October issue of the Masonic Home Journal, how many times can one say thank you for the honor and privilege you have allowed me as being your Grand Master. This year has truly been a blessing in my life and I will forever be grateful to the you, the Grand Craft of Kentucky.

PAST GRAND MASTERS

It would be impossible to list the times that I have asked for your council and advice and I sincerely appreciate you taking time to answer my questions. You were always there for me and I consider it an honor to work with you. Thank you for your dedication to our gentle Craft.

ELECTED GRAND OFFICERS

The times we have spent together have been so special to me. We have traveled near and far as a Band of Brothers and I will cherish the events we attended and the laughs we shared. The Brothers of Kentucky have chosen well.

Deputy Grand Master, Chris Stout, we have traveled many roads together and shared good times and fellowship. I am confident that you will do a good job as Grand Master and I will support you any way I can. My best for you, Cindy and Logan for the future.

Grand Senior Warden, Rick Nation, I have come to know you well enough over these few years that you truly want the best for the Brothers of Kentucky. Your knowledge as a Lodge Secretary has helped you craft your vision for the Brethren. To you, Karen and the boys and their families, all the best in the years to come.

Grand Junior Warden, Wilson Wilder, I will never forget the first time we met; it was at your Orientation as District Deputy. I was impressed with your zeal for Freemasonry and wish you much success as you continue on your way to the Grand East. To you, Sally and Will, all my best.

Grand Treasurer, V.T. Larimore, thank you for your wise council on the questions I had and probably the aggravation I caused you this year. The Brethren of Kentucky have placed their trust well in your capable hands. Remember, we can always take it out of programs. May you, Pat and your family be blessed now and in the future.

Grand Secretary, Joe Conway, thank you Brother Joe for all the good advice during the many conversations we had concerning our Grand Craft. Your knowledge of our Constitution helped so much this year and I have been honored to work with you. I sincerely hope for you, Peg and your family my best in the years ahead.

VALLEY LODGE No. 511

I am so honored and privileged to be a member of Valley Lodge #511. You have supported me at every turn and when called upon, you answered. The Grand Junior Warden and Grand Master Receptions were a tremendous success and a good time was had by all. I look forward to attending more regularly and helping out where I can. May God continue to bless you Valley Lodge.

YOUTH GROUPS

We are so blessed in the Commonwealth to have the quality young men and women that are members of our Youth Groups. They represent the best of their generation and what an honor it was for me to work with them this year. They are guided by truly dedicated Brothers and Sisters who share their time and resources for the betterment of our youth.

NECROLOGY

We have lost so many Brothers during the course of this year. Many were hard working and dedicated to the Fraternity. Their presence will be missed for years to come and we should keep in our thoughts and prayers the Families that have suffered a great loss.

OFFICE STAFF

Ladies, thank you for the support you have given me these years in the Grand Line. I wish you all the best for the future.

FAMILY

How can I express my love for my family and the support that you have given me, but to say I love you and I promise that you will see more of me. Mom, Josh, Ashley, Josh Jr., Chris, Sonya, Rachel, Randy, Jill, Trent, Taylor and Whitney, your son, dad, father-in-law, grandfather, brother, brother-in-law and uncle, loves you very, very much.

IN CONCLUSION

Brothers, again allow me to express my humble and thankful gratitude for serving you, the Grand Craft of Kentucky these past four years. What an honor and privilege it has been to travel the state and meet so many great men and masons. From all across our Commonwealth, we have assembled together, prayed together and broke bread together. We have laughed, hugged, shook hands and yes, cried together. I will forever be in your debt and any time you need me in the future, please let me know. Also, please continue to support your Grand Lodge Officers. Continue to love, pray and support one another, because, we are as ONE!

Fraternally thine,

Terry L. Bowman

A committee of the Grand Treasurer, Grand Secretary and members of the Finance Committee of the Grand Lodge of Kentucky, F. & A.M. serve as Trustees of the Retirement Fund to the Bank on our retirement accounts.

(Restricted)

On October 15, 1929, Past Grand Master John Henry Cowles created the Cowles Benevolent Fund with PNC Bank (acct #20-80-002-5692006) with an initial amount of \$10,000.00. Varying amounts during the life of Brother Cowles augmented the trust.

The Trust provided that both principal and income would be held and invested for a period of fifty (50) years. At the expiration of fifty years, "The balance of the fund shall remain in tact and constitute the above named fund, after which all income derived from it, or so much of the income as the Grand Lodge of Kentucky, F. & A.M. may decree, may be used at the discretion of said Grand Lodge for the support of its benevolent work or charities." As of July 31, 2012, the principal market value of this fund is \$257,379.70. (\$254,055.29 in 2011).

The Grand Lodge received income for the first time in 1980. The income from August 1, 2011 through July 31, 2012 totaled \$3,748.70. The proceeds of the sale totaling \$400,000.00 were invested immediately with CD's and INVESCO (Acct No. 21-75-080-4477657) with returns accumulating. The principal balance as of July 31, 2012 is \$2,856,273.97. (\$2,781,481.22 in 2011). The dividends and market appreciation are reflected in these totals. The office rent, maintenance and cleaning paid by the Grand Lodge is being supported from this account.

JOHN H. COWLES DINNER FUND

(Restricted)

Because of his great love for the Masonic Fraternity and his extreme pride in having served as Grand Master of the Grand Lodge of Kentucky, F.&A.M., Brother Cowles established the Cowles Dinner Fund, the income of said Fund to be used to offset the cost of the Annual Past Grand Masters' Dinner. The fund now has a principal balance of \$30,729.26 with the income being used for its designated purpose.

RELIEF FUND

(Designated)

This fund was established in 1980 to provide money for relief contributions to those less fortunate than ourselves, for disasters such as fire, flood, tornadoes, hurricanes, etc. This fund now totals \$60,710.38 (\$71,877.81 in 2011). (We transferred \$11,378.04 from this fund to the Disaster Relief Fund.)

DISASTER RELIEF FUND

(DESIGNATED)

This Fund was established in March 2012 with funds to assist in disasters. The amount of this Fund totals \$45,586.13. At present, there are no pending requests from the Fund.

(Designated)

This fund was established in 1979 to defray the cost of any Constitution revisions that may be made in the future. The costly process of reprinting a new Book of Constitutions will be aided by this fund when needed. The fund was established with the initial sum of \$1,000.00 and shall be supplemented with an annual amount of \$1,000.00. The fund now totals \$ 20,577.10. (\$20,445.32 in 2011).

J. W. HICKMAN MEMORIAL FUND

(Restricted)

This fund was established in November 1971 as a result of the will of the late John W. Hickman. The initial amount bequeathed was \$37,341.98. The will provided this amount of money to be invested by the Grand Lodge of Kentucky, F.&A.M. and the income derived there from to be divided between the Masonic Widows and Orphans' Home and The Old Masons' Home now known as MASONIC HOMES of KENTUCKY, INC. The present value of the fund is \$43,880.25, with the income to be divided as directed.

PERMANENT (ENDOWMENT) FUND
GRAND LODGE OF KENTUCKY, F.&A.M.

(Restricted)

This fund was established in October 1980 by approval of the Craft. The fund is administered under Trust agreement No. 21-75-080-4477649 with the PNC Bank. The purpose of this fund is to supplement future programs as determined by the Grand Lodge. Principal contributions to this fund shall remain intact with the income being used by the Grand Lodge. The market value of the fund as of July 31, 2012 is \$2,078,310.98. (\$1,892,681.25 in 2011). Through the generosity of the Craft, Fund Raising programs by the Grand Lodge and Investment returns, the present balance has been achieved. We look forward to continued growth of this fund.

