MASONIC HOMES of KENTUCKY

Passionate People. INSPIRING LIVES.

150th Anniversary concludes with Home for the Holidays

As a final tribute to Masonic Homes of Kentucky's 150th Anniversary we celebrated the Christmas season in classic style with Home for the Holidays. Louisville and Shelbyville campuses welcomed guests to enjoy sparkling Christmas lights, overflowing decorations and events with carriage rides, Santa, hot chocolate and more. Louisville guests also enjoyed a self-guided, holiday themed audio tour.

The 150th Anniversary kicked-off last year with a Gala and *Little City Beautiful* documentary preview. The celebration continued with a Day at the Capitol with legislators featuring a proclamation from Lt. Gov. Jenean Hampton celebrating Masonic Homes' legacy as a trusted community caregiver. Other events throughout the year included a Guinness World Record attempt at Great Day of Service, hosting the Masonic Communities & Services Association conference, an alumni reunion, cornerstone dedication ceremonies and more.

Thank you to everyone who celebrated with us in 2017. We look forward to another 150 years. You can still learn more about our history at mhky150.com.

ROAD READY

Driving in winter weather can be dangerous and surprising. Make sure you're ready for unexpected repairs or delays by keeping a well-stocked emergency kit with the following items in your vehicle. Even in warmer months, the kit can be useful if you're stranded.

- Working flashlight** (preferably with a bright beam and waterproof) and extra batteries. Also include road flares in your kit.
- Hat, gloves, warm clothes and a blanket** are crucial for added warmth. Also include a brightly colored cloth, which can be tied to the antenna to draw attention to your location for assistance.
- Gallon jug of distilled water, non-perishable food** such as jerky and unsalted nuts and **hard candy**. Don't include items with chocolate, which can melt. Be sure to include items for any family members with dietary needs.
- Tool kit, jumper cables and flares**. Make sure the kit has tools to perform simple jobs such as tightening battery cables. Even if you don't know what to do, a Good Samaritan will need tools to work with.
- Bag of non-clumping cat litter, salt or sand** for added traction if your tires become stuck.
- Collapsible shovel, ice scraper and snow brush**. The shovel can dig your vehicle out of the snow while the scraper and brush keep windows clear.
- Properly inflated spare tire**, wheel wrench and jack designed for your vehicle. Tow and tire chains are also recommended.
- Wooden stick matches** in a waterproof container to create heat, not as a light source.
- Compass** or other navigational device so you can direct assistance to your location if you become stranded.
- First aid kit** with supplies to treat anything from small cuts or burns to more severe injuries. Stock the kit with bandages, alcohol pads, medical tape, gauze, antibiotic ointment and basic medicines such as ibuprofen and antacids.

IF YOU BECOME STRANDED

- **DO NOT** leave your vehicle. Only leave if you know exactly where you're located, how far away you are from assistance and if you're certain leaving your vehicle will improve your situation.
- Light two flares to attract attention, placing one a safe distance from each end of your vehicle.
- Use gloves and blankets to keep your extremities warm. These items should be part of your emergency kit (above). You can also include hand warmers, available at most sporting goods stores. When the warmer is crushed or twisted a chemical reaction occurs to create heat.
- Hard candy may seem like an unusual item for your emergency kit, but eating it will keep your mouth moist.
- Ensure your vehicle's exhaust pipe is not blocked and run the engine and heater for 10-minute intervals each hour, depending on how much gas is in your tank.
- Keep at least one window slightly open. Heavy snow and ice can seal a vehicle shut.

Winter Weather Tips

for your four-legged friends!

It's a common belief that dogs and cats are resistant than people to cold weather because of their fur, but it's untrue. Like people, cats and dogs are susceptible to frostbite and hypothermia.

1. Keep Pets Inside

Longer-haired and thick-coated dog breeds, such as huskies and other dogs bred for colder climates, are more tolerant of cold weather; but no pet should be left outside for long periods of time in below-freezing weather.

2. Provide Choices

Just like you, pets prefer comfortable sleeping places and may change their location based on their need for more or less warmth. Give them some safe options to allow them to vary their sleeping place to adjust to their needs.

3. Make Some NOISE!

A warm vehicle engine can be an appealing heat source for outdoor and feral cats, but it's deadly. Check underneath your car, bang on the hood, and honk the horn before starting the engine to encourage feline hitchhikers to abandon their roost under the hood.

4. Play Dress Up!

If your dog has a short coat or seems bothered by the cold weather, consider a sweater or dog coat. Have several on hand, so you can use a dry sweater or coat each time your dog goes outside. Wet sweaters or coats can actually make your dog colder. Some pet owners also use booties to protect their dog's feet; if you choose to use them, make sure they fit properly.

5. Provide Shelter

We don't recommend keeping any pet outside for long periods of time, but if you are unable to keep your dog inside during cold weather, provide them with a warm, dry, solid shelter against wind. If you're able to, consider providing shelters for stray cats in the neighborhood.

6. Be Prepared

Cold weather also brings the risks of severe winter weather, blizzards and power outages. Prepare a disaster/emergency kit, and include your pet in your plans. Have enough food, water and medicine (including any prescription medications as well as heartworm and flea/tick preventives) on hand to get through at least 5 days.

8 WAYS TO KEEP YOUR HOME WARM IN THE WINTER

- Keep heat in your home by turning off bath exhaust fans when not in use with a timer switch.**
- Add Light Dimmers & Occupancy Sensors for a 20% or more savings on lighting costs.**
- Using your fireplace instead of a traditional heater can save you up to 50% on your heating costs.**
- Cleaning or replacing your furnace's filter twice a year can slash your heating costs by up to 10%.**
- Save \$1000s on your energy costs by installing the right Energy Star rated furnace, a geothermal heating pump or boilers with an electric ignition.**
- Reverse your ceiling fans in the winter to recirculate trapped heat by the ceiling and save up to 10%.**
- Save up to 10% off your energy bill by removing solar panels or sun blocking curtains.**
- Set your heater to 68° when you're home & 55° when you're gone to cut your energy costs by up to 20%.**

ANCIENT & ACCEPTED SCOTTISH RITE

King Solomon Chapter, Louisville Council, and Louisville DeMolay Commandery will confer all of the degrees and

FEBRUARY YORK RITE ONE-DAY FESTIVAL

orders of the York Rite on Saturday, February 24 at the Commandery building at 1420 Gardiner Lane, next door to the main Post Office. It will begin with coffee and donuts at 7:00 a.m. and start the first degree at 8:00 a.m. Short break for a free lunch about Noon and complete the conferrals about 4:00 p.m. You may petition a Chapter as listed in this Journal, or appear that morning, be elected, and become a member in one day.

Any Master Mason interested in more light, or just desirous of more instruction regarding this gentle craft is welcome to join. This is a convenient method to obtain membership and fill in hidden meanings and practices not explained in the first three degrees. Each York Rite body has

state-wide jurisdiction so this class need not be just from Louisville. They have the ability to make you a member, then transfer your membership to nearer your area.

Annual dues in Louisville for all three organizations is \$83, and the joining fee is \$155. Most other communities have similar dues and fees.

While the Louisville bodies intend to fill most of the parts for the day, any York Rite member is welcome to lend a hand.