The Preservation Contribution that had been co-mingled with this Fund for better investment return has been separated since FYE at the direction of the Finance Committee, into a separate fund #42-6059-4448 thus reducing this Permanent-Endowment Fund by \$264,995.86 – (the annual contributions including earnings less the amounts used to balance the annual budgets)

FELTMAN PROPERTY PERMANENT-ENDOWMENT FUND
GRAND LODGE OF KENTUCKY, F.&A.M.

(Restricted)

Pursuant to a resolution adopted at the Grand Lodge session in October 1981, the Grand Lodge was directed by the Craft of Kentucky to establish a Permanent Fund through an assessment from each Kentucky Mason in the amount of one dollar (\$1.00) each for a period of three (3) years, beginning in 1982. This assessment was to be invested as principal in the fund with the earnings only from this fund to provide for upkeep, maintenance and service of the Feltman property. This fund should be in the name of, and in control of the Grand Lodge of Kentucky, F.& A.M. As this property is now leased to the Masonic

Homes of Kentucky, the income from this endowment is being used for any Grand Lodge liability for the upkeep or maintenance of the property as approved by the Grand Lodge in 2004.

This Fund was established with the PNC TRUST under Trust Agreement No. 21-75-080-4477966. The Market Value of this fund as July 31, 2012 was \$499,470.52. (\$487,253.38 in 2011) with the income being accumulated in the fund.

CONCLUSION

Just as I reported last year, when you thought that it could not get worse????? Guess what happened!! History repeated itself!

We have experienced some turn around in investments. While the market has shown some improvement, it continues to be very unstable. Fixed instruments that once returned double digits to the left of the decimal are still as before doing double digits, but to the right of the decimal point.

Revenues are smaller due to fewer numbers than we once had and life expectancy has increased, producing more Senior, (50 year and over) members than at any time in our history. As an aside, just in my lodge membership of 230, we have 88 members with free membership. This is placing increased pressure on both the individual Lodges and Grand Lodge. Many of our Lodges are experiencing the imbalance of dues paying members.

I encourage each Lodge to respond positively to your lodge budgets and to keep your Lodge dues up to date. It is still the best membership Bargain around.

I would like to express my appreciation to Mary, Christy, Jamie and Stephanie for their efforts in getting the Grand Lodge Reporting under control. The electronic Reporting of our Grand Lodge Activity has made the task of the Lodge Secretary much easier; however the activity still needs to be addressed timely.

The electronic Masonic Home Journal and the Annual Proceedings on CD has helped to reduce two of the largest printing expense items. The number of electronic subscriptions is still low in comparison to the number that I suspect has means to receive it that way.

Brother Joe, as always, thanks for your help and Friendship as we have tried to bring the reporting together. The office reporting has probably undergone its most drastic changeover in record keeping in its history.

The Grand Lodge officers continue their efforts to bring our great Fraternity into the "electronic age." The way of business today requires that we continue the forward push. I applaud each of them as they make every effort to represent you.

I take this opportunity to say thanks to our membership for your understanding, support and encouragement. You have made my wife, Pat and me a part of your family as we have traveled over the years. The little "Red Head" Daughter that traveled with us in the 80's now has her own "little ones" of ages of 6 and 12. She cherishes those years and just three weeks ago traveled to Belfry to visit with a College Friend during a period of bereavement. Thanks and God Bless!

Fraternally Submitted,
V. Thomas Larimore, Jr.

A motion was made and seconded to receive the report of the Grand Treasurer, but following discussion, the report was not adopted. A debate on the Grand Treasurer's report ensued concerning the funds paid to the Masonic Homes of Kentucky in 2007-2008 budget year, which was challenged by Past Grand Master, F. Keith Dreier who claimed the funds should have been deposited in the Grand Lodge Preservation Fund and the Grand Lodge Long Term Budgetary Fund for the aforementioned budget year (a listing of which, provided by Brother Dreier, is attached to these proceedings)

Last year's Proceedings state that the GL Budgetary fund is at \$204,349.16 and I show about that it should be at \$458,704.00.

A motion was made by PGM Dreier as follows: “that since this money was co-min-gled in the Endowment Fund- which this money be taken from the Endowment Permanent Fund to bring these funds back to the funds that they are supposed to be in. So I do make that motion.” The motion was duly seconded and adopted.

A motion was then made to accept the report of the Grand Treasurer, subject to the condition of the above motion. The motion was duly seconded and adopted.

JOSEPH R. CONWAY, P.G.M.
Grand Secretary

REPORT OF
GRAND SECRETARY
JOSEPH R. CONWAY (4), PGM
OCTOBER 2012

MOST WORSHIPFUL GRAND MASTER, RIGHT WORSHIPFUL, GRAND LODGE OFFICERS, MOST WORSHIPFUL PAST GRAND MASTERS, MOST WORSHIPFUL AND RIGHT WORSHIPFUL DISTINGUISHED GUESTS, DELEGATES AND BRETHREN ALL:

It is, again, my distinct pleasure to submit for your review and approval this report covering the business affairs and activities of the Grand Lodge Office for the period of August 1, 2011 through July 31, 2012, as supported by the records on file in the Grand Lodge Office. The fiscal status is verified by the auditors of the firm of the Deming, Malone, Livesay & Ostroff Accounting Firm, and is explained fully in the reports of the auditors and the Grand Lodge Treasurer, both printed elsewhere in these Advanced Proceedings.

BUDGET MEETING

In conformance with Section 14 of the Book of Constitutions of the Grand Lodge of Kentucky, F. & A.M., the members of the Committee on Finance and the elected Grand Lodge Officers met in the Conference Room of the Grand Lodge on Tuesday, July 17, 2012, to review the proposed budget prepared earlier by the Grand Lodge Officers. Following this review, a final budget proposal for presentation to the Delegates assembled at this Two Hundred-Thirteenth Annual Communication was agreed upon by the Committee on Finance and the Grand Lodge Officers. Present at this meeting were the following:

Terry L. Bowman, Grand Master
Christopher L. Stout, Deputy Grand Master
Richard T. Nation, Grand Senior Warden
Wilson K. Wilder, Grand Junior Warden
Virgil T. Larimore, Jr., Grand Treasurer
Joseph R. Conway, P.G.M., Grand Secretary
Harold E. Armstrong, P.G.M., Chairman, Committee on Finance
F. Keith Dreier, P.G.M., Committee on Finance
John E Moyers, P.G.M., Committee on Finance

The proposal budget recommended by the above was printed in the 213th Annual Communication Pamphlet that was mailed to each Lodge Secretary in early September of this year, as required by Section 14 of the Book of Constitutions. A copy of the same has also been placed in the packet of each delegate registered at this Communication.

HIGHLIGHTS, CONSTITUTION REVISION

AND PROCEEDINGS

The Highlights of the 212th Annual Grand Lodge Communication, including the legislation adopted at the Annual Communication, were mailed to each Lodge Secretary and others entitled to receive them as soon as possible following the close of the Annual Communication. A copy was also posted on the Grand Lodge web site.

The Proceedings of the 2011 Annual Communication of the Grand Lodge of Kentucky, F. & A.M. were prepared on CDs and mailed to each lodge as soon as they were delivered to the Grand Lodge Office. A small number have been printed in soft-back book form for those lodges preferring to have a hard copy of the Proceedings. The copies of the Proceedings in book form are available for purchase from the Grand Lodge Office at cost, plus shipping and handling.

THE MASONIC DIRECTORY

One copy of the 2012 Masonic Directory was mailed to each lodge Secretary as soon as they were received from the printer. Again, several lodges were not included in the Directory since they failed to get their information to the Grand Lodge Office by the deadline. A number of pre-paid orders for the Directory were taken from subordinate lodges; appendant Masonic Bodies, and individuals. A few additional Directories were printed and made available for purchase at various District Meetings and Leadership Programs throughout the state this past year.

MONTHLY REPORTS AND

ANNUAL RETURNS

In order to comply with Standing Resolution 15 passed at the 2009 Annual Communication, all reports to the Grand Lodge Office after June 30, 2012, were submitted electronically. The transition went reasonably well, with some minor misunderstandings occurring, both at the lodge and Grand Lodge level; hopefully all those issues have been resolved. As a consequence, several lodges did not meet the September first deadline, and, since this was a learning experience for all, no fines were levied on those lodges not meeting the deadline. With this years' experience, I am confident that next year the new reporting system will go much smoother.

CONFERENCES OF GRAND

SECRETARIES IN NORTH AMERICA

The 2012 Conference of Grand Secretaries in North America was held, at the Sheraton Hotel in Atlanta, Georgia February 19-21, 2012. I attended the Grand Secretaries Conference while the other elected Grand Lodge Officers attended the Conference of Grand Masters. The theme for the Conference was "Looking into the Future" Besides routine business of the Conference, some of the papers presented included "Emerging

Trends in Website Design”; “Economic Outlook for Foundations & Non-“; Profits”; “The Resurgence in the Initiatic Process”; and “Lodge Formation”. A valuable, interesting and informative up-date on new and changing IRS regulations applying to non-profit organization was presented by James Cole, Past Grand Master of Virginia. Much is gained by sharing the methods and experiences of the members of the Conference with each other, and for that reason, I recommend the Grand Lodge of Kentucky remain a member of both the Conference of Grand Masters and Grand Secretaries.

SOUTHEASTERN MASONIC CONFERENCE

The Fifty-Second Southeastern Masonic Conference was held at the Hilton Garden Inn in North Little Rock, Arkansas, August 2-3, 2012, With the exception of the Grand Secretary, all the elected Grand Lodge Officers of the Grand Lodge of Kentucky, as well as several other Masons from the Commonwealth, attended the Conference. Regretfully, other responsibilities prevented me from attending the 2012 Conference.

The Grand Senior Warden, Richard T. Nation, was listed on the program to present a paper entitled “What Three Changes Would Most Benefit Your Jurisdiction”

There are nine Southern Masonic Jurisdictions that make up this Conference which meets yearly between these nine Grand Jurisdictions on a rotating schedule. The next Conference will convene in Montgomery, Alabama, August 1-3, 2013, at the Embassy Suites Montgomery Hotel & Conference Center.

MAYTOWN LODGE No. 656, F. & A. M.

ARREST OF CHARTER

As was reported at the last Annual Communication, the Charter of Maytown Lodge No. 656 was arrested on July 23, 2010, and an inventory taken of the furnishings of the lodge (note previous Proceedings of the Grand Lodge of Kentucky, 2010 and 2011). The only remaining item to resolve to close the matter is the selling of the building and lot on which it sets. A price has been negotiated and a potential buyer has made a deposit on the property. As soon as the deed has been cleared, the transaction will be finalized, the matter closed, and a final report made at the next Annual Communication.

GRAND MASTER, TERRY L. BOWMAN AND GRAND LODGE OFFICERS

Grand Master, Terry L Bowman, along with the able assistance of his line officers, Christopher L. Stout, Deputy Grand Master; Richard T. Nation, Grand Senior Warden; and Wilson K. Wilder, Grand Junior Warden have served the Grand Lodge and the Craft of Kentucky in a most favorable and commendable manner this past year, both in-state and out. Grand Master, Bowman and his Officers have kept the best interest of the Craft and the Grand Lodge in mind in dealing with the many issues facing the Grand Lodge during the year. All were addressed and resolved in a Masonic manner. Brother Terry, congratulations on job well done, and best wishes to you as you join the ranks of Past Grand Masters, where you will continue to be of service to the Grand Lodge of Kentucky.

The Grand Treasurer, Virgil T. (Tom) Larimore, Jr. as I have said so many times before, is a very valuable asset to the Grand Lodge of Kentucky. Without me having to say so, it's very apparent to the Craft of Kentucky that Tom is very conscientious of his responsibilities and makes the very best effort to see our funds are properly accounted for, and the best return is gained on our invested funds. It's a pleasure working with you, Tom.

ASSISTANT GRAND SECRETARIES

Once again, I extend my sincere thanks to Right Worshipful Brothers James E. Boucher and Bobby L. Baker for their willingness to continue serving the Grand Lodge of Kentucky as Assistant Grand Secretaries. They continue to be a dedicated and reliable source of assistance to the Grand Lodge Office Staff, not only at the Annual Communication—but throughout the year.

Thanks, Jim and Bobby, not only for all the services you provide for the Grand Lodge of Kentucky, but also your friendship.

GRAND LODGE OFFICE STAFF

My thanks to the Office Staff, Mary A Justice, Christy L. Ward, Jamie L. Paulley and Stephanie A. Dorton. Each of them takes their duty seriously and is always willing to go the extra mile when asked to do so.

Thanks Mary, Christy, Jamie and Stephanie for your faithful service to the Grand Lodge of Kentucky, and more especially, the Office of the Grand Secretary.

CONCLUSION

Again this year the Grand Lodge of Kentucky will record a net loss of membership; there is always hope each year this trend will change. Several more lodges have reported a net increase in their membership this year. However, a more disturbing element is that there are a disturbing number of lodges which haven't recorded the initiation of a candidate for several years. There are probably a number of reasons for this, i.e. lack of potential members in the area; lack of community awareness; etc. If those lodges can identify the reason(s) they are not receiving petitions, and make adjustments accordingly, they are well on their way to making a difference, not only in their lodges—but in their community as well.

I encourage each Delegate to review this Advance Report thoroughly—the statistics, addresses, and each Committee report—and take the information contained therein back to their lodge membership for their review; in turn encouraging the officers and members to re-assess the relationship of the lodge to the community and how the lodge is perceived by the public at large. We must be visible and relative in our particular communities in order to attract worthy members to the Fraternity, and, since we do not solicit members—a policy with which I whole-heartily agree--the only perception a potential candidate will draw of the Order is the impression they glean from the members of the Fraternity they observe and with whom they have personal contact. Let's make sure it's a positive one, both for the individual Mason and the Fraternity he represents.

Once again, I thank the Craft of Kentucky for your confidence, and for the opportunity and pleasure of serving the Freemasons of Kentucky and this Gentle Fraternity.

Fraternally submitted,

Joseph R. Conway, P.G.M.
Grand Secretary

REPORT FROM THE MASONIC HOMES OF KENTUCKY, INC.

Gary R. Marsh (400), President & CEO

To the Most Worshipful Grand Master, Most Worshipful Past Grand Masters, Elected and Appointed Grand Lodge Officers, Delegates and Brethren of the Grand Lodge of Kentucky, Free and Accepted Masons:

Masonic Homes of Kentucky respectfully submits the following report:

After the conclusion of the 212th Annual Communication, The Pillars Assisted Care Center at Masonic Home of Louisville was honored as the 2011-12 Personal Care Home of the Year by Kentucky Association of Health Care Facilities (KAHCF), the trade association representing more than 300 nursing homes across the Commonwealth. Since opening in 1990, The Pillars has earned a reputation for outstanding care and service, having achieved four consecutive deficiency-free state inspections. Earning this recognition is well-deserved for Administrator Lori Hess, The Pillars Director Kim Sublett and the entire Masonic Home of Louisville team.

The Best of the Best

In 2012, Masonic Homes of Kentucky was named one of the Best Places of Work in Kentucky by the Kentucky Society for Human Resources Management in conjunction with the Kentucky Chamber of Commerce, ranking 28th among large employers. We also were honored by The Non-Profit Times as one of the nation's top 50 non-profits to work for in 2012, ranking sixth among large employers and 31st overall. These honors mark the first recognition the Homes have received for employee engagement and satisfaction, and are a tribute to everyone on the Masonic Homes team.

Aging Successfully

Masonic Homes began the year by introducing Masterpiece Living on the Louisville campus. Based on research findings that how individuals age is due to lifestyle choices, Masterpiece Living offers resources to help communities create environments that encourage successful aging, while helping residents and staff develop and pursue individual lifestyle plans. Masterpiece Living has been introduced to residents of Masonic Home Village, Miralea and The Pillars Assisted Care Center, as well as Louisville campus staff. It has spawned book clubs, walking groups, a wood craft class and outings to theaters and

museums. Masterpiece Living is a new dimension of wellness and engagement for all of us at Masonic Homes.

Miralea to Open November 1

As the 213th Annual Communication winds down, the Homes will be busy preparing to welcome the first residents to Miralea Active Lifestyle Community on the Louisville campus. Under construction for more than a year, the Miralea community includes 90 apartment residences, 12 patio homes, aquatics center, two dining venues, fitness center, art and craft studio, staff offices and grand lobby. Along with valet parking, room service and other five-star amenities, Miralea residences are equipped with the latest technology, including an e-Concierge iPad and wireless Internet. While it has been exciting to create this stunning community, we are especially thrilled that Miralea will be the first community in Kentucky to offer life care services. Life care provides Miralea residents with priority access to the services on our Louisville campus. The combination of Miralea's exceptional amenities and life care services proved to be popular, as 100 of the 102 residences have been reserved since mid-2011.

Chandler House at Sam Swope Care Center

We proudly dedicated a household in honor of the late Kentucky Governor and U.S. Senator A.B. "Happy" Chandler. Joining us for the ceremony was Chandler's grandson, U.S. Congressman Ben Chandler. In addition to his extensive public service and tenure as Commissioner of Major League Baseball, Happy Chandler was a member of Landmark Lodge No. 41, Scottish Rite, Oleika Shrine, York Rite and Knights Templar.

Shelbyville Home garners national recognition

In 2012, Masonic Home of Shelbyville earned the 2012 bronze level National Quality Award from the American Health Care Association/National Center for Assisted Living. The program honors long-term care communities across the nation that demonstrate a commitment to quality improvement. It is a progressive three-step program beginning at the bronze level. For the third consecutive year, in 2012 U.S. News & World Report recognized Masonic Home of Shelbyville as one of America's best nursing homes. Additionally in 2012, for the fourth consecutive year, Masonic Home of Shelbyville received a five-star quality from the Centers for Medicare and Medicaid Services. Certainly we believe that Masonic Home of Shelbyville is an above-average community providing the highest quality of care and services. To gain recognition on a national level is particularly gratifying, and we congratulate Masonic Home of Shelbyville Administrator Debra Finneran and her team on earning these honors.

On behalf of the Board of Directors and staff of Masonic Homes of Kentucky, as well as the people we serve, thank you for your ongoing support. Best wishes for a successful 213th Grand Lodge Communication.

Fraternally,

Gary R. Marsh
President & Chief Executive Officer
Masonic Homes of Kentucky, Inc.

REPORT ON COMMITTEE ON APPEALS

Jimmy C. Webb (273), Chairman

TO THE MOST WORSHIPFUL GRAND MASTER TERRY L. BOWMAN, MOST WORSHIPFUL PAST GRAND MASTERS, RIGHT WORSHIPFUL GRAND LODGE OFFICERS, DISTINGUISHED GUESTS, AND BRETHERN ALL;

During the preceding year, your Committee on Appeals stood ready to perform its duties and to assist its Grand Lodge and Brethren as requested. During the 2011– 2012 year, your Committee on Appeals fortunately had no matters submitted to it for consideration.

Sadly, a long standing member of this Committee passed away during his 2012, Brother Robert Josephson. I would like to personally thank him for always being able to assist me as I was the junior member of the Committee. He will be missed by not only the members of the Committee but by the Masonic Community as a whole. Our thoughts and prayers remain with his family always.

Brother Marc Rosen and myself would like to welcome Brother Rodney Burress to the Committee of Appeals as he is without doubt a very capable and worthy addition. It is unfortunate the circumstances under which he has graciously volunteered to assist the Grand Lodge; however, his fellow members of the Committee welcome his future contributions.

On behalf of Brother Marc Rosen, Brother Rodney Burress and myself; I would wish to express our sincere appreciation to Grand Master Terry L. Bowman and our brethren for allowing us to serve our Grand Lodge this past year.

Fraternally submitted,
Jimmy C. Webb (273) Chairman

COMMITTEE ON MASONIC EDUCATION

Edward G. Anderson (9, 958), Chairman

Most Worshipful Grand Master, Most Worshipful Past Grand Masters, Right

Worshipful Elected Grand Lodge Officers, Worshipful District Deputy Grand Masters, Worshipful Appointed Grand Lodge Officers, Grand Lodge Committeemen, Worshipful Masters, Wardens and my Brothers all:

This year, a first class educational program was presented to each of the ten regions of our Grand Lodge with the assistance of all the elected Grand Lodge officers, who deserve most, if not all, the credit for its success, not to mention the many numerous other administrative duties that they have day after day. The focus of this program is to communicate much needed light and instruction on how to properly run our lodges. We would like to thank all brothers who attended these meetings, and we greatly enjoyed meeting and getting acquainted with many of you. We feel that the investment of time of all those participating in this has improved our chances for a brighter future. Those of us on the committee feel honored, humbled and priveleged to assist in this undertaking as well as serve our beloved craft.

Fraternally thine,

Edward G. Anderson, Chairman

COMMITTEE ON PROCEEDINGS OF OTHER GRAND LODGES

Herman M. Forrester, P.G.M. (73, 391), Chairman

To the most worshipful Grand Master, Right Worshipful Grand Lodge Officers, Most Worshipful Past Grand Masters, Appointed Grand Lodge Officers, Worshipful Master and Brethren of the Grand Lodge of Kentucky Free and Accepted Masons.

It has been a rewarding and consuming experience reviewing the proceedings of other Grand Jurisdictions. All Grand Lodges seem to be concerned about numerous problems from public awareness, membership and economic survival. Numerous programs have been implemented, some have been productive, but most have had negative and fruitless results. Membership in our beloved Fraternity has been in a decline for the past fifty plus years. It seems that everything has been tried to turn the current trend around from one day classes in several jurisdictions, shorter proficiency requirements, lowering the age requirements, but it seems after all is said and done when you subtract the losses through deaths, demits and suspensions, the gains we have worked so hard for seem to fade away. In other words nothing seems to be working. Each Grand Lodge is trying to accept the challenge and insure a greater respectability for the future of Freemasonry in the twenty first century. When memories exceed dreams the end is near, we have to strive and work harder to make good men masons, not mere members. Some of the reasons for this alarming decline in membership is certainly economics and failure in our lodges to get new members active, and the lodge must have goals and purposes to achieve these lofty aspirations.

We have failed to accept the fact that the world is a much different place than it was in the 40's and 50's. Current lifestyle often require two spouse incomes, family time is limited and the children have their own time consuming adjendas. What has Freemasonry done to keep pace with these changing trends?

Very little. Masons have failed to practice what they profess. Many masons are not

the masons that they profess to be, they only participate when it is convenient for them or beneficial to them.

As we go forward, moving freemasonry into the 21st century, by improving our lodges, personal masonic skills and community visibility there will come a time when financial investment will be needed to support continued growth and public awareness. It is each masons duty to make the fraternity what you want it to be, brother by brother and lodge by lodge.

Respectfully Submitted,
Herman M Forrester, PGM

Most Worshipful Grand Master, Most Worshipful Past Grand Masters, Right Worshipful Elected Grand Lodge Officers, Worshipful District Deputy Grand Masters, Worshipful Appointed Grand Lodge Officers, Grand Lodge Committeemen, Worshipful Masters, Wardens and my Brothers all:

First and very foremost, I would like to thank our Most Worshipful Grand Master, Terry L. Bowman for appointing this committee and allowing us the privilege to serve. He has been awesome to work with and most supportive of our efforts over this past year. Secondly, I would like to extend my utmost thanks to my fellow committee members, Donald Brake and Michael Martin, for their hard work and dedication, not to mention the many miles of road travel. Unfortunately, we were not able to cover as many Grand Lodge historical events as we would have liked. However, we were able to cover the majority of the district meetings, cornerstone layings, lodge dedications, etc., regardless of the fact that each of us holds important leadership positions in other Masonic Appendant Bodies within our grand jurisdiction. While we would have liked to have been able to do more, we most certainly enjoyed doing what we did and are most glad to serve the craft to the highest capacity that we can in this effort. Again, we would like to inform the craft that all of our pictures will be turned over to our Most Worshipful Grand Master at the completion of his term. If anyone needs a copy or copies for their own lodge archives, please do not hesitate to contact us. It has been a great pleasure to serve our great fraternity this

COMMITTEE ON GOVERNMENTAL AFFAIRS

Michael Yount (5, 90), Chairman

MOST WORSHIPFUL GRAND MASTER, RIGHT WORSHIPFUL GRAND LODGE OFFICERS, MOST WORSHIPFUL PAST GRAND MASTERS, WORSHIPFUL APPOINTED GRAND LODGE OFFICERS, WORSHIPFUL MASTERS, AND BRETHREN OF THE GRAND LODGE OF KENTUCKY;

All Masons day was held at our State Capitol in Frankfort, Kentucky February 28, 2012. A proclamation was made by the Senate, and House of Representatives that this date be known as "All Masons Day" in the Commonwealth of Kentucky.

This event was well attended and was A Great Day for the Masonic Fraternity.

Due to the Legislature convening every other year when the Governmental Affairs Committee was formed, All Masons Day has only been held every other year.

Now that the Legislature convenes annually, The Governmental Affairs Committee recommends this to be an annual event.

Let it be also known that special thanks goes to Senator Paul Hornback, Kentucky Supreme Court Justice Bill Cunningham, and Legislative Research Chief Clerk Donna Holiday, for making this day a success.

Item No. 3 Election of Officers Out of Time-Irvine Lodge No 137

December 8, 2011

Thomas H. Hart, Master

Irvine Lodge No 137 F.&A.M.

Dear Brother Hart:

I have been informed the 2011-2012 officers of Irvine Lodge No. 137, were elected at a Stated Communication in November. This action is in direct conflict with the Book of Constitutions of the Grand Lodge of Kentucky F.&A.M.

Section No. 79, which states “Each Lodge shall, in its By-Laws adopt an Annual Communication in December for the purpose of election of officers.”

Consequently, I am hereby setting the election held in November aside, declaring it null and void, and directing the current officers-those elected for 2010-2011-to remain in their stations until such time as this matter is resolved.

Further, you are hereby and forthwith summoned to appear, along with the Senior and Junior Warden, Secretary and Treasurer of Irvine Lodge at the Grand Lodge Office, 300 Masonic Home Drive, Masonic Home KY 40041 on Tuesday, January 17, 2012, 9:00 AM (EST) to address this issue. You are also directed to have the lodge minute book, Tiler's Register, and the Treasurer's Records brought to the January meeting.

I also remind you a summons is the most forcible writ know to Masonry (Trial Code & Discipline, Section 2 (K) (16)}, and disobedience of the same subjects the offender to a charge of un-masonic conduct.

Should you have any questions regarding this matter, you may refer them directly to me.

Item No. 3A Election of Officers Out of Time-Irvine Lodge No 137-Regarding Summons

January 6, 2012

James E. Porter, Senior Warden (Acting Master)

Irvine Lodge No. 137, F.&A.M.

Dear Brother Porter:

Considering the recent resignation of the Master of Irvine Lodge No. 137 and other positive occurrences within the lodge, I hereby recind the summons of December 8, 2011 you received requiring you to appear in the Grand Lodge Office on January 17, 2012.

However, you and the officers of Irvine Lodge No. 137 are admonished for being in violation of the Book of Constitutions of the Grand Lodge of Kentucky, F.&A.M. (BOC) and are hereby directed to review the by-laws of Irvine Lodge and bring them into compliance with said BOC within (60) days of the date of this correspondence.

Further, a dispensation is being issued for Irvine Lodge to hold their Annual Communication for the election and installation of officers for 2012 at the regular Stated Communication of the lodge on January 12, 2012.

It is not with any pleasure I took the action I did in this case; however, it is my duty to enforce compliance with the BOC, and take my responsibilities seriously. I only wish the very best for Irvine Lodge, now and in the future.

Should you have any question, please contact me.

Highland Lodge No. 311, F. & A. M.

West Liberty, KY 41472

RE: MEETING OF JANUARY 17, 2012

Dear Brother Keeton;

This correspondence is a follow-up of the meeting of Highland Lodge No 311, F. & A. M. and the Grand Lodge Offices held in the Grand Lodge Office on January 17, 2012, to address the issue of Highland Lodge holding the election of officers on a date other than that specified in the Book of Constitutions (BOC), and the lodge By-Laws being out of compliance. Following a discussion regarding the issues, giving all present the opportunity to express their views, I order the following:

- Highland Lodge No. 311, F. & A. M. is placed on probation until the October 2012 Annual Communication of the Grand Lodge of Kentucky.
- Highland Lodge is to conduct the election and installation of officers at the February 18, 2012, Stated Communication of the lodge.
- The Secretary of Highland Lodge will be furnished a set of mailing labels of their lodge membership and was instructed to notify all members of the election and installation of officers.
- The new officers are to be directed to study and become familiar with the BOC.
- Following the installation of officers, a By-Laws Committee is to be appointed to review the present By-Laws and bring them in compliance with the BOC.

Having detected an air of animosity among the members of Highland Lodge present, you were admonished to set your differences aside and act as Masons should for both the benefit of Highland Lodge and Freemasonry in general.

If there are any questions remaining, please forward them to my attention.

Billy J. Couch, Master
Vicco Lodge No. 929, F. & A. M.
PO Box 202
Vicco, KY41773

Dear Brother Couch:

This correspondence is a summary of the meeting of the officers of Vicco Lodge and the Grand Lodge officers in the Grand Lodge Office on January 17, 2012, wherein a number of problems and issues presently existing in Vicco Lodge were discussed.

First, the Junior Warden of Vicco Lodge was excused from appearing as summoned because of medical reasons. Second, you gave your assessment of the core issue of the conflict within the lodge and the reason you felt it necessary to file Masonic charges against an officer of Vicco Lodge, namely Gary N. Ward, for his actions in an organization non-Masonic. Since the alleged discrepancy committed by Brother Ward was not related to or harmed the lodge, and considering there is no evidence the organization wherein the alleged offence occurred has sought civil action, I am hereby dismissing the complaint you filed against Gary N. Ward on October 8, 2011.

As was agreed at the above noted meeting you are to have a copy of the enclosed letter forwarded to the entire membership of Vicco Lodge, and to strongly admonish the membership of Vicco Lodge at every opportunity to keep lodge matters strictly within the confines of the lodge.

I was certainly encouraged by the attitude and concern for the welfare of Vicco Lodge expressed by you and your officers who were in attendance at the meeting, and for maintaining the public image of Freemasonry. My best wishes go with you and Vicco Lodge for a bright and prosperous future.

Item No. 6-Arrest of Charter-Benham Lodge No. 880, F.&A.M.

January 23, 2012

Jackson Reed, Master

Benham Lodge No. 880, F. & A. M.

30 Seibers Road

Closplint, KY 40927

RE: ARREST OF CHARTER—BENHAM LODGE NO. 880, F. & A. M.

Dear Brother Reed;

As you have no doubt been informed by the Junior Past Master, George J. Birman and the other officers of Benham Lodge No. 880 whom attended the January 17, 2012 meeting in the Grand Lodge Office, the Charter of Benham Lodge was arrested as a consequence of the several infractions of the Book of Constitutions regarding the affiliation of a suspended member of a neighboring lodge to Benham Lodge, conferring degrees on a member of another lodge without their approval, receiving the petition of a resident of another jurisdiction without a request for a waiver of jurisdiction, and subsequently electing the suspended member to the office of Secretary of Benham Lodge.

The officers present at the aforementioned meeting were inform the lodge will still meet informally for Stated Communications; however, since the Charter is under arrest, no petitions may be received or voted on, no Degrees conferred, no Masonic Funerals conducted (a funeral service may be conducted by another lodge as a courtesy to Benham Lodge), and no activity conducted by Benham Lodge No. 880 which requires a Charter. The routine bills of the lodge (lights, water, gas, etc.) are to be paid timely, and copies of the Treasurer's Report and lodge minutes are to be submitted monthly to the Grand Lodge Office. Further, you, the Wardens, Treasurer and Secretary of Benham Lodge are hereby and forthwith summoned to appear at the October 15, 2012 Annual Communication of the Grand Lodge of Kentucky to show cause why the Charter of Benham Lodge No. 880 should not be revoked.

In the meantime you are directed to:

- Review the By-Laws of Benham Lodge to assure they are in compliance with the Book of Constitutions.

- Attend, along with the other lodge officers, both the District Meeting and Education Conference in your district.
- Have this correspondence read at the next three Stated Communications of Benham Lodge following its reception.

The action I felt compelled to take in order to address this issue was not taken lightly—only after several serious infractions of the Book of Constitutions were committed by the lodge, which the officers seemed to be unable to resolve.

Should a situation not addressed above arise for which you have questions, please refer them to me.

Terry L. Bowman

RE: McAFEE LODGE NO. 229, F. & A.M.--ARREST OF CHARTER

Dear Brother Elliott:

This correspondence is being mailed to you since you are the last Master we have on record for McAfee Lodge No. 229, F. & A. M. As you are no doubt aware, the Charter of McAfee Lodge was arrested, on my authority, by Deputy Grand Master, Christopher L. Stout at the Stated Communication of McAfee Lodge on April 3, 2012 The Charter and some lodge records were picked up by the Deputy Grand Master at that time, and are now on deposit in the Grand Lodge Office; however, there was no inventory of lodge assets, furniture, property, etc. in the material picked up at the time by the Deputy Grand Master. Consequently, you are hereby directed to have the Secretary and Treasurer of McAfee Lodge make such an inventory, in compliance with Section 206 of the Book of Constitutions, and forward the same to the Grand Lodge Office within twenty days from the posting of this correspondence.

Further, by this correspondence, you are hereby and forthwith summoned to appear at the Annual Communication of the Grand Lodge of Kentucky, F. & A. M. Dear Fred W. Watts:

After careful consideration of the complaint filed against you some time ago, and the fact the charge(s) against you have, so far, languished in the Daviess District Court system without resolution, and considering the fact the charge(s) pending against you involve a charge of moral turpitude, I am hereby suspending your Masonic rights and privileges as of the date of this correspondence, in compliance with Section 4 (B) (9) of the Trial Code & Discipline of the Book of Constitutions of the Grand Lodge of Kentucky, F & A M, and until such time as the court has ruled on the charge(s) against you.

Mr. James M. Fitzgerald, Secretary
Mt. Vernon Lodge #14
145 Meadowview Way
Georgetown, KY 40324

Dear Brother Fitzgerald,

At a Grand Lodge Officers meeting on January 17, 2012, the Grand Lodge Officers discussed at length your letter concerning the restoration of the Georgetown #3 charter. It is with heavy heart that I must deny your request.

Our Constitution is very clear on the consequences of a Lodge having its charter surrendered, arrested or forfeited. If I were to grant your request, every Lodge in our Grand Jurisdiction, with like circumstances, would expect the same remedy.

I assure you this decision was made with Brotherly consideration and prayer. I sincerely hope for you, the Officers and members of Mt Vernon Lodge #14 continued success. I remain;

Item No. 12-Suspension of Fraternal Relations with the Grande Loge Nationale Francaise

July 24, 2012

To all subordinate lodges within the Grand Jurisdiction of the Grand Lodge of Kentucky, F. & A. M. all affiliated and concordant Masonic Bodies within said Jurisdiction, Commission on Information for Recognition of The Grand Masters Conference of Masons in North America, and all Grand Jurisdictions with which the Grand Lodge of Kentucky is in amity:

Whereas A conflict has emerged within the leadership of the Grande Loge Nationale Francaise (GLNF), and

Whereas The internal disagreement between the conflicting factions of the GLNF

has reached beyond the jurisdiction of the GLNF, reflecting negatively on world-wide Freemasonry, and

Whereas There does not appear to be an immediate resolution to the conflict; rather the conflict has escalated and the GLNF is now under court appointed administration, and

Whereas The Grand lodge of Kentucky, Free and Accepted Masons is concerned that without a quick resolution to the conflict, the peace and harmony of the Grand Lodges with which the GLNF is in amity may be affected adversely,

Therefore, by the power vested in me as Grand Master of the Grand Lodge of Kentucky, F. & A. M., and with unanimous consent of the elected Grand Lodge Officers at a meeting of the Grand Lodge Officers on June 14, 2012, I hereby and forthwith order the suspension of fraternal relations with the Grande Loge Nationale Francaise (GLNF) as of the above noted date, said suspension to hold until such time as the conflict is resolved and peace and harmony is restored within the Grand Jurisdiction of the GLNF, or until other action is deemed appropriate. Consequently, until such time, no inter-visitation, affiliation, or Masonic Communication is permitted between members of the Grand Lodge of Kentucky, F. & A. M. and members of the Grande Loge Nationale Francaise.

We continue to pray for a quick and amiable solution to the problems existing within the GLNF, and hope for their return to the world-wide family of Freemasonry.

Given under my hand, this 24th day of July in the year 2012 A.D. (6012 A.L.) in Louisville, Kentucky.

Item 4

We propose that the current Ky Rtl and the Kentucky Monitor be combined with publications and information from the Grand Lodge to form one book which includes the following:

From the Ky Rtl:

First Sections of all three degrees, with repetitions omitted by referring to the first time

each part was spoken

Proficiency Lectures of all three degrees

Charges of all three degrees, placed at the end of each degree, not in the First Section

From the Kentucky Monitor:

Entered Apprentice Bible Lecture, small print

Entered Apprentice Apron Lecture, large and small print

Second Sections of the Entered Apprentice and Fellow Craft degrees, large print only

Letter G Lecture, large print only

Third Sections of the Entered Apprentice and Master Mason degrees, large print only

Opening and Closing Ceremonies of all three degrees

An Address to a Newly Raised Brother

The Tyler's Oath

From the Grand Lodge:

An understandable, usable guide to Parliamentary Procedures

Reception of Grand Officers as explained at the 2012 Educational Conference

Black Book ritual of the Legend of the Temple

The Charge in the South and any approved optional lectures

Masonic Burial Service, adopted by the Grand Lodge on October 16, 1935

Guide to the Bluegrass Ritualist Program

Standardized procedure for examining visiting Brothers throughout the state

Proper procedure for balloting

We make the above proposal for the following reasons:

We believe all Brothers in this Grand jurisdiction should take the same obligations to each other, pass the same proficiencies, and receive the same lectures.

If the Ky Rtl is adopted, a second book will still be needed which includes the Installation Ceremonies, Funeral Services, lectures omitted from the Ky Rtl, Tyler's oath, and other necessary information.

This will also standardize the lectures required for the Bluegrass Ritualist Program.

Crossing the Bar

By Alfred, Lord Tennyson, 1809–1892

Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea,

But such a tide as moving seems asleep,
Too full for sound and foam,
When that which drew from out the boundless deep
Turns again home.

Twilight and evening bell,

And after that the dark!
And may there be no sadness of farewell,
When I embark;

For tho' from out our bourne of Time and Place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crost the bar.

We have lost by death 1,509 during the past year.

The report was amended as follows:

The report that our committee brings has a note of sadness within it, however I also choose to look forward to the joy it is to have known so many brethren whose careers and examples have been exemplary for each of us. The report as presented is complete with the exception of one addition which we regretfully bring before you. The Right Reverend Freddie Wayne Tirey, who was born on April the 14th, 1945, went home to be with the Lord on October 3, 2012. Brother Freddie was always Brother Freddie. He was never shy. Always glad to meet everyone. Never short of giving his opinion. He'd let you know what he thought, and he'd ask for yours. And he'd talk with you openly about your thoughts. He was an example to us all. And I choose to remember all the brightness and the joy that he shared every time he went everywhere.

And with that report, as amended, it is presented to the Grand Lodge for consideration.

ADDRESS BY GRAND MASTER OF THE GRAND LODGE OF FLORIDA JORGE L. ALADRO

Good Morning Brethren!

It is indeed a pleasure to be here. I got to tell you that from the minute we hit the ground here at the airport, I was very thankful they didn't ask me for a green card, although I had my wife with me. Made me very thankful that I heard you have a Lodge by the name of Cuba 644. Made me even feel better at home. I know I got a place to hang my inner tube here. But I got to tell you the courtesies and hospitalities you have extended myself and our delegations from Florida, which is my Right Worshipful Junior Grand Warden, Steve

Boring, Most Worshipful Richard Lynn, Grand Master in 1993, now Grand Secretary, and I was his District Deputy. So as you can see from me, Steve, and Most Worshipful Richard Lynn, we have brought you the short, the long, and the wide from Florida. My Brothers it has been a great pleasure to here with ya'll. The courtesies. I should say all ya'll, because now I'm talking cracker, Florida cracker, all ya'll, and the courtesies have been awesome. The friendship that I have developed over the years with your Grand Line is just spectacular. There is no money that could give any value, any greater value to the friendship that I have with these Brothers. They are just awesome individuals. You should be very proud of the line that represents you. And I learned a lot of things today and over the course of the last two days with Most Worshipful Curtis Johnston and Most Worshipful Carroll Curtis back here who I had the pleasure of sitting at the dinner table and the awesome reception you all gave this couple days. I want to welcome, invite all of you to come to Florida. I met several Brothers that do. Please, we need the currency, the money, the Florida economy is in the tubes, and Mickey Mouse will welcome you with open arms. So please make sure you come and visit us down there, we have almost 300 lodges and you will certainly be welcome in any one of them and I congratulate you on having a great session and thank you again for all the courtesies that you have given myself and the Grand Lodge officers of Florida and thank you very much. And congratulations to your new officers. And Most Worshipful congratulations to you for a fine session. Thank you very much for allowing me this pleasure.

EXTENDED REPORT OF THE GEORGE WASHINGTON MASONIC MEMORIAL

L. Todd Eastham, PGM (82)

Brethren:

This has been a busy and productive summer. The majority of our efforts this year have been restoring and sealing the Memorial according to the original plans and specifications.

As I reported earlier this year The Family of Freemasonry Exhibit was opened to great success. The exhibit is truly outstanding and presents the Appendant Bodies in a professional, pleasing and informative manner. We now have The Grotto, the Eastern Star and the Tall Cedars of Lebanon participating in the Exhibit. This morning I am meeting with the new leadership of the Tall Cedars. In April we sent notices to the Grand Encampment, General Grand Chapter, General Grand Council and Shriners International that there exhibits were being closed. The only negative response we received was from the General Grand Council. We have contacted the Southern Jurisdiction ASSR and will now contact the Northern Jurisdiction, Grand Encampment, General Grand Chapter, Shriners International and other Appendant Bodies offering them spaces in the exhibit. We have received positive feedback from the Shrine and the Royal Order of Scotland.

The horizontal stone work on the 3rd, 5th and 7th levels have be re-mortared and lead channeling installed for a permanent solution to the water penetration issues we have been facing on these levels. The two horizontal ledges on the 1st level has been re-mortared with lime based mortar and the first stage of cleaning the stone work has been completed. Next spring we will re-mortar and install lead channeling on the horizontal levels of the 2nd level roof parapet. This is a huge area and will take some time to complete. Once the lead channeling is installed we will complete the cleaning and restoration of the horizontal and vertical stone work. The pyramid level has been a real challenge. We began by removing all the old equipment from the 12th level. This included old speakers and mounts, AC units and extraneous items. The AC units have been elevated and mounted on racks above the floor. The asphalt and felt paper roofing system has been removed and the steel plate flooring cleaned and sealed. The several penetrations into the area for cabling for antennas have been sealed and all cables routed though only two openings that will be completely sealed and water proofed. New larger louvers are being fabricated to allow heat to escape from the area and still keep water out. Also, new flanges are being fabricated and installed to divert the water and route it out of the area. The final step in water-proofing this area will be the installation of a rubberized roofing system to provide a permanent, water proof membrane for the entire level.

The Observation Deck Exhibit, featuring photographs of the construction of the Memorial has been installed and provides an excellent overview of the construction stages of the Memorial. The renovation of the Shriners International exhibit areas is well underway. All the exhibit materials have been removed, the carpets repaired and cleaned and this week we will complete repairing and painting the areas.

This week we will begin moving the Gift Shop from its present location at the front entrance to the West Shrine room at the North Entrance. The move will be completed next week. This is an excellent location for the Gift Shop and will increase sales dramatically.

The large room previously occupied by the Shriners International exhibit will be used as a Conference and Meeting Room. We are wiring it for computer and telephone access and will be an excellent source of rental income.

We are constructing a Computer Equipment room in the area directly over the North Lodge Room Stage. This has only required the construction of one wall and the installa-

tion of a wide door. The small closet currently used for the computer equipment is much too small and too hot, the servers will be damaged if left in this small enclosed space. The vast majority of the restoration work completed this year has been funded by the income received from entrance receipts.

We have only taken draws from our investment portfolio to cover loan payments. To date we have not requested any extra funds to cover these necessary projects, however, as is usual in the third and fourth quarters we are short of operating cash. As we discussed at the Board Meeting we will continue these projects to permanently and correctly repair and restore the Memorial. I will keep you informed as we move ahead with these projects.

Thank You for Supporting the Memorial

The Board of Directors and the Staff of the George Washington Masonic Memorial extend their sincere thanks to the following Grand Lodges for contributing \$1 per member annually from every Mason in their jurisdiction. We are very grateful for their enduring commitment to help ensure the Memorial's future.

GRAND MASTERS ADDRESS

Christopher L. Stout (41), Grand Master

Most Worshipful Past Grand Master and Installing Grand Master, Brother Keith Dreier thank you for installing me, all the Grand Lodge Officers and District Deputy Grand Master's today. Most Worshipful Past Grand Master's, Brother David Carter, and Brother Herman Forrester thank you for agreeing to assist with this installation. It means so much to me to have all of you here to perform this installation and I will be forever grateful to each of you.

Right Worshipful Grand Lodge Officers, Most Worshipful Past Grand Masters, Worshipful Grand Lodge Appointed Officers, Worshipful District Deputy Grand Masters, Worshipful Grand Lodge Committeemen, Worshipful Masters, Wardens, Brethren, Distinguished Guests, family and friends.

Thank you so much for being here for this installation this afternoon it really means a lot to me to look out there and see all of you here. I am so blessed to stand before you today as the Grand Master of Masons of Kentucky, what a humbling experience. When I asked my father for a petition I had no idea that I would ever even become a member of this Fraternity much less an officer in my home lodge, or even the highest honor a lodge could bestow upon a member, presiding as the Master of it. I am certainly glad that I asked for that petition. My father always told me that my word was my bond and that I was the one that had to look myself in the mirror everyday and if I could live with what was looking back at me then that was good enough. I will endeavor to represent you the craft of Kentucky during this ensuing year to the best of my abilities.

Cindy and I have chosen to support the Masonic Homes of Kentucky this year. The Sproutlings Pediatric Day Care and Preschool and Masonicare Patients. There will be a Golf tournament next summer and 100% of net proceeds and donations will establish the Sproutlings Scholarship Program. It cost's approximately \$13,000.00 annually for one special needs child to attend Sproutlings and Cindy and I want to assist in relieving the burden for at least one family if possible. Cindy and the Masonic Homes together will be having several programs throughout the year to promote this worthwhile endeavor. Annually it costs approximately \$1,000,000 to provide Masonicare to currently 41 patients at the Masonic Homes of Kentucky. This year, I ask that you join me in RENEWING OUR OBLIGATION, obligations that were not put in place by me. They are a part of the original foundation that our age-old fraternity was built upon. Please renew your obligations and donate to Masonic C.A.R.E. in support for the Masonic Homes of Kentucky residents to assist in providing for their well being. ALL net proceeds from the different programs (pins etc...) that we will have will go 100% towards Masonicare.

This year a Masonic Archives Committee has been established to start the process of

organizing and categorizing the Grand Lodge of Kentucky Library and Museum at the Grand Lodge Office. We will need the craft of Kentucky's help with this. This year the net proceeds from the Annual Holiday Cards that you will be receiving soon will be designated for improving and maintaining this Library and Museum. Please consider donating as liberal as you can without detriment to yourselves to ensure that our Masonic History is secure forever.

All Veterans are special and I especially feel that Kentucky Veterans deserve the respect and honor across this Commonwealth. Therefore, I have re-established a Veterans Committee this year. This committee will assist subordinate lodges in all three (3) Areas of the Commonwealth to provide a Veterans program to recognize and honor them. Therefore, the committee has commissioned a universal Veterans lapel pin to support the programs across Kentucky. Please consider purchasing one of these pins to honor our Veterans for their sacrifices.

I have commissioned a knife this year to support the "Masons Helping Masons" program established by MW, Brother Herman Forrester, PGM. As you know, we had devastating storms and tornadoes that destroyed Highland Lodge # 311 in West Liberty, KY. They also destroyed communities around the Commonwealth and they affected several brothers across the state destroying homes, automobiles, etc. It is my intent to increase this fund in order to provide assistance to Lodges and also Brethren. Applications will be evaluated on a case by case basis and the majority of the Elected Grand Lodge officers will make the determination for approval or rejection of all applications.

To all the Brethren of the Commonwealth of Kentucky Free and Accepted Masons, it was my vision when I started this journey to Communicate, Assist, Respect and Educate one another within our great Fraternity. To display the Morals, Honor and Integrity and work with that Peace and Harmony that should at ALL times characterize Freemasons. So that we the CRAFT, as Freemasons, United, Together, Under, Ritual, Ethics, CARE NOW FOR OUR FUTURE! Together we can accomplish this.

I would be remiss if I did not thank all the Officers and Members of Landmark Lodge No. 41 over the last several years for their support. I know that I have not been to Lodge on a regular basis during the past several years, but I assure you that I will be back and that you are very important to me and my family.

Finally, I want to thank my family for all of their love, support and encouragement over the last several years on my way to the Grand East. To my beautiful and lovely wife, Cindy for all of her love, patience and understanding over the past several years. She is a great mother to our son Logan and without her support and sacrifices over these past few years I could not have served in this Grand Lodge Line to this point. Cindy I love you with all my heart and I am forever grateful to you for your encouragement and love.

Thank you again for this great honor to serve as your Grand Master during this ensuing year. May GOD bless you, this great Fraternity and the United States of America.

Fraternally Thine,

Christopher L. Stout

Grand Master 2012-2013

THIS PAGE IS DEDICATED TO THE MEMORY

of the

**DISTINGUISHED DEAD
OF OUR SISTER GRAND JURISDICTIONS**

and the

**ILLUSTRIOUS DEAD
OF OUR OWN GRAND JURISDICTION**

During the past fiscal year One Thousand Five Hundred and Nine of our brethren have passed within the veil, into the presence of our Supreme Grand Master on High. We like to think of them as being still active in a better and brighter sphere. "Absent from the body, at home with the Lord."

*"They are only with us in memory,
Their work on earth is done.
By honest toil throughout their lives
Their wages they have won.
The hour of twelve was struck on high
That called them to their rest;
No more for cares of earth they'll sigh
They are now forever blest."*
